LOCAL SELF-GOVERNMENT DEPARTMENT

Local Self-Government.

NOTIFICATION.

No. L.S.-G.3R-46/49.—18th July 1950.—The following draft of rules which the Governor proposes to make under clauses (*a*) and (*b*) of sub-section (2) of section 101 of the Bengal Village Self-Government Act, 1919 (Bengal Act V of 1919), in supersession of the rules published with notification No. 630T.L.S.-G., dated the 13th October 1919, is published for the information of persons likely to be affected thereby.

2. The draft will be taken into consideration on 15th October 1950 and any objection or suggestion received by the undersigned through the District Officers before that date will be duly considered:—

RULES FOR THE ELECTION OF MEMBERS, PRESIDENTS AND VICE-PRESIDENTS OF UNION BOARDS.

Preliminary.

1. The first election of a union board under these rules shall take place within six months after its establishments under section 6 of the Bengal Village Self-Government Act, 1919:

Provided that the State Government may, at any time by an order in writing, extend such period.

2. The District Magistrate shall decide in what manner each union shall be divided into electoral wards and the number of members to be returned for each of such wards:

Provided that the District Magistrate may, if he thinks convenient, decide that a union shall consist of one electoral ward only.

3. The Circle Officer or such other person not being a member of, or a candidate for election to, the union board, as the District Magistrate may appoint him in this behalf, shall be the Election Officer of the union board.

4. Subject to rule 1, the Election Officer shall fix at least four months in advance—

(*a*) in the case of a union consisting of one ward only the date, and

(*b*) in the case of a union consisting of more wards than one, according as he considers that the election should be held in all the wards on the same date or in different wards on different dates, one date or several dates, for election

and the date or dates so fixed shall be published—

(*i*) in the case referred to in clause (*a*) in the union, and

(*ii*) in the case referred to in clause (*b*) in each ward or in the respective wards, as the case may be,

in a conspicuous place and by beat of drum within fifteen days from the date of such fixation:

Provided that in the case of an election under rule 28 or under rule 38, the date shall be fixed at least two months in advance and published as aforesaid.

Registration of voters.

5. The Election Officer shall cause to be prepared for each union ward by ward, a register of persons qualified to vote.

The name of each voter shall be entered in the register of persons qualified to vote for the ward in which he ordinarily resides. No person shall be entitled to have his name included in the register of persons qualified to vote for more than one ward.

6. The members of a joint undivided family qualified under clause (*iii*) of sub-section (*1*) of section 7 of the Act shall nominate a member of the family who has completed the age of twenty-one years and having a place of residence within the union, to vote on their behalf at an election. The name of the member so mentioned shall be communicated to the Election Officer at least three months before the date fixed for the election, and shall be entered in the register of voters.

7. At least two months before the date fixed for an election a copy of the list of persons qualified to vote in each ward of any union shall be published at a conspicuous place within such ward.

8. Any person whose name does not appear in the register and who claims the right to vote, and any person who considers that any name in the register ought to be omitted, may submit to the Election Officer an application to have his name inserted in, or the name of another person omitted from, the register. All such applications shall state distinctly the grounds of application and shall be made at least one month before the date fixed for election. Applications so submitted shall be enquired into by the Election Officer on a date to be previously intimated to the persons concerned. The decision of the Election Officer shall be final.

9. The register of voters as amended after the decision of claims and objections under rule 8 shall be the final register of persons entitled to vote at election, and no person whose name does not appear in such register shall be permitted to vote.

Candidates for election.

10. The Election Officer shall, at least six weeks before the date fixed for the election, issue notices calling for names of candidates for each ward. Such notices shall be published at every village within the ward. Within four weeks from the date of publication of the notices, every person who is a candidate for election shall send his name to the Election Officer in writing bearing his own signature and supported by the signature of five voters whose names appear in the register of voters on the date on which the nomination is sent:

Provided that the nomination paper may be supported by the thumb impression of any candidate or voter who may be unable to sign his name.

11. The Election Officer shall ascertain whether all the candidates are duly qualified under sub-section (*2*) of section 7 of the Act; and his decision on this point shall be final.

12. Any candidate may withdraw his candidature by a notice in writing, bearing his own signature or thumb impression if he is unable to sign his name, and be sent to the Election Officer at least ten days before the date for the election. The candidate who has withdrawn his candidature, shall not be allowed to cancel his withdrawal or to be re-nominated as a candidate for the same election.

The manner of holding elections.

13. If the number of qualified candidates, after withdrawal of candidature, if any, under rule 12, does not exceed the number of vacancies, the Election Officer shall at once declare such candidates to be duly elected.

14. If there be—

(*a*) no candidate, or

(*b*) if the number of candidates is less than the number of vacancies,

the election shall be held to have failed—

(*i*) in case (*a*), in respect of the vacancy or vacancies, or

(*ii*) in case (*b*), in respect of the vacancy or vacancies not filled up by the declaration under rule 13.

15. If the number of candidates exceeds the number of vacancies, a list showing, ward by ward, the names of candidates who are duly qualified shall be published in each ward in a conspicuous place and by beat of drum at least one week before the date fixed for election.

16. The election shall be held on the dat or dates fixed under rule 4 and at such place or places within the union as may be fixed by the Election Officer. The place or places at which and the hours between which the voters will attend for the purpose of giving their votes shall be notified within the union by the publication of notices and by beat of drum at the same time as the list of candidates is published under rule 15.

17. The elections for the different wards in the union shall be held, either in succession or simultaneously, and the Election Officer or such other person or persons, not being themselves candidates, deputed by the District Magistrate for the purpose, shall preside at such elections.

18. Immediately before proceedings for the election for each ward are commenced, the Presiding Officer shall explain to such voters as may be present the manner in which they shall record the votes and may give such other instructions as he may deem necessary. He shall then read out the list of candidates and state the number of vacancies for such ward.

19. The Presiding Officer shall then proceed to take a poll for each candidate, recording the number of votes given for each candidate with his own hand.

20. The votes of all duly registered voters who are present between the hours mentioned in the notice within the building or enclosure in which the election is held shall be recorded. No voter shall be admitted within the building or enclosure after the expiry of the period mentioned in the notice.

21. A voter shall be entitled to vote for the ward for which he is registered as a voter.

22. Each voter shall be entitled to vote for as many candidates as there are vacancies but shall not give more than one vote for any candidate.

23. All persons wishing to vote must be present at the election. No vote by proxy or in writing shall be received.

24. No objection to a voter shall be entertained except on the ground that he is not the person under whose name as entered in the voters' register he claims to vote. Such objections shall be summarily decided by the Presiding Officer, whose decision shall be final.

25. The Presiding Officer shall then and there declare such candidates as have the largest number of votes to be duly elected. In the case of an equal number of votes being recorded in favour of two or more candidates, all of whom cannot be returned, selection shall be made from such candidates by lot, in such manner as the Presiding Officer may deem fit. The candidate thus selected shall be declared to be duly returned.

26. In the event of any candidate being elected for more than one ward, he shall, within five days from the date of election, declare which ward he will represent; and if he fails to make such declaration the Election Officer shall forthwith declare the ward which such candidate shall represent, and in either case such candidate shall be held to be elected in the ward in respect of which either of such declaration has been made, and in every other ward from which the said candidate has been returned, the result of the election shall be determined as if no votes had been recorded for him:

Provided that, if there is a candidate or candidates who have not been declared elected but for whom votes have been recorded, such candidate or the candidates having the largest number of votes shall be declared to be duly elected to fill the vacancy thus caused, and if there is no candidate for whom votes have been recorded to fill the vacancy thus caused, the elections shall be held to have failed in respect of that vacancy.

27. If the number of candidates exceeds the number of vacancies, no candidate shall be declared to be duly elected unless 10 per cent. of the registered voters have appeared and recorded their votes; if not, the election shall be held to have failed.

28. A second election under sub-section (*4*) of section 6 of the Act shall begin at the stage from which the original election failed, *e.g.*, if the election failed at the time of polling, a fresh poll shall be held or if the election failed for want of candidates, fresh nominations shall be called for. If the second election is held in the year in which the original election was held, the register of voters which would have been used for the original election if the original election had not failed shall be used for such second election. If, however, the second election be held in a year subsequent to the year in which the original election was held a fresh register of voters shall be prepared for such election in accordance with rules 5 to 9. If any vacany or vacancies be not filled at such second election, the Election Officer shall at once report the fact to the District Magistrate.

29. The list of duly returned candidates shall be forwarded by the Election Officer to the District Magistrate within a week after the election.

Appointments of members.

30. As soon as possible after the receipt of the list of elected members referred to in rule 29 the District Magistrate shall appoint members, if any, under sub-section (*4*) of section 6 of the Act.

Publication of the names of members.

31. The District Magistrate shall forward a list of duly elected members and appointed members, if any, to the Superintendent of the West Bengal Government Press for publication in the *Calcutta Gazette*.

Election of President.

32. Within one month after the names of the members have been notified in the *Calcutta Gazette*, the District Magistrate shall send a copy of the notification to the Circle Officer or such other person (not being one of the members) as the said Magistrate may select, with an order directing him to convene a meeting of the members for the purpose of electing a President from among them, within one month from the date of such order:

Provided that—

(*i*) The District Magistrate may in writing delegate his power under this rule to the Subdivisional Magistrate.

(*ii*) The District Magistrate or the Subdivisional Magistrate, as the case may be, may, for any special reason to be recorded by him in writing, extend the period of one month relating to the election of President.

(*iii*) If a meeting convened under this rule for the election of President fails for want of quorum or for any other reason, a fresh meeting for such election may be convened within the period of one month from the date of such order or the period extended under proviso (*ii*) at the discretion of the District Magistrate or the Subdivisional Magistrate, as the case may be, for reasons to be recorded in writing.

(*iv*) Where the District Magistrate has, for any reason, failed to take action within the time prescribed by this rule, the State Government may nevertheless extend the period of one month by such time as it may think proper and the time as thus extended shall be deemed to be the period prescribed by the rule.

33. At such meeting one-half of the number of members shall be necessary to form a quorum; if, however, the board consists of 7 or 9 members, 4 or 5 members, respectively, shall form the quorum. There shall be no election of a President unless a quorum is present.

34. The meeting shall be presided over by the Circle Officer or other person convening it under rule 32. The Presiding Officer shall ask the members to record their votes in writing, and each of the members voting shall hand to him a signed voting paper containing the name of the person for whom he votes. No member shall vote for more than one candidate:

Provided that the Presiding Officer shall record the votes of an illiterate member according to the direction of the latter.

35. The candidate for whom there is the largest number of votes shall be declared by the Presiding Officer to be the President of the board. In the case of equality of votes, the Presiding Officer shall give a casting vote.

36. If the members fail to elect a President within the time prescribed by rule 32, the fact shall be reported to the District Magistrate, who shall then ask the district board to appoint under section 8 of the Act, one of the members to be the President.

Election of Vice-President.

37. After the President has thus been elected or appointed, as the case may be, the members shall, if they consider a Vice-President necessary, elect one of their number to be the Vice-President in the same manner as that prescribed for the election of the President in rules 33 to 35. The newly elected or appointed President shall perform the functions of the Presiding Officer or in his absence a member who, not being himself a candidate for the Vice-Presidentship, may be elected for performing the functions of the Presiding Officer and such member shall be entitled to give his usual vote and also a casting vote, if necessary.

Casual vacancies.

38. In the case of a casual vacancy occurring on account of the removal, resignation or death of a member, or otherwise the vacancy shall be filled by election in the manner prescribed by rules 10 to 26 and the provisions of rules 27 to 31 shall be applicable to such election. If such election is held in the year in which another election was previously held, the register of voters used for the election previously held shall be used for such election. If such election is held in a year subsequent to that in which the last election was held, a fresh register of voters shall be prepared in accordance with rules 5 to 9.

39. As soon as a vacancy occurs under section 13 of the Act on account of the removal, resignation, or death of a member appointed under sub-section (*4*) of section 6 of the Act, the vacancy shall be filled by election in the manner prescribed by rule 38.

40. (*1*) When the office of the President becomes vacant under section 17 simultaneously with his office as a member of the board, the vacancy in the office of the President shall be filled by election in the manner prescribed by rules 33 to 35 in so far as they are not contrary to any express provision made in this rule, within one month from the date on which the election or appointment, if any, of a member in his place is notified in the *Calcutta Gazette*. When he resigns or is removed from the Presidentship, but remains a member of the union board, the vacancy in the office of the President shall be similarly filled within one month of the resignation being accepted by the Chairman of the district board or of the order of removal, as the case may be:

Provided that the District Magistrate may, for any special reason to be recorded by him in writing, extend the period of one month.

(2) The meeting at which the President is to be elected shall be presided over by a member of the union board not being himself a candidate for the Presidentship who notwithstanding anything in rules 33 to 35 shall carry out the duties of Presiding Officer under those rules. The meeting shall be convened by the Circle Officer or such other person (not being one of the members) as the District Magistrate may select.

(3) The District Magistrate may in writing delegate all or any of the powers conferred upon him by this rule, to the Subdivisional Magistrate.

41. When the office of the Vice-President becomes vacant under section 17, the vacancy shall, if the members of the board consider it necessary to fill it, be filled in the manner prescribed by rule 37 within one month—

(*a*) from the date of the Vice-President's resignation or removal if he remains a member of the board, or

(*b*) from the date of the election or appointment of a member in his place if his office as member of the board simultaneously becomes vacant.

42. When a President avails himself of leave granted under section 9A the temporary vacancy shall be filled by electing a new President from among the remaining members of the board in the manner prescribed by rules 33 to 35 in so far as they are not contrary to any express provisions made in this rule. When a Vice-President avails himself of leave granted under section 9A, the temporary vacancy shall, if the members of the board consider it necessary to fill it, be filled by electing a Vice-President from among the remaining members of the board in the manner prescribed by rule 37. The meeting for the election of the President shall be presided over by the Vice-President or, in his absence or in case he is himself a candidate for the election, by a member of the union board not being a candidate for the election, who shall be selected by the convener of the meeting and shall, notwithstanding anything in rules 33 to 35, carry out the the duties of Presiding Officer under these rules. The meeting shall be convened by the Circle Officer or such other persons (not being one of the members) as the District Magistrate may select.

43. No person in the employment or pay of the district, local or union board shall directly or indirectly engage in canvassing for votes or otherwise assist in the election of any candidate held under these rules otherwise than by giving his own vote. Any breach of this rule will render him liable to dismissal.

44. All costs incurred in the preparation of the register of voters, the publication of notices, the holding of election, or taking any other necessary action under these rules shall be payable from the union fund. In the case of a newly-created union board, in which no union fund has been formed, the District Magistrate shall, with the sanction of the State Government, advance such sums as may be required; and such sums shall be recoverable from the union board within six months:

Provided that the travelling allowance of Government officers or non-officials deputed by the District Magistrate for conducting union board elections, shall be paid from the consolidated fund of the State.

S. K. GUPTA, Secy.

LABOUR DEPARTMENT

ORDER.

No. 4214Lab.—31st July 1950.—Whereas under the Government of West Bengal, Labour Department, order No. 583Lab., dated the 4th February 1950, the industrial dispute between Messrs. Caledonian Printing Co., Ltd., 3, Wellesley Place, Calcutta, and their workmen represented by Press Employees' Association, 249B, Bowbazar Street, Calcutta, regarding the matter specified in the schedule thereto was referred for adjudication to Sri A. Das Gupta, District Judge;

And whereas the said Sri A. Das Gupta, District Judge, has submitted to the State Government his award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of reference No. 583Lab., dated the 4th February 1950, of the Government of West Bengal, Labour Department, and in the matter of an industrial dispute between Messrs. Caledonian Printing Co., Ltd., 3, Wellesley Place, Calcutta, and their workers represented by Press Employees' Association, 249B, Bowbazar Street, Calcutta.

PRESENT: SRI A. DAS GUPTA, *District Judge.*

For the employers: Sri S. K. Mullick of Messrs. Sandersons & Morgans, Solicitors.

For the employees: Sri Indu Bhusan Sarkar, Organising Secretary of the Union.

The dispute was over the reinstatement of three employees—

(1) Golam Nabi.

(2) Gopendra Nath Maity.

(3) Chandrabali.

The Company plead that these employees were retrenched for *bona fide* trade reasons. The dispute has been amicably settled and in pursuance to this amicable settlement, the Company have paid Rs. 234 to Golam Nabi in consideration of his long service and the Union did not press its demand for reinstatement of any of the three employees. The award, accordingly, is that no dispute subsists on this day over the reinstatement of any of these three employees.

A. DAS GUPTA,
Judge, Industrial Tribunal.

The 24th July 1950.

By order of the Governor,
D. S. P. MUKHERJEE, Jt. Secy.

ORDER.

No. 4324Lab.—5th August 1950.—Whereas under the Government of West Bengal, Labour Department, order No. 572Lab., dated the 9th February 1949, the industrial dispute between Messrs. R. B. Rodda & Co., Ltd. (Gun Makers, Armourers and Boat Builders), 2, Wellesley Place, Calcutta-1, and its employees in connection with the case of Sri Dhirendra Kumar Guha, an employee of the Company, of 5/2A, Raja Rajballav Street, Calcutta, was referred for adjudication to Sri S. C. Chakravarti, District Judge;

And whereas the said Sri S. C. Chakravarti, District Judge, has submitted to the State Government his award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of an industrial dispute between Messrs. R. B. Rodda & Co., Ltd. (Gun Makers, Armourers and Boat Builders), 2, Wellesley Place, Calcutta-1, and its employees in connection with the case of Sri Dhirendra Kumar Guha, an employee of the Company, of 5/2A, Raja Rajballav Street, Calcutta.

PRESENT: SRI SAILES CHANDRA CHAKRAVARTI,
Chairman of the Tribunal.

For the Company: Sri S. C. Sen, Advocate.

For the employee: Sri Jiten Banerjee, Joint Secretary of the Employees' Union.

Acting under sections 7 and 10 of the Industrial Disputes Act, 1947, the Government of West Bengal, by their order No. 572Lab., dated the 9th February 1949, referred to me for adjudication the industrial dispute between Messrs. R. B. Rodda & Co., Ltd. (Gun Makers, Armourers and Boat Builders), 2, Wellesley Place, Calcutta-1, and its employees in connection with the case of Sri Dhirendra Kumar Guha, an employee of the Company, of 5/2A, Raja Rajballav Street, Calcutta.

AWARD.

The dispute centres round the question of reinstatement of Sri Dhirendra Kumar Guha.

The reference was made on the 9th February 1949, and on account of the absence of the employer an *ex-parte* award reinstating the employee was made on 22nd March 1949, and this was published in the *Calcutta Gazette*, dated the 21st April 1949. The employer successfully moved the Hon'ble High Court which set aside the award. The reference stands and it is my duty to make a fresh adjudication.

Sri Dhirendra Kumar Guha has made an application, which is Annexure A to this award, wherein he says that he does not want to proceed with the case. I therefore award that no dispute exists.

S. C. CHAKRAVARTI,
Chairman of the Tribunal.

The 29th July 1950.

ANNEXURE A.

TO THE TRIBUNAL (UNDER THE INDUSTRIAL DISPUTES ACT)
(SRI S. C. CHAKRAVARTI), CALCUTTA.

In the matter of an industrial dispute between R. B. Rodda & Co., Ltd., and its employees in connection with the discharge of Sri Dhirendra Kumar Guha.

SIR,

Petition of Dhirendra Kumar Guha most respectfully sheweth as follows:—

That the allegation made by your petitioner that Sri H. L. Somany, Director of the Company, asked him to prepare a false voucher for Rs. 300 (three hundred) only is untrue and without any basis for which your petitioner expresses his deep regret.

That your petitioner, however, approaches the Company for some compassionate payment in view of his services to the Company after it being taken over by the present management and also in view of the fact that he has been discharged, not dismissed, and the Company assured that the said prayer would be considered sympathetically.

That the petitioner, therefore, would not like to proceed with the case. Under the circumstance it is humbly prayed that your honour would be pleased to pass an award that there is no dispute between the Company and its employees in connection with my case.

Dated Calcutta, the 22nd July 1950.

Yours faithfully,
DHIRENDRA KUMAR GUHA,

JITEN BANERJI,
for and on behalf of the
Association of Employees' Union.

The 22nd July 1950.

By order of the Governor,
D. S. P. MUKHERJEE, Jt. Secy.

ORDER.

No. 4386Lab.—8th August 1950.—Whereas under the Government of West Bengal, Labour Department, order No. 1926Lab., dated the 22nd April 1950, the industrial dispute between Messrs. Nanda & Co., 46, Kali Temple Road, and 37/1, Gorcha Road, Calcutta, and their workmen represented by Association of Employees' Unions, Commercial Building, Block No. 3 (2nd floor), 23, Netaji Subhas Road, Calcutta, was referred for adjudication to Sri G. Palit, District Judge;

And whereas the said Sri G. Palit, District Judge, has submitted to the State Government his award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of an industrial dispute between Messrs. Nanda & Co., 46, Kali Temple Road, and 37/1, Coroha Road, Calcutta, and their workmen represented by the Association of Employees' Unions, Commercial Building, Block No. 3 (2nd floor), 23, Netaji Subhas Road, Calcutta.

PRESENT: SRI G. PALIT, *District Judge, Industrial Tribunal.*

For the Union: Sri Jiten Banerji, Joint Secretary to the Association of Employees' Unions.

For the Company: Sri N. M. Das Gupta, Pleader.

1. By order No. 1926Lab., dated the 22nd April 1950, the Government of West Bengal constituted a Tribunal of one Judge under sections 7 and 10 of the Industrial Disputes Act (Act XIV of 1947) and referred the said dispute to me for adjudication.

2. The reference was received on 24th April 1950. The Union filed its written statement on 5th May 1950. The Company filed its written objection on 22nd May 1950. The issues were framed on 22nd June 1950. The case was taken up for hearing on 3rd July 1950 and was concluded on 4th July 1950.

3. The issues stand as follows:—

(1) Were the workers employed by Nanda & Co. illegally locked out on 23rd February 1950? If so, are they entitled to have re-instatement?

(2) Fixation of wages of workers.

(3) Conditions about leave, holiday and working hours and also over-time work.

(4) Are the workers entitled to get wages for the lock-out period? If so, at what rate? If not, are they entitled to get compensation?

AWARD.

Before the issues are dealt with specifically a brief outline of the history of the dispute will be relevant. According to the Union, the workers submitted a written petition on 16th January 1950 demanding half day's work on Saturday and holiday on Sunday and also leave and overtime rates according to the Factories Act. The Company is said to have turned a deaf ear to the said demands. On 20th February 1950 six employees, namely, (1) Ramjatan, (2) Bhagirath, (3) Guljara Singh, (4) Bisvanath, (5) Sashi and (6) Ram Singh were discharged by the Company without any charge-sheet. The employees in a body wanted to have the cases reconsidered. They submitted a petition to this effect. There was no work on 22nd February 1950 and 23rd February 1950. On the latter date, the employees on reaching the gate of the factory found it closed. Their tools were kept within the factory. They were prevented from entering the workshop.

The dispute was accordingly taken up with the Labour Directorate on 23rd February 1950. Sri Satish Chandra Sarkar and Sri K. K. Mitra of the Labour Directorate visited the spot on 23rd February 1950. Attempts at conciliation failed. The Labour Directorate addressed letters to the Company on 10th March 1950 for the return of the tools to the workers. The workers also lodged a criminal complaint at Bhowanipore police-station on 6th March 1950. The tools were returned on the 17th March 1950. The Union claims re-employment, wages during the lock-out period and determination of service conditions.

The Company denies having any concern with the garage at 37/1, Gorcha Road—its alleged branch. It asserts that it had on the relevant date only 16 employees in its workshop at 46, Kali Temple Road. As such, it is contended that the Factories Act cannot have any application here. Regarding the discharge of the six employees on 20th February 1950 the Company admits it. Then it goes on to say that the workers resorted to strike over this matter. It denies having ever refused to hand over the tools to the workers. It also gives a specific denial of the alleged lock-out.

Issues Nos. 1 and 4.

From the evidence I am satisfied that Messrs. Nanda & Co. locked out its workers on 23rd February 1950. From the Labour Commissioner's report, which is a part of the record, I find that the parties got together for a joint conference on 6th March 1950. The Assistant Labour Commissioner remarks in his report "In course of discussion it was suggested that the factory might be opened with the workers upon payment of half of their wages for the period the workers were locked out. The Management did not readily agree. They were not willing to forgive and forget though of course, no definite charge against the workers could be made out justifying a lock-out." From this it is clear that the Assistant Labour Commissioner who visited the spot on 23rd February 1950, the very day of the alleged lock-out, is of opinion that there was a lock-out. If there was no lock-out the Company would have denied it. He further states in his report that on 7th March 1950 the workers went to resume their work according to his proposal but the Management resisted. This also indicates that the lock-out which was declared on 23rd February 1950 was continued. In the oral evidence before me, I also find reference to the lock-out which could not be disproved. Apparently the Management got nettled by the workers' demands. It went out of its temper when the workers demanded re-instatement of the discharged workers. A lock-out in such circumstances is only probable. Besides, if there was no lock-out, it can never be thought that the workers would lodge a complaint to the police-station to have back their tools from the workshop. They were certainly very keen on having their tools back, without which they could not earn their daily bread. It might be a sport with the Management to detain the tools, but it was almost death to the workers to go on without tools. So I am clearly of opinion that the Company locked-out the workers from 23rd February 1950.

But before this, I must consider what happened on 21st February 1950 and 22nd February 1950. Was there a strike on these days which the Company alleges and which the Union denies? From the evidence I am satisfied that the workers did strike work on those two days. But there seems to have been good provocation for such a step. The workers filed a petition of demands, only claiming amenities under the Factories Act. The Company was in no mood to accede to the said demands, because it thought that the Factories Act could not be invoked in such a case. In this explosive atmosphere the Company dismissed six of its employees on

20th February 1950. Even Sri P. B. Nanda who was an active partner of Messrs. Nanda & Co. admits that he discharged the six workers merely on the basis of a report from one Raghunandan who was said to be a Darwan at 46, Kali Temple Road. He was not a regular Darwan and was never paid as such by the Management. It was he who reported to Sri P. B. Nanda that the carpenters took away nuts and bolts while leaving the factory. He gave six names. When confronted, these workers denied the charge. But still Sri P. B. Nanda chose to dismiss them. He never says that he did furnish them with any charge-sheet or did make any enquiry before dispensing with their services. I must say that the dismissal could hardly be sustained unless the Management had prejudices against them. The cause of prejudice is said to be the demands under the Factories Act already referred to. So it is clear that the Management wanted to stifle this agitation for demands which, on its face, are not unreasonable. In such circumstances, if the workers demanded re-instatement of the discharged employees and if the same is referred or refused, resort to strike cannot be taken exception to, as that was the only remedy left with the workers. The Management must have provoked it. From the statements filed by some of the workers, marked Exhibits B, B1 and B2, I get that there was a strike. These statements might have been procured from gained-over workers but I believe them, because they chime in with the circumstances. So I find that there was a strike on 21st February 1950 and 22nd February 1950 by the workers. There was clearly an unfair labour practice, wantonly dismissing six of the employees whose only fault was that they presented their demands under the Factories Act. The strike was thus justified under the circumstances. Sri P. B. Nanda has admitted that he did not go forward to negotiate a settlement. From the Labour Commissioner's report he rather banged the door for negotiation. So in the above circumstances the discharged workers as also others who were locked-out could claim re-instatement. But Sarban Singh in his deposition specifically stated that he did not want re-instatement. Others also deposed not claiming re-instatement. So in the present case I do not give any direction for re-instatement. Re-instatement would also displace the workers already taken in.

I have found above that there was a strike on the part of the workers which led to the lock-out resorted to by the Management. I find that the strike was justified and the lock-out was not so. I also find that the workers were deprived of the use of their tools from 21st February 1950 to 17th March 1950 when the tools were handed over through the intervention of the police. In the circumstances I do not grant compensation for the entire lock-out period. Only I allow compensation at the rate of half-pay from 21st February 1950 to 17th March 1950 to the workers so locked-out. I do not grant them full wages during this period because the impasse that was created was contributed partially by the workers as well as by the Management, though the latter's share was far in excess of that of the former. Half-pay would be worked out on the basis of the earnings of the previous month, i.e., January 1950.

Regarding the number of workers, there is some difference between the version of the Union and of the Management. The Management specifically has disclaimed having any concern with the garage at 37/1, Gorcha Road. Exhibit A shows that Messrs. Nanda & Co. had municipal licences for their business at 46, Kali Temple Road. It was incumbent on the Union just to show that Messrs. Nanda & Co. had connection with the garage at Gorcha Road. That onus has not been discharged. So I accept the version of the Management that only 16 people were employed at 46,

Kali Temple Road workshop of Messrs. Nanda & Co. They are the persons who are entitled to have compensation referred to above. I find their names from the Payment Register which is not disputed. They are:—

1. Sarban Singh.
2. Bhuban.
3. Mahendra.
4. Lakshmi Chand Sarma.
5. Hari Singh.
6. Lalit.
7. Dal Singh.
8. Jatin.
9. Bhagirath.
10. Ramjatan Sarma.
11. Guljara Singh.
12. Bisvanath.
13. Sohan Singh.
14. Gian Singh.
15. Ram Singh.
16. Sashi.

Out of the group, Jatin and Sashi will get the abovementioned compensation less the wages they have been paid after they joined during the above period. This payment must be made within one month of the operation of this award. The issues 1 and 4 are thus answered.

Issue No. 2.

This does not call for any decision, because the workers are all discharged and also because the contention has not been mooted on this point during the trial.

Issue No. 3.

This is also disposed of without any direction because the old workers have all gone. So their service conditions do not require any fixation. I may only add in this connection that I turn down the claim of gratuity advanced by the workers in this case, because of the rather short period of service put in by those workers.

6. Resignation.—A member of the Board may resign his office by letter addressed to the Secretary to the Board:

Provided that he shall not vacate his office until his resignation is accepted.

7. Removal from the Board.—The Central Government may remove any member of the Board from his office—

(a) if he becomes of unsound mind, or becomes bankrupt or insolvent, or suspends payments, or compounds with his creditors, or

(b) if he is convicted of a criminal offence involving moral turpitude, or

(c) if, without leave of the Chairman, he—

(i) absents himself from India for more than six months, or

(ii) fails to attend more than two successive meetings of the Board.

8. Absence from India.—Before a member of the Board leaves India he shall intimate to the Secretary the date of his departure from and the date of his expected return to India.

9. Vice-Chairman.—(1) The Board shall in each year elect a member to be Vice-Chairman of the Board for twelve months commencing from the date of the election.

(2) In the event of the Vice-Chairman resigning his office as such or ceasing to be a member of the Board, the Board shall forthwith elect a member to be Vice-Chairman of the Board for the unexpired portion of the term of office of the Vice-Chairman elected under sub-rule (1).

10. Minimum number of meetings.—The Board shall meet at least once in a quarter.

11. Power to call meetings.—The Central Government or Chairman may, at any time, call a meeting of the Board, and the latter shall do so, if a requisition for that purpose is presented to him in writing by at least ten members of the Board.

12. Quorum.—No business shall be transacted at a meeting of the Board unless there are present at least ten members.

13. Business by circulation.—(1) Any business which it may be necessary for the Board to transact may, if the Chairman so directs, be carried out by circulation of papers among all its members and any resolution so circulated and approved by the majority of members signing shall be as effectual and binding as if the resolution had been passed at a meeting of the Board:

Provided that—

(a) at least ten members have recorded their views on the resolution;

(b) when a resolution is referred by circulation of papers, any five members of the Board may require that the resolution be referred to a meeting, and thereupon such reference shall be made to a meeting of the Board;

(2) When any business is so referred to the members by circulation, a period of not less than fourteen clear days shall be allowed for the receipt of replies from members, such period to be reckoned from the date on which notice of the business is issued;

(3) If a resolution is circulated, the result of the circulation shall be communicated to all the members.

14. Executive Committee.—Seven members of the Executive Committee of whom at least one shall be an official shall be elected by the members of the Board at its first meeting or as soon thereafter as possible.

15. Casual Vacancy in Executive Committee.—Any casual vacancy occurring among the elected members of the Executive Committee shall be filled by election at the next meeting of the Board or any other subsequent meeting.

16. Functions of Executive Committee.—The Executive Committee shall be responsible for carrying on the day-to-day duties of the Board and shall also exercise such powers of the Board, not being those mentioned in rule 17, as may be delegated to it by the Board.

17. Restrictions on delegation of Powers.—The Board shall not delegate any of the following powers to the Executive Committee; namely:—

(a) the power to sanction expenditure in excess of Rs. 10,000 in respect of any one item,

(b) the power to adopt the budget estimates of the Board on its behalf,

(c) the power to sanction expenditure to be incurred outside India,

(d) the power to re-appropriate estimated savings in excess of Rs. 2,500 in the case of any one item,

(e) the power to dispose of appeals against orders of dismissal from the employees of the Board in receipt of a salary of Rs. 500 and above per mensem,

(f) the power to write off losses in excess of Rs. 1,000 in any one case.

18. Minutes.—Minutes of the proceedings of the meetings of the Board and of the Executive Committee shall be kept and shall be signed by the person presiding over such meetings. Copies of the minutes of the proceedings of the meetings of the Board shall be submitted to the Central Government and also to the State Governments and Bodies by whom members are nominated.

19. Contracts—(1) The Board may enter into contracts provided that every contract which extends over a period of more than three years or involves expenditure in excess of Rs. 50,000 shall require the previous sanction of the Central Government.

(2) The Board may, by a by-law, delegate to the Executive Committee, Chairman or Secretary, such power of entering into contracts on its behalf as it may think fit.

(3) Contracts shall not be binding on the Board unless they are executed by the Chairman or Vice-Chairman and by the Secretary with the previous approval of the Executive Committee, and the common seal of the Board is affixed thereto.

(4) Neither the Chairman nor the Secretary nor any member of the Board shall be personally liable for any assurance or contract made by the Board, but any liability arising under such assurance or contract shall be discharged from the moneys at the disposal of the Board.

20. Budget Estimates.—(1) The Board shall in each year prepare a budget for the ensuing year and shall submit it for the sanction of the Central Government on or before such date as may be appointed by them. No expenditure shall be incurred until the budget is sanctioned by the Central Government and the expenditure has received the sanction of the competent authority.

(2) The budget shall be in such form as the Central Government may direct and shall include a statement of—

(a) the estimated opening balance,

(b) the estimated receipt from the proceeds of the duty levied, under section 11 of the Act and from other sources, and

(c) the proposed expenditure classified under the following major heads or such other heads as the Central Government may direct—

(i) Administration.

(ii) Propaganda—Inside India.
Outside India.

(iii) Research.

(v) Others.

(3) The proposed expenditure under each major head shall be further classified under the following sub-heads :—

(i) Pay of officers.

(ii) Pay of Establishment.

(iii) Allowances, honoraria, etc.

(iv) Other charges, Contingencies, etc.

(4) Supplementary estimates of expenditure shall be submitted for the sanction of the Central Government in such form and on such dates as may be directed by them.

21. Maintenance and Publication of Accounts.—(1) The Board shall maintain accounts of all receipts and expenditure.

(2) Such accounts shall be audited annually by auditors appointed in this behalf by the Central Government and such auditors shall disallow any item which in their opinion has been spent otherwise than in accordance with the Act or these rules.

(3) If any item is so disallowed, an appeal for the disallowance shall lie to the Central Government, whose decision shall be final.

(4) The accounts of receipts and expenditure relating to each financial year, together with the auditors' report thereon, shall be submitted to the Central Government as soon as may be but not later than six months after the close of the year. The Accounts and Auditors' report shall be published in the official gazette.

(5) The accounts of receipts shall include a statement of all sums received by the Board to the credit of the Tea Improvement Fund during the financial year which shall be shown under the following heads :—

(a) moneys received under section 11 of the Act,

(b) other moneys received by the Board,

(c) interest received from the investment of such moneys as aforesaid.

(6) Total receipts shall only be shown under each of the heads specified in sub-rule (5) and the opening balance shall also be stated.

(7) Expenditure incurred during the financial year shall be shown under separate major heads and sub-heads mentioned in clause (c) of sub-rule (2) and sub-rule (3) of rule 20.

(8) The closing balance of the year shall be shown at the foot of the accounts on the expenditure side.

22. Power to incur expenditure.—(1) Subject to the provisions of the Act and the rules framed thereunder, the Board may incur such expenditure as it may think fit, and write off losses up to Rs. 5,000 in any one case and may delegate to the Executive Committee or to the Chairman, Secretary or to any other officer of the Board such financial powers as it may consider expedient :

Provided that, save with the sanction of the Central Government, no expenditure shall be incurred which is in excess of the sanctioned budget allotment under any major head.

(2) Re-appropriations within a major head of expenditure may be made by the Board and subject to clause (d) of rule 17 of these Rules the Board may delegate its powers in this behalf to the Executive Committee.

(3) Re-appropriation between major heads of expenditure shall not be made save with the previous sanction of the Central Government.

(4) The Board may incur expenditure outside India subject to the previous sanction of the Central Government.

23. Borrowing Powers.—The Board may with the previous sanction of the Central Government borrow on the security of the Tea Improvement Fund or any other of its assets for meeting its expenses and for any of the purposes referred to in section 10 of the Act :

Provided that no loan shall be taken which is repayable later than six months from the date of the loan.

24. Appointment of officers and servants.—(1) All posts of officers and servants of the Board shall be created and all appointments to those posts shall be made by the Board :

Provided that the creation of a post of which the maximum salary exceeds Rs. 500 p.m. and an appointment thereto shall not be made without the previous sanction of the Central Government.

(2) The Board shall, in respect of its officers and servants, make by-laws to regulate—

(i) the conditions of service,

(ii) the appointment, promotion and dismissal,

(iii) the grant of pay, leave, allowances, pensions, gratuities, compassionate allowances,

(iv) the payment of travelling allowances, and

(v) the establishment and maintenance of a provident fund :

Provided that the grant of leave and allowances to permanent Government servants whose services have been lent or transferred to the Board shall be decided with the previous approval of the Government competent to sanction his transfer to the services of the Board.

25. Allowances and remuneration.—Save with the previous sanction of the Central Government no remuneration other than travelling allowance and halting allowance shall be paid to any member of the Board on account of his services as such.

26. Custody and disbursement of Funds.—The Board shall make by-laws for the custody and disbursement of its funds :

Provided that the current account of the Board shall be kept with the Imperial Bank of India or any other bank approved by the Central Government and all moneys at the disposal of the Board with the exception of petty cash and imprests shall be paid into that account :

Provided further that any funds not required for current expenditure may be placed in fixed deposit with any bank approved in this behalf by the Central Government or invested in the name of the Board in any security in which trust property may lawfully be invested under the Indian Trusts Act, 1882.

PUBLIC NOTICE.

IMPORT TRADE CONTROL.

New Delhi, the 14th July 1950.

SUBJECT:—*Import Licences for Artificial Silk Yarn for July-December 1950 from the Soft Currency Area, Japan and Switzerland.*

No. 56-ITC(PN)/50.—It has been decided to issue licences for the period July-December 1950 for the import of Artificial Silk Yarn from (i) Soft Currency countries and (ii) Japan to the following categories of applicants:—

(a) the Bombay Silk and Art Silk Mills Association, the Textile Manufacturers Association, Amritsar, and the Bengal Silk and Art Silk Mill Association, on behalf of their member firms. Such member firms should, therefore, not apply separately for licences;

(b) consuming mills manufacturing Art Silk Cloth, which are not the members of the above Associations;

(c) other consuming mills and factories requiring Art Silk Yarn for border making, embroidery, hosiery, lace, braid, gas mantle manufacturing, etc., etc., which do not come under categories (a) and (b) above;

(d) small handloom and handloom co-operative societies;

(e) established importers.

2. Applications should be made out in the manner prescribed in the Commerce Ministry's Public Notice No. 14-I.T.C. (P.N.)/50, dated the 15th June 1950 and submitted by the due dates fixed in that Public Notice.

3. Applicants of categories (a), (b), (c) and (d) should apply to the Chief Controller of Imports, New Delhi, and applicants of category (e) should apply to the Import Trade Controllers at the ports.

4. The Associations included in category (a) will be separately informed of the monetary allocation made to them and will then be required to submit the necessary applications with a statement showing the manner in which the value of the licence is to be distributed amongst their member mills. This distribution should be *pro rata* to the loomage of the mills concerned. A Treasury Receipt should accompany the application equal in value to the total of the application fees which the members would have been required to pay if they had applied separately for the amounts allocated to them.

5. Applicants of categories (b), (c) and (d) should ensure that their applications are supported by certificates issued by the State Director of Industries or the Textile Commissioner indicating their six monthly requirements and in the case of categories (b) and (d) such certificates should also specify the number of looms employed.

6. Applicants of category (c) should specify clearly in their applications the particular uses for which Art Silk Yarn is required by them, *i.e.*, whether for making borders, embroidery, hosiery, lace, braid, gas mantles, cables, etc., etc.

7. Applicants of categories (a) and (b) will have the option of importing twisted yarn to the extent of 10 per cent. of the value of the licences issued to them. Twisted Yarn may not be imported against the balance of the licence. Each licence will bear an endorsement to this effect.

8. Applicants of category (e) should supply evidence in support of their past imports as indicated in the Commerce Ministry's Public Notice No. 1.T.C. (P.N.)/50, dated the 15th June 1950. Licences to such applicants will be issued on soft currency countries on a quota basis of 50 per cent. of half of best year's imports from all sources excluding Japan and Switzerland. Licences will be isued on Japan on a quota basis of 20 per cent. of half of best year's imports from Japan alone. Applicants of this category will be granted licences subject to the express condition that Yarn imported by them will be supplied to handlooms only. This condition will be endorsed on the licences.

9. In addition, licences will be issued to established importers from Switzerland on a quota of 200 per cent. of half of best year's imports from Switzerland. Such licences also will be granted subject to the express condition that the Yarn imported under them will be supplied to handlooms only and the condition will be endorsed on the licences. Applications for such licences should be made to the Import Trade Controllers at the Ports.

A candidate who before the 15th August 1947 was detained, imprisoned, interned or externed on account of his activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered, up to a maximum of four years.

(2) **Instructions regarding submission of applications.**—Applications are to be made on the prescribed form (West Bengal Form No. 969) which has been made saleable and priced annas two per copy to make it readily available to candidates. It will be available on payment from the following places: All District Treasuries and Sub-Treasuries in West Bengal, the Sales Depot of the Publication Branch, Writers' Buildings, Calcutta. Persons residing outside West Bengal may obtain the form from the office of the Commission on sending the price of the form in stamps of denomination of six pies only. A large self-addressed envelope with stamps, sufficient to cover the postage affixed to it must accompany every request for the supply of form. Candidates who are unable to obtain copies of the prescribed form may apply on any similar typed **(not handwritten)** form, showing exactly the wording and spacing of the sample form published in the "Calcutta Gazette" of the 10th March 1949, provided the blanks are filled up in the candidates' own handwriting.

The applications must be addressed to the Secretary and should reach him not later than the 25th August 1950.

(3) **Particulars and certificates required.**—Candidates should furnish evidence of their age, qualifications and previous experience together with certificates written not more than one year prior to the date of their applications, from responsible persons, testifying to their private character.

(4) **Fee.**—Candidates must enclose with their applications a fee of Rs. 5 for each post in the form of a receipted chalan from a Government treasury or the Reserve Bank of India under the head "XXXVI—Miscellaneous—Receipts of the Public Service Commission, West Bengal". Money orders, cheques, etc., in lieu of treasury chalans are not accepted. Postal orders, however, may be accepted from candidates applying from out-of-the-way stations. They should be crossed and made payable to "The Secretary, Public Service Commission, West Bengal".

Candidates in Government service should make sure before depositing fee that their application will be forwarded by their superior officers. In no case will the fee paid with the application be refunded.

(5) **Address.**—Candidates should give their present address and should communicate at once any subsequent change of address.

(6) **Canvassing.**—Any attempt on the part of candidates to enlist support of their applications through persons of influence or officials of Government will disqualify them for appointment. Spontaneous recommendation from persons interested in the candidates or otherwise known to them will be disregarded.

(7) Applications from candidates who are in permanent or temporary employment under any Government in India will be rejected unless they are submitted through the appointing authority of their posts or service.

B. N. BANERJEA, Secretary,
Public Service Commission, West Bengal.

THE NAVAL FORCES (MISCELLANEOUS PROVISIONS) ORDINANCE, 1950.

ORDINANCE NO. XXI OF 1950.

An Ordinance to make certain additional provisions respecting the naval forces of the Union so as to ensure the proper discharge of their duties and the maintenance of discipline among them.

WHEREAS Parliament is not in session and the President is satisfied that circumstances exist which render it necessary for him to take immediate action;

NOW, THEREFORE, in exercise of the powers conferred by clause (*1*) of article 123 of the Constitution, the President is pleased to promulgate the following Ordinance:—

1. Short title and commencement.—(*1*) This Ordinance may be called the Naval Forces (Miscellaneous Provisions) Ordinance, 1950.

(*2*) It shall come into force at once.

2. Ineligibility of females for enrolment or appointment in the naval forces.—No female shall be eligible for enrolment or appointment in the naval forces except in such department, branch or other body forming part of, or attached to any portion of, the naval forces as the Central Government may, by notification in the Official Gazette, specify in this behalf.

3. Power to modify certain fundamental rights in their application to members of the naval forces.—Subject to the provisions of any law for the time being in force relating to the naval forces or to any part thereof, the Central Government may, by notification in the Official Gazette, make rules—

(*a*) restricting, to such extent and in such manner as may be necessary, the right of any member of the naval forces—

(*i*) to be a member of, or to be associated in any way with, any trade union or labour union, or any class of trade unions or labour unions, or any society, institution or association, or any class of societies, institutions or associations;

(*ii*) to attend or address any meeting or to take part in any demonstration organized by any body of persons for any political or other purpose;

(*iii*) to communicate with the press or to publish or cause to be published any book, letter or other document;

(*b*) providing for the manner in which and the period for which any member of the naval forces may be taken into, and detained in, naval custody, pending the trial of any such member by a competent naval authority for any offence committed by him.

4. Continuation of existing rules, regulations, etc.—All rules, regulations, orders, directions, and instructions relating to members of the naval forces or any part thereof, made or issued before the commencement of this Ordinance by or under the authority of the Central Government or of the Commander-in-Chief, Indian Navy, or by any other competent naval authority, shall, in so far as they relate to any of the matters dealt with in this Ordinance, have effect as if they were rules made under this Ordinance.

DIRECTORATE OF AGRICULTURE WEST BENGAL

Calcutta, the 26th July 1950.

Second Forecast of Wheat Crop of West Bengal for 1949-50.

(*Note.*—Estimates of acreage of *this year* as shown in this forecast are based on the results of random sample survey conducted by the Indian Statistical Institute.)

Season.—There has been drought in the districts of Birbhum and Malda. In other districts the weather conditions have been on the whole favourable.

Acreage.—The total area shown with the crop is estimated to be 79,300 acres this year compared to 87,900 acres reported in the corresponding and also in the final forecast of the last year. It is likely that the decrease in area is not real but due to the fact that the sources of the estimates for this year and for the last year are different.

Outturn.—The provincial average outturn per acre is estimated to be 75 per cent. of the normal this year compared to 81 per cent. of the normal last year.

D. BASU,
for Director of Agriculture, West Bengal.

Calcutta, the 26th July 1950.

Third Forecast of Wheat Crop of West Bengal for 1949-50.

(*Note.*—The estimates of areas and outturns of wheat for this year shown in this forecast have been based on the results of random sample survey conducted by the Indian Statistical Institute. As this survey does not include the whole of Darjeeling, the acreages and outturns of this district have been estimated by the Directorate of Agriculture. The reports on the causes of increase or decrease of the acreage in the respective districts as communicated by the Agricultural Staff do not agree with the figures of the two years compared here, as the figures are derived from two different sources. As such no explanatory notes in that regard are given in the "Remarks column" of this forecast.)

Season.—There has been drought in the districts of Nadia, Murshidabad, Birbhum, Hooghly and Malda. In other districts the weather conditions have generally been favourable.

Area and yield.—87,200 acres have been estimated to be under wheat this year compared to 87,900 acres reported respectively in the corresponding and final forecast of last year.

The yield of wheat per acre for the province as a whole is estimated at 6·35 maunds this year compared to 7·29 maunds last year.

Calculated on this basis, the total yield of the crop for the province works out to 20,300 tons this year compared to 23,500 tons last year.

Local Self-Government

NOTIFICATIONS.

No. M.1C-6/50(B).—7th August 1950.—in exercise of the power conferred by sub-section (*1*) of section 482 of the Calcutta Municipal Act, 1923 (Bengal Act III of 1923), the Governor is pleased to sanction that the rates of charges for the services of domes for the cremation of dead bodies at burning ghats specified in the schedule to notification No M 1C-6/50(A), dated the 25th July 1950, which has been drawn up by the Corporation as an addition to the by-laws made under clause (*67*) of section 478 of the said Act and sanctioned in the said notification by Government, shall be enhanced by fifty per cent. with effect from the 1st March 1950.

2. This cancels notification No. M.1C-6/50(B), dated the 27th February 1950.

Hooghly.—No. M.1M-71/50.—9th August 1950.—In exercise of the power conferred by sub-section (*5*) of section 56 of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932), the Governor is pleased to extend the term of office of the Commissioners of the Bhadreswar Municipality in the district of Hooghly till the 31st January 1952 the special circumstances in which it has been thought fit to extend the said term of office being that the last general election of the Commissioners of the said municipality having been held in the year 1946-47, the next general election is, under sub-section (*3*) of section 24 of the said Act, required to be held in the year 1950-51, but such general election cannot be held at that time as it would be of no use to do so in view of the fact that the four-year term of office of the present Commissioners of the said municipality, prescribed by clause (*a*) of sub-section (*1*) of section 56 of the said Act, which commenced on the 25th January 1948, will not be completed until the 24th January 1952. According to the proviso to the said sub-section (*3*) of section 24, the next general election cannot, however, be held after the year 1950-51 unless the term of office of the present Commissioners of the said municipality is extended beyond the 24th January 1952.

24-Parganas.—No. M.1M-72/50.—9th August 1950.—In exercise of the power conferred by sub-section (*5*) of section 56 of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932), the Governor is pleased to extend the term of office of the Commissioners of the Rajpur Municipality in the district of the 24-Parganas till the 31st October 1952 the special circumstances in which it has been thought fit to extend the said term of office being that the last general election of the Commissioners of the said municipality having been held in the year 1946-47, the next general election is, under sub-section (*3*) of section 24 of the said Act, required to be held in the year 1950-51, but such general election cannot be held at that time as it would be of no use to do so in view of the fact that the four-year term of office of the present Commissioners of the said municipality, prescribed by clause (*a*) of sub-section (*1*) of section 56 of the said Act, which commenced on the 11th September 1948, will not be completed until the 10th September 1952. According to the proviso to the said sub-section (*3*) of section 24, the next general election cannot, however, be held after the year 1950-51 unless the term of office of the present Commissioners of the said municipality is extended beyond the 10th September 1952.

Cooch Behar.—No. M. 3C-2/50.—10th August 1950.—In exercise of the power conferred by section VIII of the Cooch Behar Town Committee Act of 1903 (Cooch Behar Act No. IV of 1903), the Governor has been pleased to reappoint Sri Kshitish Chandra Mustafi, B.L., and Janab Jafiruddin Baxi, B.L., to be the members of the Dinhata Town Committee in the district of Cooch Behar for a further period of one year with effect from the 1st April 1950 and the 1st March 1950, respectively.

No. M.1M-25/50(I).—11th August 1950.—In exercise of the power conferred by clause (*i*) of sub-section (*1*) of section 6 of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932), the Governor is pleased to declare his intention to alter the number of Commissioners of the Bhatpara Municipality in the district of the 24-Parganas from ten to fifteen for the purpose of and from the next reconstitution of the Commissioners of the municipality.

2. Any rate-payer of the municipality who objects to the proposed alternation should submit his objection in writing through the District Magistrate to the undersigned within three months from the date of publication of this notification.

By order of the Governor,

NOTIFICATIONS.

No. 1877M.P.—10th August 1950.—In pursuance of sub-rule (*4*) of rule 15 of the Indian Electricity Rules, 1937, framed under section 37 of the Indian Electricity Act, 1910 (IX of 1910), the following advertisement by the Alipur Duar Electric Supply Company, Ltd., published in the *Hindusthan Standard* of the 28th, 29th and 30th July 1950, is published for general information.

All objections which may be received by the State Government before expiration of three months from the date of the first publication of the said advertisement in the said newspaper from any person, company or local authority with reference thereto shall be duly considered by the State Government.

NOTICE.

It is hereby notified for public information that the Alipur Duar Electric Supply Company, Ltd., Alipur Duar, have applied under rule 11 of the Indian Electricity Rules, 1937, to the Secretary to the Government of West Bengal, Commerce and Industries Department, Calcutta, for the grant of license under the Indian Electricity Act, 1910, for supply of electricity in Alipur Duar. A copy of the draft license containing the terms and conditions is appended below:—

DRAFT LICENSE.

THE ALIPUR DUAR ELECTRIC LICENSE, 1950 (DISTRICT JALPAIGURI).

License for the supply of electrical energy granted by the Government of West Bengal hereinafter referred to as "the Government" under the Indian Electricity Act, 1910.

Subject to the provisions of the Indian Electricity Act IX of 1910 and the Electricity (Supply) Act LIV of 1948, license is hereby granted to The Alipur Duar Electric Supply Co., Ltd., to supply electrical energy in the area with the powers and upon the terms and conditions specified below:—

Short title.

1. This license may be cited as "The Alipur Duar Electric License, 1950."

Interpretations.

2. The several words, terms and expressions to which by the Indian Electricity Act, 1910, the Rules thereunder, and by the Electricity (Supply) Act, 1948, meanings are assigned shall have in this license the same respective meanings provided that in this license—

(*i*) (*a*) The "Act" shall mean the Indian Electricity Act, 1910, and any statutory modifications thereof.

(*b*) The "Government" shall mean the Government of West Bengal.

(*ii*) The expression "the licensee" shall mean and include the said Alipur Duar Electric Supply Co., Ltd., Alipur Duar, and their permitted assigns.

(*iii*) The expression "the deposited map" shall mean the plan of the area of supply hereinafter specified, which has been deposited with the Government in pursuance of the Rules under the Act, which plan is signed for the purpose of identification, by the Secretary to the Government in the Department of Commerce and Industries and by the applicant.

(*iv*) The term "unit" shall mean the quantity of electrical energy equivalent to a current of one thousand amperes flowing under an electromotive force of one volt during one hour.

(*v*) The expression "First Annexure" "Second Annexure", "Third Annexure" and "Fourth Annexure," shall mean the first, second, third and fourth annexures to this license, respectively.

(*vi*) The expression "the commencement of this license" shall mean the date of the notification by the Government in the *Calcutta Gazette* by which this license is granted.

Security.

3. (*i*) The period within which the licensee shall show under sub-clause (*a*) of clause I of the Schedule to the Act that he is in a position to discharge fully and efficiently the duties and obligations imposed upon him by the license throughout the area of supply shall, unless otherwise ordered by the Government under sub-clause (*b*) of sub-section (*3*) of section 4 of the Act, be six months from the commencement of this license.

(*ii*) Unless otherwise ordered by the Government under clause (*d*) of sub-section (*3*) of section 4 of the Act, the sum which the licensee shall deposit or secured to the satisfaction of the Government under sub-clause (*b*) of clause (*I*) of the Schedule to the Act, shall be Rs. 10,000 and such sum shall be so deposited or secured within thirty days from the commencement of this license.

Provided that if the work proceeds in a manner satisfactory to the Government, this amount shall be repaid by the Government to the licensee in four equal instalments and a final instalment of payment of interest, if any.

The whole of the amount repaid by the Government shall be used by the licensee for carrying into effect the works for which the license is granted.

Area of supply.

4. The area above referred to within which the supply of energy is authorised by the licensee (the area of supply under the Act) is the whole of the area, the boundaries of which are described in the First Annexure and delineated in red colour on the deposited map.

Situation of the generating station.

5. The licensee shall erect the generating or the main receiving stations within the area covered by the license.

Licensee's works.

6. (A) *Compulsory works.*—(*i*) The licensee shall within a period of two years from the date of grant of this license, provide and instal suitable and sufficient feeders and distributing mains and also execute works to the satisfaction of the Government for the purpose of supply of electrical energy throughout the locality or parts of locality named in the Second Annexure and shown in blue colour on the deposited map, shall erect the generating station or the main receiving station mentioned in clause 5 with all machinery and apparatus necessary for the purpose of giving a continuous and efficient supply of energy to the consumers.

(*ii*) At the expiration of each successive period of six months from the date of the grant of this license and until the completion of the compulsory works, the licensee shall submit to the Secretary to the Government of West Bengal in the Department of Commerce and Industries reports, stating all steps taken and the progress made in carrying into effect this license.

(B) *Provision of adequate plant and extension of distributing mains.*—Further within twelve months of the receipt of applications and subject to the first proviso of clause VI(I) of the Schedule to the Act, the licensee shall lay down suitable and sufficient additional transmission lines and feeders and distribution mains as may be required

to give and supply adequate energy to every consumer within the area, and shall provide and maintain adequate plant, which in the opinion of the Government may be considered necessary for regular, constant and sufficient supply of energy to consumers.

Supply of energy.

7.(*i*) Subject to the provisions of this license, the Act, and the rules, also the Electricity Supply Act (1948), the licensee shall be entitled during the continuance of his license to supply energy within the area of supply for all purposes.

(*ii*) The supply of energy shall not be commenced until an Electric Inspector to the Government shall have inspected the licensee's works and certified in writing that the supply of energy may commence.

(*iii*) As soon as may be after the grant of this license and in any case within six months from the grant of this license the licensee shall submit to the Government for approval under sub-section (*2*) of section 21 of the Act draft "Conditions of Supply" to regulate his relations with persons who are or intend to become consumers.

(*iv*) After such conditions have been approved by the Government with or without modification the licensee shall not supply energy unless—

(*a*) the person to whom such supply is to be given shall have tendered to the licensee a requisition duly signed in the form for the time being approved by the Government, and

(*b*) such person and the licensee shall have executed an agreement in a form approved by the Government.

(*v*) The amount of all miscellaneous charges, incidental to, and in connection with the supply of energy which the licensee proposes to make against consumers shall be subject to the previous approval of the Government.

(*vi*) Provided that where all the works have not been completed by the licensee and the licensee nevertheless desires to commence to give supply of energy in a portion or portions of the area of supply, the licensee shall do so only with the express permission of the Government.

Extensions to generating plant, transmission and distributing mains.

8. After the supply of energy has commenced in accordance with clause 7 (*ii*) of this license, no major additions to the generating station, machinery and apparatus, transmission and distribution mains or other works shall be made or orders placed for the same without the previous approval in writing of the Government.

Accounts.

9. (*i*) Separate and distinct accounts shall be kept, prepared and rendered by the licensee complying in full detail, the requirements required by the Act, Rules thereunder and the Electricity Supply Act (1948), the working of the undertaking for which the license is granted.

All books of accounts shall at all times be open to the inspection of the Government or of any person authorised by the Government in that behalf.

(*ii*) The licensee shall submit to the Government annually before the 1st October, in every year, the accounts of the undertaking made up to 31st March of the same year.

Statistics.

10. The licensee shall when called upon to do so submit to the Government or an officer duly appointed in that behalf such statement and data as may be considered necessary for the purpose of compiling comprehensive statistics of electric supply undertakings in the Province.

Hours of supply.

11. The licensee shall not be bound to maintain a supply from 6-30 a.m. to 5 p.m. local time, during the months of November, December, January and February, until after three years have elapsed from the date of notification of the grant of this license. During this period and these months the supply may be discontinued daily for ten and half hours, viz., between 6-30 a.m. and 5 p.m., local time. On the expiration of these three years a continuous day and night supply shall be maintained throughout the year.

Methods of construction.

12. The feeders, distributing mains and service connection may be overhead or underground in whole or in part and (subject to the provisions of section 18 of the Act) shall be erected, constructed and maintained in strict conformity with the Act and the Rules thereunder and the following provisions:—

(*i*) The licensee shall not erect overhead mains for use at any pressure higher than medium pressure without the sanction in writing of the Government in each case and subject to such conditions and/or limitations as the Government may impose.

(*ii*) Aerial lines in the vicinity of a building or structure shall be erected to comply with the Indian Electricity Rules concerned and in no case shall an aerial line be at a less distance than 4 feet horizontally and/or 8 feet vertically from any building or structure whether permanent or temporary.

(*iii*) In narrow lanes, passages or streets where it would not be possible to maintain a horizontal clearance of 4 feet between aerial lines and buildings, underground cables shall be provided unless any special method of construction of aerial lines shall have been expressly sanctioned in writing by the Government for any such lane, passage or street and such sanction shall be obtained by the licensee before beginning construction of any such special aerial line.

(*iv*) Where any electric supply lines cross or run along the routes of a taboot, temple car or similar other religious processions, the supply lines shall be laid underground or placed at such height as will allow of the free and safe passage of those processions. In case of dispute, such routes and heights shall be determined by the District Magistrate to whom the licensee shall refer before running any such lines.

(*v*) The licensee shall remove or replace at his own expense any aerial line which runs along or across any street if in the opinion of the Government it is considered necessary to do so.

(*vi*) For the purpose of rule 68(*2*) of the rules, the maximum wind pressure shall be taken as 15 pounds per square foot.

Nature of supply.

13. The system and pressure of supply which shall be adopted for the supply of electrical energy under this license are as follows:—

(*i*) Three phase alternating current, three or four-wire supply at pressure of 400 volts between phase and 230 volts between each phase and neutral at a frequency of fifty complete cycles per second.

(*ii*) Single phase alternating current, two-wire supply at a pressure of 230 volts between the phase and the neutral conductor at a frequency of fifty complete cycles per second.

(*iii*) A high pressure alternating current three phase supply at a pressure of 6,000 volts between phase at a frequency of fifty cycles per second for feeders and for supply to any large consumers for power purposes.

The pressure stated above shall be as measured at consumer's terminals and shall not vary therefrom beyond the limits prescribed by the Indian Electricity Rules, 1937, throughout the area of supply:

Provided that the license may from time to time with the previous consent in writing of the Government and subject to such limitations and conditions as shall be made in writing by the Government, adopt any other pressures or systems of supply or both for the purpose of this license.

Limits of rates to be charged in respect of supply of energy.

14. (*i*) The rates to be charged by the licensee for energy supplied by him shall not exceed those stated in that behalf in the Fourth Annexure, or in the case of a method of charge approved by the Government in accordance with clause (*c*) of sub-section (*3*) of section 23 of the Act, such maxima as the Government may fix on approving the method.

(*ii*) The rates for sale of electrical energy shall be subject to the provisions of section 57 and the Sixth and Seventh Schedules to the Electricity (Supply) Act, 1948.

Purchase of undertaking.

15. (A) *Purchase by local authority or Provincial Government (where the Provincial Electricity Board is not formed).*—(*i*) The option of purchase given by section 7 of the Act shall be first exercisable on the expiration of twenty years from the commencement of this license and thereafter on the expiration of every subsequent period of ten years.

(*ii*) The purchase price payable on the exercise of the said option shall be—

(*a*) The net expenditure on the capital account of the licensee in respect of lands, buildings, works, machinery, mains, apparatus, appliances, fixtures, furniture, vehicles and other like property (including serviceable stand-by plant) owned and used by the licensee for the purposes of the undertaking less the total depreciation thereon calculated [according to the scale of depreciation provided in the table appended to the Seventh Schedule of the Electricity (Supply) Act of 1948].

The percentage of the value of the lands, buildings, works, materials and plant of the licensee referred to in sub-section (*1*) of section 7 of the Act which shall be added to such value under the second proviso to that section on account of compulsory purchase shall be ten per centum.

(*b*) The value of the stores, spare parts and loose tools in use or available and suitable for use (for the purpose of the undertaking) at the date of the purposes at such price as may be agreed, or failing agreement, as may be determined by arbitration.

(*iii*) In accordance with clauses (*d*) (*ii*) of sub-section (*2*) of section 3 of the Act, it is hereby declared that the power station used or to be used in connection with the undertaking shall form part of the undertaking for the purpose of purchase under section 5 or section 7, provided that the power station shall not have been abandoned by reason of the operation of clause 16 of this license.

(*iv*) Not less than two years' notice in writing of any election to purchase the undertaking shall be served upon the licensee by the Government and after such notice shall have been given all extensions and outlays of money debitable to the capital account of the undertaking during the period of such notice shall be subject to the previous approval of the Government.

(B) *Purchase by the Electricity Board.*—In the event of the purchase of the undertaking being made by the Provincial Electricity Board constituted under the provisions of section 5 of the Electricity (Supply) Act, 1948, the same shall be governed by the respective Schedule of the Electricity (Supply) Act, 1948.

Bulk supply.

16. (*i*) Should a supply of electrical energy in bulk become available at any future date from any source at a rate not more than the rate at which the licensee is generating at the time and if the Government think it in the interests of development of electricity in that area, so to direct, the licensee shall obtain his supply from such source.

The decision of the Government operation of this clause shall be final.

(*ii*) The licensee will take from the Provincial Electricity Board, if set up by the Government or from any Government generating station such energy as required for this distribution at any time such Board or the Government is prepared to supply at a rate not more than the rate at which, in the opinion of the Electrical Commissioner with the Government of India or the Government, or the Provincial Electricity Board, the licensee is generating at the time of the offer.

If energy is taken as provided above, the licensee shall, if so required, sell to the Electricity Board or to the Government its generating plant at its depreciated book value, or if such Board or Government does not wish to purchase, the licensee will have full discretion to dispose of such plant.

Management expenses and interest on loan.

17. (*i*) If the licensee is granted to a limited company the Government shall have the right from time to time to nominate one *ex-officio* Director on the Board of Directors of such company and the Director so nominated shall be entitled to such remuneration payable by the said company as fixed in the Memorandum and Articles of Association of such company in respect of other Directors. The Director so nominated by the Government shall not be required to hold any qualification shares, nor shall he be liable to removal or retirement. The Government shall, however, have a right to remove the person so nominated and appoint another person in his place. The Articles of Association of the Company shall make suitable provisions on the lines of this clause.

(*ii*) The licensee shall not enter into any agreement with the Managing Agents, if any, or make any modifications to such agreement already entered into unless with the previous consent in writing of the Government. The Government shall also have the right to examine any agreement between the licensee and the Managing Agents if any, and to require suitable modifications therein as a condition precedent to Government granting any consent as required by section 9(*2*) of the Act.

(*iii*) The rates of remuneration to be paid to the Managing Agents and the expenses of the office of the Managing Agents shall be regulated in accordance with the provisions contained in clause XIII of the Sixth Schedule of the Electricity (Supply) Act of 1948. The rates of remuneration to be paid to the Directors and persons other than the staff employed by the licensee for the actual running of the undertaking and also the rates of interest on loan, whether secured or not, etc., and any changes in such rates shall be subject to the prior approval of Government in each case.

Variations from the Schedule to the Act.

18. In pursuance of clause (*f*) of sub-section (*2*) of section 3 of the Act, it is hereby expressly declared that—

(*i*) Sub-clause (*1*) of clause VI and sub-clause (*1*) of clause VIII of the Schedule to the Act shall for the purpose of incorporation in this license be varied by the addition of "except for the months November, December, January and February when the supply may be discontinued daily for ten and half hours, namely, between 6-30 a.m. and 5 p.m. for a period of three years from the date of notification of the grant of this license" after the expression "continue to supply energy" occurring in sub-clause (*1*) of clause VI and in sub-clause (*1*) of clause VIII of the Schedule to the Act.

(*ii*) Clause IV of the Schedule to the Act shall, for the purpose of incorporation in this license, be varied by the substitution of two years for the period of three years specified in clause IV of the Schedule to the Act.

(*iii*) The following sentence shall be added between the words "licensee" and "and" at the end of clause (*a*) of the first proviso to sub-clause (*1*) of clause VI of the Schedule to the Act:—

"and to comply with the conditions of supply made from time to time with the previous sanction of the Government under section 21(*2*)".

(*iv*) Sub-clause (*a*) of the first proviso to sub-clause (*1*) of clause VI of the Schedule to the Act shall for the purpose of incorporation in this license be further varied to the following extent, namely, that the licensee shall not be bound to supply energy to any person for any period unless the person requisitioning such supply shall enter into an agreement as required by clause 7 (*iv*) of this license.

(*v*) The following sub-clause shall be substituted for Clause VI, sub-clause (5), namely:—

"Every requisition under this clause shall be in a form approved by the Government; and copies of the form shall be kept in the office of the licensee and supplied free of charge to any applicant."

(*vi*) The first proviso to clause XI of the Schedule to the Act shall, for the purpose of incorporation in this license, be varied by the substitution of five years for the period of seven years specified in that proviso.

(*vii*) The following sub-clause shall be substituted for sub-clause (*2*) of Clause X, namely:—

"(2) Before commencing to supply energy through any distributing main the licensee shall give notice, by public advertisement in such manner as shall be previously approved by the Government, of the method by which he proposes to charge for energy so supplied and the rates at which such energy will be supplied, and, where the licensee has given such notice, he shall not be entitled to change the method of charging or the rates at which energy will be supplied without giving notice thereof by public advertisement in the manner aforesaid and giving in writing one month's notice or such shorter notice as the Government may deem proper of such change to the Government, to the local authority, if any, concerned, and to every consumer of energy who is supplied by him from such distributing main."

Securing continuity of supply.

19. It shall be the duty of the licensee (which expression shall for the purpose of this clause and clause 20 following be taken to mean and include the licensee, his employees, servants and agents and his permitted assigns) to give the nearest Magistrate immediate and full information of any circumstances in which interruption of the supply may be apprehended as a result of civil commotion or disturbance of the public peace, or any strike or lock-out of the nature specified in section 22 of the Industrial Disputes Act, 1947.

Transfer of management.

The licensee shall not employ or engage any other party to work his undertaking or to carry out the work of supplying energy under this license except with the previous written consent of the Government wholly or to such extent as the Government may think fit.

Revocation.

20. (*i*) If the licensee shall in the opinion of the Government have failed to give such immediate and full information as is required by clause 19 hereof or if at any time any interruption of the supply shall occur which in the opinion of the Government is attributable to any wilful or preventable default or neglect on the part of the licensee or which in the opinion of the Government could by the exercise of reasonable care have been prevented by the licensee or if the licensee shall in the opinion of the Government, fail to comply with any of the provisions of this license or shall in the opinion of the Government fail to show satisfactory progress during any portion of the period of two years, specified in clause 6 of this license, or if the general direction and control of the licensee shall cease to be in the hands of the subject of the Indian Union, the license shall be liable to be revoked.

(*ii*) In the event of the Government revoking the license for any of the causes specified in sub-clause (*1*), the security deposit of Rs. 10,000 made in accordance with clause 3 may in whole or in part be forfeited as the Government may decide and the decision of the Government as to both revocation and forfeiture shall be final and binding on the licensee.

First Annexure.

The boundaries of the area of supply, referred to in clause 4 are as under:—

North—Bounded by the Northern extremity of the Railway Colony.

East—Bounded by river Nonai and village Bholardabri.

West—Bounded by river Dima and river Kaljini.

South—Bounded by river Kaljini.

The area of supply is also shown in the deposited map by red line.

Second Annexure.

The list of street or parts of streets referred to in clause 6 (1):—

(1) Alipur Duar—Rajbhat Khawa Road (within the area of supply).

(2) All other roads, streets, lanes and by-lanes as shown in the map, in the area of supply have no specific names.

Third Annexure.

(1) The proposed generating station will be installed at the land south of Sri Sarada Ranjan Sen and others' new Cinema Hall under construction, and it is shown in plan with green colour.

(2) The supply will start with 1-50 K.W. and 2·75 K.W. Diesel Alternate Sets.

Fourth Annexure.

Rate to be charged by the licensee for energy supplied by him referred to in clause 14 shall not exceed the maxima set out below, namely:—

Rate A—Domestic and business purposes.

(*a*) (*i*) Domestic and business purpose for lights and/or all types of table, ceiling, exhaust and ventilating fans—Annas 8, Rebate annas 2, Net As. 6.

(*ii*) Domestic purposes for lift and pump motors, where the rating of such motor does not exceed 4 H.P.—As. 8, Rebate As. 2, Net As. 6.

(*b*) (*i*) Domestic purposes for lift and pump motors, where the rating of such motor exceeds 4 H.P.—As. 8, Rebate As. 2, Net As. 6.

(*c*) Domestic and business purposes for heating devices (heaters, cookers, irons etc.), radios, refrigerators, air conditioning apparatus and all other domestic appliances not mentioned in Rate A (*a*)—As. 5, Rebate As. 2, Net As. 3.

(*d*) All other domestic and business purposes not covered by any other rate—Annas 5, Rebate As. 2, Net As. 3. Minimum charge—A minimum charge of Re. 1 per month may be made in addition to meter hire whether energy to that extent has been consumed or not.

Rate B—Unmetered Supply.

Lights on contract system for road side stalls and bazar shops only, and used for not more than 6 hours daily from sunset, provided that the wattage of each lamp does not exceed 100 watts and the total number of lamps in one shop does not exceed three, anna 1 per watt of lamp installed.

Rate C—Public amusement purposes.

Cinematograph and for all such amusement purposes:—

Annas 5, Rebate Annas 2, Net Annas 3.

Rate D—Battery Charging and Electrolysis.

Annas 5, Rebate As. 2, Net As. 3.

Rate E—Industrial Purposes.

For motive power purposes and for purposes other than those mentioned in item (A) and (D) above:—

A standing charge per month for service at Rs. 4 per H.P. of the connected load for the supply of which licensee is required to make provisions and in addition a charge for current determined by meter as follows:—

(*i*) For each installation having motors the aggregate rated horse-power of which does not exceed 2 H.P.—As. 4.

(*ii*) Exceed 4 but not exceed 15 H.P.—As. 3.

(*iii*) Exceed 15 but not exceed 50 H.P.—As. 2-6.

Rate F—Large Industrial and/or Bulk Supply Purposes.

(*i*) If the maximum demand exceed 50 K.W. but not 500 K.W.—The rate will be fixed later on.

(*ii*) For maximum demand exceeding 500 K.W. In the case of large consumers for power, special agreement may be made for fixed periods at such special terms (not exceeding the rates specified above) that are justified by special circumstances, having regard to the location, load factors, time of use, power factor and quantity. The rate will be fixed later on.

Rate G—Street Lighting.

The licensee may at any time enter into a special contract with the Municipality of Alipur Duar for the supply of energy to the said municipality for public lighting upon such terms and conditions at such rates not exceeding the maxima charges specified above, as may for the time being be mutually agreed upon—Annas 2, per unit consumed.

Meter Rent.—The rent to be charged for the meter shall not exceed, annas 8 per month for a single phase A.C. meter and annas 12 per month for a polyphase A.C. meter.

Every local authority, company or person desirous of making any representation with reference to the application to the Local Government may do so by letter addressed to the Secretary to the Government of West Bengal, Department of Commerce and Industries, Writers' Buildings, Calcutta, within three months of the date of issue of the newspaper containing the first advertisement.

(*v*) Government Servants Conduct Rules.

(*vi*) Practice and Procedure Manual.

(Candidates' knowldege of précis writing and drafting will be tested. In addition, questions will be asked about Office Procedure, registers kept in Commercial Tax Office including the Statistical Forms, Bill Books, Travelling Allowance Bills of gazetted and non-gazetted officers and Leave Rules.)

Paper (6) Practical and Language Test shall comprise—

A. Dictation.
B. Translation from English to Marwari.
C. Translation from Marwari to English.
D. Viva Voce Examination and Manuscript Reading Test (including test on reading of accounts and numerals).

A written test will be taken on the first three subjects and an oral test on the fourth subject.

An officer will be required to learn three basic languages, viz., English, Bengali and Marwari. No detailed syllabus is prescribed for Marwari; but the object of the test is to find out the officer's capacity to examine accounts kept in Marwari language. A good knowledge of Agarwal and Oswal script and numerals used in writing up Marwari accounts will be insisted upon. An officer who is not a Bengalee or has not passed the Matriculation Examination of an Indian University with Bengali as one of his subjects, will be required to pass a special qualifying test in Bengali. If circumstances so require optional examinations may be held in Urdu and Gujrati and an officer passing in any of these languages besides the three basic languages mentioned above will be offered rewards.

By order of the Governor,

B. DAS GUPTA, Secy.

PART IB—Educational Notices

GOVERNMENT OF WEST BENGAL.

Education Directorate.

NOTIFICATION.

Calcutta, the 9th August 1950.

No. 17T.B.—It is hereby notified for general information that the Syllabuses on Geography and Natural Science for Class IV of Primary Schools require slight clarification. The modified Syllabuses on those subjects are given below. The authors of text-books may note the changes.

Geography.

1. Story approach to continue and projects to be begun from this stage and will be of an increasing order of complexity. The reference books in this class should offer help in carrying out projects successfully.

2. In addition to reference books used in Class III there will be a text-book from this class onwards.

3. Talks on people and their life in different parts of our homeland whose way of life contrasts with ours—

(*i*) People in North-Western India, Rajputana and South India.
(*ii*) Santhals and Mundas, the Nepalese, Khasias, and Nomadic communities.

4. Some friends of the community:

(*i*) The Farmer.
(*ii*) The Fisherman.
(*iii*) The Milkman.
(*iv*) The Smith.
(*v*) The Potter.
(*vi*) The Weaver.
(*vii*) The Carpenter.
(*viii*) The Mason.
(*ix*) The worker in the Factory.
(*x*) The Scavenger.

5. Descriptive account of Bengal in broad outlines with special reference to West Bengal and its constituent districts including Cooch Behar, stressing important centres of trade, commerce and industry, interesting places in each such district, etc., and avoiding unnecessary details.

6. *Observational work.*—Same as in Class III, more detail and greater degree of accuracy should be stressed.

Thermometer and rain gauge—how to use them.

7. Things to do and make—

(*i*) Wind vane, Rain gauge, Field work.

(*ii*) Local survey of school and its surroundings, parks, markets, play grounds, maps of village or mohalla.

(*iii*) Making of plans to scale.

Natural Science.

A simple text-book to be provided.

1. Cultivation of Vegetables of various types—and study conditions which favour their growth.

2. Leaf—simple (e.g., mango) and compound (e.g., Rose)—how fixed to stem. Recognition of common trees by their leaves, fruits and twigs. Fruits, juicy and dry. Collection of fruits under kinds (e.g., paddy, pea, mango, papya, cucumber, lemon, apple, custard apple, jack-fruit, etc.) and under methods of dispersal (of seeds by wind, by water, by animals, etc). Collection of leaves under "Simple" and "Compound" and pressing and mounting them in Scrap Books.

3. Bird study to continue—their song, seasons of singing, habits, appearance, etc. Collection of pictures of birds and their nests and eggs.

4. Study of common garden creatures—Snails, Earth-worms, Spiders, Wasps, etc. Earth-worm—what it does to the soil.

5. Talks on peculiar animals which children do not see in their environment—the countries they live in. Visits to the Zoo, if possible.

6. Lesson on one member of each of the following families:—

Mammals, Reptiles, Fish, Amphibia, Insects.

7. Social life of Ants and Bees. Observation of Ants nests, and ant-hills of white ants. Bee keeping.

8. Making of Weather Charts to continue.

9. Beginnings of the simple Study of the Human Body.

10. Disposal of nightsoil. How to utilise it. How to utilise Cow-dung, Urine, etc.

11. Group activities of the type: Organising a Nature Club, a Farmer's Club and preparing Farmer's Bulletin.

B. after the 10th and 18th stages) plus dearness allowance of Rs. 50 (for married officer) or Rs. 45 (for unmarried officer) and the other allowances as admissible under the rules. Higher initial pay up to Rs. 400 per month within the grade may be given to a deserving candidate.

Qualifications.—Candidates—

(i) must be citizens of India as defined in Part II of the Constitution of India;

(ii) must possess a degree in Civil Engineering or Corporate Membership of the Institution of Engineers (India) or must have passed an examination exempting candidates from appearing in Sections A and B Examination of the Institution of Engineers (India);

(iii) must have at least five years' experience in design and construction of sewerage system, sewage disposal and treatment plants and water supply system, etc.

(2) **Instructions regarding submission of applications.**—Applications are to be made on the prescribed form (West Bengal form No. 969) which has been made saleable and priced annas two per copy to make it readily available to candidates. It will be available on payment from the following places: All District Treasuries and Sub-Treasuries in West Bengal, the Sales Depot of the Publication Branch, Writers' Buildings, Calcutta. Persons residing outside West Bengal may obtain the form from the office of the Commission on sending the price of the form in stamps of denomination of six pies only. A large self-addressed envelope with stamps, sufficient to cover the postage affixed to it, must accompany every request for the supply of form. Candidates who are unable to obtain copies of the prescribed form may apply on any similar typed (not handwritten)

form, showing exactly the wording and spacing of the sample form published in the "Calcutta Gazette" of the 10th March 1949 provided the blanks are filled up in the candidates' own handwriting.

The applications must be addressed to the Secretary and should reach him not later than the 31st August 1950.

(3) **Particulars and certificates required.**—Candidates should furnish evidence of their age, qualifications and previous experience together with certificates written not more than one year prior to the date of their applications, from responsible persons, testifying to their private character.

(4) **Fee.**—Candidates must enclose with their applications a fee of Rs. 5 for each category of posts in the form of a receipted chalan from a Government treasury or the Reserve Bank of India under the head "XXXVI—Miscellaneous—Receipts of the Public Service Commission, West Bengal". Money orders, cheques, etc., in lieu of treasury chalans are not accepted. Postal orders, however, may be accepted from candidates. They should be crossed and made payable to "The Secretary, Public Service Commission, West Bengal".

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers. In no case will the fee paid with the application be refunded.

(5) **Address.**—Candidates should give their present address and should communicate at once any subsequent change of address.

(6) **Canvassing.**—Any attempt on the part of candidates to enlist support of their applications through persons of influence or officials of Government will disqualify them for appointment. Spontaneous recommendation from persons interested in the candidates or otherwise known to them will be disregarded.

(7) Applications from candidates who are in permanent or temporary employment under any Government in India will be rejected unless they are submitted through the appointing authority of their posts or service.

NOTICE.

No. 4848P./5A-20/50.

Calcutta, the 8th August 1950.

APPLICATIONS are invited for admission to the Prince of Wales's Indian Military College, Dehra Dun, from candidates wishing to take preliminary training for a career in the Indian Army, Indian Air Force or Indian Navy. Only unmarried boys of Indian domicile are eligible for such admission.

2. The next term of the College will commence on the 20th January 1951. Applicants seeking admission to the College will have to appear at a qualifying examination consisting of both a written and a viva voce test, to be held on the 12th October 1950. The candidates should not be less than 11 years of age but must not have reached the age of 12 years on 20th January 1951. No relaxation of age limits will be allowed.

3. As evidence of his age, a candidate should produce a certificate from the Head Master of the School in which he is studying showing the date of his birth as recorded in the School Register.

4. The fee is Rs. 1,500 for each school year payable in two equal instalments of Rs. 750 each, one at the beginning of each term.

5. Applications are to be made in prescribed form to reach the Secretary to the Government of West Bengal, Home (Political) Department, Writers' Buildings, Calcutta, not later than the 15th September 1950. Application forms, specimen question papers, etc., will be available at that office on request. The time and place of examination will be notified later.

6. Full particulars regarding the course of training are available from the Regulations for the Prince of Wales's Indian Military College, Dehra Dun, copies of which can be had on payment from the Manager of Publications, Delhi.

7. The Government of West Bengal will offer three scholarships, each of Rs. 1,000 per annum and tenable for six years, to three meritorious candidates after admission into the Prince of Wales's Indian Military College, Dehra Dun, if they are natives of, or are domiciled in, West Bengal and if their parents and guardians cannot afford to meet the entire cost of maintaining the candidates at the College. The entire cost of educating a boy at the College is estimated at about Rs. 2,500 per annum including the College fee. Selected scholar will receive Rs. 1,000 per annum from Government but the balance will have to be borne by the parent or guardian concerned. Ordinarily selection for scholarship is made on receipt of progress reports from the College. Applications for these scholarships should be made in prescribed forms in accordance with the rules governing such scholarships, copies of which will be supplied on request, after the candidates have been finally selected for admission.

By order of the Governor,
P. W. MANN,
Asst. Secy. to the Govt. of West Bengal.

Third and Final Forecast of Gram Crop of West Bengal for the year 1949-50.

[*Note.*—Estimates of acreage under Gram of two years as shown in this forecast are based on the results of random sample survey conducted by the Indian Statistical Institute. The remarks on the causes of increase or decrease of the acreage in the respective districts as communicated by the agricultural staff do not agree with the figures of the two years compared here. As such, no information has been given in that regard in this forecast.]

Season.—There has been drought, which has affected the growth of the crop, in all the districts except Burdwan and Midnapore.

Area and yield.—273,400 acres have been estimated to be under Gram this year compared to 255,000 acres last year.

The estimated outturn of Gram per acre in the State has been estimated at 7·60 maunds this year compared to 8·34 maunds last year. Calculated on this basis the gross yield of the State works out to 76,400 tons this year compared to 78,100 tons last year.

D. BASU,
for Director of Agriculture, West Bengal.

GOVERNMENT OF WEST BENGAL

IRRIGATION AND WATERWAYS DEPARTMENT.

NOTIFICATIONS.

No. 8-I.—9th August 1950.—The following draft rules and schedule of rates, which in exercise of the powers conferred by sections 78 and 99 of the Bengal Irrigation Act, 1876 (Bengal Act III of 1876), the Governor is pleased to propose to make for the supply of water from the Putrangi Canal in the district of Midnapore are hereby published for the information of persons likely to be affected thereby.

2. The draft rules and rates will be taken into consideration on or after the 18th September 1950. Any objection or suggestion in respect thereto received by the undersigned before that date will be considered:—

DRAFT RULES AND RATES.

Leases for a term of years.

1. The country served by the canals shall be mapped out into blocks of convenient size in accordance with the features of the ground, natural or artificial. So far as may be practicable, the blocks shall be separated by drainage lines. This shall be done by the Subdivisional Canal Officer under the guidance and control of the Divisional Canal Officer.

2. Each block determined as above shall be numbered and recorded with its gross and irrigable areas in registers to be maintained by the Subdivisional Canal Officer. The blocks shall also be marked on maps to be maintained by the same officer.

3. Leases for not more than six years may be granted for the whole irrigable area of a block or for definite parts of a block under the following conditions:—

I. Ordinarily the whole irrigable area of any village so far as situated within the block must be included in the lease. If the lands of a village within the block are divisible into two or more distinct parts which can be irrigated independently a separate lease may be granted for each part.

II. All leases within one block shall be so granted that they may expire on the same date.

III. No lease shall be granted when the supply of water must of necessity be delivered across an unleased area, unless a channel exists, which, in the opinion of the Subdivisional Canal Officer, will deliver water without waste across the unleased area.

4. The Superintending Engineer shall fix from time to time the gross area for which and the limits of the canal within which, leases for a term of years may be granted.

5. Maps of all villages in which lands have been brought under lease for a term of years, or in which there is any possibility of such leases being taken, shall be kept in the Subdivisional Canal Office. These maps to be at scale 32″=1 mile when such are available and elsewhere at scale 16″=1 mile.

6. The preliminary application for a lease for a term of years, either new or renewal, may be of an informal nature, but it must be in writing. It may be presented and shall be received either at the Subdivisional or Sectional Canal Office; in the latter case the Sectional Officer shall forward it immediately to the Subdivisional Canal Officer. The Subdivisional Canal Officer as soon as he has, by personal enquiry or by an enquiry made by the Sectional Officer, satisfied himself that the land in question constitutes a definite block or a definite part of a block, and that it can be irrigated, shall at once inform the Divisional Canal Officer giving such particulars as that officer may direct, and shall ask his formal approval to the lease being proceeded with. On receipt of such approval the Subdivisional Canal Officer shall proceed to make the detailed assessment. The lands to be brought under lease shall be indicated on a copy of the map referred to in rule 5.

7. The Subdivisional Canal Officer on receipt of the application shall depute an amin to prepare the khasra or detailed assessment paper. This shall be done on the ground with the aid of the revenue survey map and khasra. Should the survey map and khasra not be available, the amin shall make a sketch map, and shall measure the areas of the holdings with a chain or measuring-rod.

8. When the amin has completed the khasra he shall forward it to the Subdivisional Canal Officer who shall forward it to the Divisional Canal Officer for approval.

9. As soon as the khasra has been approved by the Divisional Canal Officer, he shall return it to the Subdivisional Canal Officer endorsed with his signature in token of approval.

The Subdivisional Canal Officer shall then prepare a khatian or abstract of the khasra, and shall have the form of application given as Appendix No. I to these rules, filled up and signed or marked by each of the applicants, in the presence of two witnesses.

When the application has been completely signed, the Subdivisional Canal Officer shall send it to the Divisional Canal Officer, by whom the permit or formal approval of the lease shall be signed and issued in the form given as Appendix No. III to these rules. The permit shall be made over to the representative of the cultivators by the Subdivisional Canal Officer through his Sectional Officer. The Divisional Canal Officer shall return the application to the Subdivisional Canal Officer with a copy of the permit for record.

10. Should it happen that the cultivators of the block proposed for lease are not unanimous, and that some of them decline to sign the application, the Subdivisional Canal Officer shall report the matter to the Divisional Canal Officer and the Subdivisional Canal Officer shall hold a local enquiry, recording the statements of the persons who decline to sign and recording his personal opinion on the reasons given. He shall then send a report to the Divisional Canal Officer, who shall decide whether the lease may be accepted excluding the fields in the occupation of the persons who decline to sign, or whether the lease shall be declined. The Divisional Canal Officer may grant a lease when not less than 95 per cent. of the net irrigable area of the block has been signed for. In particular cases should it be desirable to grant a lease even though an area larger than 5 per cent. of the block has not been signed for, this may be done on the written order of the Superintending Engineer. The reasons for granting the lease shall be fully recorded.

Covering Leases.

11. Applicants for a lease for a term of years who may require water before the lease has been concluded can obtain a supply on tendering an application for a covering lease in the form given as Appendix No. II to these rules. This application shall be signed in the presence of the tahsildar or of some other responsible officer nominated for the purpose by the Subdivisional Canal Officer. The signatures shall be those of the leading cultivators in the block in question and they shall represent holders of not less than 75 per cent. of the irrigable land within the block.

As soon as the Subdivisional Canal Officer receives the application duly signed, he shall issue a permit in the form given as Appendix No. IV to these rules, and shall at once supply water.

Season Leases.

12. Applications for water to irrigate spring rice or other crops between the 16th November and 15th June may be presented at the Subdivisional Canal Office or to the Sectional Officer. They shall be in the form given as Appendix No. V to these rules.

In the applications the areas for which water is required shall be specified but the rate shall be charged on those areas for which water is actually used as determined by measurement.

The permit in the form given as Appendix VI to these rules shall be granted by the Subdivisional Canal Officer if he is able to supply the water.

Supply of water.

13. The Divisional Canal Officer shall control the supply of water throughout the Division in his charge.

14. No water shall be supplied to any lands except such as have been brought under a lease for a term of years or for the season, or to such as are provided for by a covering lease.

15. Under the forms of irrigation lease in use, no specific supply of water is promised; but the undertaking is to give such a supply to each lessee as may be necessary for the lands leased. The supply shall be given, as may be required for the proper cultivation of the crops under irrigation, according to the exigencies of the season.

16. The Divisional Canal Officer may give the required supply by rotation, should this be advisable for the efficient working of the canals in his charge. In such a case, he is required to give the lessees written notice informing them of the periods when they will be supplied with water.

Collection of water-rates.

17. The rates due for water supplied shall be collected by the Divisional Canal Officer or other officer in charge of the Revenue Division, Midnapore, through his staff of tahsildars and peons. All khatians or demand statements shall be signed by the Divisional Canal Officer or other officer in charge of the Revenue Division after scrutiny in his office.

18. At the time of preparation of the khatian in the Subdivisional Canal Office each person assessed shall be furnished with an extract from the assessment paper, showing the particulars of the charge against him. This extract shall be furnished in such form as may from time to time be approved by the Subdivisional Canal Officer for the purpose.

19. Each person on paying the sum due from him shall be given a receipt in the form prescribed for the purpose.

20. For the purposes of account of control over establishment, and of general administration, the Divisional Canal Officer or other officer in charge of the Revenue Division is in the position of an Executive Engineer in charge of a Division, and is directly subordinate to the Superintending Engineer. In regard to any proceedings taken under the Public Demands Recovery Act, 1913 (Bengal Act III of 1913), the Divisional Canal Officer is subject to the control of the Collector of the district.

Unauthorized use of water and waste of water.

21. Should it be necessary to take action under the provisions of sections 79 and 80 of the Act, proceedings shall be instituted only under the direct and special order of the Divisional Canal Officer. The primary record of the facts regarding the unauthorized use or the waste of water shall be made by the Subdivisional Canal Officer and his subordinates. The parties whom it is proposed to assess shall be informed in writing, and shall be called on to show cause why they should not be assessed. The record of their statements shall be made by the Divisional or by the Subdivisional Canal Officer. The Divisional Canal Officer shall consider the facts and statements recorded, and shall, in deciding the case, give his reasons for or against assessment, both as regards the facts and as regards the law; and he shall determine rate to be charged subject to the provision in the schedule of rates attached to these rules.

22. Should the Divisional Canal Officer decide on making as assessment, he shall have the assessment paper prepared by the Subdivisional Canal Officer and his staff. Each person assessed shall be furnished with a statement of the charge against him, and an abstract of the demand or khatian shall be sent to the officer in charge of the Revenue Division, who shall proceed to recover the sums assessed. The period of one month within which an appeal may be presented to the Collector under section 91 of the Act shall be computed from the date on which the statement of the charge may be furnished to the person assessed, which date shall be endorsed on it.

23. No proceedings shall be instituted if the unauthorized use or the waste of water have occurred through the act or neglect of a Canal Officer or a subordinate officer employed on the canal. During the irrigation of autumn rice, the passing on of surplus water from leased to unleased fields is not an unauthorized use of water.

Complaints and Applications.

24. All complaints or applications with respect to the supply of water, to defective drainage, and generally with respect to the administration of the canal, shall be received on presentation at either divisional or subdivisional canal offices.

Complaints and applications received by a Divisional Canal Officer may be transferred to his Subdivisional Canal Officer for disposal at his discretion.

Any such complaints or applications, if presented to the Sectional Canal Officer or to his staff, shall be returned endorsed with instructions as to the proper office at which to present them. If received by post, they shall be at once forwarded to the Divisional or Subdivisional Canal Officer.

25. Complaints or applications with respect to corrections of the assessment with respect to the actions of the amins in assessing and with respect to the actions of the tahsildars and other staff employed in collections, shall be received at the office of the Divisional Canal Officer or other officer in charge of the Revenue Division.

26. Receipts in the prescribed form shall be given at all offices for complaints or applications presented. The receipt of all complaints and applications shall be recorded in registers to be kept for that purpose.

27. The officer receiving the complaint or application shall either make a personal enquiry into the matter or he shall nominate in writing some responsible person to hold the enquiry.

28. The orders passed on all complaints or applications shall be in writing, and a copy of every order shall be furnished to the complainant or applicant.

The copy of order may be sent by post (registered), if this is convenient.

The period within which an appeal may be presented under section 91 of the Act shall be computed from the date on which the copy of the order is received by the person.

29. When an appeal to the Collector is from the order of a Subdivisional Canal Officer, the proceedings shall be called for through the Divisional Canal Officer, who may record on them such remarks as he may think desirable, provided that he does not thereby detain the proceedings.

In all cases in which an appeal against an assessment is preferred to the Collector, that officer may, if he thinks fit, direct that the collection of water-rates be suspended till the appeal is heard.

30. The Divisional Canal Officer may revise the proceedings of his Subdivisional Canal Officers and the Superintending Engineer may call for and revise the proceedings of all officers under his control.

Remissions and alterations of demand.

31. Whenever the crop on land entitled to a supply of water suffers material injury from an insufficient supply of water, or from any interruption in the supply of water, remission of the rate due on such crop shall be given by the Divisional Canal Officer, provided that the person claiming remission shall have applied for such not less than fifteen days before the reaping of the crop.

32. On the occasion of lands being brought under a lease for a term of years, the Divisional Canal Officer may remit the rates for the first season on those fields which from the nature of the cultivation then obtaining, or from other causes, have not, in that season, derived any benefit from the supply of canal water.

33. Should the crop on lands under lease for a term of years suffer material injury from excess of water due to deficient drainage, the Divisional Canal Officer may grant remission of the rates due on such lands in whole or in part, provided that the person asking for remission shall have applied at least fifteen days before the reaping of the crop.

34. Revisions of the assessment required in consequence of land under lease being left uncultivated or of land being appropriated for purposes other than cultivation shall be made under the orders of the Divisional Canal Officer.

35. Revisions of the assessment required in consequence of incorrect entries of the names of occupants of lands under lease or of incorrect entries of areas or amounts in the assessment papers, or required by changes, in the occupation of lands, shall be made under the orders of the Divisional Canal Officer or other officer in charge of the Revenue Division, provided that no change involving any increase or decrease in the total area under lease for a term of years shall be made without the concurrence of the Divisional Canal Officer.

36. Remissions of water-rates on account of injury to the crops caused by inundation, by blight, by storms or by any extraordinary cause shall only be allowed under the special orders of the State Government.

Irrecoverable demands.

37. The Superintending Engineer may sanction the writing off of those demands which are reported, after due enquiry by the Divisional Canal Officer or other officer in charge of the Revenue Division, as irrecoverable owing to the poverty of the defaulter or of his successors in case of his death, or owing to the defaulter having absconded.

Cultivators' Representatives.

38. Whenever the preliminary application for a lease for a term of years has been approved by the Divisional Canal Officer, the officer in charge of the Revenue Division shall, with concurrence of the Subdivisional Canal Officer, select as representative of the cultivators a suitable person or persons who shall generally be acceptable to the cultivators and who shall each have a direct interest in the land for which the lease is executed.

39. The person or persons so selected shall be required to give assistance to the Canal Officers in respect of the following matters:—

(*i*) In the preparation of applications for leases.

(*ii*) In the measurement of irrigated lands.

(*iii*) In recording the names of the occupiers of the holdings.

(*iv*) In receiving demand statements and distributing to the cultivators the individual notices of assessment.

(*v*) In attending, when required, at enquiries into complaints.

(*vi*) In reporting to the Circle Officer any changes in the occupancy of lands under lease.

(*vii*) In assisting the tahsildar in collecting rates.

40. For such assistance the cultivators' representative or representatives shall be entitled to free irrigation of the lands in his or in their own occupation, which may lie within the boundaries of the leased area subject to a total limit of 3 per cent. of the area assessed. The Divisional Canal Officer

or other officer in charge of the Revenue Division may disallow in whole or in part this free irrigation, and may recover the rates which would otherwise have been payable in whole or in part if the assistance specified in rule 39 has not been efficiently rendered. The reasons for such disallowance shall be recorded in writing.

41. The Divisional Canal Officer shall maintain in his office a register containing a record of the names of all representatives and of the areas of free irrigation allowed to each.

42. Applicants for season leases shall be required to nominate one of their number who must have a substantial interest in the land to be irrigated as their representative. The representative so nominated shall perform the same duties as stated in rule 39 and shall receive remuneration on the same scale as in rule 40.

Power to decline or cancel leases.

43. Should it be proved, after due enquiry, that the supply of water given to any leased area is habitually wasted or used for the irrigation of lands not under lease, it shall be competent for the Superintending Engineer to direct that the lease shall be cancelled with effect from the 16th of June next following. The order to cancel a lease shall be passed before the 1st of April of the year in which it is to take effect.

44. The Superintending Engineer may give directions to the Divisional Canal Officer to decline applications for irrigation leases of lands in villages where there has been persistent difficulty in realising the water-rates, until all arrears have been paid.

He may further suspend, or altogether cancel, any lease for a term of years, if on the 1st June of any year water-rates to the extent of half the demand for one year are in arrears. Previous notice of intention to put this rule in force shall be given not later than the 15th April preceding.

Miscellaneous.

45. Tanks may be supplied with canal-water without charge, when water can be made available without injury to the cultivation dependent on a canal, under the following conditions:—

(*i*) That the water is to be exclusively used for domestic purposes, or for watering cattle;

(*ii*) That a channel exists through which water can pass without waste.

(*iii*) That the water shall only be supplied on the written order of the Subdivisional Canal Officer.

(*iv*) That any new outlet or sluice which may be required to allow of the supply being given shall be provided at the cost of the persons who ask for the water.

(*v*) That the supply of water may be stopped at any time if it is found that it is being misused.

46. Except when a public right-of-way exists, no person shall, without the permission expressed in writing of the Divisional or Subdivisional Canal Officer, pass himself, or cause any animal or vehicle to pass, on or across any of the works, banks or channels of a canal, or drainage work which is part of the canal system except by means of such bridges, fords and ferries as may have been provided for the purpose.

Any person who, after due warning, commits a breach of this rule may be proceeded against under clause (*9*) of section 93 of the Bengal Irrigation Act, 1876 (Bengal Act III of 1876).

47. The use of any part of the banks or berms of any canal, drainage work which is part of the canal system, or flood embankment which is subject to the provisions of the Bengal Irrigation Act, 1876 (Bengal Act III of 1876), as a place for answering the calls of nature, is prohibited. Any person who, after due warning, commits a breach of this rule may be proceeded against under clause (*9*) of section 93 of the Bengal Irrigation Act, 1876 (Bengal Act III of 1876).

48. Should water be required for purposes other than irrigation it may be supplied, when available, at a rate of two rupees per 10,000 cubic feet of water.

49. No officer employed on the canals, unless especially exempted by the State Government from the operation of this rule, shall have any interest in the distribution of water from any of the canals or purchase or bid for Government property sold thereon either in his own name or in the name of another, or jointly, or in shares with others.

Schedule of rates for water supplied from the Putrangi Irrigation Canal.

For water supplied on a lease for a term of years— Supply given from 16th June to 15th November of each year	Rs. 6 per acre per season.
The rate is due in two equal instalments on the 1st of January and the 1st of February of each year: Provided that when the sum payable by any lessee is less than Rs. 20 the whole amount shall be due on the 1st of January in each year.	
For water supplied on a covering lease to irrigate lands for which a preliminary application for a lease for a term of years has been received and failing the completion of the same ...	Rs. 6-8 per acre.
Supply given from the date of covering lease to 15th November of that year. The rate is due as in the case of a lease for a term of years.	
For water supplied on a season lease for the irrigation of any crops between 16th November and 15th June	Rs. 6-8 per acre.
The rate is payable on 1st June following.	
For the unauthorised use of water or for the waste of water such rate may be charged as may be determined by the Divisional Canal Officer under rule 21, subject to a maximum of Rs. 7-8 per acre. Such rate shall be due on presentation of the notice of assessment to the person assessed.	

APPENDIX I.

(Referred to in rule 9.)

Application for a lease for a term of years.

(Yearly rate, per acre; water to be supplied each year from the 16th June to 15th November only.)

We, the undersigned, of mauza....., pargana....., thana....., apply for water to be supplied from the..... Canal for a term of.....years, commencing on the 16th June and ending on 15th November. The supply of water is required for the irrigation of the block of land formed by our holdings as specified below.

2. We agree that the amounts due shall be payable to the Divisional Canal Officer, Midnapore Revenue Division, or other officer in charge of the Revenue Division, or to such person as he may appoint, on the 1st January and 1st February, or if Rs. 20 or under on 1st of January of each year, and shall be payable independently of our requiring water in any particular year or not.

3. We also agree to be bound by the rules published in the *Calcutta Gazette*,.....pages....., notification No.....

4. We agree that this application shall not be deemed to have been completed until all the irrigable fields within the block have been signed for, and that failing such completion any covering lease which may have been granted shall be enforced.

5. We agree that the areas* and amounts as given in the statement below are correct at the commencement of the lease, and in token of agreement we attach our individual signature or mark.

6. Our heirs and representatives shall be bound by the terms of this agreement in case of our decease.

No. 9-I.—9th August 1950.—The following draft rules and schedule of rates, which in exercise of the powers conferred by sections 78 and 99 of the Bengal Irrigation Act, 1876 (Bengal Act III of 1876), the Governor is pleased to propose to make for the supply of water from the Rukni and Kulai Canals in the district of Bankura are hereby published for the information of persons likely to be affected thereby.

2. The draft rules and rates will be taken into consideration on or after the 18th September 1950. Any objection or suggestion in respect thereto received by the undersigned before that date will be considered:— .

DRAFT RULES AND RATES.

Leases for a term of years.

1. The country served by the canals shall be mapped out into blocks of convenient size in accordance with the features of the ground, natural or artificial. So far as may be practicable, the blocks shall be separated by drainage lines. This shall be done by the Subdivisional Canal Officer under the guidance and control of the Divisional Canal Officer.

2. Each block determined as above shall be numbered and recorded with its gross and irrigable areas in registers to be maintained by the Subdivisional Canal Officer. The blocks shall also be marked on maps to be maintained by the same officer.

3. Leases for not more than six years may be granted for the whole irrigable area of a block or for definite parts of a block under the following conditions:—

I. Ordinarily the whole irrigable area of any village so far as situated within the block must be included in the lease. If the lands of a village within the block are divisible into two or more distinct parts which can be irrigated independently a separate lease may be granted for each part.

II. All leases within one block shall be so granted that they may expire on the same date.

III. No lease shall be granted when the supply of water must of necessity be delivered across an unleased area, unless a channel exists, which, in the opinion of the Subdivisional Canal Officer, will deliver water without waste across the unleased area.

4. The Superintending Engineer shall fix from time to time the gross area for which and the limits of the canal within which, leases for a term of years may be granted.

5. Maps of all villages in which lands have been brought under lease for a term of years, or in which there is any possibility of such leases being taken, shall be kept in the Subdivisional Canal Office. These maps to be at scale $32'' = 1$ mile when such are available and elsewhere at scale $16'' = 1$ mile.

6. The preliminary application for a lease for a term of years, either new or renewal, may be of an informal nature, but it must be in writing. It may be presented and shall be received either at the Subdivisional or Sectional Canal Office; in the latter case the Sectional Officer shall forward it immediately to the Subdivisional Canal Officer. The Subdivisional Canal Officer as soon as he has, by personal enquiry or by an enquiry made by the Sectional Officer, satisfied himself that the land in question constitutes a definite block or a definite part of a block, and that it can be irrigated, shall at once inform the Divisional Canal Officer giving such particulars as that

officer may direct, and shall ask his formal approval to the lease being proceeded with. On receipt of such approval the Subdivisional Canal Officer shall proceed to make the detailed assessment. The lands to be brought under lease shall be indicated on a copy of the map referred to in rule 5.

7. The Subdivisional Canal Officer on receipt of the application shall depute an amin to prepare the khasra or detailed assessment paper. This shall be done on the ground with the aid of the revenue survey map and khasra. Should the survey map and khasra not be available, the amin shall make a sketch map, and shall measure the areas of the holdings with a chain or measuring-rod.

8. When the amin has completed the khasra he shall forward it to the Subdivisional Canal Officer who shall forward it to the Divisional Canal Officer for approval.

9. As soon as the khasra has been approved by the Divisional Canal Officer, he shall return it to the Subdivisional Canal Officer endorsed with his signature in token of approval.

The Subdivisional Canal Officer shall then prepare a khatian or abstract of the khasra, and shall have the form of application given as Appendix No. I to these rules, filled up and signed or marked by each of the applicants, in the presence of two witnesses.

When the application has been completely signed, the Subdivisional Canal Officer shall send it to the Divisional Canal Officer, by whom the permit or formal approval of the lease shall be signed and issued in the form given as Appendix No. III to these rules. The permit shall be made over to the representative of the cultivators by the Subdivisional Canal Officer through his Sectional Officer. The Divisional Canal Officer shall return the application to the Subdivisional Canal Officer with a copy of the permit for record.

10. Should it happen that the cultivators of the block proposed for lease are not unanimous, and that some of them decline to sign the application, the Subdivisional Canal Officer shall report the matter to the Divisional Canal Officer and the Subdivisional Canal Officer shall hold a local enquiry, recording the statements of the persons who decline to sign and recording his personal opinion on the reasons given. He shall then send a report to the Divisional Canal Officer, who shall decide whether the lease may be accepted excluding the fields in the occupation of the persons who decline to sign, or whether the lease shall be declined. The Divisional Canal Officer may grant a lease when not less than 95 per cent. of the net irrigable area of the block has been signed for. In particular cases should it be desirable to grant a lease even though an area larger than 5 per cent. of the block has not been signed for, this may be done on the written order of the Superintending Engineer. The reasons for granting the lease shall be fully recorded.

Covering Leases.

11. Applicants for a lease for a term of years who may require water before the lease has been concluded can obtain a supply on tendering an application for a covering lease in the form given as Appendix No. II to these rules. This application shall be signed in the presence of the tahsildar or of some other responsible officer nominated for the purpose by the Subdivisional Canal Officer. The signatures shall be those of the leading cultivators in the block in question and they shall represent holders of not less than 75 per cent. of the irrigable land within the block.

As soon as the Subdivisional Canal Officer receives the application duly signed, he shall issue a permit in the form given as Appendix No. IV to these rules, and shall at once supply water.

Season Leases.

12. Applications for water to irrigate spring rice or other crops between the 16th November and 15th June may be presented at the Subdivisional Canal Office or to the Sectional Officer. They shall be in the form given as Appendix No. V to these rules.

If the applications the areas for which water is required shall be specified but the rate shall be charged on those areas for which water is actually used as determined by measurement.

The permit in the form given as Appendix No. VI to these rules shall be granted by the Subdivisional Canal Officer if he is able to supply the water.

Supply of water.

13. The Divisional Canal Officer shall control the supply of water throughout the Division in his charge.

14. No water shall be supplied to any lands except such as have been brought under a lease for a term of years or for the season, or to such as are provided for by a covering lease.

15. Under the forms of irrigation lease in use, no specific supply of water is promised; but the undertaking is to give such a supply to each lessee as may be necessary for the lands leased. The supply shall be given, as may be required for the proper cultivation of the crops under irrigation, according to the exigencies of the season.

16. The Divisional Canal Officer may give the required supply by rotation, should this be advisable for the efficient working of the canals in his charge. In such a case, he is required to give the lessees written notice informing them of the periods when they will be supplied with water.

Collection of water-rates.

17. The rates due for water supplied shall be collected by the Divisional Canal Officer or other officer in charge of the Revenue Division through his staff of tahsildars and peons. All khatians or demand statements shall be signed by the Divisional Canal Officer or other officer in charge of the Revenue Division after scrutiny in his office.

18. At the time of preparation of the khatian in the Subdivisional Canal Office each person assessed shall be furnished with an extract from the assessment paper, showing the particulars of the charge against him. This extract shall be furnished in such form as may from time to time be approved by the Subdivisional Canal Officer for the purpose.

19. Each person on paying the sum due from him shall be given a receipt in the form prescribed for the purpose.

20. For the purposes of account of control over establishment, and of general administration, the Divisional Canal Officer or other officer in charge of the Revenue Division is in the position of an Executive Engineer in charge of a Division, and is directly subordinate to the Superintending Engineer. In regard to any proceedings taken under the Public Demands Recovery Act, 1913 (Bengal Act III of 1913), the Divisional Canal Officer is subject to the control of the Collector of the district.

Unauthorized use of water and waste of water.

21. Should it be necessary to take action under the provisions of sections 79 and 80 of the Act, proceedings shall be instituted only under the direct and special order of the Divisional Canal Officer. The primary record of the facts regarding the unauthorized use or the waste of water shall be made by the Subdivisional Canal Officer and his subordinates. The parties whom it is proposed to assess shall be informed in writing, and shall be called on to show cause why they should not be assessed. The record of their statements shall be made by the Divisional or by the Subdivisional Canal Officer. The Divisional Canal Officer shall consider the facts and statements recorded, and shall, in deciding the case, give his reasons for or against assessment, both as regards the facts and as regards the law; and he shall determine rate to be charged subject to the provision in the schedule of rates attached to these rules.

22. Should the Divisional Canal Officer decide on making an assessment, he shall have the assessment paper prepared by the Subdivisional Canal Officer and his staff. Each person assessed shall be furnished with a statement of the charge against him, and an abstract of the demand or khatian shall be sent to the officer in charge of the Revenue Division, who shall proceed to recover the sums assessed. The period of one month within which an appeal may be presented to the Collector under section 91 of the Act shall be computed from the date on which the statement of the charge may be furnished to the person assessed, which date shall be endorsed on it.

23. No proceedings shall be instituted if the unauthorized use or the waste of water have occurred through the act or neglect of a Canal Officer or a subordinate officer employed on the canal. During the irrigation of autumn rice, the passing on of surplus water from leased to unleased fields is not an unauthorized use of water.

Complaints and Applications.

24. All complaints or applications with respect to the supply of water, to defective drainage, and generally with respect to the administration of the canal, shall be received on presentation at either divisional or subdivisional canal offices.

Complaints and applications received by a Divisional Canal Officer may be transferred to his Subdivisional Canal Officer for disposal at his discretion.

Any such complaints or applications, if presented to the Sectional Canal Officer or to his staff, shall be returned endorsed with instructions as to the proper office at which to present them. If received by post, they shall be at once forwarded to the Divisional or Subdivisional Canal Officer.

25. Complaints or applications with respect to corrections of the assessment with respect to the actions of the amins in assessing and with respect to the actions of the tahsildars and other staff employed in collections, shall be received at the office of the Divisional Canal Officer or other officer in charge of the Revenue Division.

26. Receipts in the prescribed form shall be given at all offices for complaints or applications presented. The receipt of all complaints and applications shall be recorded in registers to be kept for that purpose.

27. The officer receiving the complaint or application shall either make a personal enquiry into the matter or he shall nominate in writing some responsible person to hold the enquiry.

28. The orders passed on all complaints or applications shall be in writing, and a copy of every order shall be furnished to the complainant or applicant.

The copy of order may be sent by post (registered), if this is convenient.

The period within which an appeal may be presented under section 91 of the Act shall be computed from the date on which the copy of the order is received by the person.

29. When an appeal to the Collector is from the order of a Subdivisional Canal Officer, the proceedings shall be called for through the Divisional Canal Officer, who may record on them such remarks as he may think desirable, provided that he does not thereby detain the proceedings.

In all cases in which an appeal against an assessment is preferred to the Collector, that officer may, if he thinks fit, direct that the collection of water-rates be suspended till the appeal is heard.

30. The Divisional Canal Officer may revise the proceedings of his Subdivisional Canal Officers and the Superintending Engineer may call for and revise the proceedings of all officers under his control.

Remissions and alterations of demand.

31. Whenever the crop on land entitled to a supply of water suffers material injury from an insufficient supply of water, or from any interruption in the supply of water, remission of the rate due on such crop shall be given by the Divisional Canal Officer, provided that the person claiming remission shall have applied for such not less than fifteen days before the reaping of the crop.

32. On the occasion of lands being brought under a lease for a term of years, the Divisional Canal Officer may remit the rates for the first season on those fields which from the nature of the cultivation then obtaining, or from other causes, have not, in that season, derived any benefit from the supply of canal water.

33. Should the crop on lands under lease for a term of years suffer material injury from excess of water due to deficient drainage, the Divisional Canal Officer may grant remission of the rates due on such lands in whole or in part, provided that the person asking for remission shall have applied at least fifteen days before the reaping of the crop.

34. Revisions of the assessment required in consequence of land under lease being left uncultivated or of land being appropriated for purposes other than cultivation shall be made under the orders of the Divisional Canal Officer.

35. Revisions of the assessment required in consequence of incorrect entries of the names of occupants of lands under lease or of incorrect entries of areas or amounts in the assessment papers, or required by changes, in the occupation of lands shall be made under the orders of the Divisional Canal Officer or other officer in charge of the Revenue Division, provided that no change involving any increase or decrease in the total area under lease for a term of years shall be made without the concurrence of the Divisional Canal Officer.

36. Remissions of water-rates on account of injury to the crops caused by inundation, by blight, by storms or by any extraordinary cause shall only be allowed under the special orders of the State Government.

Irrecoverable demands.

37. The Superintending Engineer may sanction the writing-off of those demands which are reported, after due enquiry by the Divisional Canal Officer or other officer in charge of the Revenue Division, as irrecoverable owing to the poverty of the defaulter or of his successors in case of his death, or owing to the defaulter having absconded.

Cultivators' Representatives.

38. Whenever the preliminary application for a lease for a term of years has been approved by the Divisional Canal Officer, the officer in charge of the Revenue Division shall, with concurrence of the Subdivisional Canal Officer, select as representative of the cultivators a suitable person or persons who shall generally be acceptable to the cultivators and who shall each have a direct interest in the land for which the lease is executed.

39. The person or persons so selected shall be required to give assistance to the Canal Officers in respect of the following matters:—

(*i*) In the preparation of applications for leases.

(*ii*) In the measurement of irrigated lands.

(*iii*) In recording the names of the occupiers of the holdings.

(*iv*) In receiving demand statements and distributing to the cultivators the individual notices of assessment.

(*v*) In attending, when required, at enquiries into complaints.

(*vi*) In reporting to the Circle Officer any changes in the occupancy of lands under lease.

(*vii*) In assisting the tahsildar in collecting rates.

40. For such assistance the cultivators' representative or representatives shall be entitled to free irrigation of the lands in his or in their own occupation, which may lie within the boundaries of the leased area subject to a total limit of 3 per cent. of the area assessed. The Divisional Canal Officer or other officer in charge of the Revenue Division may disallow in whole or in part this free irrigation, and may recover the rates which would otherwise have been payable in whole or in part if the assistance specified in rule 39 has not been efficiently rendered. The reasons for such disallowance shall be recorded in writing.

41. The Divisional Canal Officer shall maintain in his office a register containing a record of the names of all representatives and of the areas of free irrigation allowed to each.

42. Applicants for season leases shall be required to nominate one of their number who must have a substantial interest in the land to be irrigated as their representative. The representative so nominated shall perform the same duties as stated in rule 39 and shall receive remuneration on the same scale as in rule 40.

Power to decline or cancel leases.

43. Should it be proved, after due enquiry, that the supply of water given to any leased area is habitually wasted or used for the irrigation of lands not under lease, it shall be competent for the Superintending Engineer to direct that the lease shall be cancelled with effect from the 16th of June next following. The order to cancel a lease shall be passed before the 1st of April of the year in which it is to take effect.

44. The Superintending Engineer may give directions to the Divisional Canal Officer to decline applications for irrigation leases of lands in villages where there has been persistent difficulty in realising the water-rates, until all arrears have been paid.

He may further suspend, or altogether cancel, any lease for a term of years, if on the 1st June of any year water-rates to the extent of half the demand for one year are in arrears. Previous notice of intention to put this rule in force shall be given not later than the 15th April preceding.

Miscellaneous.

45. Tanks may be supplied with canal-water without charge, when water can be made available without injury to the cultivation dependent on a canal, under the following conditions:—

(*i*) That the water is to be exclusively used for domestic purposes, or for watering cattle.

(*ii*) That a channel exists through which water can pass without waste.

(*iii*) That the water shall only be supplied on the written order of the Subdivisional Canal Officer.

(*iv*) That any new outlet or sluice which may be required to allow of the supply being given shall be provided at the cost of the persons who ask for the water.

(*v*) That the supply of water may be stopped at any time if it is found that it is being misused.

46. Except when a public right-of-way exists, no person shall, without the permission expressed in writing of the Divisional or Subdivisional Canal Officer, pass himself, or cause any animal or vehicle to pass, on or across any of the works, banks or channels of a canal, or drainage work which is part of the canal system except by means of such bridges, fords and ferries as may have been provided for the purpose.

Any person who, after due warning, commits a breach of this rule may be proceeded against under clause (*9*) of section 93 of the Bengal Irrigation Act, 1876 (Bengal Act III of 1876).

47. The use of any part of the banks or berms of any canal, drainage work which is part of the canal system, or flood embankment which is subject to the provisions of the Bengal Irrigation Act, 1876 (Bengal Act III of 1876), as a place for answering the calls of nature, is prohibited. Any person who, after due warning, commits a breach of this rule may be proceeded against under clause (*9*) of section 93 of the Bengal Irrigation Act, 1876 (Bengal Act III of 1876).

48. Should water be required for purposes other than irrigation it may be supplied, when available, at a rate of two rupees per 10,000 cubic feet of water.

49. No officer employed on the canals, unless especially exempted by the State Government from the operation of this rule, shall have any interest in the distribution of water from any of the canals or purchase or bid for any Government property sold thereon either in his own name or in the name of another, or jointly, or in shares with others.

Schedule of rates for water supplied from the Rukni and Kulai Irrigation Canals.

For water supplied on a lease for a term of years—Supply given from 16th June to 15th November of each year	Rs. 6 per acre per season.
The rate is due in two equal instalments on the 1st of January and the 1st of February of each year; Provided that when the sum payable by any lessee is less than Rs. 20 the whole amount shall be due on the 1st of January in each year.	
For water supplied on a covering lease to irrigate lands for which a preliminary application for a lease for a term of years has been received and failing the completion of the same ...	Rs. 6-8 per acre.
Supply given from the date of covering lease to 15th November of that year. The rate is due as in the case of a lease for a term of years.	
For water supplied on a season lease for the irrigation of any crops between 16th November and 15th June	Rs. 6-8 per acre.
The rate is payable on 1st June following.	
For the unauthorised use of water or for the waste of water such rate may be charged as may be determined by the Divisional Canal Officer under rule 21, subject to a maximum of Rs. 7½ per acre. Such rate shall be due on presentation of the notice of assessment to the person assessed.	

APPENDIX I.

(Referred to in rule 9.)

Application for a lease for a term of years.

(Yearly rate, per acre; water to be supplied each year from the 16th June to 15th November only.)

We, the undersigned, of mauza....., pargana....., thana....., apply for water to be supplied from the..... Canal for a term of.....years, commencing on the 16th June and ending 15th November. The supply of water is required for the irrigation of the block of land formed by our holding as specified below.

2. We agree that the amounts due shall be payable to the Divisional Canal Officer, Bankura, or other officer in charge of the Revenue Division, or to such person as he may appoint, on the 1st January and 1st February, or if Rs. 20 or under on 1st of January of each year, and shall be payable independently of our requiring water in any particular year or not.

3. We also agree to be bound by the rules published in the *Calcutta Gazette*, ..., pages....., notification No.....

4. We agree that this application shall not be deemed to have been completed until all the irrigable fields within the block have been signed for, and that failing such completion any covering lease which may have been granted shall be enforced.

5. We agree that the areas* and amounts as given in the statement below are correct at the commencement of the lease, and in token of agreement we attach our individual signature or mark.

6. Our heirs and representatives shall be bound by the terms of this agreement in case of our decease.

PRESENT:

SRI A. DAS GUPTA, *District Judge.*

For the employers—Sri S. C. Sen, Advocate, and Sri J. K. Ghosh, Pleader of Messrs. Orr Dignam & Co.

For the employees—Sri P. K. Sanyal, Advocate, instructed by office bearers of the Association.

AWARD.

The following points arise for adjudication:—

(1) Is the reference bad in law and inoperative? Does the relationship of employers and employees exist between Messrs. McLeod & Co., Ltd., and the employees of Tea Districts Labour Association?

(2) What are the existing terms of employment of the clerical staff in respect of basic salary, dearness allowance, provident fund, pension, bonus, medical expenses, overtime and holiday work allowance, holidays and free tiffin? Should the existing terms be confirmed?

(3) What should be the leave and service conditions of the employees?

(4) What should be the basic pay and total remuneration of the subordinate staff attached to Tea Districts Labour Association?

(5) Should the subordinate staff be entitled to the scheme of provident fund and gratuity formulated in the award of the Mercantile Tribunal? If not, what should be their retiring benefits?

Point No. 1.

Without going into the intricacy of the question, both parties agreed to submit to adjudication on the present reference on the distinct understanding that in the order of reference "Messrs. McLeod & Co., Ltd.," should be read as "Messrs. McLeod & Co., Ltd., as Secretaries of the Tea Districts Labour Association". The order of reference No. 66Lab., dated the 6th January 1950, of the Government of West Bengal, Labour Department, the dispute under reference and the present award which is to be given in pursuance to the said order of reference shall, accordingly, be construed as relating to Messrs. McLeod & Co., Ltd., as Secretaries of the Tea Districts Labour Association and their employees of Tea Districts Labour Association.

Points Nos. 2 to 5.

These points are taken up together for convenience. In the written statement of the Company, Tea Districts Labour Association has been referred to at various places as "the Association". The employees are also being represented by the Employees' Association. To avoid any confusion I shall refer to the Tea Districts Labour Association as Association without any qualifying term either before or after it. The Association of the employees will be referred to as Employees' Association.

The Employees' Association has narrated in its written statement the existing terms of employment of the clerical staff in respect of basic salary, dearness allowance, provident fund, pension, bonus, medical expenses, overtime and holiday work allowance, holidays, free tiffin and of the subordinate staff in respect of the existing basic salary, and total remuneration, and existing leave and service conditions of the employees of all the categories. These were mostly confirmed by the Company in their written statement. I may mention below the items on which the Company did not confirm the statement of the employees' Association either entirely or in part:—

	Written statement of the Employees' Association	Written statement of the Company.
A.—Dearness allowance	Bengal Chamber's scale	For the clerks.—Bengal Chamber's scale. For the subordinate staff.—Bengal Chamber's scale less Rs. 6 consolidated with basic salary.
B.—Provident Fund for clerical staff.	Contributory Provident Fund with contributions on both sides equal to 12½ per cent. of the basic salary of the employees.	All contributors must subscribe 6¼ per cent. of salary and may subscribe 12½ per cent. The Association contribute the same as employees. Practically all employees do subscribe 12½ per cent.

The scheme as stated by the Company is more convenient to the employees who may vary the contribution from 6¼ per cent. to 12½ per cent. of their salary according to their pecuniary position. Hence the scheme as stated by the Company is accepted and confirmed.

	Written statement of the Employees' Association.	Written statement of the Company.
C.—Pension ..	In addition to the Provident fund for Clerical staff.	Discretionary.
D.—Customary Puja bonus.	One month's basic salary.	One months' basic salary has been paid as bonus since 1948 but this is discretionary.
E.—Extra bonus ..	One month's basic salary for working extra hours for closing yearly accounts.	As the increased pressure of work since 1942 necessitated increased work throughout the year in particular at closing of the annual accounts, closing bonuses have been paid, after reference to the Committee, from 1942 to 1949, to compensate for this extra work. From 1942 to 1946, however, no other overtime payments were made, but it was not until May 1949 that the Association voluntarily adopted the system of paying for specific overtime at the rate of 1½ times hourly basic rate of salary. With the introduction of overtime, there is no justification for a further bonus on this account and as preliminary to complete withdrawal, the bonus was reduced to half month's salary in 1949.

Evidence has been led on this point by the Employees' Association. Sri Atul Chandra Bhattacharjya, an employee of the Tea Districts Labour Association, who has put in about 26 years of service, has been examined. Although he says that this extra bonus was paid only for the extra work involved in closing the yearly accounts, it was paid to all including those whose services were not required for that particular work, that there was no other allowance for works beyond the scheduled working hours and that for works on holidays, the employees were paid Re. 1 to Re. 1-8 per day. The small payments for works on holidays were possibly made to compensate the employees for conveyance to and from office and tiffin. In 1948 the allowance for works on holidays was increased to 1 day's basic salary. The new rules for overtime allowance and for allowance for works on holidays at 1½ times the normal hourly rates were introduced in 1949.

The Company produced the Minutes Books of the Directors. I quote below the relevant extracts:—

Date.	Grounds for granting extra bonus.
2nd October 1942 ...	The staff worked throughout the year heavily and loyally, otherwise more men would have been necessary.
19th October 1945 ...	Bonus declared in recognition of the overtime work necessitated by the closing of accounts.
31st October 1946 ...	The clerical staff had shown real endeavour to make up for the time lost during the recent disturbances and other unhealthy factors and had given up two of the Durga Puja holidays to attend office. In spite of these, the work was seriously in arrears and the

		Chairman suggested that if a bonus were sanctioned, it should not be paid until the work relating to the season 1945-46 had been brought up to date and that this should be within a reasonable time of the date when work in respect of the previous season was usually completed.
27th October 1948	...	Arising out of the *pro forma* account, the Chairman referred to the greatly increased work involved in the closing and preparation of accounts, it was agreed to grant the Sadar Indian staff a month's basic salary.
28th October 1949	...	Half month's basic salary. No ground assigned.

It is clear that in 1942 when this bonus was introduced for the first time, it was declared in consideration of the general pressure of work throughout the year. This was paid to each and every member of the staff and there was no overtime allowance. This system continued. In 1945 the work connected with the closing of accounts might have been such as attracted the special notice of the Directors more than the overtime work on other accounts. This was why it was mentioned in the Minutes Books that the bonus was declared in recognition of the overtime work involved in closing of accounts. In 1946 the grounds were stated to be the general pressure of work. In 1948 the work involved in the closing and preparation of the accounts demanded special reference, but the system introduced in 1942 was not diverted from. The original idea seems to have been to grant a special bonus for pressure of work to the employees who were not being paid any allowance for working beyond the normal scheduled hours, and were paid a very nominal sum for works on holidays, which was not even regular. We must look into the intention at the inception which prompted introduction of the extra bonus. If in any subsequent year, any special work was referred to as an additional ground to justify the bonus, the original character and object of the bonus are not altered. This extra bonus is said to have been replaced in 1949 by the system of payments for overtime work and was reduced to half in 1949 because the system of overtime payments was introduced in that very year. That in 1949 a regular scheme of overtime allowance was introduced is not disputed. If these were not the considerations for reducing the bonus in 1949, the Employees' Association would have objected and would have raised a dispute in its written statement over the extra bonus for 1949. Although I am not called upon to enquire whether this extra bonus was rightly abolished, I may say that a regular system of overtime allowance is more scientific and logical than a bonus at a flat rate without reference to the burden on the individual employees. The prayer of the Employees' Association is for confirmation of the existing terms and conditions of service and I hold on the evidence and circumstances of the case that extra bonus was replaced by the system of overtime allowance.

Demand (a).—I find that the following are the existing terms and conditions of service:—

(1) The system of supplying foodstuffs at concession rates has been replaced by adding Rs. 10 per month to the basic salary of the clerks and Rs. 4 per month to the basic salary of subordinate staff [paragraphs 7 and 12(*a*) of the written statement of the Employees' Association and paragraphs 2(*c*) and 2(*e*) of the written statement of the Association].

(2) The grades and scales for the clerical staff are :—

Grades.	Scales.	Remarks.
	Rs.	
Special	350—450	Annual increment discretionary.
A	150—10—300.	
B	100—7½—205.	
C	60—5—135.	

(3) *Dearness allowance for clerks.*—Bengal Chamber of Commerce scale.

(4) *Provident fund for clerks.*—Contributory. Compulsory subscription at 6¼ per cent. of the basic salary. This may be increased, at the option of the employees, to 12½ per cent. The Association contribution is equal to that of the employees.

(5) *Pension for clerks.*—In addition to provident fund at the discretion of the employees.

(6) *Customary Puja bonus for all.*—One month's basic salary. This has been discretionary.

(7) *Allowance for overtime work and holidays for all.*—One and a half times the hourly basic rate of salary.

(8) *Medical expenses.*—Entirely discretionary. Rs. 24 paid for spectacles if required by an employee.

(9) *Free tiffin.*—Tea and biscuits.

(10) *Holidays.*—All holidays under Negotiable Instruments Act [*vide* paragraph 14 of the written statement of the Employees' Association and 2(*d*) of the written statement of the Association].

These are confirmed.

Demand (b).—Leave and service conditions.—The following leaves were awarded for employees of Messrs. McLeod & Co., Ltd. (award published under notification No. 3642Lab., dated the 25th July 1949) :—

Privilege leave.—For clerks and members of the subordinate staff :—

For clerks.—

Service less than 10 years—14 days cumulative up to 28 days.

Service of 10 years or more—28 days cumulative up to 56 days.

For subordinate staff.—14 days in a year cumulative up to 42 days.

Casual leave.—

For clerks.—10 days with full pay non-cumulative not to be taken in extension of privilege leave or holiday or for more than 10 days at a time.

For members of the subordinate staff.—10 days out of which 5 days on full pay and 5 days without pay.

Sick leave.—

For clerks.—1 month in a year with full pay cumulative to not more than 12 months in a whole service.

For members of the subordinate staff.—1 month in a year without pay. This award for leave was passed on an agreement. The Bengal Shops and Establishments Act is a bar to an award for leave in excess of the maximum limit fixed by the Statute.

The Association grants the following kinds of leave:—
Privilege leave.—

Less than 1 year's service—Only Puja holidays under the Negotiable Instruments Act.

Between 1 and 4 years' service—15 days less Puja holidays.

Between 5 and 9 years' service—21 days less Puja holidays.

10 years' service or more—28 days less Puja holidays.

Privilege leave is non-cumulative.

Sick leave and Casual leave with pay at the discretion of the employers.

In view of the statutory limit already referred to, I lay down the following modifications:—

(1) Employees between 1 and 4 years' service shall get privilege leave for 14 days without deducting the Puja holidays.

(2) Privilege leave shall be allowed to accumulate at least up to 28 days and my recommendation is that the Association should consider the advisability of allowing accumulation of privilege leave for 2 years.

It appears that the Association has all along in the past exercised its discretion in respect of sick leave and casual leave to the best advantage of the employees and I hope that the Association will not deny the employees this generosity in future. I therefore do not propose to curtail the discretion of the employers and thereby create a split between the employers and employees which will undoubtedly be a disadvantage to the employees.

Service conditions.—The Association have some rules. With a view to bring in a uniformity in the service conditions of all the mercantile firms in Calcutta, we lay down the following rules:—

(*a*) *Probation and confirmation.*—It is awarded that the period of probation shall not exceed six months though confirmation may be made earlier if the candidate is found suitable.

(*b*) *Service record.*—We award that service records be maintained and that adverse remarks shall be incorporated after giving the person an opportunity of explaining his conduct.

(*c*) *Enquiry before punishment and dismissal, discharge and retrenchment or other punishments.*—In case of retrenchment, the principle of "last come, first go" shall be applied. Exceptions may be made in case of persons with exceptional abilities.

Now comes the question about dismissal and punishment. The employer has no doubt the right of punishing an employee, but we frame the following rules which must precede any punishment:—

The first thing to be done is that a charge shall be framed and the person proceeded against shall be furnished with a copy of the charge and the facts on which this is based. The person proceeded against shall submit his explanation. Then a future date should be fixed for the matter to be enquired into. If the person proceeded against is found innocent, the matter ends. If, however, he is found guilty, the employee concerned shall be supplied with a copy of the findings and the punishment proposed to be

imposed. The employee will get an opportunity again to plead about the punishment only at this stage. If the enquiring officer himself is competent to inflict punishment on the person proceeded against, he will hear his pleadings and order what he thinks best. If the enquiring officer is anybody other than the head of the concern at Calcutta, an appeal shall lie with him within seven days of the communication of the order punishing the employee. In case the enquiring officer is not competent to inflict punishment, he will forward the proceedings to the authority competent to punish and that authority will hear the person again and then pass orders. If that authority be other than the head of the concern at Calcutta, an appeal shall lie likewise with the head of the concern at Calcutta. In all cases where the proposed punishment is discharge or dismissal the papers must be laid before the head of the concern at Calcutta who will hear the person proceeded against and then pass orders. The person proceeded against shall have always the right to be defended by any other employee or by any other retired employee. These are domestic matters and bringing outside agencies is not helpful to the person proceeded against. Any outsider may defend a person proceeded against with the permission of the enquiring officer.

I hope that the rules framed by us will remove apprehensions about abrupt termination of services and will give to the employee a sense of security which is essential for efficient working.

(*d*) *Retiring age.*—I decide that a man shall retire on completing 55 years. I do not favour extension of services, thereby blocking the way for younger people to get employment. In exceptional cases where both the employer and the employee agree, extension of services may be granted.

(*f*) *Recruitment.*—(*i*) Other things being equal, preference should be given to relations of employees, retired or in service. Between relations of employees, the appointment shall go to the more qualified.

(*ii*) Preference should be given to retrenched employees, if qualified.

(*iii*) In the matter of appointment to the higher grades of clerk, promotion from lower grade shall be the rule. Only in exceptional cases recruitment may be made from outside.

Then comes the question of promotion from the clerical grade to the Officer's grade. I award that there should be no bar to promotion from clerical grade to the Officer's grade or from subordinate staff to clerical grade. As selection must depend on the management, I cannot dictate that a certain percentage or a certain number of clerks must be promoted to the Officer's grade. This must depend on suitability according to the standard of the management. I, however, like to remind that such promotions do change the outlook of the clerks and are conducive to more efficient work by the clerical staff.

Demand (c).—The existing scales of basic salary and dearness allowance for the subordinate staff are:—

Basic salary—Rs. 26—1—50.

Dearness allowance—Bengal Chambers of Commerce Scale less Rs. 6 which has already been consolidated with basic salary.

For future recruits the scales shall be Rs. 30—1—50 (E.B.)—1—50.

For the members of the existing staff a flat increment of Rs. 4 in the basic salary shall be allowed.

The rates under the existing dearness allowance scheme shall further be reduced by Rs. 4. In all the dearness allowance for the existing staff as also for future recruits shall be less than the Bengal Chambers of Commerce scale by Rs. 10.

Demand (d).—The Association has been contemplating to extend the provident fund scheme to the subordinate staff. I direct that the permanent members of the subordinate staff shall be admitted to the provident fund. They shall subscribe 6¼ per cent. of their salary and an equal sum shall be contributed by the employers. For the period prior to the introduction of the provident fund for the subordinate staff, the members of the subordinate staff shall get gratuity at half month's basic salary per year up to a limit of 15 months' salary. For the purpose of calculation, the salary drawn just before the enforcement of this award shall be the salary. The amount shall be paid when the provident fund money shall become payable. The rules about the qualifying service for earning this gratuity shall be the same as those for earning employers' contribution in the provident fund.

LABOUR DEPARTMENT.

ORDER.

No. 4573Lab.—17th August 1950.—Whereas under the Government of West Bengal, Labour Department, order No 1879Lab., dated the 19th April 1950, the industrial dispute between the Calcutta Pinjrapole Society, 34, Armenian Street, Calcutta, and their workmen at Calcutta, Sodepur, Lillooah and Kanchrapara branches represented by the Calcutta Pinjrapole Society Mazdoor Union, Pathakbazar, Lillooah P. O., Howrah, regarding the matters specified in the schedule thereto was referred for adjudication to Sri G. Palit, District Judge;

And whereas the said Sri G. Palit, District Judge, has submitted to the State Government his award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of an industrial dispute between the Calcutta Pinjrapole Society, 34, Armenian Street, Calcutta, and their workmen at Calcutta, Sodepore, Lillooah and Kanchrapara branches represented by the Calcutta Pinjrapole Society Mazdoor Union, Pathakbazar, Lillooah P. O., Howrah.

PRESENT:

SRI G. PALIT, *District Judge, Industrial Tribunal.*

Present for the Union: Sri D. L. Sen Gupta, Advocate.
Present for the Society: Sri S. C. Sen, Advocate, assisted by Sri M. M. Das Gupta, Pleader.

1. By order No. 1879Lab., dated the 19th April 1950, the Government of West Bengal constituted a Tribunal of one member under sections 7 and

10 of the Industrial Disputes Act (Act XIV of 1947) and referred the said dispute to me for adjudication.

2. The reference was received on 21st April 1950. The Union filed its written statement on 3rd May 1950. The Company filed its written objection on 24th May 1950. The case was taken up for hearing on 20th June 1950 and it was concluded on 29th June 1950.

3. The issue contained in the schedule of the order of reference stands as follows:—

(1) Whether the dismissal of old employees, list of whom is enclosed, is justified or not, and whether they are entitled to reinstatement or any other compensation.

AWARD.

A brief history of the dispute will be necessary just to understand the background of the present case. There was originally a strike on 24th October 1949. That strike was called off on the 4th day when there was a reference to a Tribunal, presided over by Sri P. R. Mukherji. During the pendency of the tribunal the Management discharged three employees, namely, (1) Gorokenath, milk-van driver of Sodepore branch of the Society, (2) Ramnand Kanwar, a clerk of the Head Office and (3) Girija Sankar Jamadar. This was taken exception to by the Union who declared a lightning strike on 20th January 1950 in all the branches of the Society. A joint conference was held at the Labour Directorate. Some terms of settlement were arrived at after detailed discussion. The Management was prepared to sign the said document but the Union's representatives deferred and ultimately slipped away without signing the same. On 21st January 1950 another joint conference was held by the Deputy Labour Commissioner, but the Union's representatives refused to accept the terms of settlement. Thereafter a letter was sent from the Labour Directorate to the General Secretary of the Union on 21st May 1950 declaring that the strike in question was illegal. He was given 12 hours' time to call off the strike because the lives of such a large number of animals were in immediate jeopardy. The workers did not pay any heed to the said letter and continued the strike. There was another joint conference on 26th January 1950 where the Union's representatives showed their willingness to call off the strike, only if the Management reinstated the discharged workers. On 13th March 1950 Sri S. C. Sen, the Advocate of the Society, approached the Labour Directorate for the last minute settlement, but that also proved abortive. Then on 19th April 1950 the Government appointed the present Tribunal to adjudicate upon the matter.

According to the Company, after the Labour Directorate declared the strike illegal on 21st January 1950, the Company informed the Union's representatives about the matter. The strikers, however, continued the strike and damaged the stock of foodstuffs for the cattle. Thereafter the Company issued discharge notices and recruited new men. The strikers held out and ousted the authorities. Possession had to be recovered with the help of the police at Kanchrapara and Lillooah. At Sodepore branch Sri Jnananjan Neogi intervened and the Society kept the old hands after re-employment on 10th February 1950. On 11th February 1950 the Union's representatives called off the strike unconditionally. The Company was requested to take back the old hands but they could not accede to the said request, because new people were already taken and they were working.

On 11th February 1950 the Union's representatives called off the strike unconditionally. The Company was requested to take back the old hands but they could not accede to the said request, because new people were already taken and they were working.

As it is seen from the above dismissal of the old employees, as per discharge notices, Ext. H series, took place in course of the strike which was declared on 20th January 1950, *vide* Annexure B. So to decide whether the dismissal was justified, I am called upon to look into the propriety or otherwise of the strike in question. The Union justifies the strike on the ground that Girija Sankar, Ramnand and Gorokenath driver were discharged without any offence and also because there was a Tribunal pending before Sri P. R. Mukherji. They are said to have been apprehensive that they might be similarly victimised by the Society on flimsy pretexts. The workers who deposed before me were forced to admit that they were not aware of the exact nature of the offence said to have been committed by these three discharged workers. So it comes to this that the strike was resorted to by those workers even without ascertaining what offence, if any, these discharged employees had really committed. Presumably they had recourse to the strike blindly under the direction of the Union. I find from the evidence that these three workers were not discharged for their participation in the strike of October 1949 nor for their Union activities. They were discharged for gross misconduct and indiscipline. Gorokenath was asked by the Management to drive not the milk-van but another lorry meant for carrying foodstuffs, because he was not a mechanic and because milk got spoilt several times in the lorry which he drove before. Santosh, who was a mechanic-driver, was put in charge of the milk-van after the said van was repaired. But Gorokenath refused to hand over the lorry to Santosh in spite of the Manager having passed a written order to that effect. Ramnand Kanwar was a clerk of the Head Office. He was deputed to work in the leave vacancy of one Baleswar Prosad on 1st November 1949. When Baleswar came on 5th December 1949 and wanted to resume his duties Ramnand refused to make over charge to him, unless he was given an increment. Girija Sankar Jamadar refused to obey the orders of Baleswar Prosad flatly. The Management found itself in a fix to tackle such cases of indiscipline. So they referred the matter to the Labour Directorate who held an enquiry through an officer. The said officer, according to his report, dated 23rd December 1949, verified, by a local inspection, the truth of the complaint made by the Management. He found the complaint to be absolutely true. The learned Advocate of the Union pointed out to me that the report was written a few days after the local inspection and that it contained some over-writings and corrections in it. I must say that such objection does not hold much water against a report made by a Government officer in the Government file. The Management first of all suspended the three workers, but when that order of suspension produced no impression, the Management dismissed the said workers. In the circumstances disclosed, I do not see how the Management could act otherwise.

Regarding the second objection that the discharge of these three workers took place during the pendency of the Tribunal and as such was illegal, I must say that the contention cannot stand. Section 33 of the Industrial Disputes Act (Act XIV of 1947) no doubt prohibits alteration in the service condition of the workmen to their prejudice and enjoins maintenance of the *status quo* during the pendency of Tribunal proceedings. Save with the permission of the said Tribunal in writing, discharge, dismissal, etc., are banned. But it does not, however, ban any discharge for misconduct unconnected with the dispute in question. Here these three persons were discharged for misconduct which is certainly foreign to and unconnected with the matter pending before the Tribunal. So the discharge in question was not illegal. I may passingly mention here that if the workers had really any genuine grievance on this score, they could have moved the

But in the case before me there was neither any provocation nor any undue harshness in dealing with the strikers. The strikers were out apparently spoiling for a fight or trial of strength with the Society. The strikers' attitude was adamant. They refused to relent even when the Labour Directorate declared their strike illegal and gave them 12 hours' time to join. They refused also to sign the deed of settlement suggested by the Labour Directorate, as per Annexure E. I have gone through the terms of the said proposed settlement and find them perfectly reasonable. The strikers forcibly held out and possession, as the evidence shows, had to be recovered with the help of the police. Of course, the criminal cases started against the strikers fell through for want of adequate evidence. That only means that those particular people prosecuted did not commit the mischief. But there is ample evidence that the mischief was committed by some of the strikers. They assaulted the Manager at Lillooah and also burnt the stock of foodstuffs for the live-stock. To damage the foodstuffs of the live-stock cannot but be too severely condemned. It only shows how mischievously bent the workers were, so that they could threaten the lives of so many dumb cattle. I could have understood this depth of feeling if the strike was initiated on some genuine grievance. I have already exposed that the workers initially penalised were guilty of gross indiscipline and that no Management could look on without having its efficiency impaired. During my local inspection to the Pinjrapole Society at Sodepore I found that the feelings were still running high, even after this lapse of time. There were mutual recriminations made by the Union and the Management before my very presence. So in the circumstances, as I have found that the strike was illegal and unjustified and as new hands have already been recruited, the claim of re-employment is turned down by me. I am alive to the fact that such a large number of men are involved in the result of this issue, but regard being had to the circumstances I cannot come to any conclusion other than what I have found above.

Regarding compensation, I also negative the claim There is hardly any justification for the strike both on facts and in law. So I cannot burden the Management with the claim of compensation when the said claim cannot be sustained on its merits. So the claim of compensation also fails. Thus the entire issue is found against the Union.

NOTIFICATION.

Subject:—Drawal of contingent bills and submission of sub-vouchers in support thereof.

No. TM/175.—10th August 1950.—Attention of all Drawing and Disbursing Officers of the Central Government, as well as of the State Government, under audit of this office, is invited to rule 306 (2) of the Central Treasury Rules (for Central Government Officers) or to S. R. 245(2) of the Treasury Rules, Bengal, Volume I (for State Government Officers), as the case may be, which requires that the sub-vouchers for sums exceeding Rs. 25 shall be submitted to the audit office. It has been noticed that the provision of this rule is

not being strictly observed by many of the Drawing Officers and non-receipt of sub-vouchers in time is causing much unnecessary work in this office. Drawing and Disbursing Officers are hereby requested to see that the provision of the rules cited above is strictly followed in all cases in which the sub-vouchers are required, under the rules, to be submitted to the audit office.

In case of expenditure met out of the permanent advance, sub-vouchers should invariably be attached to the contingent bills drawn in recoupment of the advance; in other cases, the contingent bills should either contain full details of the charges drawn or be supported by original copies of the suppliers' bills, the sub-vouchers being submitted to this office later on. It should, however, be ensured that the sub-vouchers which do not accompany the contingent bill reach this office within, at the latest, one month of the drawal of money from the treasury. In sending the sub-vouchers to this office it should be seen that they are properly listed for the particular bill to which they relate. Some Drawing Officers usually send the sub-vouchers without the covering list to show the particular contingent bill to which the vouchers relate. This unbusinesslike system causes much unnecessary work in this office and should forthwith be discontinued. Steps should also be taken to ensure that amounts drawn on contingent bills do not remain undisbursed for any long period, in contravention of rule 290 of the Central Treasury Rules or S. R. 229 to the Treasury Rules, Bengal, Volume I, as the case may be.

LABOUR DEPARTMENT

ORDER.

No. 4585Lab.—18th August 1950.—Whereas under the Government of West Bengal, Labour Department, order No. 581Lab., dated the 4th February 1950, the industrial dispute between Messrs. Albert David, Ltd., Head Office, 15, Chittaranjan Avenue, Calcutta, Factory at 5/11, D. Gupta Lane, Calcutta, Glass Blowing Department, 29/1, Doctor's Lane, Calcutta, and their workmen represented by Albert David Workers' Union, 34, Creek Row, Calcutta-14, was referred for adjudication to Sri M. C. Banerji, District Judge;

And whereas the said Sri M. C. Banerji, District Judge, has submitted to the State Government his award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

INDUSTRIAL TRIBUNAL, CALCUTTA.

PRESENT: SRI MATISH CHANDRA BANERJI, *District Judge, Tribunal.*

Industrial dispute between Messrs. Albert David, Ltd., Head Office, 15, Chittaranjan Avenue, Calcutta, Factory at 5/11, D. Gupta Lane, Calcutta, Glass Blowing Department, 29/1, Doctor's Lane, Calcutta, and their workmen as represented by Albert David Workers' Union, 34, Creek Row, Calcutta.

AWARD.

The present reference relates to an industrial dispute between Messrs. Albert David, Ltd., Head Office, 15, Chittaranjan Avenue, Calcutta, Factory at 5/11, D. Gupta Lane, Calcutta, Glass Blowing Department at 29/1, Doctor's Lane, Calcutta, and their workmen as represented by Albert David Workers' Union, 34, Creek Row, Calcutta.

Messrs. Albert David, Ltd., is a Pharmaceutical Firm manufacturing drugs and chemicals. Its factory is situated at 5/11, D. Gupta Lane, Dum Dum, Calcutta; it has a Glass Blowing Department for manufacture of ampules, etc., at 29/1, Doctor's Lane, Calcutta, and its Head Office is at 15, Chittaranjan Avenue, Calcutta. The total number of employees in the workshops and the office is a little over 600. The employees of the Company formed themselves into a Union under the name of the Albert David Workers' Union in the beginning of 1946. Shortly after the formation of the Union and on or about the 1st April 1946 disputes arose between the Union and the Company regarding conditions of service and terms of employment and the workmen staged a strike which continued from 1st May 1946 to 13th May 1946. The dispute was referred for arbitration to Sri Kalipada Mukherji, then the Secretary of the Bengal Provincial Congress Committee and at present the Hon'ble Minister in charge of Labour, of the Government of West Bengal. The learned Arbitrator made an Award which granted general increments in wages and also effected improvements in conditions of labour of the workmen. This Award was dated 8th August

1946 and although the learned Arbitrator requested the Company to give immediate effect to the Award, the Company granted the increments in wages and dearness allowance as awarded, with effect from 1st August 1946. The latter part of 1946 was a notorious time for Calcutta and on the 28th of October 1946 the factory of the Company which was then situated at Taltala was beseiged by the hooligans of the locality and some workers were killed, both within and outside of the factory. The factory was closed indefinitely, and in the month of December 1946 the factory was restarted at Sarat Chatterji Avenue at Ballygunge. The Company could not absorb all the workers at that time as there was not enough space in the new premises and the Union struck on this issue. The strike lasted for two days on 8th and 9th of January 1947. The strike was called off after an agreement between the Union and the Company by which additional benefits were secured to the workers. Disputes again appeared in the latter part of 1947 and by order No. 135Lab., dated 17th January 1948, the Government of West Bengal referred the disputes between the Company and the Union along with disputes between many other Mercantile firms in Calcutta and their workmen to the Tribunal for adjudication. While the dispute was pending before this Tribunal for adjudication, a settlement was effected at the mediation of Sri K. K. Mitra, Assistant Labour Commissioner to the Government of West Bengal, and terms of settlement were signed by both the parties and these terms of settlement were submitted before the Tribunal with a prayer for an Award. Accordingly an Award was made by the Tribunal in accordance with the terms of this settlement and this Award which was enforced by Government by Notification No. 3642Lab., dated 4th October 1948, with effect from the latter date is mentioned in Appendix A of this Award. Under this Award based upon the settlement between the parties, graded scales of salaries were fixed for all categories of workmen and the dearness allowance was fixed at the flat rate of Rs. 19 per month, with a stipulation that at the end of 6 months a revision would be made in the scale of the dearness allowance in view of the financial condition of the Company and the rise of the cost of living index figure. The settlement was made in the month of September 1948 and the Award was enforced on 4th October 1948. According to the Company the rates of basic wages were fixed at too high a level and according to the Union the rate of the dearness allowance was unusually inadequate. At the end of 6 months from the date of the Award the Union raised the question of reconsideration of the dearness allowance and a conciliation proceeding followed in which the claim of the increase of dearness allowance made by the Union was found to be unjustified by the Conciliation Officer. Thereafter on an appeal made by the President of the Union to the Management an interim relief was granted to the workers with effect from 1st July 1949 at the rate of one anna in the rupee to the workers whose basic salary was not more than Rs. 100 per month. This was an increase in the dearness allowance and was agreed to be paid for three months, i.e., up to September 1949 and the Management promised to review the matter in October 1949. In the month of September 1949 the Union made a demand of a month's wage as Puja Bonus. The Company could not allow the payment in view of its financial position. In the month of July 1949, the Company retired three superannuated employees in the office, but the clerical staff in the office went on a "pen down" strike for one day as a protest. Adequate compensation by way of gratuity in consultation with the President of the Union was paid to these retired employees. On 28th October 1949 the Union served on the Company a notice of strike for fulfilment of a 32-point charter of demands. The Labour Directorate of the Government of West Bengal started conciliation proceedings but the employees launched a strike on 12th November 1949 and the Company

declared a lock-out on 15th November 1949. The Labour Directorate failed to effect any conciliation of the disputes and reported under section 12(4) of the Industrial Disputes Act to Government recommending reference of the dispute to the Tribunal.

Thereupon the Government of West Bengal, in the Department of Labour, by order No. 581Lab., dated 4th February 1950, referred, under sections 7 and 10 of the Industrial Disputes Act, 1947 (XIV of 1947), the dispute between the Company and their workmen, as represented by Albert David Workers' Union, 34, Creek Row, Calcutta, to me for adjudication. Notices were issued on both parties and they appeared before the Tribunal on receipt of such notice.

After the parties appeared before me, at my advice and instructions, they came to a settlement. By this agreement which was signed by the parties on 22nd February 1950, the Union called off the strike and the Company lifted the lock-out with effect from the date of the settlement and the Company agreed to take up all the workers within a period of 3 weeks from the date of the reopening of the factory. The Union agreed to give up the claim for wages for the strike period. A copy of this agreement is made Appendix B to this Award.

Written statement was filed by the Union on 21st March 1950 and by the Company on 3rd April 1950. Issues were framed on 18th April 1950. The demands of the Union will appear from the issues.

The appearances for the parties were as follows:

For the Union: Sri Nanda Misra, President, Sri Nalin Bhanja, Secretary, Sri Jyotish Chatterji, Treasurer and some other workers.

For the Company: Mr. Myer, Counsel, instructed by Sri B. B. Sinha, Solicitor, of Messrs Leslie and Hinds, Solicitors, and Sri P. Pardesh Rao, Secretary.

The issues framed were as follows:

ISSUES.

(1) Dearness Allowance.

(2) Tiffin Allowance.

(3) Pay for the period of strike and lock-out.

(4) Revision of Standing Orders.

(5) Regularisation of the Provident Fund.

(6) Disability, death benefits and gratuity.

(7) Increment in basic pay in September 1949.

(8) Interim reliefs for October 1949 for workers of Dum Dum and Doctor Lane Factories.

(9) Canteen.

(10) Bonus for 1949.

DECISION.

Issue No. 1.—Dearness Allowance.

The Union claims dearness allowance at the rate of Rs. 30 per month for all employees. The Company opposed this claim on the ground that the financial condition of the Company did not permit of payment of more than Rs. 19 by way of dearness allowance as was being paid at present. It is also stated that the basic salary paid by the Company is very high and does not justify an increase in the dearness allowance.

As has been mentioned above the dispute between the Company and the Union that was settled in the latter part of 1948 and was made a part of the Award, Appendix A, embraced in its scope elaborate provisions as to terms of employment and conditions of labour of the workmen. Graded scales of salaries reserving automatic annual increments were fixed for all categories of employees, both for the office and in the factory. The dearness allowance was fixed at Rs. 19 per month and provisions were made for fixation of pay of the employees in graded scales of salaries fixed in the settlement. The Union did not in this present proceeding claim any revision of the basic wages; it confined its demand to the revision of dearness allowance only. There was a provision in Appendix A that "revision of dearness allowance consistent with financial position of the Company and increased cost of living, if any, shall be taken after 6 months". The terms of employment in Appendix A came into operation on 4th October 1948 and at the end of 6 months the Union made demands for a revision of the dearness allowance and conciliation proceedings were started by the Labour Directorate of the Government of West Bengal. The Labour Directorate did not find that either the financial position of the Company had improved or that the cost of living had increased and could not grant any relief to the Union. The Union then made an appeal to the Directors of the Company who granted an interim increase in dearness allowance to the extent of one anna in the rupee for those workers whose basic salary was not more than Rs. 100 per month, and this interim relief was granted for a period of 3 months, i.e., up to September 1949 and the Management promised to review the matter in October 1949. It appears that the Company paid the interim relief to the members of the staff in the Head Office also in the month of October 1949 but did not grant it for the workers in the factory. This they did not allow because the workers in the factory had started "go slow" tactics causing a considerable loss to the Company in inadequate production. On top of this came the strike notice on 28th October 1949 which culminated into a strike on 12th November 1949 that lasted till 21st February 1950.

The learned Counsel for the Company drew my attention to the fact that the Company's financial condition was very low, that the basic wages fixed in Appendix A was much in excess of wages granted either by Messrs. B. K. Paul & Co., or by Messrs. Bengal Chemical and Pharmaceutical Works, Ltd., which are companies carrying on manufacture of pharmaceutical products and were sister companies of bigger size with larger production and greater financial stamina. The learned Counsel for the Company referred me to the Awards of Sri S. N. Modak, I.C.S. (Retd.), in the industrial disputes between the Bengal Chemical and Pharmaceutical Works, Ltd., and their workmen published in the *Calcutta Gazette*, dated 3rd November 1949, and in the industrial dispute between Messrs. B. K. Paul & Co (Agency, Ltd.), B. K. Paul & Co. (Edwards Tonic), B. K. Paul & Co. (Research Laboratory) and their employees published by Government

Notification No. 1276Lab., dated 22nd April 1948. Comparing the scales of salaries of the workmen in the two concerns with those granted by the Award, Appendix A, which was based upon a settlement between the parties before the learned Assistant Labour Commissioner, Government of West Bengal, I find that the salaries have been fixed at a much higher level in Messrs. Albert David, Ltd., than in the other two companies mentioned above. A few of the grade scales of basic wages of similar categories of employees in the 3 establishments are mentioned below for appreciation of this observation :—

Posts.	Albert David, Ltd.	Bengal Chemical and Pharmaceutical Works.	B. K. Paul & Co.
1. Unskilled (peons, duftries and sweepers).	Rs. 36—2—42 ..	Office boy—Rs. 25 Grade B workers—Rs. 28. Grade A workers—Rs. 29. Syce—Rs. 31. Miscellaneous Literate—Rs. 32.	Labourers—Rs. 30—½—36.
2. Packers ..	Rs. 45—2—65 ..	Rs. 32 ..	Rs. 30—½—36.
Despatch packers	Rs. 40—2—50		
3. Glass Blowers ..	Rs. 65—3—80—4—100.	Rs. 35	
4. Clerks	(1) Rs. 55—3—85—E. B.—4—125. (2) Rs. 65—4—105 E. B.—5—155. (3) Graduates specially qualified—Rs. 80—5—120—E. B.—10—150—E. B.—10—250.	Rs. 45. Junior Grade Rs. 32.	Assistants— A Grade Rs. 105—5—150. B Grade—Rs. 75—2—105. C Grade—Rs. 45—1½—75.
5. Supervisor ..	(1) Rs. 100—6—160—E. B.—8—240. (2) Rs. 75—5—125—E. B.—7—195. (3) Rs. 60—4—100—E. B.—5—150.	Rs. 45 ..	Sectional Heads and Chemists— A Grade—Rs. 130—10—200. B Grade—Rs. 84—6—120.

It is needless to multiply instances. It is obvious that the grade scales in Messrs. Albert David, Ltd., as fixed in the settlement evidenced in Appendix A was on a very liberal scale, much above the current wages of the workmen in this industry in the Calcutta area. It may be noted that in Messrs. Albert David, Ltd., the dearness allowance was fixed at Rs. 19 per month; in Messrs. Bengal Chemical and Pharmaceutical Works, Ltd., the monthly dearness allowance varied between Rs. 25 and Rs. 50 in various stages up to Rs. 312, and in Messrs. B. K. Paul & Co. the dearness allowance of every employee was 1/3rd of his basic wage.

The learned President of the Union pointed out to me that in Messrs. Bengal Chemical and Pharmaceutical Works, Ltd., the workmen got bonus to the extent of 1½ months' basic wages. As it appears from the

award regarding Messrs. B. K. Paul & Co. it was agreed between the Company and the Union that bonus to the extent of one month's salary will be paid in respect of a year in which a dividend to the extent of 5 per cent. or more was declared to the shareholders. Even with these increments to the emoluments by way of bonus, the total emoluments earned by the employees in Messrs. Albert David & Co. was much above those received by the employees of similar categories in the other two companies. It may be mentioned that Messrs. Albert David, Ltd., granted one month's bonus (15 days + 15 days) in 1947 and 15 days Puja Bonus in 1948. They did not grant any bonus in 1949 owing to the deliberate slowing down of production. It is needless to add that very great stress is to be given to the time-scale grades reserving automatic annual increments.

The financial year of the Company is from 1st November to the end of the next October. The balance sheets of the Company ending 31st October 1945, 31st October 1946 and 31st October 1947 have been filed before me. In the financial year ending 31st October 1945 the Company made a net profit of Rs. 1,22,193; in the two succeeding years the Company incurred a loss of Rs. 13,844 and Rs. 83,855, respectively. In the financial year ending 31st October 1948 the Company earned a net profit of Rs. 1,38,000. It is needless to add that as much as Rs. 97,000 and odd of this amount was utilised to make up the losses in the two preceding years. The balance sheet of Messrs. B. K. Paul and Co. was not available to me but the balance sheet of Messrs. Bengal Chemical and Pharmaceutical Works, Ltd., for the financial year ended 13th April 1948 was filed before me. It shows a net profit of Rs. 10,69,092-15-6. The statement of accounts given by this Company also shows that while the salary and allowances of employees in the Bengal Chemical and Pharmaceutical Works, Ltd., was only 23·2 per cent. of the annual sale in 1947-48, in this Company the salary and allowances accounted for 32·6 per cent. of the sales for 1947, 34 per cent. of the sale in 1948 and 34·6 per cent. of the sale in 1949. It is also stated that this percentage in Messrs. Bengal Immunity in 1947-48 was only 17 per cent. and in Messrs. Smith Stanistreet and Co., Ltd., only 16 per cent.

The revision of dearness allowance was permissible in Appendix A in view of the financial position of the Company and increase in the cost of living. It is, therefore, necessary to consider the change in the cost of living index figure subsequent to October 1948. It appears from the cost of living index figure published by the Office of the Statistical Bureau, Government of West Bengal, that in October 1948, the cost of living index for middle-class men was 364 and for the working class it was 384·3. For August and September respectively these figures were 361·0 and 360·2 for the middle-class and 377·3 and 378·8 for the working class. Since then it diminished gradually up till May 1949 and then showed a slight increase but not reaching the figures as in October 1948. Thereafter they decreased again till February 1950 and then they recorded a slight increase till May 1950 in which month it was 347·4 for the middle-class and 359·0 for the working class. The index numbers for June have not been compiled yet. It, therefore, appears that the cost of living index figure for the working class or the middle-class has all along been less than what it was in October 1948 when Appendix A came into operation. No revision of dearness allowance is, therefore, justified in view of the provisions of Appendix A, as there has been no increase in the cost of living index since the date when the Award, Appendix A, came into operation.

Considering all these circumstances I am of opinion that the claim for increase of dearness allowance as made by the Union is not justified and this claim is, therefore, rejected.

Issue No. 2.—Tiffin Allowance:

Issue No. 9.—Canteen.

Under the terms of Appendix A a canteen was to be opened at Dum Dum Factory and the establishment cost of this canteen, being the cost for the accommodation of the canteen, and the cost for two cooks and two servants, were to be paid by the Company and every workman was to get a tiffin allowance at 4 annas daily. The Union demanded an increase in the tiffin allowance from 4 annas to 6 annas per day per head. I do not consider the demand of any increase in the tiffin allowance or in the commitments of the Company in regard to the cost of the canteen, beyond what was provided for in Appendix A, to be justified. The tiffin allowance and the provision for the maintenance of the canteen shall continue to be governed by the terms in Appendix A.

This issue is accordingly answered.

Issue No. 3.—Pay for the period of Strike and Lock-out.

The claim for the pay for the period of strike and lock-out from 12th November 1949 to 21st February 1950 was not pressed at the time of the hearing of the case. It may be mentioned that this claim was abandoned by the agreement between the parties dated 22nd February 1950 that resulted in the termination of this strike and the lock-out (Appendix B). This claim is, therefore, rejected.

Issue No. 4.—Revision of Standing Orders.

No definite claim as to the revision of standing orders was made by the Union. It was not stated which standing orders of the Company were to be revised and in what particular manner. It appears that the existing standing orders have been certified by the Labour Commissioner. I do not find it possible to deal with this issue in the absence of any definite demand.

This issue is accordingly answered.

Issue No. 5.—Regularisation of the Provident Fund.

Under the terms of the Award, Appendix A, provision for a Provident Fund of the employees was made with 6¼ per cent. contribution on either side. It appears that the Company started the Provident Fund in September 1948, i.e., even before the Award, Appendix A, came into operation on 4th October 1948. The Union complained in this proceeding that the Provident Fund money had not been transferred to a separate fund as yet. The representatives of the Company informed me that the permission of the Income-Tax Commissioner has not yet been obtained for the starting of the Provident Fund. It is directed that the money belonging to the Provident Fund of the employees should be kept in a separate account by the Company.

The Union asked me to frame rules in regard to the availability of the employer's contribution to the fund. In Appendix A it is provided that the Company's contribution should be payable after 3 years' service. No more provision has been made in this regard in Appendix A. It cannot, however, be accepted that the full contribution of the Company to the Provident Fund should be available to the employee after the expiry of the 3 years of service. In this regard I frame the following rule in accordance with the Model Rules for Provident Fund for Industrial Employees framed by the Government of India.

(*a*) If any subscriber resigns or leaves his employment at his own request, otherwise than by reason of superannuation on medical grounds, the Board or trustees of the Provident Fund may, by a majority of two-third members, direct that deductions according to scales specified below shall be made from the amount paid into the subscriber's account by the employer (including interest accrued to the employer's contribution):—

(*i*) Subscribers of less than 3 years' standing—100 per cent.

(*ii*) Subscribers of 3 but less than 6 years' standing—50 per cent.

(*iii*) Subscribers of 6 but less than 9 years' standing—25 per cent.

(*iv*) Subscribers of 9 or more years' standing—Nil.

(*b*) If any subscriber is dismissed for misconduct the Board shall, at the request of the employer, direct that a deduction equal to the contribution made by the employer into the subscriber's account, including the interest accrued thereon shall be made.

Explanation.—The term "misconduct" shall be interpreted with reference to standing orders existing in the undertaking.

This issue is accordingly answered.

Issue No. 6.—Disability, death benefits and gratuity.

I do consider that the employees are not entitled to both kinds of benefit, in Provident Fund, as well as in gratuity. As the Company allows the benefit of Contributory Provident Fund, I consider that the employees should not be given any additional advantage or gratuity. As, however, the Provident Fund was started only in September 1948, the benefit to the old employees to the Provident Fund will be unsubstantial.

On giving a careful consideration to the matter I have come to the conclusion that a system of gratuity of a complementary character should be introduced to meet the needs of the old employees and also employees in general under the circumstances of death or retirement on account of superannuation or on medical grounds. It is awarded that there should be a scheme of supplementing the benefit of Contributory Provident Fund by a scheme of gratuity for some years next. The provision of the system of gratuity shall be as follows:—

(1) On retirement after continuous service for not less than fifteen years—Gratuity at the rate of half a month's basic pay for each completed year of service subject to a maximum of fifteen months' basic pay.

(2) On retirement before completing fifteen years' service by reason of superannuation on medical grounds or owing to any other sufficient cause approved by the employer in this behalf—Gratuity at the rate of half a month's basic pay for each completed year of service.

(3) On death—Gratuity at the rate of half a month's basic pay for each completed year of service (payable to the employees' nominee or nominees or heirs), subject to a maximum of fifteen months' basic wages.

(4) The basis of calculating gratuity shall be the average basic pay, not including overtime wages or any allowances, bonuses or other benefits, during the last twelve months of service on full pay.

(5) For the period for which Provident Fund has been in operation in respect of an employee, he or his nominee or nominees or heirs will receive the whole amount at his credit in the fund including the amounts of the employer's contribution subject to operation of the rules of the Provident Fund of the Company in this behalf, but in calculating the number of years of service for which gratuity will be payable, the period for which the Provident Fund has been in operation in respect of the particular employee shall be deducted from the total period of service.

Issue No. 7.—Increment in basic pay in September 1949.

The Union claimed the annual increment in basic pay of the employees in September 1949. The representatives of the Company stated that they were unable to pay the annual increments to all the employees and that they were paying increments to the more efficient hands. No increments, however, fell due in September 1949. As the Award in Appendix A came into operation on 4th October 1948, the increments really fell due in October 1949. In October 1949 troubles were brewing and the workmen had already adopted "go slow" methods causing loss to the Company. In the first part of November the strike occurred and the factory was reopened only in the latter part of February 1950. The plea of the Company that it was unable to pay annual increments to all the employees is not tenable. The increments as provided for under the Award in Appendix A have to be paid until the wage scales are altered by a fresh settlement or Award. I, therefore, direct that annual increments that fell due to the employees in the month of October 1949 should be payable with effect from March 1950 and the next increment will be due in October 1950.

This issue is accordingly answered.

Issue No. 8.—Interim reliefs for October 1949 for workers of Dum Dum and Doctor Lane Factories.

I have already related that an interim relief of increase of dearness allowance at one anna per rupee for employees drawing basic salary up to Rs. 100 per month was allowed for 3 months from July and that in October 1949 this relief was granted to the staff at the Head Office, but not to the factory workers at Dum Dum and Doctor Lane. The Company's plea is that this relief was not granted to the factory workers at Dum Dum and Doctor Lane as they had adopted "go slow" methods and caused loss to the Company. The circumstances of the case justify this plea and I accept it. I accordingly reject the claim for interim relief for the factory workers at Dum Dum and Doctor Lane for October 1949 as claimed.

Issue No. 10.—Bonus for 1949.

No bonus was paid in 1949 before the Puja vacation. The Company opposed the plea of payment of Puja Bonus in 1949 on the ground that the workmen made it impossible for the Company to pay this bonus by go slow tactics which caused the Company a severe loss. These go slow tactics in the month of September and October culminated into a strike in the month of November 1949 which lasted for 102 days. The Company is now struggling for its sheer existence. By October next the Company will have to grant two increments in the basic salaries. The losses incurred in 1946 and 1947 have been recouped in 1948, but the cash balance position of the Company is anything but satisfactory. No dividend of ordinary shares was paid since 1945. In the circumstances I do not consider that the Company should be compelled to pay any Puja Bonus for 1949.

This issue is accordingly answered.

APPENDIX A.

GOVERNMENT OF WEST BENGAL.

Labour Department.

ORDER.

No. 3642Lab.—4th October 1948.—Whereas under the Government of West Bengal, Commerce, Labour and Industries Department, order No. 135Lab., dated the 17th January 1948, the industrial disputes that had arisen or were apprehended between the employers of mercantile firms and their associate firms specified in column 1 in the two lists Nos. 1 and 2 annexed to the said order and their clerical and all subordinate staff in their offices as represented by some trade unions mentioned against firms in column 2 of the lists aforementioned, and others represented by such other registered trade unions as might have been permitted by the Industrial Tribunal hereinafter mentioned to be represented individually for legitimate reasons, were referred for adjudication to a Tribunal constituted by Sri Ashutosh Das Gupta, Additional District Judge, as Chairman and Sri Sailesh Chandra Chakravarty and Sri Sudhir Chandra Dutta Gupta, Additional District Judges, as members;

And whereas the services of Sri Sudhir Chandra Dutta Gupta, one of the members aforesaid, having no longer been available, the said Chairman and Sri Sailesh Chandra Chakravarty, another member aforesaid, have given the award in respect of the industrial dispute between one of the firms mentioned hereinbefore, namely, Messrs. Albert David, Limited, 15, Chittaranjan Avenue, Calcutta, being item No. 1 in list No. 1 aforementioned and their employees represented by Albert David Workers' Union, C/4, College Street Market, Calcutta, as shown in the annexure hereto;

Now, therefore, in exercise of the powers conferred by sub-section (*2*) of section 15 read with sub-section (*3*) of section 19 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased to make the following order and to direct with reference to section 17 of the said Act that the award be published in the *Calcutta Gazette*.

The award made by the said Chairman and the said Sri S. C. Chakravarty shall bind the Company and their employees aforesaid as specified therein and shall remain in operation for a period of one year with effect from the date of this order.

Annexure.

In the matter of industrial disputes between 267 mercantile firms of Calcutta and their employees, referred for adjudication, by Government order No. 135Lab., dated the 17th January 1948, to a Tribunal constituted of (1) Sri Ashutosh Das Gupta, and (2) Sri Sailesh Chandra Chakravarty.

Pursuant to the provisions of sections 7 and 10 of the Industrial Disputes Act of 1947, the Government of West Bengal constituted a Tribunal with Sri Ashutosh Das Gupta as Chairman, Sri Sailesh Chandra Chakravarty and Sri Sudhir Chandra Dutta Gupta as members to adjudicate upon disputes between 267 mercantile firms of Calcutta and their employees. Sri Sudhir Chandra Dutta Gupta's services are no longer available.

The firms have been divided in two lists in Government order and it is proposed to maintain the serial numbers given in the lists for the sake of convenience. In column 1 of the lists the names of the firms have been stated and in column 2 the names of the unions representing the employees have been stated.

It is now proposed to consider the case of Messrs. Albert David, Limited, being No. 1 in list No. 1. In this case there have been settlements between the employer and the employees as represented by the two unions. In another award wherein we disposed of the cases of several absentee employees we decide that we could treat the cases separately. The reasons hold good here also and we do not consider it necessary to reiterate them. We propose to pass an award in terms of settlements arrived at.

We, therefore, pass an award in terms of the settlements a copy of which do form a part of this award.

A. DAS GUPTA,
Chairman.

Annexure B.

BEFORE THE TRIBUNAL APPOINTED BY AN ORDER No. 581 OF THE GOVERNMENT OF WEST BENGAL, DATED THE 4TH FEBRUARY 1950, AND MADE UNDER THE INDUSTRIAL DISPUTES ACT, 1947.

In re: Industrial Disputes as referred to in the said order, dated the 4th February 1950, between Messrs. Albert David, Ltd., of 15, Chittaranjan Avenue, and the workers as represented by Albert David Workers' Union, 34, Creek Row, Calcutta-14.

1. The Union agrees to call off the strike with effect from the 22nd February 1950 and gives up any claim for wages for strike period.

2. In view of the above the Company agrees to lift the lock-out and re-open the factory from the 22nd day of February 1950 on the condition that the Company will employ such number of workers in the beginning as it may think fit on the same as per the Award of the Industrial Disputes Tribunal made in 1948 but so that the Company will employ and take up all the workers within a period of three weeks from the date of the re-opening of the Factory.

3. Either of the party reserve its right to cancel the above agreement after the expiry of three weeks from the re-opening of the Factory on giving to the other a fortnight's notice provided however if the Union cancels the agreement aforesaid, it will not be entitled to raise any issue for payment of wages for the strike period which the Union has given up.

4. The above agreement is made without any prejudice to any of the right and contentions of either of the parties before the Tribunal.

5. In view of the above agreement the proceedings before the Tribunal have been adjourned for four weeks.

ORDER.

No. 4586Lab.—18th August 1950.—Whereas under the Government of West Bengal, Labour Department, order No. 1957Lab., dated the 24th April 1950, the industrial dispute between Messrs. Hastings Jute Mill, P. O. Rishra, Hooghly, and their employees represented by Hastings Jute Mill Employees' Union, 18, Grand Trunk Road, Rishra, Hooghly, in connection with the case of Sri Kritanta Kumar Chatterji, was referred for adjudication to Sri M. C. Banerji, District Judge;

And whereas the said Sri M. C. Banerji, District Judge, has submitted to the State Government his award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

INDUSTRIAL TRIBUNAL, CALCUTTA.

PRESENT: SRI MATISH CHANDRA BANERJI, *District Judge, Tribunal.*

Industrial dispute between Messrs. Hastings Jute Mill, P. O. Rishra, district Hooghly, and their employees represented by Hastings Jute Mill Employees' Union, 18, Grand Trunk Road, Rishra, district Hooghly.

AWARD.

The Government of West Bengal in the Department of Labour by order No. 1957Lab., dated 24th April 1950, referred under sections 7 and 10 of the Industrial Disputes Act, 1947 (XIV of 1947), the industrial dispute between Messrs. Hastings Jute Mill, P. O. Rishra, district Hooghly, and their employees represented by Hastings Jute Mill Employees' Union, 18, Grand Trunk Road, Rishra, district Hooghly, in connection with the case of Sri Kritanta Kumar Chatterji, to me for adjudication.

Notices were issued on both parties and they appeared and filed written statements.

Sri Kritanta Kumar Chatterji was employed as a clerk in the Hastings Jute Mill and was in charge of the canteen of the Company. He was appointed to this post on 1st May 1948, and was discharged on 3rd January 1950. At the date of his discharge he used to get a basic pay of Rs. 58 and a dearness allowance of Rs. 32-8 per month. The Union's case is that the dismissal of Sri Kritanta Kumar Chatterji was an instance of unfair labour practice and this order of dismissal was void *ab initio* for the reason that no charge-sheet was framed against the workman, nor was he offered any opportunity to defend himself as provided for in the Standing Orders of the Company. The Union, therefore, claimed reinstatement with retrospective effect of the said workman to his post and also claimed full compensation for the period of his non-employment. The Company opposed the claim of the Union and stated that the discharge of Sri K. K. Chatterji was not actuated by any malice or unfair motive and that it was not the result of any unfair labour practice on the part of the Company. It was, therefore, submitted that the Union's prayer for reinstatement or compensation was neither lawful nor equitable. The details of the facts of the case will appear from the decisions of the issues. The issues were framed on 20th May 1950.

The appearances for the parties were as follows:—

For the Union: Sri D. L. Sen Gupta, Advocate, assisted by Sri Phani Ghosh, and Sri Benoyendrakumar Mitra, Secretary of the Union, and the discharged employee Sri K. K. Chatterji.

For the Company: Sri S. C. Sen Gupta, Advocate, and Sri J. K. Ghosh, Pleader, of Messrs. Orr Dignam & Co., assisted by Miss P. Mitra of I.J.M.A., and Mr. W. Alexander, the Manager of the Company.

The issues framed were as follows:—

ISSUES.

(1) Was the dismissal of Sri K. K. Chatterji an instance of unfair labour practice on the part of the Company?

(2) Is he entitled to reinstatement or to any other relief?

Decisions.

Issue No. 1.

Sri K. K. Chatterji was appointed as the clerk in charge of the canteen of the Company on 1st May 1948. The second clerk in the canteen was Sri Amrita Lal Chakravarty. Sri K. K. Chatterji was entrusted with the task of purchasing the foodstuffs for the canteen. It appears that towards the latter part of 1949 the tea which was supplied by the canteen to the labourers of the mills was sweetened by molasses which were refined by boiling before use. It is the common case of the parties that the canteen was showing some loss every month till December 1949. The loss or profit in the canteen was, however, no concern of the Company and profit or loss in the canteen meant improvement or deterioration of amenities available from it. On 1st January 1950 the Company transferred Sri Amrita Lal Chakravarty to the Labour Department and one Sri Lahoti of the Labour Office was posted to the canteen in his place. The Union alleged in its written statement that Sri Lahoti was a friend of Sri Bhansali—the Assistant Labour Officer of the Company. This allegation was, however, denied by Sri Bhansali in his evidence. On Sri Lahoti's appointment, he was authorised to purchase goods for the canteen as was till that date done by Sri K. K. Chatterji—clerk in charge of the canteen.

The Union's case is that on 2nd January 1950 Sri Lahoti purchased for the canteen a quantity of *gur* which was of bad quality and was not fit for human consumption. According to the Union the hours of work of Sri K. K. Chatterji were from 6-30 a.m. to 11 a.m. and 1 p.m. to 5 p.m. According to the Company the working hours of Sri K. K. Chatterji were from 6-30 a.m. to 11 a.m. and from 12-30 p.m. to 4-30 p.m., although for the other clerks the working hours were from 6-30 a.m. to 11 a.m. and 1 p.m. to 5 p.m. Both the parties, however, agreed that on 3rd January 1950 Sri K. K. Chatterji left his duty at 11 a.m. in the forenoon and returned back to work at 1 p.m. Tea to the labourers is supplied at 6 a.m. in the morning and at 12-30 p.m. in the afternoon, as the working hours of the Mills are from 6-30 a.m. to 11 a.m. and 1 p.m. to 5 p.m. During the period of absence of Sri K. K. Chatterji, between 11 a.m. to 1 p.m. on 3rd January 1950, his Assistant Sri Lahoti was in charge of the canteen and looked after the supply of tea to the workmen at 12-30 p.m. The tea that was supplied to the workmen at 12-30 p.m. was bad. It was nothing more than milk and water and had a very bad taste. At about 12-45 p.m. a crowd of workmen approached the Manager with glasses of tea supplied to them by the canteen. They complained about the poor quality and the bad taste of the tea. The Manager promised an enquiry into the matter. At about 1-45 p.m. the Manager visited the canteen and mentioned to the canteen in charge Sri K. K. Chatterji and his assistant Sri Lahoti about the workmen's complaint.

According to the Union the Manager and the Assistant Labour Officer came to the canteen and the Assistant Labour Officer stated to the Manager that Sri K. K. Chatterji was a great agitator for the labour and the root of all troubles and the Manager thereupon without caring to have any explanation from Sri K. K. Chatterji started saying "bloody agitator" to which he protested and claimed to be properly treated. The Union further states that Sri K. K. Chatterji continued his day's work as usual till he was called at the office in the evening to receive his notice of dismissal and final payment and was asked to hand over charge of the canteen to the Assistant Labour Officer Sri Bhansali.

The Company's case is as follows:—

At about 1-45 p.m. the Manager visited the canteen and mentioned to the canteen in charge and his assistant about the workers' complaint. Sri K. K. Chatterji at first did not admit that the tea was of poor quality but subsequently admitted that some *gur* which was found to be bad was used to sweeten the tea in his absence. The Manager felt that he was responsible for the state of affairs and had been shirking his responsibilities. He, therefore, took him to task for not taking necessary steps so that bad stuffs could not be used. Upon this he flared up and shouted in a most violent manner. Finding the situation awkward the Manager asked him to come to his office and left the place. Thereafter Sri K. K. Chatterji went to the Labour Office and cried out in a loud voice in Hindi that the Manager had abused him. A few hundred workers had assembled at the time. The Assistant Labour Officer who was there asked him to go away from the place, but he refused to do so. The Manager, therefore, decided to dismiss him for his rowdy and insolent conduct. Sri K. K. Chatterji thereupon became repentant. The Manager, therefore, taking into consideration that he was a refugee and in a somewhat helpless condition, discharged him on giving one month's pay in lieu of notice by letter, dated 3rd January 1950." The Manager also granted him a certificate on 5th January 1950 to help him to get employment elsewhere.

Sri K. K. Chatterji (P.W. 1) examined himself and was cross-examined by the Company. The Company examined O.P.W. 1, Bejoy Chandra Adhikari, O.P.W. 2, Mr. W. Alexander, Manager of the Mills, and O.P.W. 3, Sri B. S. Bhansali, the Assistant Labour Officer. These witnesses were cross-examined by the Union. The letter of discharge to Sri K. K. Chatterji, dated 3rd January 1950, was marked Ext. 1 and the certificate granted by the Manager to Sri K. K. Chatterji, dated 5th January 1950, was marked Ext. 2 for the Union. On the side of the Company the warning notices to Sri K. K. Chatterji, Exts. A, A_1 and A_2, the Canteen Account Books, Exts. C and C_1, the letter, Ext. D and the trading accounts, Ext. B, were marked Exhibits.

The Union assails the discharge of Sri K. K. Chatterji as an instance of unfair labour practice on the part of the Company and claims his reinstatement on the following grounds:—

(1) The dismissal of Sri K. K. Chatterji was made with an ulterior motive for his honest character and sympathy to the cause of labour and the whole case was decided with an unfair attitude of mind and as such it was a case of unfair labour practice.

(2) The Company's order of dismissal is void as no charge-sheet was framed against Sri K. K. Chatterji and he was not offered any opportunity to defend himself as provided for in the Standing Orders of the Company.

These points will be considered below.

In evidence Sri K. K. Chatterji states that on 3rd January 1950 he supplied tea with the old stock of *gur* that had been purchased by him and there was no objection with that tea. He went home after 11 a.m. and came back at 1 p.m. As he reached the canteen after the mid-day recess the Manager and the Assistant Labour Officer came to his office. After they arrived in his office, the Assistant Labour Officer pointed out to Sri K. K. Chatterji and told Mr. Alexander, the Manager, that he was the root of all evil and he should be finished. The Assistant Labour Officer then went away. The Manager was in furious mood. Sri K. K. Chatterji asked the Manager to hear the cause of trouble and tried to tell him that he was not present when the trouble occurred. But the Manager did not want to hear any explanation from him and addressed him as "bloody". He protested at his using such language and requested him to hear his explanation but with no success. About an hour after the Assistant Labour Officer came to him and took over charge of office from him. He was then asked to go to the Manager's office where he was served with a written notice of discharge. Ext. 1 is that notice. In cross-examination Sri K. K. Chatterji states that the *gur* used in the tea was always boiled and refined before use, but the *gur* which was purchased on 2nd January 1950 was not refined. He was in charge of the canteen and was responsible for its conduct. He also states that on 3rd January 1950 when he went home at 11 a.m., he left instructions with Lahoti as to the *gur* which was to be used in the tea to be supplied at 12-30 p.m. and also instructed Lahoti to refine the *gur* which was bought on the previous day. It is not stated in the written statement of the Union that he left instructions with Lahoti that the *gur* which was to be used in the tea was to be refined before use. It is also stated in the examination-in-chief of Sri K. K. Chatterji that Sri Lahoti, the clerk appointed in place of Sri A. L. Chakravarty on 1st January 1950, was a friend of Sri Bhansali. Bhansali denies the statement in his evidence. I do not find any substance in this plea. In his evidence Mr. Alexander states that as usual on his rounds of the Mills at 1-45 p.m., he visited the canteen where he saw Chatterji and his assistant Lahoti. He told them about the complaints he had had and asked for reasons. Sri K. K. Chatterji immediately told him that bad *gur* had been used for the tea. This the Manager considered to be a serious matter as the *gur* which he knew to be bad was used in the tea which was supplied. Sri Chatterji then took an aggressive attitude towards the Manager for his using bad language. In the evidence of Sri Bhansali, the Assistant Labour Officer, it appears that after the Manager left the canteen, Chatterji came to his office shouting aloud that the Manager had abused him. Chatterji addressed the clerks and said what right had a European to call an Indian "bloody". He did not desist even though requested by the Labour Officer. Sri Bhansali then sent a chit to the Manager informing him of the matter and the Manager sent back the chit with an endorsement on it saying that Sri Chatterji should be asked to go to the canteen office. This chit is Ext. D. It appears that at about 4 p.m., the Manager instructed Sri Bhansali to serve a charge-sheet for dismissal to Sri Chatterji and Bhansali conveyed the instructions to Chatterji when he began to repent and requested Bhansali to avoid an order of dismissal. Chatterji told Bhansali that he had chances of being employed elsewhere and a charge-sheet would destroy his chance elsewhere. Bhansali then requested the Manager not to dismiss Chatterji and the Manager then discharged Chatterji with one month's pay in lieu of notice. Bhansali stated in his evidence that he had no grudge against Chatterji. There is nothing on record to show that the Assistant Labour Officer had any reason to have any personal grudge against Chatterji. It appears from the evidence of the Manager that on enquiries he learnt that Sri K. K

Chatterji had given instructions to the cook not to purify the *gur* that was to be used in the tea during his absence from 11 a.m. to 1 p.m. on 3rd January 1950. This evidence is not acceptable in view of the fact that in the written statement the cause of dismissal as decided on by the Manager has been stated to be a rowdy and insolent conduct. It, therefore, appears that Sri K. K. Chatterji's behaviour with the Manager in the canteen office and his haranguing in the Labour Office in Hindi alleging that the Manager had abused him and called him "bloody" was the cause of his discharge. It also appears that when Sri K. K. Chatterji was about to be given a charge-sheet before his dismissal, he requested Bhansali not to serve any charge-sheet, in which case his chances for appointment in other concerns will be affected, and the Manager, therefore, discharged him with a notice and gave him pay for one month in lieu of notice.

The fact that Lahoti was appointed in place of Sri Chakrabarti as the second man in the canteen and was authorised to make purchases of foodstuffs in the market appears to me to have had something to do with the incident on 3rd January 1950. The circumstances of the case would clearly show that Sri Chatterji did not accept with a good grace the transfer of the privilege of purchasing foodstuffs in the market from him to Lahoti. He complained that the *gur* that was purchased on 2nd January 1950 was of very bad quality. But that was no reason why this *gur* should not be refined before it was used for tea. He was certainly responsible for seeing that this *gur* was refined before use in the tea. It has not been stated in the written statement or in the examination-in-chief of Sri K. K. Chatterji that when he left for home at 11 a.m. on 3rd January 1950, he left due instructions with Sri Lahoti for using the better quality of *gur* in the tea during his absence or for refining the *gur* that had been purchased by Sri Lahoti on the previous day although such a statement was made by him in his cross-examination at the question of the lawyer for the Company. I do not believe that he did anything of the kind and rather believe that he wished that the quality of the tea should suffer for articles purchased by Lahoti to discredit the choice of Lahoti as the person to purchase articles from the market in preference to himself, although he was the canteen-incharge. The Union's plea that the Company discharged Chatterji with an ulterior motive for his honest character and sympathies to the cause of labour has not been substantiated and is not worthy of acceptance. The evidence on record suggests that Chatterji was very much offended with the talk of the Manager with him in the canteen and while Chatterji says that the Manager addressed him as "bloody" and the Manager denied having uttered any such word or any abuse, I am inclined to think that Sri Chatterji took exception to the Manager's words whatever they were, although I have no doubt that he might be even wrong in doing so, in case he could not clearly follow what the Manager actually said. I am, therefore, of opinion that Sri K. K. Chatterji was insolent as stated by the Manager and Bhansali after the Manager saw him at the canteen at about 1-45 p.m., but his insolence was due to his having formed the idea, rightly or wrongly, that the Manager had abused him. This fact mitigates to a great extent the severity of his delinquency in committing an insolent behaviour with the Manager of the Mill. Even then, however, a discharge on account of an insolent conduct in these circumstances would not amount to an unfair labour practice or victimisation. This point will be considered in detail below.

Sri Kritanta Kumar Chatterji was not dismissed for a misconduct but his employment was terminated with notice. An opportunity for explanation is to be afforded to the offending workman only when disciplinary action for misconduct is taken against him under section 14 of the Standing Orders framed by the Major Tribunal in their Award on the Jute Textile

Industry, West Bengal, enforced on 20th September 1948 (*vide* page 164 of the Award). Section 13 deals with termination of employment. This section provides that in case of monthly paid permanent workmen one month's notice shall be necessary for termination of employment. It has also been laid down that it was optional for the employer to give one month's wage in lieu of notice. The termination of employment of Sri K. K. Chatterji did not, therefore, require the service of a charge-sheet on him or giving him an opportunity to defend himself. This ground of the Union shall also fail. It, therefore, appears that Sri K. K. Chatterji's employment was terminated by the Company following a rowdy and insolent conduct caused by the Manager's talk with him, which he considered to be abusive although the Manager denies it to be so. There is no question of victimisation for any trade union activity involved in the matter.

In paragraph 19 of the written statement of the Union it is stated that Sri K. K. Chatterji during the term of service under the Company was never warned or otherwise taken to task. The Company, in paragraph 4 of its written statement, states that on three occasions, viz., 12th March 1949, 21st June 1949 and 21st December 1949, he was found guilty of very serious offences, but on each occasion he was left off by the Manager after a warning. Copies of charge-sheets and warnings were annexed to the written statement of the Company. In his evidence Sri K. K. Chatterji admitted the notice of warning, Ext. A, dated 21st June 1949, for the offence of taking some foodstuffs without permission from the canteen of the Mills on 18th June 1949. It appears that the Manager directed Chatterji to pay a sum of Rs. 1-8 towards the price of the food articles taken by him by way of punishment. In his evidence Chatterji states that he took *goja* and *nimki* worth Rs. 1-8 on 18th June 1949 after having duly paid the price for the articles before he took them, but that he signed the warning, Ext. A, through fear of losing his job. He denied that the Manager realised the money after he was caught by the Jamadar at the gate. The accounts, Ext. C, shows a subsequent addition of Rs. 1-8 to the total collection of the day and Ext. C_1 shows subsequent alteration of figures to show the realisation of this sum. Exts. C and C_1 clearly falsify the claim of Chatterji that he took the articles after having paid the proper price thereof in the ordinary course of business. His explanation on the point cannot, therefore, be accepted. Warnings, Exts. A_1 and A_2, dated 12th March 1949 and 21st December 1949, were denied by Chatterji in his evidence. These warnings relate to complaints of insubordination made by the Assistant Labour Officer Bhansali against him. Chatterji denied the signature on Exts. A_1 and A_2. At the cross-examination of Bhansali it was, however, suggested by the learned Advocate for the Union that these letters of warning were falsely created on previously-signed papers of Chatterji. This suggestion does not appear to be substantial. I do not, however, think that these charges of insubordination or that of the attempt at unauthorised appropriation of some foodstuffs from the canteen on 18th June 1949 had anything to do with the discharge of Chatterji on 3rd January 1950, even though the claim of Chatterji that his record of service was clean and he was never served with a notice of warning for any misconduct is unworthy of support.

I have related above in detail the grounds on which Chatterji was discharged by the Manager on 3rd January 1950. The question is if the discharge of Chatterji, in the circumstances as stated above, would amount to an unfair labour practice on the part of the Company.

> "Section 8(*3*) of the National Labour Relations Act does not purport to interfere with the normal exercise of the employer's right to hire and fire. What the Act does purport to do, however, is to qualify that right to the extent of prohibiting its exercise as a means of

interfering, restraining or coercing employees in connection with their rights to organize, form and join labour unions, or as a means of encouraging or discouraging membership in a labour union."

* * * * *

In its Third Annual Report, the Board stated that "The Board has never held it to be an unfair labour practice for an employer to hire or discharge, to promote or demote, to transfer, lay off, or reinstate, or otherwise to affect the hire, or tenure of employees or their terms or conditions of employment, for asserted reasons of business, animosity, or because of sheer caprice, so long as the employer's conduct is not wholly or in part motivated by anti-union cause" (*Labour Disputes and Collective Bargaining* by Ludwig Teller, pages 828 and 829).

These principles have been adopted in most of the Tribunals in India. The All-India Banking Tribunal, however, enlarged the scope of the meaning of the word "victimisation" even to grossly unfair cases of punishments and observed as follows:—

"There is, however, no reason, in our opinion, why victimization should be specially connected with trade union activities, though, as a matter of fact, probably the largest number of cases of dismissals, etc., with which Industrial Courts and Tribunals are concerned are so connected. It is also undoubtedly true that in the majority of such cases the employer gives a reason for discharge or dismissal, etc., which is not the true reason. In our opinion, the expression 'victimization' should embrace all cases of discharge, dismissal, punishment inflicted on or suffering caused to an employee where such discharge, dismissal or infliction of such punishment or suffering is so unjust that a remedy is called for in the interests of justice between the parties. This is no doubt a wide definition, but it appears to be consistent with the basic meaning of victimization; we are not satisfied that a narrower technical meaning has been evolved during the history of employer-employee disputes and their management or development in the different countries of the world."

The principles enunciated by this Award were considered in detail by Sri S. C. Chakravarti in his Award on the industrial dispute between Messrs. Rampuria Cotton Mills, Ltd., and their workmen published in the *Calcutta Gazette*, dated 22nd June 1950. The following observations were made by the learned Judge in this Award:—

"The Statute of Law of the U.S.A. limits interference by Board only to cases where unionism is involved. It is not the whole law on the point of interference with punishments. I refer again to the decision in Quinn *v.* Leatham (1901) A.C. 495. Every man is free to act within his rights so long as he does not interfere with the rights of another man. When an employee is punished or discriminated for his union activities, there is an interference with his just rights recognised by the Statutes. In the Constitution of India, it has been recognised as a fundamental right. If there be a clause in the collective agreement that no person shall be punished except for a just cause or after an enquiry, the adjudicators have freely interfered. I think I may say that we should interfere in those cases where there has been any infringement or encroachment of the natural or common law rights or rights created by Statute, agreement or conditions of service. Mere entry into the service of another person does not give him any common

law or statutory right to stay on. Discharge in breach of the conditions laid down in an agreement or in an award of the adjudicator would be infringement of legal rights created for the employee.

The Tribunals will have the propriety to interfere in cases involving trade unionism and also in cases where there has been an encroachment of any natural, contractual, statutory or legal rights of the employee."

Viewing the matter of the discharge of Sri K. K. Chatterji in the light of the principles enunciated above it does not appear that this discharge was motivated by any anti-union cause or that it was an encroachment on the rights of the employee or that in the whole, the order of discharge was so grossly unjust that a remedy was called for in the interests of justice between the parties. The employee was found responsible for neglect of duty and thereafter when he was asked to explain, he resorted to a rowdy and insolent behaviour with the Manager of the concern. The Manager terminated the employment of the employee in accordance with the Standing Orders of the Company after due notice. There is nothing to show that the discharge was made with any ulterior motive or that the Company exceeded its rights of exercise of Management functions as employers in effecting this termination of service. It is, therefore, decided that the discharge of Sri K. K. Chatterji was not an instance of unfair labour practice on the part of the Company and it is awarded accordingly.

Issue No. 2.

From what has been decided in the foregoing issue it is clear that Sri K. K. Chatterji is not entitled to reinstatement to his post as claimed by the Union. The Union's claim for reinstatement of Sri Chatterji is, therefore, rejected.

The next point for consideration is whether Sri Chatterji is entitled to any compensation for termination of service. The evidence on record clearly shows that for some reason, may be wrongly, Chatterji thought that he had been abused by the Manager and he raised serious protests over this matter. The Manager denied that he used any abusive language to Chatterji. As has been mentioned above this fact mitigates to a certain extent the severity of the misconduct of the employee. I consider that although the Company was within its rights to terminate the employment of the employee, the latter should be paid some compensation for this termination of service, in view of the circumstances of the case. It appears that Chatterji used to draw a basic salary of Rs. 58 per month and he was in the service of the Company from 1st May 1948 to 2nd January 1950. On a consideration of the facts and circumstances of the case, it is decided that the Company should pay Rs. 125 to Sri K. K. Chatterji by way of compensation for termination of service and it is awarded accordingly. This compensation should be paid by the Company to Sri K. K. Chatterji within three weeks of the date on which this Award comes into operation.

This issue is accordingly answered.

M. C. BANERJI,
Tribunal, Industrial Disputes.

The 31st July 1950.

By order of the Governor,
D. S. P. MUKHERJEE, Jt. Secy.

ORDER.

No. 4601Lab.—19th August 1950.—Whereas under the Government of West Bengal, Labour Department, order No. 4266Lab., dated the 26th November 1948, the industrial dispute between the Britannia Engineering Co., Ltd., Titagarh, 24-Parganas (Head Office: McLeod House, Post Box No. 78, Calcutta), and their workmen represented by the Britannia Engineering Works Mazdoor Union, Titagarh, 24-Parganas, in connection with the question of Puja bonus to the workmen was referred for adjudication to Sri P. R. Mukherjee, District Judge;

And whereas the said Sri P. R. Mukherjee, District Judge, has submitted to the State Government his award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of an industrial dispute between the Britannia Engineering Co., Ltd., Titagarh, 24-Parganas (Head Office: McLeod House, Post Box No. 78, Calcutta), and their workmen represented by the Britannia Engineering Works Mazdoor Union, Titagarh, 24-Parganas.

PRESENT: SRI P. R. MUKHERJEE, *Judge, Industrial Tribunal.*

For the Company: Sri S. C. Sen, Advocate, Sri J. K. Ghose, Pleader.

For the Union: Sri D. L. Sen Gupta, Pleader, Sardar Darsan Singh, President of the Union.

AWARD.

By Government order No. 4266Lab., dated the 26th November 1948, the above dispute was referred to me for adjudication as a Tribunal constituted under sections 7 and 10 of the Industrial Disputes Act.

Reference has been made in connection with the dispute over payment of Puja bonus to the workmen.

The case of the Union is that the Company is an Engineering concern and was a party to the Engineering Industries Tribunal appointed by the Government of West Bengal with Sri S. K. Sen, I.C.S., as Chairman, that the Company is carrying on its business for about 35 years and is a prosperous one and employs about 1,300 workmen.

On the eve of the Puja, the clerks, subordinate staff, Doctor, compounder, office boy, motor drivers, foremen and supervisors of the factory are granted bonus while the monthly paid durwans and the other factory workmen are deprived of the privilege of the same. That the Engineering Tribunal for difficulties arising out of the failure to supply the balance-sheets of the Company left the question of future bonus open for future adjudication. The Union alleges that considering the earning of huge profit of the Company, the workmen who had not been privileged to get the Puja bonus of 1948, should be granted the same. The Company opposed the claim on the ground that the Major Engineering Tribunal had rejected the prayer for bonus for past years as also future bonus and that the said Award is in force up to 31st March 1949. The claim is, therefore, not maintainable under section 15(*4*) and section 19 of the Industrial Disputes Act. It is also urged that the Company never paid bonus to the menial workers of the factory but paid such bonus to the clerical staff only all along.

ISSUES.

(1) Is the Tribunal debarred from adjudicating the dispute in view of the provisions of section 15(*4*) and section 19 of the Industrial Disputes Act?

(2) Are the workmen entitled to the Puja bonus of last year?

Issue No. 1.—Is the Tribunal debarred from adjudicating the dispute in view of the provisions of section 15(4) and section 19 of the Industrial Disputes Act?

It is contended by Mr. Sen on behalf of the Company that inasmuch as the present concern was a party to the Major Engineering Tribunal and inasmuch as the same Tribunal had rejected the claim for bonus both for past and future years, cognisance of the dispute is barred both under section 15(*4*) and under provisions of section 19 of the Industrial Disputes Act. Reading these above two sections of the Industrial Disputes Act, it is clear that during operation of an Award, no further adjudication varying the terms of the Award should be made and as such if really the Major Engineering Tribunal had rejected the claim for such bonus, then certainly this Tribunal has got no jurisdiction to entertain the claim. Now reading the Award of the Major Engineering Tribunal and the relevant portion thereof, it is clear that the Tribunal in its issue No. 18 discussed the question of bonus under 3 heads—

(1) Bonus for past years.

(2) Bonus for future.

(3) Bonus for increased production.

We are concerned with the bonus for last year and there the Tribunal made this pertinent observation "In connection with this question, the rule adopted generally is that where a particular firm has been paying bonus from profits for several years, it should pay bonus for the year last ended provided it earned similar profits in that year..... But we are not in a position to make any Award on bonus on the result of the last financial year, because no Company has placed the balance-sheet of the year ended on 31st March 1948 before us. Accordingly, we shall leave this issue with the recommendation that the Companies which have been paying a bonus in the last few years should pay a bonus for the year just ended, if circumstances are similar, i.e., if they have earned comparable profits." From the above it is clear that the Tribunal was not in a position to make a definite Award for past bonus inasmuch as the balance-sheets of many Companies were not submitted and could not be submitted at the time of the hearing. The Tribunal, however, wanted to maintain *status quo* saying that the existing practice of paying bonus should not be disturbed or, in other words, the privileges which are already enjoyed by workers in a particular Company should not be taken away. Regarding the propriety of bonus to be granted to workers who did not get it or to certain other sections who are deprived of the same, the Tribunal was not in a position to adjudicate for reasons already stated and so clearly the question was left open and was not at all gone into nor decided this way or that.

Mr. Sen put forward a strong plea in support of the Company that when the Tribunal has not specifically granted the claim for past bonus, it must be deemed to have rejected the prayer on the principle of constructive *res judicata*. In my opinion, the portion quoted above clearly shows that there was no adjudication and there was no rejection of the claim even by

implication for the Tribunal did not at all go into the question nor could go into it not because of the initial or inherent weakness of the claim but because there was no material before it sufficient for the purpose of adjudication. It would be twisting the plain meaning of the finding to say that the claim was rejected by implication. I may also say that in the earlier part on the question of bonus, the Tribunal definitely rejected the claim for past years.

The precise interpretation of what had been meant by the Major Engineering Tribunal was a question raised before my learned colleague Mr. P. K. Sarkar who was also a member of the Engineering Tribunal. He had in two able judgments—one in Messrs. Jessop & Co., and the other in Burn & Co.—held that so far as the dispute over the bonus for firms paying bonus is concerned, it was a question left open and not decided adversely against the workers who are deprived of the privileges of the same. I also agree with him in all his findings, and hold that this Tribunal has got jurisdiction to decide the question as it is an existing dispute and the present workers of the Union cannot be prevented from raising that before the Tribunal.

Issue No. 2.—Are the workmen entitled to the Puja bonus of last year?

Once it is decided that it is a new dispute not adjudicated upon by the Major Engineering Tribunal, this Tribunal will now proceed to consider the respective points of merit urged by both. It is admitted that this Company had paid bonus to certain section of workers and excluded certain other categories. It is urged by the Union that this indiscriminate treatment is an unfair labour practice. It is urged on behalf of the Company, however, that the factory workers have got additional advantages to earn overtime allowances which the other section had not got. It is simply to compensate less fortunate class that this system of bonus is restricted to them. In my opinion, the reason is not very convincing for if the factory workers earn excess remuneration, it is not because of the generosity on the part of the Company but because of the excess labour they had put and placed (overtime) their tired shoulders to the wheel of the machine. The Company is also benefited by their extra labour. In my opinion, it is all the more necessary that all these factory workers who play important part in production and consequently materially contribute to the earning of profit of the Company should in justice and fairness be given a fair portion of the bonus.

On considering, therefore, the point on fact and also on law, I make the following

AWARD.

That the Puja bonus of the year 1948 be granted to the monthly paid durwans and factory workers on the same scale as other workers had been paid.

No. 59-ITC(P.N.)/50.—In accordance with the note in column 25 of Appendix 'B' to the Commerce Ministry, Public Notice No. 14-ITC(P.N.)/50, dated the 15th June 1950, against "Fibro tops and staple fibre" falling under serial No. 122 of the Import Trade Control Schedule, applications for licences for these commodities should be submitted to the Deputy Chief Controller of Imports, Bombay, whereas in accordance with corresponding entry in Appendix 'F' to the same Public Notice, no applications will be entertained for staple fibre. The latter entry is an error and has been corrected in the Errata issued under Commerce Ministry, Public Notice No. 14(A)-ITC(P.N.)/50, dated the 15th June 1950.

2. The import of fibro tops and staple fibre is permissible for July-December 1950 and also under the Long Term Licensing Scheme for January-June 1951. It has been decided that these items will be licensed on an *ad hoc* basis from soft currency areas by the Deputy Chief Controller of Imports, Bombay, both to establish importers and actual users. Applications for these articles should therefore, be submitted to the Deputy Chief Controller of Imports, Bombay, in the form and manner prescribed in the Commerce Ministry Public Notice quoted above.

New Delhi, the 21st July 1950.

SUBJECT:—*Clearance of merchandise financed by Exchange Banks in India in the event of licence holders not having honoured the bills drawn under confirmed letters of credit.*

No. 60-ITC(P.N.)/50.—It has been represented by certain Banks' Associations that in the event of a negotiation under a confirmed irrevocable letter of credit being dishonoured by the drawee the bank has to implement its undertaking under the credit to remit the foreign exchange in payment, but in the absence of a valid import licence made out in its own name, it is unable to clear the goods from the Customs.

2. In order to avoid this difficulty it has been decided that all licences will hereafter be issued subject to the following condition which will be endorsed on the licence:—

"It is a condition of this licence that where an irrevocable letter of credit is opened by the holder of the licence to finance the import of any goods covered thereby, then the authorised dealer in foreign exchange through whom the credit is opened shall be deemed to be a joint holder of this licence to the extent of the goods covered by the credit."

3. The effect of this endorsement will be that where letters of credit have been opened against a valid import licence and, on arrival of the goods, the licence holder does not honour the bills drawn against the letter of credit and does not produce the licence for the clearance of the goods, the Bank which has opened the letter of credit will nevertheless be able to clear the goods through the Customs and remit foreign exchange to the foreign suppliers in whose favour the credit was opened, by debit to the licence in question.

4. In this respect the following procedure will be observed with immediate effect:—

(i) The Banks clearing the goods in such cases will provide the Customs with certificates to the effect that the import has been made and that foreign currency has been remitted by the Bank or its agents under the authority of a valid import licence and a confirmed irrevocable letter of credit.

(ii) They will also produce the exchange control copy of the licence, or if this is not available, they will furnish full particulars of the licence and of the licensee.

(iii) At the time of clearance, the value of the goods will be debited to the licensee concerned in the licence Register maintained by the Custom House with an indication that clearance has been effected by the Bank. If and when the Customs copy of the import licence is produced subsequently by the original licensee, the fact that some of the goods falling under the licence have already been cleared will become immediately apparent and the Custom House will then endorse the necessary debit on the licence itself.

(iv) To ensure that the Customs copy of the Import Licence is not utilised at some other port, intimation of such clearances by banks will be sent by the Customs to all other ports giving the balance for which the licence is valid.

SUBJECT:—*Routing of applications for Import licences by Newspaper offices—optional arrangement.*

No. 61-ITC(P.N.)/50.—In order to provide additional facilities in the case of applications for import licences made by Newspaper Offices, it has been agreed that such applications may be submitted through—

The Secretary,

The Indian and Eastern Newspapers Society,

P.O. Box No. 69,

27, Barakhamba Road, New Delhi,

who would sponsor such applications to the office of the Chief Controller of Imports, New Delhi.

2. While the Society has agreed to extend the facility of the above service to Non-Member Offices as well, it should be clearly understood that it is purely optional on the part of both member and non-member offices to avail of this arrangement and that in no circumstances will they be placed at a disadvantage if they do not elect to do so.

3. As already notified in Ministry of Commerce, Public Notice No. 46-ITC(P.N.)/50, dated the 29th June 1950, arrangements have been made for a special Post Box number, to which applications by Newspaper Offices may be directly addressed, as under—

The Chief Controller of Imports

(Newspaper Office Requirements),

Post Box No. 284, New Delhi.

New Delhi, the 24th July 1950.

SUBJECT:—*Import of card clothing and card sundries falling under Serial No. 5(1) of Part III of the I.T.C. Schedule for July-December 1950.*

No. 62-ITC(P.N.)/50.—Attention is invited to the entries on page 56 of the Public Notice No. 14-ITC(P.N.)/50, dated 15th June 1950, concerning the licensing of Card Clothing and Card Sundries falling under Serial No. 5(1)(h) of Part III of the Import Trade Control Schedule.

It has since been decided that licences for the import of Card Clothing and Card Sundries should be granted to established importers, actual users and newcomers from Western Germany, Belgium and Switzerland. Applications which should be made to the Deputy Chief Controller of Imports, Bombay, will be considered on an *ad hoc* basis.

New Delhi, the 25th July 1950.

SUBJECT:—*Issue of import licences for import of maize and barley required for starch factories, breakfast food factories, pearl barley factories and breweries for July-December 1950.*

No. 63-ITC(P.N.)/50.—Since the issue of the Commerce Ministry, Public Notice No. 14-ITC-(P.N.)/50, dated the 15th June 1950, it has been decided to issue import licences for the period July-December 1950 for maize required by starch manufacturers and breakfast food factories and for barley required by pearl barley factories and by breweries. The items concerned fall under Serial No. 32 of Part IV of the Import Trade Control Schedule.

2. Special arrangements are being made for the issue of a licence to the All India Starch Manufacturers' Association, Bombay, for distribution amongst its members. Licences will be issued to Starch Factories which are not members of the Association to the extent of six months' requirements as certified by the D.G.I. & S. All licences granted for maize for starch factories will be valid for imports from the Dollar Area and/or soft currency areas as desired by the applicant.

3. In the case of maize required by breakfast food factories, licences will be granted for the import of six months' requirements as certified by an appropriate officer mentioned in paragraph 41 of the abovementioned Public Notice. The licences will be valid for six months' requirements duly certified in the Dollar Area and/or the soft currency area, as desired by the applicant.

4. In the case of barley required by pearl barley factories and breweries, licences will also be granted for six months' requirements duly certified in the prescribed manner by the D. G. I. & S. The licences will be valid for imports from Australia only.

5. Applications made in accordance with this Public Notice should be made out in the form and manner prescribed for actual users in Public Notice No. 14-ITC(P.N.)/50, dated the 15th June 1950. They should be addressed to the appropriate Import Trade Controller at Calcutta, Bombay or Madras, according as the factory concerned lies in Area A, Area B or Area C mentioned in Appendix 'Q' to Public Notice No. 14-ITC(P.N.)/50, dated the 15th June 1950.

RESOLUTION.

TARIFFS.

New Delhi, the 29th July 1950.

No. 42(1)TB/50.—The Tariff Board, which was asked to enquire into the claim for protection of the fountain pen ink industry in August 1949, has submitted its report.

2. The Board's recommendations are as follows:—

(1) The existing revenue duty of 37½ per cent. *ad valorem* should be converted into a protective duty at the same rate, which should remain in force for a period of three years and "Fountain Pen Ink" should be shown separately in the Indian Customs Tariff under item No. 45.

(2) So long as the policy of licensing imports has to be continued for balance of payment considerations, the desirability of maintaining and expanding the indigenous production of fountain pen ink should be kept in view and the quantum of imports should be regulated accordingly.

(3) Government should extend to the manufacturers all reasonable facilities for the procurement of modern machinery and appliances.

(4) All encouragement should be given to those manufacturers who are in a position to export fountain pen inks to foreign countries.

(5) Government sponsored research institutions should consider the possibility of undertaking researches to improve the quality of the ink manufactured in India.

(6) In order to obtain accurate statistics regarding imports, fountain pen ink should be separately shown in the Seaborne Trade Accounts.

(7) The Central and State Governments should give preference to indigenous fountain pen inks in the purchase of their requirements.

(8) The claim of the fountain pen ink industry for financial assistance should be sympathetically considered by State Governments.

(9) There is considerable scope for rationalising production and the industry and the State Government should co-operate in bringing about the rationalisation of production and marketing.

(10) The task of formulating standard specifications, already taken in hand by the Indian Standards Institution, should be completed at an early date and the manufacturers should conform to such specifications as soon as possible.

(11) The industry should have proper research facilities, better technical supervision and improved equipment.

(12) Should the landed cost of imported fountain pen inks appreciably fall below the present level at any time during the period of protection so as to jeopardise the position of the indigenous industry, the industry may approach the Board for making necessary adjustments in the duty under Section 4(1) of the Indian Tariff Act, 1934.

(13) The question of providing better transport facilities to the industry should be taken up by the All India Ink Manufacturers' Association directly with the Railway Board.

(14) The question of exemption of fountain pen ink from payment of octroi duty should be taken up by the industry direct with the local bodies concerned.

(15) The industry should form an all-India organisation comprising all the Units in the country which should collect statistical data regarding production, imports, etc., and distribute such information to its members.

(16) All units of the industry should produce annual progress reports to the Board by January 31 of each year. Such reports should include statements regarding the supply of raw materials and other factors that may have a bearing on the efficiency of the industry. Reports from the organised units should also contain information regarding the landed costs and selling prices of imported fountain pen ink.

3. Government accept in principle all the recommendations and steps will be taken to implement recommendations (1) to (7) and (10) as far as possible. Recommendations (7) to (9) will be brought to the notice of the State Governments. The attention of the industry is invited to recommendations (10) to (16) which concern them.

ORDER.

Ordered that a copy of this Resolution be communicated to all concerned, and it be published in the *Gazette of India*.

(e) all other words and expressions not defined in these rules shall have the meanings respectively assigned to them in the Act.

3. *Form of appeal.*—Every appeal shall be preferred to the Tribunal in Form A and shall be signed by the appellant.

4. *Presentation.*—(1) A memorandum of appeal to the Tribunal shall be presented by the appellant in person or by an agent, to the Registrar at the principal seat of the Tribunal or to an officer authorised in this behalf by the Registrar, with the approval of the Chairman of the Tribunal, or sent by registered post addressed to the Registrar or such officer.

(2) Every memorandum of appeal shall be presented in triplicate and shall be accompanied by—

(a) two copies (one at least of which shall be certified copy) of the award or decision appealed from, and

(b) a fee of Rs. 25:

Provided that the Tribunal may, at its discretion, accept a memorandum of appeal which is not accompanied by the documents referred to in clause (a).

5. *Date of presentation.*—Where a memorandum of appeal is presented, the Registrar or other authorised officer shall endorse thereon the date of presentation:

Provided that where a memorandum of appeal is sent by registered post, it shall be deemed to have been presented on the day on which it is received in the office of the Registrar or, as the case may be in the office of the authorised officer.

6. *Signature on memorandum of appeal where an appeal is by corporation or firm.*—In the case of an appeal by a corporation, the memorandum of appeal may be signed by the secretary or by any director or other principal officer of the corporation, and in the case of an appeal by a firm, such memorandum of appeal may be signed by any partner of the firm.

7. *Rejection or amendment of memorandum of appeal.*—(1) Where a memorandum of appeal is not drawn up in the manner hereinbefore prescribed, the Tribunal may reject it or return it to the appellant for the purpose of being amended within a time to be fixed by the Tribunal or be amended then and there.

(2) Where the Tribunal rejects any memorandum of appeal, it shall record the reasons for such rejection.

(3) Where a memorandum of appeal is amended, the Tribunal or such officer as it may appoint in this behalf shall sign or initial the amendment.

8. *Date for hearing appeal.*—(1) Where a memorandum of appeal is presented in the proper form, the Tribunal shall fix a date for hearing the appeal.

(2) Notice of the date fixed under sub-rule (1) shall be affixed in the premises where the Tribunal sits and shall be served on the respondent in the manner provided for the service on a defendant of a summons under the Code of Civil Procedure, 1908; and all the provisions applicable to such summonses and to proceedings with reference to the service thereof shall apply to the service of such notice.

9. *Procedure on hearing.*—(1) On the date fixed or any other date to which the hearing may be adjourned, the appellant shall be heard in support of the appeal.

(2) The Tribunal shall then if it does not dismiss the appeal at once, hear the respondent against the appeal, and in such a case the appellant shall be entitled to reply.

10. *Dismissal of appeal for appellant's default.*—(1) Where on the date fixed or any other date to which the hearing may be adjourned the appellant does not appear when the appeal is called on for hearing, the Tribunal may make an order that the appeal be dismissed.

(2) Where the appellant appears and the respondent does not appear, the appeal shall be heard *ex parte*.

11. *Power to adjourn hearing and direct persons appearing interested to be made respondents.*—(1) Where it appears to the Tribunal at the hearing that any person who was a party to the proceedings relating to the award or decision appealed from but who has not been made a party to the appeal is interested in the result of the appeal, the Tribunal may adjourn the hearing to a future date to be fixed by the Tribunal and direct that such person be made a respondent.

12. *Order in appeal.*—The Tribunal, after hearing the parties and referring to any part of the proceedings, shall pronounce judgment either at once or on some future date of which notice shall be given to the parties.

13. *Language.*—The language of the Tribunal shall be English.

NOTIFICATION.

Calcutta, the 14th August 1950.

No. 18-T.B.—It is hereby notified for general information that text-books in Hindi written in accordance with the syllabuses of studies reproduced below, for Bengali and other non-Hindi speaking students, will be received by the Secretary, West Bengal Text-Book Committee (Writers' Buildings, Block No. 1, Second Floor), Calcutta, on or before 28th October 1950.

Class V.

1. *Hindi Primer.*—An illustrated Primer of about 64 pages including 16 pages of simple poetry.

2. *Writing.*—A copy book to be used as Model slip size.

The details regarding the procedure of submission of the books mentioned above are given below:—

(1) Each book will be submitted in six copies*, with an application in the following form:—

(*i*) Name of the book.

(*ii*) Class for which it is intended.

(*iii*) Name and address of the author.

(*iv*) Name and address of the publisher.

(*v*) Name and address of the press where printed.

(*vi*) If the book was previously submitted for consideration.

*Four of these copies should contain no names of authors or publishers on the cover, inner title page, in the preface or elsewhere. The identity of the author or publisher should in no way be revealed in these copies.

(2) Two declarations as shown below should be forwarded to the Secretary, West Bengal Text-Book Committee, for record along with the submission of each book:—

(*i*) I (We) declare that I (we) am (are) the author(s) of the book entitled.....

and published by.....

Dated.....

.....

Signature of author(s).

(*ii*) I (We) declare that no copyright material has been used in the book entitled...../ necessary permission has been obtained for the copyright material that has been used in the book entitled.....

Dated.....

.....

Signature of author(s) or publisher(s).

(*iii*) In the case of an author or publisher who is a Government servant the number and the date of the order in which he/she has been permitted to write or publish the book should invariably be quoted in the application form.

(3) A sum of Rs. 15 should be paid as fees for each book mentioned above. A chalan showing payment into a Government Treasury in West Bengal of the sum should accompany the application submitting each book to the Committee. No book will be considered unless it is accompanied by a treasury chalan. Fees once deposited will not be refunded.

(4) It is desirable that the title of a book submitted to the Committee for consideration should be printed at the top of each leaf of the book.

(5) Books submitted to the Secretary should always be in print.

(6) No name except that of author and publisher should be allowed on the cover or title page (*i.e.*, no name of editor, reviser or writer of foreword or preface should be allowed).

(7) Authors of text-books are requested to confine themselves to line drawings in preference to half-tone blocks and to make the illustrations more appropriate to facts to be illustrated.

(8) Paper should be unglazed, hard pressed, opaque and white or cream coloured.

(9) Ink should be good black, evenly distributed and of one colour.

(10) Type should be broad without excessive contrast of thick and thin. "Condensed" type should not be used.

(11) The office of the Secretary, West Bengal Text-Book Committee, does not hold itself responsible for answering letters regarding books under consideration of the Committee. Names of books approved will be duly notified.

P. ROY,
Director of Public Instruction, West Bengal.

Hindi Syllabuses for Bengali students for Secondary Schools in West Bengal.

Class V.

Speech-Training and Reading.—Training in the sounds of spoken Hindi; pronunciation of easy words; spelling of easy words—to be taught with the help of the black-board and orally.

Writing.—Copy books are to be used. The black-board should be freely used—the words written on the black-board being from the Primer.

Primer.—A simple illustrated Primer of about 64 pages should be introduced from the beginning—the type being bold, distinct and most in vogue. The lesson should be of graduated difficulty and generally about every-day life of the child and his environment. Suitable poems, easy and rhythmic, should be included, and pupils should recite and learn a certain number of poems by heart. The poems should not exceed one-fourth of the text. The Primer should be illustrated to help in the better understanding of the text. The meanings of difficult words and phrases may be appended to each lesson.

Easy conversation about description of pictures in the Primer as well as other suitable pictures and familiar objects. Dictation of words and sentences previously learnt in the Primer should be introduced freely. Oral drill with action both for individual pupils and groups should form part of the training. Pupils also should participate in giving orders, asking questions, etc.

CORPORATION OF CALCUTTA

NOTICE

Calcutta, the 10th August 1950.

It is hereby notified for general information, in compliance with the provisions of section 481 of the Calcutta Municipal Act, 1923, that the Corporation of Calcutta propose to make the by-laws noted below framed under section 478 (*17*) and (*18*) of the Calcutta Municipal Act, 1923.

Any one wishing to inspect the proposed by-laws may do so, free of charge, during office hours, on any working day at the office of the Keeper of Records, Central Municipal Office, where a printed copy of the proposed by-laws will be kept for a month from the date of publication hereof. Copies of the draft amendment may also be purchased from the Keeper of Records, Central Municipal Office, at 2 annnas per copy.

Draft bye-laws under section 478(17) and (18) of the Calcutta Municipal Act, 1923.

1. No person shall without or otherwise than in conformity with the terms of a license granted by the Corporation in this behalf place, put up or fix or cause or permit to be placed, put up or fixed any sign or signboard, projecting in, on, over or across a public street or place, any drain or aqueduct in a public street or any land vested in the Corporation.

2. No sign or signboard shall be placed, put up, fixed or hung or caused or permitted to be placed, put up, fixed or hung—

(*i*) so as to protect in, over or across a public street which is not above 20 feet wide or which has no footpath or drain or aqueduct under the projection, provided that signs and signboards against the face of a building in a position inclined to the face may be allowed if they do not project more than 6 inches into the street and are at least 8 feet above the street level, or

(*ii*) on, to or against a projecting or supported verandah over a public street so as to project in, over, or across such street beyond the footpath appertaining thereto:—

Provided that the Corporation may for special reasons to be recorded in writing relax the provisions of this by-laws in a particular case.

3. (*a*) No sign or signboard over any public street or place or land vested in the Corporation shall be placed, put up or fixed at a height less than and to an extent greater than that specified in the table below:—

Over a public street.

Width of the street.	Length of projection on the street from the edge of the street.	Height of the lowest part of the projection from the street level or above the ground level as the case may be.
Exceeding 20 feet but not exceeding 40 feet.	Not exceeding one foot	10 feet.
	Exceeding one foot but not to exceed two feet.	12 feet.
Exceeding 40 feet ..	Not exceeding one foot ..	10 feet.
	Exceeding one foot but not to exceed three feet.	12 feet.

On or over a public place or Land belonging to the Corporation.

Extent of projection from the edge of the land or place.	Height above ground level.
Not exceeding 2 feet	12 feet.
Exceeding 2 feet but not to exceed three feet ..	15 feet.

(*b*) No sign, or signboard shall be more than 1½ feet in thickness at right angles to its surface;

(*c*) No sign or signboard projecting over a public street at an angle to the street shall extend more than three feet measured from the building line along the street alignment;

(*d*) No single surface area of a sign or signboard shall exceed 50 square feet:

Provided that the Corporation may for special reasons to be recorded in writing relax the above limits in a particular case.

4. No person shall without or otherwise than in conformity with the terms of a license granted by the Corporation in this behalf display, post or paint or permit or cause to be displayed, posted or painted, any advertisement in or adjacent to or visible from a public street or other public place.

5. A license under these rules shall not be granted unless the sign or signboard is so constructed and maintained as not to be dangerous in any way to the public or likely to fall into any street or public place, or land belonging to the Corporation.

(*i*) A sign means any word, letter, picture, model, sign, device or other representation in the nature of an advertisement, information, announcement or direction written, printed, inscribed, embossed or painted.

(*ii*) A board includes a case, frame or surface of any material whatever.

7. For every license granted under the by-laws 1, 2 and 4 a fee shall be charged at the rates specified in the Schedule annexed or at such other rates as may from time to time be prescribed by the Corporation in lieu thereof and such fee shall be paid in advance by the person liable to take out the license.

8. Every license granted under these by-laws shall be for a period not exceeding one year and shall be renewable for periods not exceeding one year on payment in advance of the requisite fees.

9. (*1*) Every license granted under these by-laws shall continue in force not more than one year from the date on which it was granted and may be revoked at any time by the Corporation for breach of its conditions or if they consider that the sign, or signboard for which it was granted has become dangerous in any way to the public or is likely to fall into a street or public place, or land belonging to the Corporation.

(*2*) The Corporation shall refuse license to put up a sign, signboard or advertisement which is or is deemed to be obscene, or immoral or is deemed to tend to immorality or to be against public policy or interest.

10. Any person who commits a breach of any of the foregoing by-laws shall be liable to a fine which may extend to Rs. 50 and in the case of a continuing breach to a fine which may extend to Rs. 10 for every day during which the breach continues after conviction for the first breach.

11. In the event of a breach of any of the foregoing by-laws the Executive Officer may dismantle, pull down and remove the sign, or signboard, or spoil, deface or screen the advertisement, whether or not the person who has committed the breach is liable to punishment or has been prosecuted or sentenced to any punishment under these by-laws for such breach and the Corporation shall not be liable to any compensation to anyone for such act.

12. These by-laws shall not apply to any signs which are regulated by rule 3 of Schedule XVI of the Calcutta Municipal Act, 1923, or to displays regulated by a special license from the Corporation.

SCHEDULE OF FEES.

I. (*a*)	Sign or signboard over or across a public street or place or land belonging to the Corporation.	Rupees two per square foot of the displaying surface within its perimeter.
(*b*)	If the sign or signboard exceeds six inches in thickness.	Rupees two per foot of the thickness in addition to the fee prescribed in I(*a*) above.
(*c*)	If the sign or signboard projects more than two feet over or across a public street or place or land belonging to the Corporation.	Rupees five per every additional foot in addition to the fees prescribed in I(*a*) and I(*b*) above.
II.	Signs, etc., fixed to or against the wall or outer face of a private building or any other private structure—	
(*a*)	Which is flush against such wall or outer face and any part of of which projects on or over a public street or place or land belonging to the Corporation.	Twelve annas per square foot of the area as above.
(*b*)	Which is placed in a position inclined to the vertical.	Rupee one per square foot of the area as above.
III.	Advertisement placed or put up wholly within private property and visible from a public street or other public place.	Eight annas per square foot of the area as above provided that if it does not exceed two square feet, no fee shall be charged.
IV.	Illuminated sign, signboard, or advertisement of any of the aforesaid classes.	Double the rate prescribed for the class to which it belongs per square foot of the area as above.

Note.—In calculating the area referred to above all the faces thereof utilised for purpose of display shall be taken into account.

In cases not covered by the above table, the Corporation may fix special fees in each particular case.

Any person having any objection to the proposed by-laws should send the same to the Secretary, Corporation of Calcutta, within one month of the date of publication hereof; after which the proposed by-laws will be proceeded with further.

R. S. TRIVEDI,
Chief Executive Officer.

PART I—Orders and Notifications by the Governor of West Bengal, the High Court, Government Treasury, etc.

GOVERNMENT OF WEST BENGAL

DEPARTMENT OF FOOD.

ORDER.

No. 9058F.D.—25th August 1950.—In exercise of the power conferred by sub-section (*1*) of section 3 of the Essential Supplies (Temporary Powers) Act, 1946 (XXIV of 1946), read with clause (*c*) of sub-section (*2*) of that section and with the notification of the Government of India in the Department of Food No. PY 603(2)1, dated the 21st October 1946, published in the *Gazette of India Extraordinary* of the 21st October 1946, as subsequently amended, the Governor, with the concurrence of the Central Government is pleased to direct that the retail price at which sugar-candy other than palm sugar-candy may be sold with effect from the 28th August 1950, in the Calcutta Industrial Area shall not exceed Rs. 1-4 for Dana variety and Rs. 1-1 for Kunda variety per seer.

Explanation.—In this Order "the Calcutta Industrial Area" has the same meaning as in the Calcutta Industrial Area Rationing Regulations, 1943.

II. This notification shall take effect on and from the 28th August 1950.

By order of the Governor,
K. C. BASAK,
Secy. to the Govt. of West Bengal.

NOTIFICATION.

No. 9057F.D.—25th August 1950.—In exercise of the powers conferred by paragraph 16 of the Bengal Rationing Order, 1943, the Governor is pleased to make the following amendments in the Calcutta Industrial Area Rationing Regulations, 1943, as subsequently amended, namely:—

Amendments.

(*1*) *After* sub-clause (*2*) of clause 2 of the said Regulations, *insert* the following sub-clause, namely:—

"(*2a*) 'Sugar' means—

(*i*) any form of sugar containing more than 90 per cent. of sucrose;

(*ii*) any sugar of crystalline structure;

and includes sugar-candy but does not include palm sugar-candy."

(*2*) *After* "Chapter VIII—Kerosene" of the said Regulations, *insert* the following Chapter, namely:—

"Chapter IX—Sugar-candy.

107. For the purpose of obtaining sugar-candy in connection with the household or establishment consumption, candy tickets issued under this Chapter shall be the ration documents.

108. The candy ticket shall be valid for one week from the date of issue, and the date and week of issue shall be entered on the ticket by the issuing appointed retailer or the Joint Controller of Rationing (Establishments) or the Rationing Officer, as the case may be.

109. The quantity represented by each unit on a candy ticket shall be one chatak of sugar-candy. Candy tickets shall be issued only for whole number of units.

110. (*1*) Any holder of a Ration Card or Ration Permit may demand in exchange for any quantity of sugar admissible to him in respect of the number of units for which his Ration Card or Permit is valid, a candy ticket or tickets and on such demand he shall receive as many units of candy ticket or tickets as may be admissible against his quota of sugar ration as represented by his Ration Card or Permit.

(*2*) A holder of a Ration Card or Ration Permit shall be entitled to receive one unit of candy ticket in lieu of and on surrender of one chatak of sugar:

Provided that the Director or the Controller may, by general or special order, vary from time to time, the number of unit or units of candy tickets which may be so received in lieu of one chatak of sugar or in exchange of the quantity of sugar sanctioned in a Ration Card or Permit.

(*3*) The appointed retailer with whom the holder of a Ration Card or Ration Permit is registered shall, on such demand being made, cancel the appropriate coupon of the Ration Card or Permit and issue a candy ticket or tickets subject to the maximum specified in sub-clause (*1*) together with the rationed articles for which the Ration Card or Permit is valid.

(*4*) The appointed retailer shall, in respect of his shop, maintain regular, accurate and daily accounts of all candy tickets obtained and issued by

him and shall obey all general or special directions given in writing from time to time by the Director or the Controller concerning the manner in which and the conditions subject to which candy tickets may be obtained or kept for the purpose of obtaining sugar-candy for household consumption or for establishment consumption or in connection therewith.

111. Any holder of a Ration Permit which is registered with the Joint Controller of Rationing (Establishments) or with the Rationing Officer, may in the manner specified in clause 35, demand a candy ticket or tickets of such number of units as does not exceed the quantity represented by the number of units of sugar specified in the Ration Permit and on such demand the Joint Controller of Rationing (Establishments) or the Rationing Officer, as the case may be, shall issue a candy ticket or tickets as provided in that clause.

112. The appointed retailer or the Joint Controller of Rationing (Establishments) or the Rationing Officer, as the case may be, shall enter in ink on the candy ticket or tickets the cash memo, number and folio, serial number of the Ration Card or the Ration Permit against which it is issued and stamp the ticket with his seal. No candy ticket shall be valid unless the requirements of this clause and clause 108 have been complied with.

113. On demand and offer of price by or on behalf of the holder of a candy ticket or tickets, every appointed retailer, appointed wholesaler, and any other establishment proprietor appointed in this behalf, may supply sugar-candy to him against the surrender of such ticket or tickets during the period for which such ticket or tickets is or are valid and such sugar-candy shall be supplied at a time and in one instalment up to the quantity represented by the unit or units specified in the candy ticket or tickets.

114. A manufacturer of sugar-candy shall maintain a register in forms prescribed in connection with candy tickets surrendered to and received by him. He shall submit the register each week to the Joint Controller of Rationing (Establishments) or the Rationing Officer, as the case may be, together with the candy tickets received and shall furnish such other information as may be required from time to time. The Joint Controller of Rationing (Establishments) or the Rationing Officer, as the case may be, shall verify the register and return the same. He shall then issue to the said manufacturer a Ration Authority specifying therein the quantity of sugar which shall bear such proportion to the collected valid candy units as may be fixed by the Director or the Controller from time to time and the period for which such authority shall remain valid:

Provided that in specifying the number of maunds and seers, the Joint Controller of Rationing (Establishments) or the Rationing Officer, as the case may be, if he thinks it expedient, round off the number to the nearest whole bag subject to subsequent adjustments.

115. (*1*) The holder of the Ration Authority shall submit it to the Permit Officer, who shall on demand and offer of price by or on behalf of the holder of the Ration Authority and against cancellation of such authority issue a delivery permit for the quantity of sugar specified on the authority and address the same to the Officer-in-charge of the Government godown.

(*2*) On receipt of the delivery permit, the Officer-in-charge of the Government godown shall supply to the holder the quantity of sugar specified on the permit."

By order of the Governor,
K. C. BASAK,
Secy. to the Govt. of West Bengal.

Subject:—Remittance of cess collected for other districts.

No. TM(TF)/182.—21st August 1950.—It has come to the notice of this office that cess collected for other districts is not being regularly remitted by the receiving Collectors to the Collectors of the districts to which the cess properly belongs. The attention of all Collectors and Treasury

Officers in West Bengal is hereby drawn to paragraphs 800 and 801 of the Bengal Audit Manual (2nd Edition) which lay down—

(1) that the cess collected for other districts should be entered in a separate register with a separate column for each district and should on the last day of the month be drawn and remitted on the same day to the Collector of the district to which the cess properly belongs, and

(2) that with a view of avoiding any considerable outstandings at the end of March, a remittance may be made on the 23rd of March of the amount collected up to that date, so that it may come into the March accounts of the district to which it belongs.

2. The procedure stated above should be strictly followed in future. As regards the past transactions the position should be reviewed by the Collector and steps taken to ensure that cess collected for other districts in West Bengal, but not remitted so far, is remitted without any further delay.

Subject:—Secretary of State's Services (Medical Attendance) Rules, 1938, and the Central Services (Medical Attendance) Rules, 1944.

No. TM/183.—21st August 1950.—It is notified for the information of all concerned that the Government of India have decided that expenditure incurred by a Government servant or a member of his family on treatment for diseases which could be attributed to intemperate habits or conduct of the patient will not be reimbursed by Government. It is, therefore, essential that, in future, claims for reimbursement of medical expenses should be supported by a certificate from the medical officer treating the patient that the disease of the patient was not one which could be attributed to intemperate habits or conduct of the patient.

COMMERCE AND INDUSTRIES DEPARTMENT

Commerce

NOTIFICATION.

No. 5197Com.—18th August 1950.—In exercise of the power conferred by section 29 of the Indian Boilers Act, 1923 (V of 1923), and in supersession of the rules issued under notification No. 2827Com., dated the 7th July 1928, as subsequently amended, the Governor is pleased to make the following rules, the same having been previously published as required by section 31 of the said Act, namely:—

RULES UNDER SECTION 29 OF THE INDIAN BOILERS ACT, 1923 (V OF 1923).

I.—Preliminary.

Definitions.

1. (*1*) These rules may be called the West Bengal Boilers Rules, 1950.

(*2*) In these rules, unless there is anything repugnant in the subject or context,—

(*a*) "the Act" means the Indian Boilers Act, 1923 (V of 1923);

(*b*) "section" means a section of the said Act;

(*c*) "regulation" means a regulation of the Indian Boiler Regulations, 1924, framed by the Government of India under section 28 of the said Act.

II.—General.

Payment of fees, etc.

2. All fees, costs and penalties payable under the Act or any regulation or rule framed thereunder, shall be deposited in a Government treasury under the head "XXXVI—Miscellaneous Departments—Fees for the Inspection of Steam Boilers", by chalan in duplicate, the original copy being forwarded to the Chief Inspector of Boilers, West Bengal, Calcutta, together with the application for inspection. An application under section 7 or section 8, to which the treasury receipt obtained on payment of the prescribed fee is attached, shall be deemed to be accompanied by the prescribed fee.

In the case of fees payable by Government Departments the payment shall be made by book transfer.

Appointment of Inspectors.

3. The appointment of the Chief Inspector and Inspectors of Boilers shall be regulated by the rules framed by the State Government for the recruitment of officers in the West Bengal Boilers Service.

III.—Fees.

Calculation of fees for registration of boilers.

4. (*1*) Fees required to accompany applications under sub-section (*1*) of section 7 and sub-section (*4*) of section 8 of the Act shall be calculated on the basis of boiler rating as prescribed in regulation 158.

(*2*) The formula for calculating boiler rating shall be as prescribed in regulation 157.

5. The following fees are prescribed, namely:—

(*1*) *Registration fees.*—Fees for registration and first inspection of boilers shall be as prescribed in regulation 159.

(*2*) *Fees for renewal of Certificates.*—Fees required to accompany applications for the issue of renewed certificates under sub-section (*4*) of section 8 of the Act shall be on the following scale:—

	Rs.
For boiler rating not exceeding 100 square feet	25
For boiler rating exceeding 100 square feet but not exceeding 300 square feet	30
For boiler rating exceeding 300 square feet but not exceeding 500 square feet	40
For boiler rating exceeding 500 square feet but not exceeding 700 square feet	50
For boiler rating exceeding 700 square feet but not exceeding 900 square feet	60
For boiler rating exceeding 900 square feet but not exceeding 1,100 square feet	70
For boiler rating exceeding 1,100 square feet but not exceeding 2,000 square feet	90
For boiler rating exceeding 2,000 square feet but not exceeding 4,000 square feet	100
For boiler rating exceeding 4,000 square feet but not exceeding 6,000 square feet	110
For boiler rating exceeding 6,000 square feet but not exceeding 8,000 square feet	120
For boiler rating exceeding 8,000 square feet but not exceeding 9,000 square feet	130
For boiler rating exceeding 9,000 square feet but not exceeding 10,000 square feet	140
For boiler rating above 10,000 square feet	150

Provided that when any owner is willing to accept a renewed certificate for less than twelve months in order to approximate the date of annual inspection to the date on which other boilers in the locality are inspected, a certificate for such period, less than twelve months as may be necessary for such approximation of dates, may be granted at a reduced fee to be calculated at one-twelfth of the ordinary fee for each full month, a portion of a month not being reckoned.

(*3*) *Application of the above fees.*—The fees mentioned in clauses (*1*) and (*2*) shall cover thorough inspection, hydraulic test and steam test where such are necessary, subject to the provisions of section 14 (*2*).

(4) *Second fees for re-inspection of defective boilers and inspections in default.*—A second fee shall be leviable for the re-inspection of a defective boiler and also in any case where the inspection of a boiler is begun, but owing to the fault or neglect of the owner or person in charge, is not completed within a period of six months from the date of commencement of inspection.

(5) *Fees for duplicate certificates.*—Duplicate certificates for *bona fide* purposes may be issued to boiler owners under the orders of the Chief Inspector on receipt of a fee of Rs. 3 per copy.

(6) *Fee for copy of Registration Book.*—For each copy, Rs. 5.

(7) *Additional fee for inspection on Sundays and certain holidays.*—(*a*) Notwithstanding the provisions of clause (3), an additional fee of Rs 50 shall be charged for the inspection of a boiler on a Sunday, Christmas Day, Bengali New Year's Day, Kali Puja Day and Independence Day, provided that such inspection is made at the request of the owner of the boiler.

(*b*) The additional fee charged under sub-clause (*a*) shall be paid in the manner prescribed in rule 2.

[*Note.*—The Inspector who makes the inspection shall be entitled to an allowance equal to half the additional fee so charged.]

(8) *Payment of Inspector's travelling expenses in certain cases.*—(*a*) In addition to the above fees, an Inspector's travelling expenses shall be realized from owners, whose boilers are not ready for inspection on the first visit made on their application, for every additional visit paid by the Inspector for the completion of the inspection.

(*b*) If the owner of a boiler requires an inspection at a time which would necessitate a special journey by an Inspector, an additional fee equal to the travelling allowance of the Inspector and his attendant staff, if any, as determined by the Bengal Service Rules, shall be paid by the owner of the boiler in addition to the fees prescribed in this rule:

Provided that if two or more owners apply for inspections which are made in the course of a single such journey, the additional fee prescribed in this clause shall be recovered from such owners in such proportion as the Chief Inspector may determine.

Refund of fees.

6. Fees paid in excess and fees paid for inspections which, for any reason not due to any fault or omission of the owners or persons in charge of boilers, have not been made, shall be refunded by the Chief Inspector if the refunds are applied for within one year from the date of payment: or may be set off by the Chief Inspector against the fees for the inspections of any other boilers of the same owners.

IV.—Duties of the Chief Inspector.

General control.

7. The Chief Inspector shall be vested with all the powers of an Inspector under the Act, but his main duty shall be the supervision and control of the work of the Inspectors. He shall normally inspect or examine boilers only in exceptional cases, or in such cases as he considers that the work of an Inspector requires a personal check.

Specific duties.

8. The Chief Inspector shall—

(*a*) personally check the registration and measurements of all newly registered boilers, for the initial working pressure and enter under his own signature all orders required by section 7;

(*b*) enter under his own signature any subsequent entries required in the registration book;

(*c*) obtain the memorandum of inspection and registration books of a boiler which has been registered in another State and the subsequent transfer of which to this State is reported under clause (*b*) of section 6 of the Act [*see* regulation 161 (*a*)];

(*d*) approve the programme of inspections of all Inspectors subordinate to him with due regard to the convenience of owners generally;

(*e*) examine and countersign the Inspectors' memorandum of inspection book of each boiler after each inspection;

(*f*) examine and pass orders on the diaries and returns of Inspectors;

(*g*) pass orders in all cases in which an Inspector proposes to increase or reduce the pressure allowed for any boiler under proviso (*a*) (*ii*) of section 8 (*5*) or to revoke, cancel or refuse to renew the certificate of a boiler under section 11, or to order important repairs, structural alterations, or renewals in a boiler under section 8;

(*h*) pass orders in all cases in which it is reported that after due notice the boiler has not been properly prepared for inspection;

(*i*) decide all appeals against the order of Inspector under section 19;

(*j*) sanction prosecutions under the Act;

(*k*) enquire into serious accidents to boilers;

(*l*) prepare the Annual Report on the working of the Indian Boilers Act, 1923; and

(*m*) prepare the budget estimates for carrying out the purposes of the Act.

Advice to owners.

9. The Chief Inspector may advise owners regarding the maintenance, working and cleaning of boilers. Such instructions as he may issue for this purpose shall be hung up in each boiler house.

10. The Chief Inspector shall keep in his office— Registers to be kept.

(*a*) a register in Form A attached to these rules of all boilers registered in the State, or the registry of which has been transferred from another province;

(*b*) the registration book and memorandum of inspection book of all boilers borne on his register;

(*c*) a register of appeals;

(*d*) a register of accidents; and

(*e*) a register of registration and inspection-fees received.

11. The Chief Inspector shall be the controlling or countersigning authority in respect of all contingent bills and of travelling allowance bills of officers subordinate to him. Control of bills.

12. When a certificate is required for a boiler, application shall be made by the owner to the Inspector through the Chief Inspector of Boilers at the Head Office, Calcutta, in Form B, No. 1, appended to these rules, stating the date on which the boiler will be ready for inspection. Such application shall be accompanied by the treasury receipt in original obtained on payment of the prescribed fee. In the case of boilers belonging to Government Departments the application shall be accompanied by the accepted book debit voucher for payment of the prescribed fee. On receipt of the application at the head office it shall be sent to the Inspector concerned with the necessary endorsement thereon by the Cashier, showing that the fee and the extra fee, if any, chargeable for inspection on a Sunday or other holiday as laid down in clause (7) of rule 5 together with the Inspector's travelling expenses, if any, chargeable under sub-clause (*a*) or sub-clause (*b*), of clause (8) of rule 5 have been paid. If the date on which the boiler will be ready for inspection as stated in the application by the owner is unsuitable for inspection of the boiler, the Inspector shall fix a date within thirty days from the date of the receipt of the application for such inspection and will give the owner not less than ten days' notice of the date so fixed. Application for inspection and certificate.

13. The Chief Inspector shall from time to time prepare and submit for the sanction of the State Government a schedule of the establishment and salaries which he considers necessary for carrying out the purposes of the Act. Establishment under the Chief Inspector.

[For other duties of the Chief Inspector, Vide *rules 19, 21, 22, 26, 27, 28, 36, 38, 39, 40, 46, 47, 48, 49 and 53.]*

V.—Duties of Inspectors.

14. Inspectors shall be directly subordinate to and under the control of the Chief Inspector; they shall ordinarily be appointed to take charge of specific areas. Subordinate to Chief Inspector.

15. The main duties of Inspectors as laid down in the Act shall be the inspection and examination of boilers and steam pipes. Inspections shall be carried out in strict accordance with Part II of the Regulations and Chapters VIII and IX of these rules. General duties of Inspectors.

Kinds of inspection.

16. There shall be two kinds of inspection of boilers—

(*a*) When the certificate granted under this Act is about to expire or when it has been revoked or suspended under section 11 and the owner desires that it shall be renewed, a thorough examination, inside and outside, shall be made by one of the Inspectors in person, for which purpose the boilers must be prepared as required by regulation 150.

(*b*) An ordinary inspection may be made by an Inspector at any time for the purpose of ascertaining whether a certificate should be revoked or suspended under section 11 of the Act.

Search for unregistered boilers.

17. In addition to the inspection and examination of boilers, it shall be the duty of Inspectors to search for unregistered or uncertificated boilers within their areas, and to see that certificated boilers are worked in accordance with the terms of their certificates, and with any regulation or rule under the Act for safe working.

Inspectors to advise owners.

18. At the time of inspection, Inspectors may advise the owner and the person in charge of the boiler on the management and upkeep of the boiler with special reference to the amount of cleaning required in view of the quality of water used.

Specific duties.

19. Inspectors shall—

(*a*) prepare a programme of inspections with regard to the convenience of owners generally and submit it to the Chief Inspector for approval at such periods as he may fix, at least fourteen days before the first date fixed in the programme;

(*b*) maintain a memorandum of inspection book for each boiler under their charge and submit it to the Chief Inspector for examination and countersignature after each inspection;

(*c*) keep a diary for monthly submission to the Chief Inspector, showing places visited, boilers registered or inspected, variations from the programme, and any other important particulars;

(*d*) receive applications for registration or inspection under section 7 or 8, proposals for repairs, alterations or renewals under sections 12 and 13, reports of accidents under section 18;

(*e*) enquire into accidents to boilers or steampipes and report to the Chief Inspector;

(*f*) report to the Chief Inspector cases of unreported accidents discovered at the time of inspection; and

(*g*) submit for the orders of the Chief Inspector—

(*i*) the memorandum of inspection books of all boilers proposed for registration under section 7;

(*ii*) proposals for increasing or decreasing the pressure of a boiler after inspection under sub-clause (*ii*) of clause (*a*) of the proviso to sub-section (*5*) of section 8;

(*iii*) proposals for necessary repairs, structural alterations or renewals to a boiler after inspection under section 8 or 12;

(*iv*) proposals for revoking, cancelling or refusing to renew certificate under section 8 or 11;

(*v*) report when boilers have not been properly prepared for inspection under section 14;

(*vi*) proposals for prosecutions under the Act.

Inspector's declaration.

20. When an inspection under the Act is completed, the Inspector making it shall prepare a declaration in Form No. B 2 appended to these rules in column 8 of which the limit of the working pressure, in pounds per square inch, shall be clearly noted.

Grant of certificate for the use of boiler.

21. Upon receipt of the declaration in the office, a certificate authorising the use of the boiler shall be prepared in the Form VI prescribed by regulations. Such certificate shall be signed by the Inspector and the Chief Inspector and shall be delivered to the owner, manager or agent of the steam boiler inspected.

The time for the inspection of boiler shall be between sunrise and sunset.

[For other duties of Inspectors, Vide *rules 22, 23, 24, 25, 26, 28, 45, 51, 52 and 53.]*

VI.—Accidents.

Investigation of accidents.

22. On receipt of a report of an accident to a boiler or steam-pipe under section 18, the Inspector shall, with the least possible delay, proceed to the place to investigate the accident. If the report is received by the Chief Inspector, he shall forward it at once to the Inspector, within whose jurisdiction the accident has occurred, for necessary action.

Procedure during enquiry.

23. The Inspector at his enquiry shall make a careful examination of the damaged parts, and shall take such measurements and make such sketches for the purpose of his report, as he may deem necessary. He shall enquire into the circumstances attending the accident and note the time of its occurrence, its nature and extent, the injury caused to persons and the damage done to property. The report should be in the style of the Reports of Preliminary Enquiries under the British Boiler Explosion Acts, 1882 and 1890.

Power to hold enquiry in writing.

24. Inspectors shall take the written statements of witnesses and all persons immediately concerned with the accident. In order to comply with the provisions of section 18(*2*) the Inspector shall present to the owner or person in charge of the boiler a series of written questions on all points that are material to the inquiry.

Use of boiler after accident.

25. The Inspector shall decide whether the use of the boiler can be permitted at the same or at a lower pressure without repairs or pending the completion of any repairs or alterations that he may order. In no case shall he issue a provisional order or renewal certificate, until his orders have been carried out.

Procedure in case of serious accidents.

26. The report shall be sent without delay to the Chief Inspector who, if he considers that the investigation has been sufficient, shall record the facts in his register of accidents and shall enter a brief account of the accident in the registration and memorandum of inspection books. If, however, the accident is of a serious nature and in all cases in which an explosion has occurred, the Chief Inspector, on receipt of the report of the Inspector, shall proceed to investigate the accident personally.

Reference in annual report.

27. A brief account of all accidents, and their causes shall be included in the annual report on the working of the Act.

Unreported accidents.

28. If in the course of an inspection or at any other time, the Inspector discovers damage which comes within the definition of an accident, but which has not been reported, he shall report the facts at once to the Chief Inspector for action under section 24(*d*).

VII.—Appeals.

Definition of appellate authority.

29. In this part "appellate authority" means the appellate authority as constituted under section 20 of the Act.

President of appellate authority.

30. The State Government shall appoint an officer to be the President of the appellate authority for such period as it may deem fit. The President shall be an officer who has exercised or is exercising the powers of a District Judge or District Magistrate.

Panel of Assessors.

31. The State Government shall constitute a panel of assessors for the purpose of assisting in the hearing of appeals. Assessors shall be competent persons with necessary practical knowledge and experience and must be fully qualified Mechanical Engineers.

Constitution of appellate authority.

32. Whenever the date for the hearing of an appeal before the appellate authority has been fixed, the Chief Inspector shall, under the orders of the President of the appellate authority, arrange for the attendance of at least three members of the panel constituted under rule 31 to act as assessors.

Remuneration of Assessors.

33. An assessor shall receive such remuneration and travelling expenses incurred for any day on which he attends the appellate authority as the State Government may by order direct.

Quorum of appellate authority.

34. The President and three members shall constitute the quorum of the appellate authority.

Filing of appeal.

35. Every petition of appeal shall be made in writing either in English or in Bengali.

Presentation of appeal.

36. A petition of appeal may be presented either personally or by registered post to the Chief Inspector.

Form of appeal.

37. The petition of appeal shall be accompanied by the original order, notice or report appealed against, or by a certified copy thereof; or where no such order, notice, or report has been made in writing, by a clear statement of the facts appealed against, the grounds of appeal, and the relevant section of the Act.

Fixing date for hearing.

38. On receipt of an appeal, the Chief Inspector shall, if the appeal is to be heard by himself, at once fix a date for hearing the appeal; and if it is to be heard by the appellate authority, obtain a date for the hearing of the appeal from the President of that authority. No delay shall be made in deciding appeals. The decision shall ordinarily be given within fifteen days from the receipt of the petition of appeal.

Procedure before hearing.

39. When the date for hearing has been fixed, the Chief Inspector shall at once issue a notice to the appellant stating the date for hearing and informing him that if he wishes to be heard in support of the appeal or to produce evidence, he must be present either in person or by authorized agent with his evidence on the date fixed. The notice shall be sent by registered post to such address as shall be entered in the petition of appeal.

Presence of Inspector.

40. In all appeals the Chief Inspector shall decide whether the presence of the Inspector is necessary, and shall issue orders accordingly.

Attendance of witnesses.

41. The appellate authority shall have power to secure the attendance of witnesses and to make local enquiries and for this purpose shall exercise the powers of a Court under the provisions of the Code of Civil Procedure, 1908.

Ex-parte decisions.

42. If the appellant is not present on the date fixed, the appeal may be decided in his absence.

Costs in appeals.

43. In appeals before the appellate authority the President of the authority shall fix the costs and recover them from the appellant in any case in which the appeal is dismissed. In all cases of appeal in which a local inspection is required by the appellant he shall deposit in advance the full costs of such inspection.

Fees required for certificates granted on appeal.

44. Any order on appeal authorizing the registering of a boiler or the grant or renewal of a certificate shall be deemed to be subject to the payment of such fees as are prescribed by rules or regulations framed under the Act.

VIII.—Administrative Instructions for Registration.

Importance of registration.

45. Inspectors shall carry out the technical instructions for the registration of boilers, as laid down in Part II of the Regulations, with the greatest care and precision, as the details of measurement recorded at the time of registration constitute a permanent record for the boiler and determine the original pressure at which the boiler is allowed to work.

Receipt of applications.

46. Applications for registration under sub-section (*I*) of section 7 shall be made to the Inspector in accordance with the provisions of rule 12. No boiler shall be registered if on measurement the fee is found to be deficient until the deficit has been paid. Any excess payment will be refunded according to rule 6.

Register of registered boilers.

47. The Chief Inspector shall maintain a register of registered boilers in serial order in Form A in two parts; in Part I (boilers originally registered in the State) the registered number of a boiler shall be the one immediately following the last serial number in the register. Gap numbers due to boilers being broken up or transferred to another State shall not be filled up. In Part II (boilers originally registered in other States) entries shall be made as prescribed in rule 49.

Procedure of transfer of a boiler.

48. Whenever a boiler is transferred from one State to another, the owner shall, under section 6 (*b*), apply to the Chief Inspector of the State to which the boiler is transferred, for the registration of the transfer; the boiler cannot be used until registration has been effected. The Chief Inspector shall then obtain from that State the registration book and memorandum of inspection book of the boiler. No fee shall be charged for recording transfer.

Entry of transferred boiler in register.

49. On receipt of the registration and memorandum of inspection books the Chief Inspector shall enter the boiler under its original number in Part II of his register. The registration book and the memorandum of inspection book shall be kept in the Chief Inspector's office.

Note of transferred and dismantled boilers.

50. Whenever a boiler has been transferred to another State or broken up, the fact shall be noted in the register.

In the case of a boiler that has been permanently dismantled the registration book and the memorandum of inspection book shall be destroyed.

IX.—Administrative Instructions for Inspection.

Reference to previous inspection.

51. Inspectors shall carry out the inspection of boilers in accordance with the detailed instructions contained in Part II of the Regulations. The Inspector previous to an inspection shall scrutinize the memorandum of inspection book and shall note any entries that may have been made at the last inspection.

Procedure during inspection of boilers of a battery.

52. Inspectors, when inspecting one boiler of a battery, shall also examine the other boilers under steam, with special reference to the water gauges, pressure gauges and safety valves.

Issue of certificates and provisional orders.

53. All certificates shall be issued from the head office after being countersigned by the Chief Inspector.

A provisional order shall be issued in each case of registration after the hydraulic test if the Inspector is satisfied. The steam test may be taken at any convenient time within the period of the provisional order, after which, if the test is satisfactory, the certificate under section 7 of the Act shall be issued.

A provisional order shall also be issued after each completed inspection for renewal of the certificate so as to give authority for the use of the boiler pending the issue of the certificate.

The period specified in any certificate or provisional order shall begin on the day following that on which the completed hydraulic test or thorough inspection is made.

Form of provisional orders and certificates.

54. Provisional orders and certificates shall be issued in Forms V and VI, respectively, prescribed under the Regulations.

REGULATION 150.

(A) PREPARATION FOR THOROUGH INSPECTION.

At every inspection of a boiler for the grant or renewal of a certificate, the boiler shall be empty and thoroughly clean in all its parts. All doors of manholes, handholes and sightholes and cleaning plugs and all caps in the headers and mud-drums of water-tube boilers, all firebars, bearers, front plates, bridge plates, fire-bridges, brick arches, oil fuel burners and mechanical stocker fittings shall be removed. All valves and cocks comprising the boiler mountings shall be opened up and taken apart and the valves and cocks ground, when necessary, before the Inspector's visit.

Provision shall be made for the removal of lagging or brickwork or other concealing part and for the drilling of plates, if required by the Inspector, and for verifying the pressure gauge and safety valve dimensions and weights. All smoke tubes, exterior of water tubes, smoke boxes, and external flues must be swept clean.

Provision shall be made for the effective disconnection of all steam and hot water communication with any other boilers under steam, as prescribed in Part III of the regulations. This shall be effected either by the removal of a length of pipe from the steam feed piping or by the insertion of substantial blank flanges. Where blank flanges are employed, they shall be inserted between the flange of the chest and the pipe attached to it. No blank flange shall be inserted between a safety valve chest and the boiler.

Note,—These provisions as to effective disconnection shall extend to every case wherein a person is sent, or with the assent of the owner or person in charge goes, into a boiler for any purpose. See Part III of the Regulations.

(B) PREPARATION FOR HYDRAULIC TEST.

The chest of all mountings subject to steam pressure shall be in place and shut tight or blank-flanged. The safety valves shall either be jammed down or removed and the chest-opening blank-flanged. The attachment* for the Inspector's pressure gauge and the nipple† for connecting the Inspector's test pump hose shall be in order. All doors shall be properly jointed and tightened up. The boiler shall be completely filled with water, care being taken to allow all air to escape and, if possible, a preliminary

Note,—The last certificate for the boiler shall be shown to the Inspector.

test not exceeding the working pressure of the boiler shall be taken before the Inspector's visit to test the tightness of the joints. When a boiler is hydraulically tested for the first time, it shall be entirely cleared of lagging or brickwork; at subsequent tests the lagging or brickwork, or portions thereof, shall be removed if required by the Inspector.

PREPARATION NOW REQUIRED (A), (B).

By order of the Governor,
S. K. CHATTERJEE,
Secy. to the Govt. of West Bengal.

LABOUR DEPARTMENT

ORDER.

No. 4655Lab.—22nd August 1950.—Whereas under the Government of West Bengal, Labour Department, order No. 615Lab., dated the 6th February 1950, read with its addendum No. 1191Lab., dated the 13th March 1950, the industrial dispute between the Indian Aluminium Co., Ltd., 414, Grand Trunk Road, Belur, post office Belur Math, Howrah, and their employees represented by the Indian Aluminium Belur Works Employees' Union, 336, Grand Trunk Road, post office Belur Math, Howrah, regarding the matter specified in the schedule thereto was referred for adjudication to Sri A. Das Gupta, District Judge;

And whereas the said Sri A. Das Gupta, District Judge, has submitted to the State Government his award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of reference No. 615Lab., dated the 6th February 1950, and addendum No. 1191Lab., dated the 13th March 1950, of the Government of West Bengal, Labour Department, and in the matter of an industrial dispute between Messrs. Indian Aluminium Co., Ltd., 414, Grand Trunk Road, Belur, post office Belur Math, Howrah, and their employees represented by the Indian Aluminium Belur Works Employees' Union, 336, Grand Trunk Road, post office Belur Math, Howrah.

PRESENT: SRI A. DAS GUPTA, *District Judge.*

For the employers: Dr. J. K. Bose, Labour Adviser, assisted by Sri A. Das Gupta, Works Manager, and Sri B. K. Murthy, Controller of Production.

For the employees: Sri P. K. Sanyal, Advocate, and Sri Nalini Mohan Mukherjee, Pleader, assisted by Sri S. C. Bhattacharya, and Sri D. P. Das, Joint Secretaries of the Union.

The following are the points for adjudication:—

1. House rent.
2. Annual bonus.
3. Increase in the maximum rates of wages in different grades.
4. Pay for the strike period.
5. Payment of gratuity to the workers on retirement.
6. Increase of Provident Fund contribution and other facilities allowable according to the Provident Fund Rules.
7. Increase of extra production bonus rates.

A short history of the dispute may be necessary for a clear understanding of the case. A Major Tribunal was appointed in 1947 by order No. 718Lab., dated 31st October 1947, of the Government of West Bengal, Labour Department, to adjudicate upon the disputes in nearly 182 engineering firms in West Bengal, including the Indian Aluminium Co., Ltd., which was serial

No. 40 of list No. 1 appended to the order of reference. A Tribunal was constituted with Sri S. K. Sen, I.C.S., as Chairman and Sri P. K. Sarkar and Sri P. R. Mukherjee as Members. The award given in pursuance of the order was published in the *Calcutta Gazette* under order No. 2161Lab., dated 30th June 1948, of the Government of West Bengal, Labour Department, and was in force for one year from 30th June 1948. Most of the points referred to this Tribunal for adjudication are covered by the last award.

Before expiry of the operative period of the last award, the Union submitted a charter of demands to the Company. This was on 21st May 1949. The charter of demands is Annexure A to the written statement. As the Company did not implement any of these demands, the Union wrote to the Company on 10th December 1949, stressing upon some of the demands submitted on 21st May 1949, viz., dearness allowance, house rent, annual bonus and increment of maximum rates. The letter is Annexure B to the Union's written statement. The Company replied to the letter of the Union on 17th December 1949 (Annexure C of the Union's written statement).

About dearness allowance, the Company pleaded that the Government was contemplating to constitute a omnibus Tribunal for revision of dearness allowance and that the Company would implement the decision of the Tribunal that might be announced.

Regarding the demand for annual bonus, the reply of the Company was that the production bonus scheme initiated by the Company assured bonus in a most satisfactory manner in direct proportion to the work consistent with the policy "fair return for fair work".

The Company rejected the demand for house rent on the ground that the pay structure was fixed by the last Tribunal, taking into consideration the demands of the employees on this point.

The demand for increase of maximum rates of wages was also refused.

At the instance of the employees, a general discussion was arranged on 30th December 1949 between Mr. J. W. Cameron of the Company and Sri J. Neogi, President of the Union. During this joint discussion, the President of the Union pressed for one month's pay as bonus and an interim increase of 3 per cent. in the dearness allowance to avoid a strike, which the employees had been contemplating. The discussions were confirmed by the Union by a letter of the same date (Annexure D of the Union's written statement). On 31st December 1949 the Union wrote to the Works Manager of the Company reviewing the demands stressed in the letter of the 10th December 1949. By this letter a clear intimation was given to the Works Manager that the workers would go on strike on and from 15th January 1950. Before actually striking work, the Employees' Union wrote to the Works Manager, advising precautionary measures relating to the properties and equipments of the Company (Annexure F of the written statement). Then a joint conference was held in the office of the Assistant Labour Commissioner, Howrah, on 9th January 1950, but no conciliation was arrived at. The discussions were put into writing by the Union (Annexure G of the Union's written statement). The Assistant Labour Commissioner appears to have recommended implementation of the modified demands of the President of the Union placed at the joint discussion held on 31st December 1949. With a view to carry out a peaceful strike without any deteriment to the Company's properties, the Union entered into an agreement with the Manager on 14th January 1950, as embodied in Annexure H to the Union's written statement. The strike actually commenced on 16th January 1950, 15th January having been a Sunday.

A scrutiny of the financial position of the Company is also very relevant for the present enquiry. The following extract from the audited balance sheet of the Company will indicate their financial position :—

	Year ending 30th September 1946.	Year ending 30th September 1947.	Year ending 30th September 1948.	Year ending 30th September 1949

Besides, the industry is working on an overdraft which stood to Rs. 33,75,000 on 30th September 1949.

The Company is subsidised by the Union Government and this subsidy has been granted to the Company as a whole and not to any particular branch of it. The Company have quoted in their written statement an extract from the Government of India resolution, dated the 15th May 1950, the correctness of which was not disputed by the Union. The extract is reproduced below :—

".....Government have considered this report in consultation with the Tariff Board and have decided that the Indian Aluminium Company, Ltd., and the Aluminium Corporation of India should be subsidised to the extent of the difference between the fair selling price of their production, having regard to their respective costs of production and the fair selling price of similar imported articles."

The subsidy is based on the principle of allowing the Company a small margin of profit above cost of production, without any regard whatsoever for the share-holders. The following extract from the report of the Indian Tariff Board on the aluminium industry will clearly indicate this :—

"The usual practice followed by the Board is to allow 4 per cent. interest on working capital and 10 per cent. profit on the block. If the interest and profit had been calculated on this basis in the present case, they would have amounted roughly to Rs. 700 per ton, which is quite out of proportion not only to the cost of production but also to the price of imported aluminium. The block in the case of the Company is Rs. 151 lakhs and the working capital is estimated roughly at Rs. 25 lakhs, equal to six months' turnover. The profit which we have allowed, viz., 10 per cent. on cost, represents 2½ per cent. on the block and working capital put together. This may appear to be somewhat low, but it has to be remembered that for a concern like this the block is very high and the usual return of 10 per cent. on block cannot, in the circumstances, be accepted, particularly at a time when the industry is struggling to make both ends meet and is claiming a subsidy to be able to withstand competition from abroad."

No dividend has been given to the ordinary share-holders since the very inception of the industry and whatever profits have resulted, have been utilised for improvement of the equipments. The Union filed a statement of account showing that the Company earned a net profit of Rs. 13,24,450 in 1948 and Rs. 37,23,562 in 1949. This did not agree with the Company's account as found from their books. The Union could not certify the accounts

produced by it as correct. The certificate appended to the account was "certified to be approximately correct". The discrepancies were both on the quantity of production of different items and the price of metal According to the Union's accounts, price of metal was Rs. 2,125 per ton both in 1948 and 1949, but we find from the Government letter No. 91-DM3/IV(19)/48, dated 22nd September 1948, that the price of metal was Rs. 2,317 per ton ex Always *plus* Rs. 100 for transport charges. In September 1949 the price went up to Rs. 2,680 per ton ex Always (Government letter No. DM3/177/49, dated September 1949). (These letters were produced at the hearing and taken back.) It is thus clear that the accounts submitted by the Union cannot be relied upon This is a limited Company and the balance sheets which are deposited with the Registrar of Joint Stock Companies are public documents, as defined in the Indian Evidence Act. These have a strong presumptive value and in the absence of any cogent evidence to the contrary, the presumption stands.

Most of the points which have been referred to me for adjudication were adjudicated upon by the Major Engineering Tribunal constituted by order No. 716Lab. of the Government of West Bengal. Labour Department, dated 31st October 1947. The award of the Major Tribunal was published on 30th June 1948 and was in force for one year from that date. The operative period of the award has since expired.

On principle one Adjudicator should not change the previous award without proof of any altered circumstances. In the case of B.E.S.T. Company, Limited, Bombay, Sir H. V. Divatia observed:

"Without going so far as to say that the employees are barred by *res judicata*, any demands which are made before me and are covered by any decision in the previous adjudications cannot be proceeded now unless the employees prove any change of circumstances after the previous decision If there has been no change of circumstances, the mere ground that the previous Adjudicator had not granted a demand would not, in my opinion, justify the employees in repeating the same demand before a new Adjudicator, because that would be substantially asking one Adjudicator to sit in judgment over the decision of another Adjudicator" (*Bombay Labour Gazette*, December 1947, page 482.)

In the award for the Tinplate Company of India, Limited, Golmuri Jamshedpur, published in the *Bihar Gazette* (*Extraordinary*), dated the 14th March 1949, Sri F. Jeejeebhoy held the same view. He observed:

"In a consideration of this subject we must start with the fundamental concept that an award of the Tribunal has the same force as any other award or decision and is entitled to the same respect. And it is but a corollary to this concept that the principle of *res judicata* should apply so that on the same facts and in the same circumstances the issues decided may not be re-tried in fresh proceedings with a view to securing a different decision If it were otherwise, there would be no finality of decisions, with the unfortunate result that labour, unsuccessful on an issue, would wait discontented, restless and impatient for the period of the notification to elapse and would then embark on go-slow tactics and other equally questionable means to force a fresh reference from the Government in the absence of any change of circumstances.

* * * * *

As I conceive it, an award is final and binding for all times in matters relating to personal rights, as for instance, victimization; and an award or agreement of parties on all other matters like wage structure, bonus amenities, etc., is final and binding until altered by consent of parties or replaced by a fresh award based on change of circumstances. Such is the

prevailing concept of awards and agreements in other countries which are equally conscious of the claims of labour, and it is in consonance with natural justice and with recognised legal principles."

If there has been any change of circumstances, which are apparent and of which a judicial notice can be taken, the question of onus ceases to have any effect. It shall be my duty to discuss how far the new demands of the Union on matters adjudicated upon by the last Tribunal are justified. I shall discuss whether there has been any change of circumstances, what that change is and how far it justifies a review of the previous award when I take up the individual demands.

Point 1.—House rent.

This point was adjudicated upon by the Major Tribunal under Issue No. 6. The learned Judges of the Major Tribunal, after reviewing the Industrial Housing Sub-Committee's Report, published by the Government of India in May 1946, and the report of the Labour Investigation Committee of the Government of India and all circumstances connected with the demand, rejected it. The award was published in June 1948. Since then, there has been no change in the circumstances justifying review of the last award, which embodies the considered opinion of three Judges. I am not, therefore, in a position to deviate from the last award on this point.

Points 2 and 7.—Annual bonus and increase of extra production bonus rates.

These points were dealt with by the Major Tribunal under issue 18(*i*) and 18(*ii*). The learned Judges did not award any annual bonus. They, however, recommended that the Company, which had paid bonus in the past, might continue giving annual bonus to the employees in similar circumstances, or in other words, if they had earned comparable profits. About a scheme for production bonus, the demand of the employees had the approval of the learned Judges and they observed:

"We recommend that some steps be taken for working out the standard production and evolve a scheme of production bonus, for a scheme of production bonus is likely to increase production."

Bonus which is not linked up with attendance or production may either be deferred wages or customary bonus. Workmen may demand bonus as deferred wages only when the wages paid to them by the employer are not fair. Fair wages is not an absolute term. Fair wages must be fixed against the background of the general economic condition of the country and the level of the national income, with due regard to the interest of the community as a whole. The Union did not claim bonus as deferred wages; nor did it suggest that the wages paid to the workmen were not fair. From the written statement of the Union, it is clear that the Union demands bonus on the ground that the Company have earned huge profits. I have already discussed the financial position of the Company and it is clear that far from improvement, it had deteriorated. The percentage of the net profit to the capital invested is gradually on the decrease. The demand of the Union for annual bonus can by no means be supported on ethical principles. In the interest of the industry, the Company introduced a scheme of production bonus in January 1949. Although the scheme was introduced in the interest of the industry, the employees were substantially benefited by the scheme. The scheme of production bonus should be more welcome to the workmen than a scheme of profit-sharing bonus. Profit of

an industry is dependant on many factors, over which the employees have no control and profits may dwindle for reasons for which the employees are not at all responsible. But if bonus is linked with production, the employees may earn the bonus by *bona fide* and honest attempts. The existing production bonus scheme has been detailed in Annexure XXIV of the Company's written statement. Under the bonus scheme, the employees were to give an outturn of 340 ingots in a day. The existing rates are—

(1) For workers—

(*a*) Productive—40 per cent. of the total earning including dearness allowance but not overtime allowance.

(*b*) Non-productive—20 per cent. of the total earning including dearness allowance but not overtime allowance.

(2) For staff—

(*a*) Productive—12½ per cent. of the total earning including dearness allowance but not overtime allowance.

(*b*) Non-productive—6¼ per cent. of the total earning including dearness allowance but not overtime allowance.

The Union demands an increase of these rates as indicated below—

(1) For workers—

(*a*) Productive—60 per cent. of the total earning including dearness allowance but not overtime allowance.

(*b*) Non-productive—30 per cent. of the total earning including dearness allowance but not overtime allowance.

(2) For staff—

(*a*) Productive—30 per cent. of the total earning including dearness allowance but not overtime allowance.

(*b*) Non-productive—20 per cent. of the total earning including dearness allowance but not overtime allowance.

Annexures XXVI and XXVII to the Company's written statement show that the actual production did not mostly come up to the estimated production, although in some of the departments more men were employed. These were considered necessary under the scheme. Only in Novmber and December 1949 the average daily production exceeded the estimate. The excess in these two months could not make up the deficiency in the other ten months. The average daily production during the year 1949 was 237·6 tons less than the estimated production. The Company have filed an estimate of the Costing Accountant to show that the present rates are more than what the employees should be entitled to, if they had given the full estimated outturn. The extra production bonus scheme was introduced with a view to raise the production from 300 tons to 340 tons a day. The following figures may indicate the position of the existing rates:—

Total expenditure in 1949—Rs. 14,66,040 (*a*).

Wages and salaries on which bonus is paid—Rs. 5,19,754 (*b*).

Bonus paid—Rs. 1,35,676 (*c*).

(*b*) is 39 per cent. of (*a*) and (*c*) is 26 per cent. of (*b*). Increase in the output is 13·3 per cent. Operative supplies, repairs and maintenance, power and fuel amounting to Rs. 3,83,500 are variable expense and form

26 per cent. of the total expenditure. Hence deducting these expenses and the expenses on wages and salaries, the balance 35 per cent. is fixed expenditure, on which reduction in cost is possible by increased production. The saving would be 4 2/3 per cent. but the increase in the expenditure on account of extra production bonus would be 10·1 per cent. of the total cost. Even supposing all expenses excepting labour are stationary, the saving due to extra production would be 8 per cent. In any case the expenditure which is being incurred by the industry under the existing extra bonus scheme, is not neutralised by the saving in the expenditure on account of the extra production. The following is a comparative chart of the average production per day in terms of labour and machinery in 1948 and 1949:—

	1948.	1949.
	Tons.	Tons.
Total production	1,908	3,619
Average labour strength per day	336	402
Machine hours available for production per day	208	264
Number of days worked in the year	238	313
Average production per day in terms of labour and machine hours	1,908	3,619
	$\frac{238 \times 336 \times 208}{} = \cdot 000115$	$\frac{313 \times 402 \times 264}{} = \cdot 000109$

It has been contended that increase in the extra production bonus scheme was recommended by the Works Committee on the 27th April 1949. This was only a recommendation. There is nothing to show that the Works Committee scrutinised the financial position of the Company, both before and after the introduction of the extra bonus scheme before they recommended increment in the rates. It was unfair on the part of the Union to lay so much stress upon the recommendation of the Works Committee, which was not based on facts and figures. I have looked into the financial position of the Company and the existing scheme of extra production bonus and I do not see any way to direct an increment of the existing rates. The scheme was introduced only a short time before the demand for increment of the rates was placed before the employer. The Union should have in all fairness waited for a sufficient period of time to see how the scheme worked.

I am told by the Company's representatives that the existing production bonus scheme costs the Company Rs. 13,000 monthly. If the rates are raised, as demanded by the Union, the increment in the expenditure will be Rs. 9,700 per month, or Rs. 1,12,400 per annum. The total expenditure on account of bonus at two months' wages is likely to come up to Rs. 65,000, but in the last year the gross profit without making any provision for taxation was only Rs. 72,045. These calculations were submitted in writing, a copy whereof was made over to the Union's representative. Nothing could be shown to prove that the calculations were substantially wrong. It is thus clear that the present financial position of the Company, apart from all circumstances, does not justify the Company to accede to any of these demands of the Union, either in part or in full.

Point 3.—Increment in the maximum rates of wages in different grades.

The maximum rates of wages of the workers of different categories were not fixed by the last award. I am not, therefore, debarred from revising the maximum rates of wages of the workers of different grades, provided existing maxima appear to me to be grossly inadequate. The detailed wage

structure introduced on the 4th October 1948 over the signature of Mr. Stork, the then Works Manager, has been placed before me. On an analysis, I fix the minima and maxima as detailed below:—

Grades of workers.	Minima.	Maxima.
	Rs. a. p.	Rs. a.
Unskilled	1 2 6	1 8
		1 10
		1 12
Semi-skilled	1 5 6	1 10
		1 12
		1 14
		2 0
		2 2
		2 4
		2 12
	1 8 6	2 2
		2 4
	1 12 6	3 14
Skilled	1 6 0	1 14
		2 0
		2 4
		2 12
		3 2
		3 14
	2 0 0	3 14
		5 4
	1 8 6	2 12
		3 8
		3 14
	1 12 6	3 2
		3 8
		3 14
	2 5 3	3 14
		4 14
Highly skilled	1 12 6	3 14
		5 6
	2 0 0	5 6

The maxima of Re. 1-8 and Re. 1-10 for unskilled workers and of Re. 1-10 to Re. 1-14 for semi-skilled workers and Re. 1-14 to Rs. 2-4 for skilled workers and Rs. 3-14 for highly skilled workers appear to me to be quite inadequate. I accordingly direct that the maximum rate of wages for unskilled workers shall not be less than Re. 1-12, for semi-skilled workers Rs. 2, for skilled workers Rs. 2-8 and for highly skilled workers Rs. 4-9. The workers who are now getting the maximum which have been increased, shall get the next increment at the beginning of the next financial year of the Company. The rates of increments shall be what were before they reached the existing maxima.

Points 5 and 6.—Gratuity and increase of Provident Fund contribution and other facilities allowable according to the Provident Fund Rules.

The demands for Provident Fund and gratuity were adjudicated upon by the last Major Tribunal under Issue No. 8. The learned Judges allowed only one kind of retiring benefit and that was Contributory Provident Fund with a scheme of gratuity for the period anterior to institution of the Provident Fund scheme. Normally there is only one kind of retirement benefit in the engineering industry in West Bengal. There has been no change of circumstances since the publication of the last award. Strictly speaking, the financial position of the present industry has not improved. I find no reason to enlarge upon the scheme of retirement benefits laid down by the learned Judges in the last award; nor do I find any justification to deviate from the general practice prevalent in engineering industries in West

Bengal. The present Company has a Provident Fund scheme. The rules are printed and have been placed before me. All that I can direct is that the existing scheme should be improved to the maximum limit permitted by the existing rules. I have been referred to rule 6, which provides for increased rates of subscription. The minimum subscription of every member of the firm has been at 6¼ per cent. of his salary or wages for a month. This is compulsory. No permission is necessary for subscribing 6¼ per cent. of the salary. The rule for subscribing at a higher rate is that "any member may by giving written notice to the Trustees before joining the Fund and after obtaining the permission in writing of the Company fix the percentage of his salary or wages which he proposes to subscribe to the Fund for the ensuing year at a higher percentage than 6¼ per cent. Such percentage of more than 6¼ per cent. shall not exceed 12½ per cent. and shall remain constant for the year". For increase in the rates of subscription, two conditions are to be fulfilled, viz., (1) the intending member is to give a written notice about the increased rate of subscription to the Trustees before he joins the Fund, (2) he is to obtain necessary permission in writing of the Company for subscribing at the increased rate.

This permission of the Company will necessarily depend upon its financial resources. Now that the Company cannot bear the extra burden of increased contribution, which may necessarily follow if the rates of subscription are increased, I am not in a position to give any definite direction. Besides, under the rules of Provident Fund, the matter is discretionary with the Company. I may only recommend that if the financial position of the Company improves, rule 6 may be liberally interpreted in favour of the employees.

The Union demands some representatives of the employees on the Board of Trustees. Under the existing rules, the Trustees are five in number, three of which are Directors of the Company and two are members of the Fund. All the Trustees are, however, to be nominated by the Company. The employees have thus two representatives in the Board of Trustees. I recommend that the employees' representatives may be selected by election. The employees may elect double the number in the vacancies of Trustees reserved for members of the Fund and the Company may nominate the requisite number from among the elected nominees of the employees. This election may be conducted on an All-India basis.

The employees want some provision in the rules for loans. Rule 39 provides for advances from Provident Fund. I recommend that the provision may be extended to the employees in suitable cases.

Point 4.—Pay for the strike period.

It has been settled that a strike must be both lawful and just to entitle an employee to wages for the strike period. In the notice of strike, the Union reiterated its demand for dearness allowance, house rent, annual bonus, and increase in the maximum rate of wages. These demands were placed before the Company by the Union by a letter, dated 10th December 1949. In the reply, which was sent to the Union on 17th December 1949, the Works Manager stated that the demand for house rent was not maintainable in view of the decision of the last Tribunal. About annual bonus, it was stated that the production bonus scheme introduced by the Company meets the demands of the workmen for bonus in a satisfactory manner.

Referring to the demand for dearness allowance, the Works Manager stated that the Government was contemplating to set up an omnibus Tribunal to decide the question and the Company would be agreeable to implement whatever such Tribunal might award.

About increase of maximum rates, the Company regretted that this could not be undertaken.

In the joint discussion between the President of the Union and Mr. Cameron, the President demanded only one month's wages as annual bonus and an interim increase of dearness allowance by 3 per cent. of the wages. It appears that the President modified the Union's demands made from time to time and the Company was given to understand that if these minimum demands were agreed to by the Company, there would be no immediate strike. So far as house rent and annual bonus were concerned, the reply of the Works Manager was quite reasonable.

Besides, as I have shown above, the Company were not in a position to meet the modified demands of the Union for one month's wages as bonus. That would cost the Company about Rs. 32,500. The Company earned a gross profit of only Rs. 72,045 in 1949 and were on a overdraft of Rs. 33,75,000.

About dearness allowance, the Government was actually contemplating at that time to set up a Major Tribunal to revise the dearness allowance payable to workers in the engineering industry in West Bengal and in fact the Tribunal has since been set up. The hearing has been concluded and the reference is pending for award. The Works Manager's reply on this point was also not unreasonable. On the 6th January 1950, the Union appears to have circulated a leaflet in which the Union stated that it had no faith in Tribunals, or in other words, the Union was not willing to submit to the machineries set up by the Government for peaceful settlement of industrial disputes. This attitude of the Union can hardly have any justification.

The demand for the increase of maximum rates of wages was rejected by the Works Manager without assigning any reason whatsoever but the fact remains that the financial position of the Company has not improved since when the existing wage structure was set up. In view of the financial position of the Company, it was rather difficult for the Company to increase the maximum rates of wages by 25 per cent., as demanded by the Union. The Company's unwillingness to implement any of the demands stressed by the Union was not unreasonable, specially when they have not paid a single farthing to the ordinary share-holders. Each and every man is called upon to make some sacrifice on account of the economic depression in the country, low national income and high price of cost of living. There is nothing unjustifiable in the conduct of the Company in refusing the demand. I have increased the maximum rates of wages in some cases only, because the maximum rates in these cases were comparatively low. I did so to bring in a uniformity in the pay structure of the workers of the same categories in the present industry, so that there may not be a wide disparity between the maximum wages of the different grades of the same categories of workers, unskilled, semi-skilled, skilled and highly skilled. In spite of the deteriorating condition of the general financial position of the industry, I increase the maximum of some of the grades of pay as they exist for the workers.

The ordinary contract of service implies that by voluntary absence, an employee loses his rights to pay for the period of such absence and even to the lien to the service. There has been a departure from this common law principle in the industrial courts, where voluntary absence on account of strike does not always terminate relationship of employer and employee between the employers and the employees who have struck work. The Judges of the Industrial Tribunal have also awarded pay for the strike period in cases where the strike was both lawful and justified. Soon after the operative period of the last award had expired, the Union placed a fresh charter of

demands before the Management. The Management had in the meantime introduced a very reasonable scheme for extra production bonus. The Union should have waited for a reasonable time to see how the scheme worked. This scheme, as I have already indicated, did not improve the position of the industry financially. The extra production did not come up to the expectation. Nevertheless the bonus rates were not decreased. If the Management had pleaded inability to implement the demands on financial grounds, there was nothing unreasonable on the part of the Management. The Management gave full facilities to the Union for conciliation. The Labour Commissioner attempted a conciliation but had failed. It appears from the record of the Labour Commissioner that he assured the Union that the dispute would be referred to a Tribunal and asked the Union to advise its members not to strike work. This was on the 9th January 1950. In spite of this advice, the workers struck work. A leaflet was issued inciting the workers to strike work and advising the members not to submit to any compromise but to be ready for a fight. This leaflet indicates further that the Union would not allow its members to have any faith in the Industrial Tribunal. It is clear from the leaflet, as also from the circumstances of the case, that the Union wanted to have a trial of strength. The strike had only one object, viz., to further the current dispute. There was no unfair labour practice on the part of the Management. From the facts and circumstances, I am clearly of opinion that this strike had no justification whatsoever. In these circumstances, I cannot persuade myself to award any pay for the strike period. As an authority on this point, I may refer to an award for Messrs. Burn & Company given by Sri S. N. Modak:

"I do not see however why the workers should have gone on strike at all merely for the purpose of redressing small grievance over the question of attendance allowance. They did not choose to seek the aid of a conciliation officer in the first instance. They did not choose to seek a reference by the Government to a Tribunal before the strike was actually launched. Some efforts might have been made in this direction by Mr. Shibnath Banerjee while the strike was actually on but even then I am unable to say that reasonable chance was given to the Government as it was constituted at that time. The whole atmosphere of the strike indicates elements of unreasonableness and it cannot be said that the strikers had exhausted all other avenues of having their grievances redressed before they had resorted to the drastic course of going on strike. The Industrial Disputes Act had been in force since April 1947. It is a purpose of the Act to discourage strike and to encourage workers to try other avenues of settlement before taking any drastic action by way of strike which is so detrimental to production and which causes loss of national wealth. I consider the strike launched in the present case as most unfortunate and I am unable to say that the strike in any of its phases was justified. Under these circumstances there can be no question of directing the Company to pay wages for the period of strike to any group of workers."

I have carefully considered the facts and circumstances of the case but I cannot persuade myself to uphold the Union's demand. The demand is accordingly rejected.

A. DAS GUPTA,
Judge, Industrial Tribunal.

The 4th August 1950.

By order of the Governor,
D. S. P. MUKHERJEE, Jt. Secy.

ORDER.

No. 4665Lab.—22nd August 1950.—Whereas under the Government of West Bengal, Labour Department, order No. 2572Lab., dated the 22nd May 1950, the industrial dispute between Messrs. Lister Antiseptic and Dressing Co. (1928), Ltd., 12, Uma Kanta Sen Lane, Calcutta, and their employees as represented by Ladco Workers' Union, 20, Beerpara Lane, Ghugudanga, Calcutta, was referred for adjudication to Sri S. C. Chakravarty, District Judge;

And whereas the said Sri S. C. Chakravarty, District Judge, has submitted to the State Government his award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of industrial dispute between Messrs. Lister Antiseptic and Dressing Co. (1928), Ltd., 12, Uma Kanta Sen Lane, Calcutta, and their employees as represented by Ladco Workers' Union, 20, Beerpara Lane, Chugudanga, Calcutta.

PRESENT: SRI SAILES CHANDRA CHAKRAVARTY, *Chairman of the Tribunal.*

For the Company: Sri Bijoy Krishna Chakravarti, Law Officer.

For the employees: Sri D. L. Sen Gupta, Advocate.

By order No. 2572Lab., dated the 22nd May 1950, the Government of West Bengal, Labour Department, referred for adjudication to me, under sections 7 and 10 of the Industrial Disputes Act, 1947, the industrial dispute existing between Messrs. Lister Antiseptic and Dressing Co. (1928), Ltd., 12, Uma Kanta Sen Lane Calcutta, and their employees as represented by Ladco Workers' Union, 20, Beerpara Lane, Ghugudanga, Calcutta.

AWARD.

The only point involved in this adjudication is whether the dismissal by the management of the eighteen employees named below is justified, and, if not, to what relief they are entitled.

The persons involved are—

Biological Department.

1. Sri Krishnapado Bhattacharjee.
2. Sri Dhirendra Chandra Bhattacharjee.
3. Sri Sreekanta Singha.
4. Sri Sanat Kumar Chakraborty.
5. Sri Paresh Chandra Chakraborty.
6. Sri Achin Kumar Biswas.
7. Sri Ajit Kumar Ghosh.

Internal Audit Department.

1. Sri Makhan Lal Bhattacharjee.
2. Sri Kamalendu Bhattacharjee.
3. Sri Nishakar Bhattacharjee.
4. Sri Ramapati Bhattacharjee.

Raw Godown.

Sri Balai Chandra Bhattacharjee.

Bonded Laboratory.

1. Sri Sushil Chandra Dey.
2. Sri Sunil Kumar Sen Gupta.

Antiseptics Department.

Sri Anurudha Dutta Gupta.

Head Office.

1. Sri Bivash Chandra Dutta.
2. Sri Mukul Chatterjee.
3. Sri Kali Kinkar Chatterjee.

The case of Bivash Chandra Dutta in the above list is excluded as he has been re-employed.

Between the employees and the Company a dispute was going on about wages, dearness allowance, etc., and the Labour Commissioner was interfering in this matter to bring about a settlement. He failed to bring the parties to a settlement and the dispute was sent to me for adjudication. I have recently made an award which has not yet been published. During the time the matter was pending with the Labour Commissioner and before the reference to me the employees named above were discharged as they became surplus on account of fall in business. The Company assigned this as the ground for retrenchment and it was contended before me that the principle of efficiency of the workers was taken in consideration in effecting retrenchment. It has been admitted by the Company that the principle of "first come last go" was not adhered to.

The Union raised the objection that the Company violated the provision of the Industrial Disputes Act in effecting retrenchment during conciliation proceedings and that this amounted to an illegal lock-out. The relevant law is section 23 which runs thus: "No workman who is employed in any industrial establishment shall go on strike in breach of contract and no employer of any such workman shall declare a lock-out during the pendency of conciliation proceedings before a Board and seven days after the conclusion of such proceedings;....." The point to be noted is that the conciliation proceedings must be before a Board. Pendency of a matter before the Conciliation Officer is quite different. The Union had a weak case against deterioration of business necessitating retrenchment and therefore took up this legalistic stand. The Company brought a wrong man to prove that there was a surplus. The witness broke down, but this cannot help the Union whose only legal ground failed.

Retrenchment cannot be denied. The workers had been given salary for a month in lieu of notice. Now the question is whether they should get anything more. Though the Tribunal is competent to allow gratuity by way of retiral benefit when there is no provision for it in the service condition, yet I should look to whether there are conditions of payment of such gratuity.

There was a dispute between the employers and the Union and a settlement was arrived at on the intervention of the Labour Commissioner. I set out the terms of the settlement below—

"(1) *Recognition of the Unions.*—To be decided by the Labour Court.

(2) *Provident Fund.*—The employer would introduce Provident Fund system from January 1949 the rates of contribution being one anna per rupee of the basic pay excluding dearness allowance.

(3) *Gratuity.*—Workmen would get 15 days' basic wages for each year of service with a maximum of 15 months' wages for the period prior to the introduction of Provident Fund.

(4) *Working hours.*—No change.

(5) *Profit sharing.*—Not to be introduced.

(6) *Medical relief.*—The part-time doctor to attend every day on fixed hour to be notified to the workmen.

(7) *Security of service.*—This will be in accordance with the standing orders certified under the Industrial Employment (Standing Orders) Act, 1946.

(8) *Leave.*—Workmen would get the following leave:—

(*i*) Statutory holidays under Factories Act;

(*ii*) Ten days' festival holidays with full pay and dearness allowance per year. The days and dates to be fixed in Works Committee;

(*iii*) Seven days' casual leave with full pay and dearness allowance per year;

(*iv*) Ten days' sick leave with full pay and dearness allowance per year on production of a medical certificate from an M.B. doctor.

(9) *Reinstatement of workers.*—These cases occurred in 1946-47 and were then dealt with and as such not to be taken up.

(10) *Pay.*—Existing rates of basic wages with a minimum wage of Rs. 27 per month to continue.

(11) *Dearness allowance.*—The existing rates of dearness allowance to be increased by Rs. 12 per month at a flat rate raising the minimum for Rs. 3 per month to be Rs. 15 per month.

(12) *House allowance.*—The Company would try to provide workmen with quarters within a reasonable time.

The above terms of settlement to be given with effect from 1st of September 1948.

The above terms would remain in force for a period of one year with effect from 1st of September 1948."

On behalf of the employers it has been argued that the agreement was valid for one year only and therefore the clause about gratuity expired before these persons were discharged. This is a thoroughly wrong conception. The increment in wages was valid for a year, but the context in the case is that the condition of gratuity is a continuing condition.

Another argument advanced was that the Company terminated the services of all the employees in 1948 and thereafter reappointed them. Wholesale discharge and immediate reappointment indicate that it was only a dodge to create a breach in the continuity of services. The motive was not beyond reproach and the employers cannot be given any benefit for this. In the previous adjudication the employers submitted papers in which the length of service of many employees was noted. Those periods were given ignoring the incident of 1948. This clearly indicates that the incident of 1948 remained in paper only. Apart from this argument the clause in the agreement does not show that the period for which gratuity has to be given must be a continuous period. All that the agreement says is that gratuity shall be paid for the years of service under the Company, *i.e.*, the aggregate number of years.

This is the case of termination of service at the will of the employers. The Company could have done it few months before or few months after. In the circumstances, the broken part of the year should be calculated to the nearest year. On that basis I have calculated the services, the salaries and the amount of gratuity payable to each. The table is given below :—

Names.	Years of service.	Pay.	Amount of gratuity.
BIOLOGICAL DEPARTMENT.		Rs.	Rs. a. p.
1. Sri Krishnapada Bhattacharjee	5	25	62 8 0
2. Sri Dhirendra Chandra Bhattacharjee	10	45	225 0 0
3. Sri Sreekanta Singha	5	25	62 8 0

S. C. CHAKRAVARTY,
Chairman of the Tribunal.

The 8th August 1950.

By order of the Governor,
D. S. P. MUKHERJEE, Jt. Secy.

ORDER.

No. 4669Lab.—22nd August 1950.—Whereas under the Government of West Bengal, Labour Department, order No. 1846Lab., dated the 17th April 1950, the industrial dispute between the Hooghly Docking and Engineering Co., Ltd., 6, Howrah Road, Howrah, and its workers represented by the Iron Factory Workers' Union, 3/1, Kali Banerji Lane, Howrah, over the question of bonus for 1949 was referred for adjudication to Sri S. C. Chakravarty, District Judge;

And whereas the said Sri S. C. Chakravarty, District Judge, has submitted to the State Government his award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of industrial dispute between the Hooghly Docking and Engineering Co., Ltd., 6, Howrah Road, Howrah, and its workers represented by the Iron Factory Workers' Union, 3/1, Kali Banerji Lane, Howrah, over the question of bonus for 1949.

PRESENT: SRI SAILES CHANDRA CHAKRAVARTY, *Chairman of the Tribunal.*

For the Company: Sri S. K. Mullick, Solicitor, of Messrs. Sandersons and Morgans.

For the Union: Sri Shib Nath Banerjee, M.L.A.

Acting under sections 7 and 10 of the Industrial Disputes Act, 1947, the Government of West Bengal, by their order No. 1846Lab., dated the 17th April 1950, referred to me for adjudication the industrial dispute existing between the Hooghly Docking and Engineering Co., Ltd., 6, Howrah Road, Howrah, and its workers represented by the Iron Factory Workers' Union, 3/1, Kali Banerji Lane, Howrah.

The reference is for adjudication of the dispute over the question of bonus for 1949 for the workers.

AWARD.

The first ground on which the Company wants to resist the claim is on the fact that it pays "attendance bonus" to the workers just as it pays the annual bonus to the clerical staff with this difference that in case of workers the payments are spread out and are linked up with attendance. The substance of the contention is that grant of a further bonus to the workers will disturb the equilibrium and lead to further discontent and unrest amongst the employees.

I propose to examine if the "attendance allowance" is a counterpart of the annual bonus paid to the clerical staff. An essay about the history of its introduction will help us to clear up the situation. The annual bonus to the clerical staff is a pretty ancient practice.

On the 18th January 1947 Mr. Smith, the Superintendent and Manager of the Company, wrote a letter to the President of the Union confirming some talks. The copy of this letter was sent to the Managing Agents. The following extracts are relevant:—

"(B) Being in sympathy with the desire expressed by you at our previous meeting that the earnings of the Company's workmen should be increased to compensate them for the increased cost of living, I offered to recommend

to the Company's Managing Agents that the present dearness allowance of 10 pies per hour (equal to about Rs. 10-12 per calendar month) and the present value of cheap food concessions (equal in the average to about Rs. 6 per month) should be changed into a consolidated dearness allowance of Rs. 5-12 per 48-hour week (equal to Rs. 24-12 per calendar month).

This would, in effect, mean a total increase of Rs. 14 per month in the cash payments made to each man who works a full 48 hours each week and a net average increase of Rs. 8 per man per month after allowing for the withdrawal of cheap food concessions. The allowance would be paid *pro rata* on any overtime worked and would be reduced in respect of absenteeism.

(C) The various demands put forward in the letter (undated) received by me on 8th January 1947 from the Vice-President of our Union were discussed briefly in turn as follows:—

* * * * *

5. *One month's pay as bonus.*—I pointed out that as this demand has been put forward on several previous occasions and has on each occasion been categorically turned down by the Managing Agents there is no likelihood of its being granted now.

You suggested that the introduction of a profit-sharing system or production bonus would stimulate the workmen to increased effort. I expressed my doubts on this point but agreed to put forward to the Managing Agents for consideration any practical scheme which you may suggest."

Thus the claim for bonus was not favourably considered. On 28th February 1947 the Company issued the following notice:—

"Notice No. 12/47.

Under instructions from the Managing Agents the undernoted new scale of allowances will be introduced with effect from Sunday, 2nd March, 1947, for all adult workmen employed by this Company.

The new allowances will supersede existing food concessions and foodstuffs will, with effect from Ration Week commencing on 3rd March 1947, be sold from the Company's ration shop at official controlled rates only.

The Company's existing grading system is also being extended to include regular increments within each grade. Details of the system of increments will be notified later.

The new allowances, which will be additional to basic pay and overtime, are as follows:—

Dearness allowance.—This will remain at the existing rate of 10 pies on all hours worked including overtime.

Attendance allowance.—This will be paid at 4-weekly intervals on the following scale to all workmen who have worked 21 days or more in each 4-weeks period:—

To men with basic pay of 19 to 21 pies—Rs. 2-11.

To men with basic pay of 22 pies and up—Rs. 3.

Workmen will be regarded as having been present on declared "holidays with pay" for the purpose of qualifying for attendance allowance.

Food concession allowance.—This will amount to Rs. 3-3 per man per week and will be given in full to all workmen who work for 5 days or more in any week.

Proportionate food allowances will be given to men who work less than five days in a week as follows:—

4 days—Rs. 2-2.
3 days—Re. 1-10.
2 days—Re. 1-1.
1 day—Annas 8.

The food concession allowance will be raised or lowered, in the manner described below, according to variations in the official working class cost of living index.

Variations in food allowance.—In order to compensate the workmen for possible increases or decreases in the prices of food, it has been decided to base the food allowance on the working class cost of living index published regularly by Government for the district of Jagatdal (this being the nearest district for which an official working class cost of living index is published). The payment of Rs. 3-3 per week has been based on the current cost of living index of 305 points and for every 9 points rise or fall the weekly food allowance will be raised or lowered by 4 annas for all men who have worked five days or more in the week. Proportionate adjustments will be made in the allowances of men who have worked less than five days in the week. The cost of living index will be reviewed every three months and no alteration in the food allowance will be made until the index figure has varied by 9 points or multiple of 9 points. The first review will be made on 31st May and the rate of food allowance for the period June to July will be based on the latest index figure available at that date.

General.—The abovementioned allowances will give all workmen a substantial increase in their total earnings if they attend regularly. To give the men an idea of what their earnings will amount to under the new scheme the cases of men on basic pays of 20, 30, 40 and 50 pies per hour have been worked out and are shown on a separate sheet issued with this notice.

It may be mentioned that the same scale of allowances is being introduced by our associated Company Messrs. Burn & Co., Ltd., Howrah, also with effect from 2nd March 1947.

The Hooghly Docking and Engineering Co., Ltd.,
EBEN SMITH,
Superintendent and Manager."

Salkia, the 28th February 1947.

The two documents referred to above will show clearly that the "attendance allowance" was a part of dearness allowance. The recommendation of the Manager about the total amount was practically accepted. Thus in its inception the "attendance allowance" was not bonus. After some time dearness allowance was amalgamated and "attendance allowance" was withdrawn but was reintroduced from the date of suspension on the basis of the following notice:—

"THE HOOGHLY DOCKING AND ENGINEERING CO., LTD.

Notice No. 1/48.

Attendance Allowance.

Following upon a similar decision reached in the case of Messrs. Burn & Co.'s workmen the Managing Agents have agreed that attendance allowance on the original scale should be restored to the workmen of this Company with retrospective effect from the date on which it was discontinued.

Arrangements are being made to pay the arrears of attendance allowance at an early date and further payments will, as previously, be made at 4-weekly intervals.

EBEN SMITH,
Superintendent and Manager."

3rd January 1948.

In the last paragraph of the notice, dated 28th February 1947, it was stated that the allowances were made at par with the allowances granted in Messrs. Burn & Co., Ltd. In the case of Messrs. Burn & Co., Ltd., the allowances were also withdrawn but was restored by an award of Sri S. N. Modak (award made by West Bengal Tribunal, 1947, page 369). It appears that it was restored as part of total emoluments (pay and dearness allowance) and not as bonus. This award was enforced by an order of Government, dated 19th November 1947. Thus it was reintroduced by the Company on the same terms. It is thus clear that neither in its first inception nor at its reintroduction it was thought to be a counterpart of the bonus paid to the clerical staff. This also disposes of another contention of the Company that bonus should not be paid when "attendance allowance" is paid.

The Union came with the case that in the previous year (1948) a bonus for one month's pay was allowed on the basis of profits and as profits in 1949 do not compare unfavourably with the profits of the previous year, bonus equivalent to a month's wages should be paid.

The Company keeps half-yearly accounts. In 1948 the profits had been Rs. 3,05,910 for the first half and Rs. 1,96,128 for the second half, totalling Rs. 5,02,038. At the time of the previous adjudication for bonus for 1948, the accounts of the second half of 1948 were not ready, and the adjudicator, Sri P. K. Sarkar, made an estimate of Rs. 6,00,000 as profits for the year and allowed bonus equivalent to a month's wages.

In 1949 for the first half the Company made a profit of Rs. 3,49,485 and for the second half suffered a loss of Rs. 80,000 making a total profit of Rs. 2,69,485 for the year. Rs. 75,000 is required to pay dividend at 6 per cent. The Union asked me to add Rs. 7,000 to the profit. It has been contended that the amount of bonus awarded for the previous year was paid up from the fund of profit of this year. The amount became payable in this year and the outstanding dues may also have been realised this year. The accounts as given represent the true state of things and there is no justification for adding expenditure to the profits.

The Company has an inglorious past. In 1927 the capital was reduced by 50 per cent. and in 1937 the entire capital was lost. From 1944 the Company is making profits and has been paying dividend. The lost capital has just been made good of. The profit may not be permanent, but for the present the Company can pay something beyond the wages which represent barely the subsistence allowance. Since it can do so, it should pay. I need not repeat here all that I said in the Burmah Shell and Standard Vacuum cases on the question of bonus. I still adhere to that and looking to the reduced profit and absence of liquid cash I award bonus equivalent to half a month's pay.

Now the question is who should get bonus. Those persons who work in the relevant year will get bonus. We usually restrict it to those of the workers who remain in employ when the bonus is declared or adjudication is made. The principle underlying is that we do not want to extend it to

workers who move about and do not stay in one concern. Relying on this principle payment cannot be denied to those who are retrenched as surplus before bonus is declared.

In this Company following the communal trouble in the first part of 1950 all the workers were discharged. After some time many have been taken. Some are not coming and some are anxious to come but the Company is not taking them back on the ground of paucity of work. These persons stand like persons retrenched. It appears from a note of the Superintendent and Manager, dated 23rd June 1950, that he has got a waiting list of 263.

I rule that those who worked in 1949 and are still in employ shall get the bonus. Those who worked in 1949 but lost job and have either been re-appointed or are in the waiting list shall be entitled to the bonus. Those who are not in the waiting list, dated 23rd June 1950, shall not get any benefit of the award.

Each worker shall get 1/24th of the basic salary drawn by him in 1949.

ORDER.

No. 4671Lab.—22nd August 1950.—Whereas under the Government of West Bengal, Labour Department, order No. 3266Lab., dated the 16th June 1950, the industrial dispute between the Aluminium Corporation of India, Ltd., Jaykaynagar, Asansol, and their workmen represented by the General Secretary, Aluminium Workers' Union, Jaykaynagar, Asansol, was referred for adjudication to Sri S. N. Modak, I.C.S. (Retd.), District Judge;

And whereas the said Sri S. N. Modak, I.C.S. (Retd.), District Judge, has submitted to the State Government his award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of an industrial dispute between the Aluminium Corporation of India, Ltd., Jaykaynagar, Asansol, and their workmen represented by the General Secretary, Aluminium Workers' Union, Jaykaynagar, Asansol, regarding the issue of closing down of the Fabrication Department.

BEFORE THE INDUSTRIAL TRIBUNAL, WEST BENGAL.
PRESENT: SRI S. N. MODAK, I.C.S. (Retd.).

For the Company: Sri S. C. Sen, Advocate, Dr. Basu, Works Secretary, Sri Chatterjee, Labour Welfare Officer.

For the Union: Sri K. C. Prosad, General Secretary, Sri R. L. Varma, Member, Executive Committee.

AWARD.

By Government of West Bengal, Labour Department, order No. 3266Lab., dated the 16th June 1950, this industrial dispute between the Aluminium Corporation of India, Ltd., Jaykaynagar, Asansol, and their workmen represented by the Aluminium Workers' Union, Jaykaynagar, Asansol, regarding the issue of closing down of the Fabrication Department, as specified in the schedule appended to the order, has been referred to me as an Industrial Tribunal for adjudication. This reference has been made during the pendency of another adjudication proceeding in respect of general issues between the same parties as per order No. 1445Lab., dated the 27th March 1950. The Company proposed to close down the Fabrication Department, that is to say, the department for the manufacture of aluminium utensils, with effect from 1st June 1950. The Union representing the employees concerned opposed the idea and communicated with this Tribunal and the matter having been eventually taken up by the Labour Commissioner the plan of closing down the Fabrication Department was postponed for the time being. The dispute arising from the proposal of closing down has in due course been referred to this Tribunal for adjudication. The issues set forth in the schedule appended to the order of reference are as follows:—

(1) Should the Fabrication Department of the Company be closed down as proposed by the Management?

(2) If so, how should the employees of the said department be compensated?

Both parties have filed their written statements before me. The Union's case is in brief to the effect that there is no justification for closing down the Fabrication Department which has been in existence for several years now, and the 61 employees involved should not be suddenly thrown out of employment. The Company, on the other hand, has taken its stand on the footing that the Fabrication Department, that is to say, the section for the manufacture of aluminium utensils is running at a loss and it is definitely uneconomic to continue it any longer, and it should be at the discretion of the Management to close down an uneconomic section of the concern.

2. The main business of this Company is to manufacture aluminium ingots from bauxite and also aluminium sheets and circles. The Company appears to be subsidised by the Government for such manufactures. It further appears that about the middle of 1945 the Company started a side business by opening a new department called the Fabrication Department for the purpose of manufacturing aluminium utensils. It is this side business, which the Company considers not to be intrinsically connected with the main business of the concern, which is proposed to be closed down on the ground that the cost of production of aluminium utensils has been decidedly higher than the sale price which such products can fetch in the market in recent years. It is contended by the Company that the cost of transport of aluminium utensils manufactured in the Fabrication Department at Jaykaynagar, Asansol, to the market in Calcutta makes the continuance of the department still more uneconomic, and it is more economic to have aluminium utensils manufactured in a different environment nearer the market. In support of these contentions which have been raised by the Company a statement showing the cost of production and the sale price relating to the last four years has been placed before me by the Company. The Union has, of course, questioned the correctness of this statement but has not been able to point out the elements of alleged incorrectness. The Company has offered to bring in all the relevant documents to establish the correctness of the statement. In the light of what I have heard during the discussion it is not possible for me to say that the statement does not represent the true state of things. Ordinarily speaking, it should be left to the employer

to decide whether a particular activity of the concern is profitable or uneconomic, and in the absence of materials to indicate a contrary state of things neither the Union nor the Tribunal is in a position to resist the conclusion that it is an uneconomic undertaking. Once it is accepted that an undertaking has become uneconomic it is not possible for the Tribunal to compel the employer to carry on such an undertaking. It is true that the closure of an undertaking will lead to unemployment with regard to the employees concerned. But in a case like this there is no alternative and I come to the conclusion that the Fabrication Department of this Company should be allowed to be closed down as proposed by the Management. I decide Issue No. 1 accordingly and grant the permission to close down the Fabrication Department of the Company. It is to be noted that the Company has framed its prayer in terms of an application for permission to close down the Fabrication Department and to discharge the employees concerned under section 33 of the Industrial Disputes Act as amended by the Industrial Disputes (Appellate Tribunal) Act, 1950.

3. The real question in this case which is involved in Issue No. 2, is how the employees concerned should be compensated. It appears that the strength of the Fabrication Department has gradually dwindled from 165 employees to only 61 employees at present. The names and designations of the 61 employees concerned will be found in the appendix set forth below. On enquiry it is found that two of these, viz., Bijoy Govinda Chatterjee, Supervisor, and Chandi Charan Banerji, Spinner, were brought to the Fabrication Department from other departments where they were originally employed, and the remaining employees were employed initially in the Fabrication Department itself. As regards the two specified employees, I consider it rather hard that they should suddenly be confronted with a situation of unemployment simply because they happened to be transferred to the Fabrication Department. As the Fabrication Department is being allowed to be closed down no question of compulsory re-employment arises in this case, but with regard to the Supervisor and Spinner specified above, the Company should do its best to get them absorbed in other departments on the basis of their existing emoluments. It is also recommended that the Company should try to get the other employees also absorbed in suitable departments on the basis of their existing emoluments. I am told, however, that under the prevailing circumstances it may not be possible for the Company to get all or many of the 61 employees absorbed in the manner suggested. In case the Company fails to get them absorbed in a suitable manner maintaining the continuity of their service, I am definitely of opinion that the employees should be paid suitable compensation. I direct that compensation be paid to the employees shown in the appendix in accordance with the scheme set forth below, unless they are absorbed on the lines indicated above—

(*a*) Employees with less than 6 months' service shall be paid 2 months' total emolument.

(*b*) Employees with more than 6 months' service but less than 1 year's service shall be paid 2½ months' total emolument.

(*c*) Employees with service of 1 year or more but less than 2 years shall be paid 3 months' total emolument.

(*d*) Employees with service of 2 years or more but less than 3 years shall be paid 3½ months' total emolument.

(*e*) Employees with service of 3 years or more shall be paid 4 months total emolument.

(*f*) The expression "total emolument" shall mean the average total emolument consisting of basic wages and dearness allowance (overtime wages and other allowances, bonuses or benefits being excluded), during the last 12 months of service on full wages or during the total period of service on full wages where such total period is less than 12 months.

(*g*) In the case of Bijoy Govinda Chatterjee and Chandi Charan Banerjee the compensation payable to them in accordance with the above scheme shall be enhanced by 50 per cent.

(*h*) All amounts of compensation shall be paid within six weeks from the date of publication of this award.

S. N. MODAK,
Chairman, Industrial Tribunal.

The 2nd August 1950.

By order of the Governor,
D. S. P. MUKHERJEE, Jt. Secy.

ORDER.

No. 4705Lab.—24th August 1950.—Whereas under the Government of West Bengal, Labour Department, Order No. 3131Lab., dated the 10th June 1950, the industrial dispute between Messrs. Caltex (India), Ltd., 22, Chittaranjan Avenue, Calcutta, and their employees as represented by Bengal Oil and Petrol Workers' Union, 47, Chowringhee Road, Calcutta, in connection with the discharge of four Gurkha Durwans was referred for adjudication to Sri S. C. Chakravarty, District Judge;

And whereas the said Sri S. C. Chakraborty, District Judge, has submitted to the State Government his award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of industrial dispute between Messrs. Caltex (India), Ltd., 22, Chittaranjan Avenue, Calcutta, and their employees as represented by the Bengal Oil and Petrol Workers' Union, 47, Chowringhee Road, Calcutta, in connection with the cases of four Gurkha Durwans.

PRESENT:

SRI SAILES CHANDRA CHAKRAVARTY, *Chairman of the Tribunal*

For the Company: Sri S. C. Sen, Advocate.

For the Union: Sri P. K. Sanyal, Advocate.

Acting under sections 7 and 10 of the Industrial Disputes Act, 1947, the Government of West Bengal, Department of Labour, by their order No. 3131Lab., dated the 10th June 1950, referred to me for adjudication the industrial dispute between Messrs. Caltex (India), Ltd., 22, Chittaranjan Avenue, Calcutta, and their employees as represented by Bengal Oil and Petrol Workers' Union, 47, Chowringhee Road, Calcutta.

The dispute centres round the dismissal with effect from the 4th of April 1950 of four night watchmen attached to the Paharpur Terminal of Messrs. Caltex (India), Ltd., on the plea of negligence of duties. The reference is confined to the following points:—

(1) Is the Company justified in dismissing the four Gurkha Durwans named below?

(1) Dhan Bahadur, (2) Kharag Bahadur, (3) Bal Bahadur, (4) Deb Bahadur.

(2) If not, are the said Durwans entitled to reinstatement forthwith in their own posts or in any other suitable posts under the Company?

(3) If the dismissal is justified, are they entitled to any compensation?

AWARD.

I propose to discuss all the points together.

On behalf of the Union it has been contended that the Management disliked that the members of the security staff should join the Union of the workers and suggested to Sri K. P. Mukherjee, the Secretary, to eliminate them from the Union. It has further been suggested that the dislike was accentuated by the fact that a member of the security staff was elected to the Works Committee. The Union's version is that there was no burglary in the premises of the Terminal Superintendent, Mr. Miles, but this was an excuse to get rid of the Durwans who were members of the Union.

Indian law is loose and under it the members of the security staff can join the Union of the workers. The position in the advanced countries is quite different. It is a fact that the Management disliked that the members of the security staff should join the Union of the workers. This dislike is understandable. It was nothing strange.

If there were no burglary, it must be held that the Management tried to get rid of them to exhibit their strong dislike of the security staff joining the workers' Union and to exhibit also an example of the peril of it. If, on the other hand, there was a burglary which was possible on account of the negligence of the security staff, the four night watchmen can claim no immunity because of the dislike of the Management against the members of the security staff joining the workers' Union.

To appreciate the case of the Management it is just necessary to have a topography of the place. The installations are in two blocks separated by a public pathway. Both the blocks are circumscribed by compound walls with gates opening on the road in between the two blocks. The southern block may be described as the Can Factory and the northern block as the Office Block or Refined Oil Godown Block. In the Office Block there are two gates opening on the road and there is only one gate from the Can Factory Block opening on the road against the eastern side gate of the Office Block. Almost at the south-eastern corner of the Can Factory Block is the residence of the Terminal Superintendent, Mr. Miles. There is no compound wall in the residence of Mr. Miles. Just to the south of Mr. Miles' building is his flower garden. The intervening space may be about 3 feet. The western side wall of the Can Factory Block is not as high as the walls on the other sides. I think this is sufficient to understand the position.

Now I go on to describe the system of watch. Four men remain on duty for the night from midnight 12 to 8 a.m. in the morning. One man remains at the gate of the Can Factory Block. Another man remains on one of the gates of the Office Block and another man remains in a place to the north of the Office Block where empty drums are stocked. The fourth man moves round punching some disc clocks to indicate the time at which these are punched. These punching clocks are numbered and scattered over both the blocks. It would take about half an hour for a man to finish punching all the clocks. From midnight 12 the punching duty changes each 1½ hours and during this time the man on duty has to punch at each station three times in order. After this he goes to one of the stations, viz., one of the two gates or to the place of the block of drums, and another man comes in for punching duty. There is one punching station just on the south-east of Mr. Miles' bungalow. Each man has to go almost brushing against the walls of the bungalow because of the garden to reach punching station No. 8.

On the night of 3rd of April Mrs. and Mr. Miles, after dining out in the night, returned to Paharpur at about 12-30 a.m. and retired to sleep shortly after. At about 7 a.m. in the morning the cook reported that the bungalow had been broken into and several articles had been missing. The Superintendent thereupon conducted an examination and found that entrance had been made by forcing open a window in the study cutting through the wire-netting and six bottles of whisky and eight bottles of beer were removed from the same room, one electric Singer sewing machine from the living room, and one lady's wrist watch and some money were also removed from the bed room. It also appeared that the burglars visited the pantry stealing from therein the entire contents of the refrigerator (beer, eggs, coffee, candy, a cold roast and a cold pudding) and an electric table fan.

The police were, thereupon, informed who came and conducted an investigation. Mr. Miles waited for the police prosecution. The police could not trace the culprits nor could they trace the articles. No charge-sheet was framed. Thereupon Mr. Miles took up the matter in administrative way and, after conducting an enquiry, passed an order on the 24th of April dismissing the four men with effect from the 4th April, the day on which they were placed under suspension.

The Union challenged the fact of burglary, and the first point to be considered is whether there was, in fact, a burglary in the house of Mr. Miles Mr. Miles deposed to that and it appears that he complained to the police about the burglary immediately after. The F.I.R. had been put in. The Sub-Inspector came and investigated the matter. He has been examined in this case. He found the wire-netting of the window cut to make an

opening for entrance. The window was on the southern side of the building on the ground floor, i.e., in a place which the punching guard had almost to brush in reaching station No. 8. After this I should have no hesitation in believing Mr. Miles that there was a burglary and the articles, as stated by him, were stolen.

The articles stolen formed a good load and looking to the nature of guarding, the inevitable inference is that one or two of the guards must be assisting the burglars.

The Company gave a finding of negligence. This was a finding born of timidity because the police could not trace the culprit and, in the circumstances, the Management were afraid of calling any of the night watchmen a burglar. The view of the Management had been that this load must have been passed through the gate and not only the punching man but the gate man also must be in league. After this a finding that burglary was possible because of negligence becomes inconsistent. There were six punching stations in the Can Factory Block and the punching man must have remained in this block at least for 15 minutes in each round, i.e., he must not have been absent from this block while moving round for 15 minutes each time. So burglary must not have been committed without his connivance.

A Judge will feel difficulty in holding the entire staff guilty of negligence or participation in the burglary. I will not blame the Management for inability in sifting evidence, because they have not been trained for that purpose. They are tradesmen conducting their trade. I will elucidate the matter.

The burglary was committed at a given time. It might have taken about half an hour. I can quite understand that this could not have escaped the attention of the man on punching duty if he was not actually a party to this. Those who had punching duties before the hour of burglary cannot be guilty of any negligence; they can be found guilty of negligence if they had been on duty at the gate through which the articles were carried out. If the articles were not carried through the gate, the man at the gate cannot be held responsible. It is only a suspicion that because it formed a load it might have been taken through the gate. The western compound wall was not very high. It is only 5 feet high with 3 feet barbed wire entanglements above. This was not an insurmountable barrier. The possibility of the articles being removed from that side cannot altogether be ruled out. The safe inference is that the person who was on punching duty at the time of the burglary was guilty. Those who were on punching duty before cannot be found guilty. Can the same be said about those who had punching duties after the commission of the burglary? The burglary was not committed due to their negligence because it was committed before. The only point against them is that they had to pass by the window where wire-netting had been cut and they should have noticed it. These are after all the cases of illiterate hillmen and it is not safe to infer that they should have, from the nature of the cut wire, inferred that there was a burglary. It was night though a moonlit night. I do not think that too much emphasis can be placed on the fact that they did not notice the damaged condition of the wire-netting.

Reviewing the entire position I can only find that man guilty who was on punching duty at the time of the burglary. The time for the commission of the burglary cannot be fixed and therefore I can only say that one of the four men at least is guilty of participation in the burglary but he cannot

be spotted. The collective punishment, in the circumstances, cannot be supported. No innocent man can be punished because the real culprit cannot be caught.

There, however, remains one point. There has been a burglary and these four men were on duty. One of them is dishonest. Reasonably the Management have lost confidence in them for protection of their properties. This mental attitude is thoroughly honest and is not motivated by the persons involved being members of the Union. In the circumstances, I cannot say that those persons in whom the Management have reasonably lost confidence should be entrusted for the protection of properties. They cannot remain in the security staff. They must either be discharged or alternative appointments must be found for them. These hil men are not willing to work as Mazdoors in the plains. The question of providing with alternative appointments for them goes out. Since the Management have reasonably lost confidence in them and no alternative appointment can be found for them, they must be discharged but, as guilt has not been proved against any particular individual, they should be given some compensatory allowance.

I award that the termination of services shall be deemed to be ordinary discharge and not dismissal. As in case of ordinary discharge, they shall each get the employers' contribution in the Provident Fund as also their own money in terms of the last award of the Tribunal. Since it is a case of discharge, they shall each get salary for a month in lieu of notice. I further award lump compensatory allowance of the amounts noted against each below:—

Kharag Bahadur—Rs. 147.

Dhan Bahadur—Rs. 71.

Bal Bahadur—Rs. 71.

I do not award any compensation to Deb Bahadur as he worked only for four months.

S. C. CHAKRAVARTY,
Chairman of the Tribunal.

The 2nd August 1950.

By order of the Governor,

ORDER.

No. 4733Lab.—25th August 1950.—Whereas under the Government of West Bengal, Labour Department, order No. 170Lab., dated the 11th January 1950, the industrial dispute between Messrs. R. B. S. Jain Rubber Mills, Lillooah, Howrah, and their workers represented by the R. B. S. Jain Rubber Mills Workers' Union, Lillooah, Howrah, was referred for adjudication to Sri A. Das Gupta, District Judge;

And whereas the said Sri A. Das Gupta, District Judge, has submitted to the State Government his award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of reference No. 170Lab., dated the 11th January 1950, of the Government of West Bengal, Labour Department, and in the matter of an industrial dispute between Messrs. R. B. S. Jain Rubber Mills, Lillooah, Howrah, and their workers represented by the R. B. S. Jain Rubber Mills Workers' Union, Lillooah, Howrah.

PRESENT: SRI A. DAS GUPTA, *District Judge.*

For the employers: Sri S. C. Sen, Advocate, and Sri Nalini Mohan Das Gupta, Pleader, assisted by the Officials of the Company.

For the employees: Sri D. L. Sen Gupta, Advocate, instructed by the office-bearers of the Union.

AWARD.

The following points have been referred to for adjudication:—

(1) Revision of dearness allowance.

(2) Introduction of a "Grade" system for workers.

(3) Introduction of the system of annual increment.

(4) Puja bonus.

(5) If a pass book for Provident Fund accounts is to be given to workers and if a separate account for Provident Fund is to be opened in the bank by the Management.

(6) Claim for a furnished room for the Union office.

(7) Introduction of cheap canteen system.

(8) Supply of dresses to durwans, office peons and drivers free of charge.

(9) Gratuity to all permanent workers irrespective of the period of service.

(10) If retrenchment of workers is to be effected and, if so, to what extent?

A short history of the dispute may be relevant. Previous to the present reference there had been an adjudication of some industrial disputes between Messrs. R. B. S. Jain Rubber Mills and their workmen represented by the R. B. S. Jain Rubber Mills Workers' Union by Sri S. C. Chakrabartty, District Judge, in pursuance of reference No. 768Lab., dated the 12th March 1948, of the Government of West Bengal, Labour Department. The award given by Sri S. C. Chakrabartty was published under order No. 1996Lab., dated the 18th June 1948, of the Government of West Bengal, Labour Department. By the said award the disputes then existing about scales of pay, dearness allowance, gradation, bonus, Provident Fund, gratuity, cheap food and free tiffin were adjudicated upon along with the disputes on some other points. This award was in force for a period of one year beginning from the 18th June 1948. The operative period of the award given by Sri S. C. Chakrabartty expired on the 18th June 1948. It appears from the copy of the written statement of the Mills filed before Sri S. C. Chakrabartty that the Mills were contemplating retrenchment of staff from before the date of the last reference. Soon after the publication of the last award, the Company issued a notice for retrenchment of 160 workers with effect from 10th August 1948. The notice was dated 12th July 1948. The grounds as stated by the Mills were non-availability of raw materials, chemicals, etc., and consequent difficulties in running all the departments of the Mills.

Many of the products were said to have been found unremunerative. The matter was amicably settled with the Union on 15th July 1948. Under the terms of settlement, persons employed between the period of 1st July 1946 and 31st December 1947 were to go on leave for three months on the ground of paucity of work. They were, however, to be recalled as soon as the work prospered. If, however, the situation did not improve within three months, they would be allowed one month's further leave. If, however, the situation did not still improve to justify the workers being recalled, they would be paid one month's salary. In future should there be any occasion to employ more men, these workers would be given preference, according to seniority of service. The number of such workers was 82. Most of them took employment elsewhere. Only 34 were awaiting for re-employment. As the Management of the Mills could not find its way to absorb these 34 men immediately, it proposed to take in these 34 men in batches and it was expected that they would be absorbed in a few months. With a view to secure their immediate absorption, the workers agreed to a voluntary cut of Rs. 5 each out of their monthly dearness allowance for six months. These 34 workers were also to submit to this cut. The agreement was effected on the 26th November 1948 and was to come into effect on and from 1st December 1948. This cut was to be restored after six months. But, according to the Management, the situation did not improve and a drastic retrenchment was called for. A notice was accordingly issued to the President of the Union on the 23rd July 1949 suggesting three alternatives. These are mentioned below:—

(1) 33 per cent. of the workers remain on leave in suitable group.

(2) Workers voluntarily reduce their wages by 33 per cent. along with the Management.

(3) Number of workers be reduced by 33 per cent.

The Management would be glad to consider any other alternative suggested by the workers.

The Union addressed a letter on 5th August 1947 to the Manager of the Mills making some demands about foodstuff at cheap rate, gradation, bonus, production bonus, annual increment, and Provident Fund accounts. On the 12th August, the President of the Union wrote to the General Manager of the Mills acknowledging receipt of the letter of the Manager, dated 23rd July 1949, already referred to. The President did not agree to any of the alternatives suggested by the Management and looked upon the suggestions of the Management as a "fine scheme" of destroying the poor labour. In this letter the President of the Union accused Pandit G. P. Mistra of the Mills severely. The President of the Union referred the General Manager of the Mills to adjudication for the proposed retrenchment and suggested that more money might be invested and arrangement might be made for more production. On about the 23rd September 1949 the President of the Union addressed a letter to the Assistant Labour Commissioner, Howrah, with a long list of demands praying for an early reference to the Industrial Tribunal. Attempts were made by the Assistant Labour Commissioner for conciliation, but when conciliation failed the Government had to make this present reference.

Most of the items of the dispute under reference were adjudicated upon by Sri S. C. Chakrabartty. The Union wants to reagitate those points before me, mainly on the ground, as stated in paragraph 12 of the written statement, "That the.....award.....was not perfect in the sense that the Union could not furnish full facts on their behalf for a favourable and just award". Nothing has been suggested as to why such

facts could not be furnished. On principle one Adjudicator should not change the previous award without proof of any altered circumstances. In the case of B. E. S. T. Company, Limited, Bombay, Sir H. V. Divatia observed :—

> "Without going so far as to say that the employees are barred by *res judicata* any demands which are made before me and are covered by any decision in the previous adjudications cannot be proceeded now unless the employees prove any change of circumstances after the previous decision. If there has been no change of circumstances, the mere ground that the previous Adjudicator had not granted a demand would not, in my opinion, justify the employees in repeating the same demand before a new Adjudicator, because that would be substantially asking one Adjudicator to sit in judgment over the decision of another Adjudicator." (*Bombay Labour Gazette*, December 1947, page 482.)

In the award for the Tinplate Company of India, Limited, Golmuri, Jamshedpur, published in the *Bihar Gazette, Extraordinary*, dated the 14th March 1949, Sri F. Jeejeebhoy held the same view. He observed :—

> "In a consideration of this subject we must start with the fundamental concept that an award of the Tribunal has the same force as any other award or decision and is entitled to the same respect. And it is but a corollary to this concept that the principle of *res judicata* should apply so that on the same facts and the same circumstances the issues decided may not be re-tried in fresh proceedings with a view to securing a different decision. If it were otherwise there would be no finality of decisions, with the unfortunate result that labour, unsuccessful on an issue, would wait discontended, restless and impatient for the period of the notification to elapse and would then embark on go slow tactics and other equally questionable means to force a fresh reference from the Government in the absence of any change of circumstances.
>
> * * * * *
>
> As I conceive it, an award is final and binding for all times in matters relating to personal rights, as for instance, victimization; and an award or agreement of parties on all other matters like wage structure, bonus, amenities, etc., is final and binding until altered by consent of parties or replaced by a fresh award based on change of circumstances. Such is the prevailing concept of awards and agreements in other countries which are equally conscious of the claims of labour, and it is in consonance with natural justice and with recognised legal principles."

The operative period of the award given by Sri S. C. Chakrabartty expired on the 18th June 1949. If any change of circumstances is apparent on the face of the records placed before me, the question of onus ceases to have any force. I shall now take up individual points of disputes and see whether revision of the decisions of Sri S. C. Chakrabartty is called for.

Points Nos. 1, 2 and 3—Dearness Allowance; Gradation and Annual Increment.

Sri S. C. Chakrabartty fixed the minimum basic salary at Rs. 30 and the minimum dearness allowance at the same amount per month. That was for the unskilled workers. For the clerks he fixed the minimum at Rs. 55 for a matriculate and at Rs. 45 for a non-matriculate and dearness allowance at Rs. 35 per month. He, however, linked increments with production. He did not lay down any grades for semi-skilled or skilled workers. In the

quarter of the year in which the last reference was made the average cost of living index for a worker's family was 308. At the time when the award was given or when the award was published the average cost of living index for the second quarter of 1948 was not available. Although according to experts Rs. 30 was the estimated cost for a worker's family of 3 consumption units at pre-war price level when the cost of living index was 100, this has been accepted as the minimum basic salary at a cost of living index 160 or 180 or 185, when the workers might reasonably have expected to have more. Dearness allowance is paid to compensate the workers for the abnormal rise in the price of essential commodities. The lowest paid workers should have been compensated in full for the rise in the cost of living index. But in view of various circumstances, such as capacity of the industry to pay and national income *per capita*, the workers could not as yet be fully compensated for the rise in the cost of living index. In many awards the Industrial Tribunals have discussed the position of the national income *per capita*. The whole idea is that each and every man should, in consideration of the low level of the *per capita* national income, sacrifice some of the comforts. But at the same time if the dearness allowance of the lowest paid workers is not increased with the increase in the cost of living index, such workers will be forced below the poverty line. I am accordingly inclined to presume that the dearness allowance in the last award was fixed at the index 300—310. For the quarter ending on the 30th June 1950, the cost of living index is 343. The general practice is to split up the cost of living index into slabs of 10 points. 343 will represent the slab 340—350. Thus there has been an increase in the cost of living index by about 40 points since the last reference. The workers shall accordingly get an increased dearness allowance for the rise. I fix the scale of variation in the dearness allowance at Rs. 2 for every 10 points. Thus the workers are entitled to Rs. 38 per month as dearness allowance. I recommend the same variations for the clerks. The clerks shall accordingly get Rs. 43 per month as dearness allowance. The employees shall get dearness allowance at the increased rate with effect from 1st July 1950. In future dearness allowance shall be varied at the rate of Rs. 2 for every variation of 10 points in the average cost of living index of the previous quarter. The variation in the cost of living index is a sufficient change of circumstances justifying variation in the dearness allowance fixed in a previous year.

Sri S. C. Chakrabartty did not fix grades for semi-skilled and skilled workers. The semi-skilled and skilled workers should get some differentials for the skill involved in their works. Sri S. C. Chakrabartty linked increase of pay with production, but production could not be increased for reasons beyond the control of the workers. On the other hand production is said to have come down, and production had to be curtailed for some trade reasons, over which the workmen do not seem to have had any hand. It was on this account that shifts had to be reduced and retrenchment had to be made. The reasons as stated by the Mills were non-availability of raw materials, chemicals, etc., and want of market for some of the products of the Mills. In these circumstances it is not possible to link the wages of workmen with production. In an industry producing articles, linking increments of wages with production has a very salutary effect. It gives undoubtedly an incentive to the workmen to try their level best to increase production and to earn increments of wages. But in the present circumstances of the industry this is not possible. Although I feel that in an industry producing necessary articles any scheme of automatic increments is likely to encourage lethargy and indolence, I cannot but lay down a scheme for annual increments of wages for the workmen of the present industry where it is impossible for the workmen to increase the production and earn increment that may be linked with production. The workmen need some

periodical increments and wages, firstly to serve as an incentive to work and secondly to meet the responsibilities which increase as the workmen advance in age. If the wages are kept stagnant, the workmen will become callous and will not use all their energy and efficiency which is no less detrimental to the industry itself. The scheme of linking increments with the wages may be revived when the adverse circumstances which stand in the way of increment of production evaporate. I accordingly lay down the following grades and scales:—

Unskilled workers—Rs. 30—1—40.

Semi-skilled workers—Rs. 35—1/4—50.

Skilled—Rs. 40—1/8—52 E.B.—2—70.

Highly skilled—Rs. 60—2—82 E.B.—3—100.

Clerks—

Non-matriculates—Rs. 45—2—65.

Matriculates—Rs. 55—3—85.

Peons and bearers will get the same scale as the unskilled workers.

Durwans shall get the same scale as the semi-skilled workers.

In fitting the existing employees into the revised scale, the workers shall first be classed as unskilled, semi-skilled, skilled and highly skilled, and then they shall be placed in the aforesaid grades at the stage just above their present basic wages. In no case the workers shall get less than the minimum fixed for the grades to which they appertain. It shall be the duty of the Management to classify the workers into the several categories—unskilled, semi-skilled, skilled and highly skilled. This is the exclusive function of the Management and I hope that the Management will discharge this function properly. It is not possible for Judges of the Industrial Tribunals to classify workmen, for classification depends mainly on the valuation and the type of the different jobs in an industry. Nomenclature of jobs and their classification differ from industry to industry. It is the exclusive function of the Management to classify the job in an industry properly and to give the workers the proper nomenclature. I do not propose to encroach upon this function of the Management, for such encroachment is likely to be disastrous to the workmen as also to the industry. No worker shall get less than his existing wage. If the existing wage of any worker exceeds the maximum of his grade, he shall draw the difference as personal pay.

Point No. 5—Pass Book for Provident Fund accounts and separate account for Provident Fund in the bank.

About the pass book I find that there was an agreement between the Management and the Union so far back as on 14th February 1949. This agreement was arrived at in the presence of the Assistant Labour Commissioner, Howrah. It was agreed that pass books would be issued to workers soon after the rules of the Provident Fund had been completed. I accordingly direct that if the pass books have not as yet been issued to the workmen, they should be issued within a month from the date of publication of this award and that in the pass books, the total amount standing at the credit of the individual workmen at the end of each financial year shall be entered. If pass books be expensive, an intimation shall be sent to the workmen individually to inform them at the end of each financial year what amount is to the credit in the Provident Fund account of the workmen individually. The entry about the amount at the credit of the workman

at the end of each financial year shall either be communicated to the workman or entered in the pass book within six months of the following year. Nothing was suggested at the hearing about opening of separate account for a Provident Fund in the bank. The Management shall comply with the direction about intimating the workmen about their Provident Fund accounts up to 1949 within a month from the date of publication of this award.

Point No. 6—Furnished room for Union office.

This is outside the scope of the Industrial Disputes Act.

Point No. 7—Cheap Canteen system.

Sri S. C. Chakrabartty directed that a canteen should be opened provided that 50 workers or 25 per cent. of the workers, whichever is less, want tiffin or cheap food prepared there. The Company were to supply utensils, one cook and one servant at their costs. The Union was to manage the canteen It appears that there was an agreement on this point arrived at between the Management and the Union on 14th February 1949. The terms of the agreement on this point were:—

> "As regards starting of canteen and provision of rest room, Management agree to sanction expenditure for repair to the existing structure and two rooms will be made fit for use as canteen and rest room respectively. The repairs are expected to be completed in course of a fortnight."

It appears from the Company's written statement that the workers have been asked to select a cook and a servant from amongst themselves. This is not in keeping with the direction of the learned Adjudicator. The workers may select a cook and a servant, but the Company will have to pay their wages. The Company are agreeable to supply utensils as soon as the canteen is started. I direct that the Union do select a cook and a servant and start the canteen provided 50 of the workers or 25 per cent. of the workers, whichever is less, want to have tiffin or cheap food prepared there. The cook and the servant shall be paid by the Company. No meat or fish or eggs should be brought to the canteen.

Point No. 8—Supply of dresses to durwans, office peons and drivers free of charge.

Durwans, office peons and drivers are supplied uniforms mainly when the employers intend such employees to be known to the public as their employees. This is practically in the interests of the industry. I recommend that the uniform should be supplied.

Point No. 9—Gratuity to permanent workers irrespective of the period of service.

Sri S. C. Chakrabartty awarded gratuity to the workmen for the period not covered by the Provident Fund scheme introduced by him. The rules for gratuity were laid down by him to supplement the Provident Fund scheme. I do not feel myself justified to enlarge upon the scheme of gratuity enunciated by Sri S. C. Chakrabartty.

Points Nos. 4 and 10—Puja bonus, retrenchment and extent of retrenchment.

These two points are taken up together on the ground that they are dependent on the financial position of the industry. It is found that the

Management suggested retrenchment of workers as early as in 1948 in its written statement filed before the last Adjudicator Sri S. C. Chakrabartty. The following are the relevant extracts:—

"That under circumstances beyond its control, the Company had to think of retrenchment and to bring about an amicable settlement of this naughty problem talks were started with Union leaders and ultimately a memorandum, dated 24th January 1948, was submitted to the Labour Commissioner, Bengal.

* * * * *

That unless and until the Company is relieved of the burden of paying to a large number of absolutely unnecessary and ideal workers, the Company is not in a position to submit any definite reply to the statement of the Union.

* * * * *

That any scheme conducted to the promotion of labour welfare is not at all practical or possible unless the Company is allowed to reduce the number of workers and retain only those who can be actively employed. ..

* * * * *

That the Company is running under extremely adverse circumstances and only an immediate order for retrenchment can save it from a fatal fall."

The following statements about the trade position of the industry, filed before the last Adjudicator, may also be relevant:—

"That in spite of the best efforts on behalf of the Company the availability of yarn for cycle tyres and valves for cycle tubes remains meagre and indefinite.

That the Company has been forced to stop production of carriage tyres, which was the best stable line, due to heavy accumulation of stocks.

That though the Company has got the labour force and equipment to produce 15,000 pieces cycle tyres in a month, the type of yarn and the quality allotted to the Company will allow the Company to produce not more than 1,000 pieces.

That in absence of cycle tyres the dealers are not interested in the purchase of cycle tubes, the position of which also remains precarious due to abnormal delay in granting import licenses for metal valves. The Company has received none so far."

The difficulties in carrying on with the work of the industry as experienced by the Management immediately after the division of India into two Dominions and partition of Bengal were represented to the Labour Commissioner as early as on 24th January 1948. A copy of the representation is made Appendix A to this award.

With reference to the claim of the Union for bonus, the learned Adjudicator observed in the last award:—

"I have already allowed sufficient increment in wages and it has yet to be seen how the industry fares and whether it can make sufficient profits for granting bonus."

The award was published on the 18th June 1948 and immediately after publication of the award a drastic retrenchment was called for. The matter was amicably settled and 82 workers had to go on leave for 3 months. This leave had to be extended for another month and as the position of the industry did not improve, the employees had to forego Rs. 5 per head per month for 6 months out of their dearness allowance with effect from 1st

December 1948, in the interests of the 34 workers who were absorbed with effect from the same date. The remaining workers have taken employment elsewhere. In spite of this joint attempts of the Management and the Union, the position did not improve. On 23rd July 1948 the Management suggested to the President of the Union three alternative schemes already referred to. On 5th October 1949 the Management addressed a letter to the Assistant Labour Commissioner, Howrah. In this letter the Management referred to the agreement with the Union, dated 15th July 1948 and 26th November 1948, and pleaded that since 1947 the Company's position had been systematically deteriorating:—

> "Owing to the communal disturbances in 1947 and subsequent partition of India, the Company suffered a heavy loss and its market in Punjab....., the Company was faced with a severe competitive market. Consequently the Management checked its position and found that (1) many of its products have become unremunerative, and (2) it has been carrying in its employees a large number of surplus hands."
>
> * * * * *
>
> "The Company has been losing money heavily, the prices have gone down, but the cost of production has been rising enormously. Under the circumstances the Company cannot afford to continue to employ the huge unremunerative surplus hands."

In a letter, dated 12th August 1949, which was written by the President of the Union to the General Manager in reply to the suggestions, dated 23rd July 1949, the President suggested that the agreements were made under compulsion. There is no iota of evidence on this point before the Tribunal. In this letter the President speaks of some assurances alleged to have been given by the Manager which were not fulfilled. My attention has been drawn to the different statements of the Management about the unfavourable circumstances which were alleged to have been responsible for the fall in the works of the industry:—

Date.	Occasion.	Unfavourable circumstances alleged.
1st September 1947.	When the Union demanded increment of salary.	The Mills were not getting coal and raw materials to run the factory.
24th January 1948.	Representation to the Labour Commissioner, West Bengal.	(1) Division of India into two dominions has upset the industry which had selling organisations in Lahore and Karachi. (2) Accumulations of large stock of products. (3) Sale of rubber materials by the "Disposals" at prices at which no manufacturer can compete. (4) Difficulties in obtaining supply of cotton yarn for cycle tyres, model valves for cycle tubes. (5) Difficulties in getting regular supplies of coal, dyes and chemicals.
12th July 1948 ..	When a notice for retrenchment of workers was given.	Due to non-availability of raw materials chemicals, etc., it has become almost difficult to run all the departments.
23rd July 1949 ..	Suggestions to the President of the Union to relieve the industry of the financial burden it cannot bear.	Shortage of working capital and slump in the market.

None of the assigned reasons for deterioration of the business can be rejected as false and frivolous. Experience shows that even in everyday life as soon as one difficulty is removed another steps in.

We get some idea about the working condition of the Mills from Dhonai, a worker of the Mills, who has been examined by the Union before me. Previously there were two shifts for the departments of tube machine, cab tyre, and tube finishing. Now these departments are working only one shift. The cycle tyre department has been closed since 1949. There are some goods in stock. The stock may be finished in a day if orders are received. Orders are being received. The work of the handloom department has also come down considerably. It was working regularly previously. Now it is working very rarely. This is what Dhonai said. The shifts are said to have been reduced in 1948 from before the last award. The Management was contemplating retrenchment since then.

The Company have filed an account to show that cycle tyres are unremunerative. The details are given below:—

	Rs.	a.	p.
Rubber compound—1 lb. 4 oz. at 8 annas per lb.	0	10	0
Fabric—6 oz. at Rs. 2 per lb.	0	12	0
Wires—2 pieces at 3 annas each	0	6	0
Cloth covering—One-sixth yard at 12 annas per yard	0	2	0
Petrol solution (about)	0	4	0
	2	2	0
Direct labour—30 men at about Rs. 3 per day (Rs. 90 for a production of 180 tyres), per tyre	0	8	0
Indirect labour—Electric, coal depreciation, overheads	0	8	0
	3	2	0
Selling price	3	0	0
Less commission—annas 9·6 Less excise—annas 5	0	14	6
Nett ..	2	1	6

I visited the Mills with a view to have firsthand information about the workings of Mills. I could understand that the cycle tyres of this Company could not stand comparison with Dunlop tyres and have therefore no market. The price had to be reduced from Rs. 51 to Rs. 36 from 20th January 1950. The stocks on 1st January 1950, 20th January 1950 and 24th April 1950 were respectively 6,114, 6,089 and 4,255. The products of the braiding machine have no regular market. The following are the stocks of hot water bottles, hand gloves and gauntlets:—

Items.	Last despatch.	Stock.	Last date of manufacture.
Hot water bottles ..	13 pieces in April 1950 ..	About 400	October 1949.
	1 piece on 23rd March 1950.	....	....
Hand gloves	60 on 2nd November 1949.	37 untested ..	....
	50 on 4th November 1949	192 tested ..	....
	20 on 15th November 1949.	413 rejected ..	....
	160 on 14th November 1949.	....	....
Gauntlets ..	....	37 untested ..	....
		49 tested ..	....
		198 rejected ..	....

This was the position of the stock on 24th April 1950 when I inspected the Mills. The following are the accounts of profit and loss from 24th October 1946 to 21st October 1949:—

Year.	Profit.	Loss.
	Rs.	Rs. a. p.
2003 to 2004 S. Y. Eng. 24th October 1946 to 12th November 1947 ..		28,796 2 6
2006 S. Y.		61,573 15 6

The President of the Union produced some production slips of 1946 to show that the production was not correctly entered in the Mill books. These were not accepted as they related to 1946. We are concerned with the present position of the industry.

From the accounts my attention was drawn to the item amounting to Rs. 801 spent by Rani Sahib by way of charity. I am told that Rani Sahib is a proprietress. She has not taken a farthing from the Mills, which are her private concern. The voucher for travelling expenses of Rs. 330 was not produced and heavy interest was paid for advance made by the proprietor, Manager, Depot Manager and relations of the proprietor. The accounts have been passed by a Chartered Accountant It is presumed that the expenditures were just and supported by vouchers. If the proprietor advance money in addition to what has been invested to earn profit, he may charge interest for the additional sum advanced. The employees may likewise charge interest for the advance made by them to the industry. The only limitation should be that the interest is not higher than what would be charged by a bank. There is no suggestion that the interest was higher. About the charity, the proprietress should not have drawn the money from the Mills, or at least the amount should have been shown on the credit side of the account for the industry. This was an irregularity. But the small amount was not sufficient for improvement of the industry. I hope such irregularities in respect of paltry sums may not recur in future.

My attention was also drawn to the consumption of coal to show that it was out of proportion to the production. The Management say that the stock and consumption were entered into the register by the clerks who are members of the Union. The coal was also spent by the workers. If there had been any inflation in accounts or any mistake in accounts or any unusually high consumption, the workmen are no less responsible than the Management. There is no definite evidence or even suggestion that the workmen made the entries under compulsion, or that the Manager has used the coal for his personal requirements. If there was any unusually high consumption, it was the duty of the workmen and the Management to observe the strictest economy. Lethophole purchase on 13th February 1948 was sold on 14th February 1948. There was no entry in the register about the amount for which this was sold. Carbon block was sold by the Company in February 1948 at 8½ annas per lb. which was subsequently purchased in June 1948 at 10 annas to Re. 1 per lb. This might be due to fluctuating market. The Management should have studied the position of the article in the market and should have refused to sell the article in February at a much cheaper rate. The Management has not, however, offered any explanation what stood in the way of foreseeing the position. This mistake on a single item might be absolutely *bona fide*. But whatever that might be, this mistake contributed to a very small negligible fraction of the total loss. The Company further alleged that as the Company's Head Office was at Benares till 1948 and this has since been shifted to Calcutta, it was the duty of the clerks, who are members of the Union, to maintain the vouchers carefully.

There might be some irregularity in maintaining the account. It is for the accountant to give his definite verdict on the point. It has been suggested that the accounts were kept irregularly with a view to do black marketing. If this be so, the clerks who wrote the accounts are equally guilty and the Union should approach the proper authority appointed by the Government to bring the really guilty person or persons to book.

Apart from the accounts, it is clear that some of the products have no markets and shifts have to be reduced. If the products were really profitable, the Company would not have acted against their own interest in closing some of the departments and reducing the shifts. On the evidence and circumstances of the case, I am definitely of opinion that the financial position of the Mills has deteriorated substantially and there is necessity for retrenchment. In a letter of the President of the Union, dated 13th April 1950, to the Assistant Labour Commissioner, Howrah, it was suggested that the Management had appointed five or six durwans when it was contemplating retrenchment of durwans as well. Five or six durwans might have been necessary for a short time. The point is whether any new hand was appointed in preference to retrenched hands and that without any sufficient justification. Nothing has been suggested on this point. In the letter, dated 12th August 1949, addressed by the President of the Union to the General Manager of the Mills, the President appears to have suggested that more money might be invested. This Tribunal regrets that it does not find its way to make any recommendation in this direction. The Tribunal cannot ask the Management to borrow and to invest more money in an industry which is a losing concern unless it is definitely satisfied that additional investment will bring in profit in future.

Having held that retrenchment of staff has been necessary in the present condition of the industry, I may lay down the principle for effecting the retrenchment. Retrenchment is a necessary incident of industry and so long as it is not *mala fide* and prompted by any unfair labour practice, the Tribunal Judges should not interfere. Any interference will be compelling the industry to run at a loss. Although I am definitely of opinion that retrenchment is necessary, I am not in a position to find out definitely the extent of such retrenchment. It is the exclusive function of the Management to determine the size of the working force. This is the recognised principle obtaining in industrially advanced countries where trade unions have also much advanced. It is for the Management to decide the magnitude of its business and production, the scheme of the business and the size of the working force having regard to its resources. If the Management works with more men than necessary, it will entail a heavy loss. If it works, on the other hand, with less men than necessary, the workmen may be overworked and may be denied daily recess, weekly rest and annual holidays and the result would be to decrease the efficiency of the workmen and to create unrest to the prejudice of the industry itself. To ensure daily recess, weekly rest and annual holidays to the workmen, there have been considerable legislations laying down the maximum working hours and minimum rest and holidays and restricting the shift works. If any one is denied these statutory privileges, his relief lies in moving the proper authorities appointed by the State and the matter may be settled by negotiations and if negotiations fail, arbitrators may intervene. But so long as the statutory privileges are not denied or curtailed, the Management has exclusive jurisdiction to determine the size of the working force. If the arbitrator is assumed to have general powers of revision—general rights to review the exercise of the Management function in question—the right to prior Management initiation has only a temporary value. It means that Management functions under such circumstances are ultimately exercised not by Management but by the arbitrator, a third party disinterested in the responsibilities

of the enterprise. Surely this cannot be. Business cannot be run by disinterested third parties. It must be run by persons vitally interested in the conduct of the business, responsible for mistakes. In the absence of any agreement to the contrary, the right of initiating Management functions should carry with it the right to have an initiated function respected by arbitrators and upheld in the absence of showing of breach of agreement or bad faith. As an authority on this point, I may refer to "Management Functions under Collective Bargaining" by L. Teller.

Management's right to discharge an employee when there is a "cause" has been upheld. Sometimes in the agreement with the Union the term "cause" is defined. If it is not so defined and if it is doubtful as to whether the facts constitute a "cause", prior consultation may be necessary. Management functions are exercised for business reasons, and not for other reasons or for bad faith. It is only when Management functions are exercised for any reason other than *bona fide* trade reasons or are vitiated by bad faith, arbitrators may interfere; but arbitrators must refuse to interfere on the grounds of expediency, so long as the Management functions are exercised for *bona fide* trade reasons. It will be inexpedient for the arbitrators to encroach upon *bona fide* Management functions. Compulsory arbitration has been provided for grievances brought about by unfair exercise of Management functions and such arbitration must be subsequent to the exercise of the Management functions. This fact and the fact that prior arbitration or adjudication has not been provided for, emphasise the employer's general discretion in the field of Management functions:—

> "Prior arbitration, by contrast, injects an implication of general supervision by a third party over the conduct of business and is an overhanging threat to the proper exercise of the Management functions."

The accepted principle of retrenchment is "last come, first go". This principle should be applied to the several department separately except for the unskilled workers. If additional hands are required in future, the retrenched hands shall be given preference. Between the retrenched hands themselves, skill and efficiency shall count more than mere seniority at the time of re-employment. Other things being equal the appointment should go to the retrenched employees according to seniority.

Bonus is dependent mainly on profit. In the present case where the industry is gradually deteriorating, I am not in a position to give any direction for bonus. I recommend that as soon as the industry improves financially, the Management will consider employees' claim for bonus favourably.

APPENDIX A.

Memorandum, dated Lillooah, the 24th January 1948.

From—Messrs. R. B. S Jain Rubber Mills, Jwalaprasad Lane, Lillooah, Howrah,

To—The Labour Commissioner, West Bengal.

1. We are the manufacturers of (*a*) tonga tyres, (*b*) cycle tyres, (*c*) cycle tubes, (*d*) I.R. tubings, (*e*) ebonite (hard rubber), (*f*) I.R. sundry articles.

2. We employ about 275 adults.

3. We have often produced goods worth one lakh of rupees per month with the present strength of workers.

4. In an average, our usual production had been about Rs. 75,000 monthly.

5. Our selling organisation had its branches and agencies throughout India including Lahore and Karachi.

6. Due to division of India into two dominions and the consequences that followed the business has been upset.

7. There is practically no organised business west of Delhi and east of Calcutta.

8. With the hope that things will settle down early, we continued with our usual programme of production.

9. Very large stock of our products have accumulated unsold drying up our financial resources and putting us into a very awkward position.

10. Rubber articles have been sold off by the department of "Disposals" at prices at which no manufacturer can ever compete.

11. We are experiencing unimaginable difficulties in obtaining our supplies of cotton yarn suitable for the manufacture of cycle tyres.

12. Metal valves required for cycle tubes are not available locally. Even England and other sterling areas are unable to supply.

13. As metal valves are articles of consumption and do not fall under the head "Capital Goods" licenses to import them from hard currency areas are difficult to get.

14. In spite of our best efforts, we are unable to procure regularly our supplies of coal, dyes and chemicals.

15. Under these circumstances, it has become impossible to carry on with full production with anything like realistic efficiency.

16. We have been compelled by force of circumstances to reduce our production by something like 50 per cent.

17. To run the industry on economically sound lines, it is imperative that the number of workers be reduced by 50 per cent.

18. The leaders of our workers' Union quite naturally find themselves unable to agree to retrenchment voluntarily.

19. Since the workers have come to know the idea of retrenchment, they have stopped dispatches of the products and as such, it is feared that

we may not be able to meet our liabilities towards the workers themselves as well as towards our supplies of raw materials and power.

20. Our stocks of raw materials are running low and it is feared that in absence of necessary commodities the factory may have to be declared closed.

21. Under urgency of the situation, we request you kindly to intervene as early as practically possible.

22. In case no solution of the problem could be naturally agreed upon we request that the matter be placed before a Tribunal for award.

RAJENDRA PRASAD, President

K. V. K. SUNDARAM, Sr

MINISTRY OF LAW.

NOTIFICATION.

New Delhi, the 26th July 1950.

S. R. O. 306.—In exercise of the powers conferred by section 28 of the Representation of the People Act, 1950 (XLIII of 1950), the Central Government, after consulting the Election Commission, is pleased to make the following Rules, namely:—

THE REPRESENTATION OF THE PEOPLE (PREPARATION OF ELECTORAL ROLLS) RULES, 1950.

PART I.

PRELIMINARY.

1. **Short title and commencement.**—(1) These Rules may be called the Representation of the People (Preparation of Electoral Rolls) Rules, 1950.

(2) They shall come into force at once.

2. **Definitions.**—In these Rules, unless the context otherwise requires—

(a) "Act" means the Representation of the People Act, 1950;

(b) "Chief Electoral Officer" means the officer appointed by the State Government to perform the functions of a Chief Electoral Officer under these rules;

(c) "constituency" means a Parliamentary constituency, an Assembly constituency or a Council constituency;

(d) "Form" means a form appended to these rules and includes any translations thereof in any language specified in the Eighth Schedule to the Constitution;

(e) "Revising Authority" means such person or persons as the State Government or an officer appointed by them in that behalf may, subject to any general or special instructions issued by the Election Commission, appoint in writing to perform all or any of the functions of the Revising Authority under these rules in respect of a constituency or part of a constituency.

PART II.

PREPARATION OF ELECTORAL ROLLS.

3. **Electoral roll.**—There shall be prepared for every constituency an electoral roll in which shall be included the names of all persons appearing to be entitled to be registered therein. It shall be published in the constituency together with a notice specifying the mode in which and the time within which claims for inclusion in the roll or objections to any names or particulars entered in the roll are to be preferred.

4. **General conditions for registration in the electoral roll.**—Every person shall be entitled to have his name included in the electoral roll for a constituency if he is entitled to be registered in such roll under the provisions of the Act.

5. **Notice inviting statements under section 20 of the Act.**—(1) In the case of an electoral roll first prepared under the Act, the Chief Electoral Officer for the State shall, as soon as may be after the commencement of

these rules, and in the case of every electoral roll subsequently prepared under the Act, the Chief Electoral Officer for the State shall, before the preparation of such roll is taken in hand, cause a notice in Form I to be published inviting every person who—

(i) is a member of the Armed Forces of the Union, or

(ii) is holding any such office as is referred to in sub-section (4) of section 20 of the Act, or

(iii) is employed under the Government of India in a post outside India,

and desires to be registered in the electoral roll for the constituency in that State in which, but for his service in the Armed Forces or but for the holding of any such office or employment, as the case may be, he would have been ordinarily resident during the qualifying period or on the qualifying date, to submit the statement referred to in sub-section (5) of that section to the Electoral Registration Officer of the said constituency within the time to be specified in that behalf in the notice. Every such statement shall be in Form II and shall be verified in the manner specified in the Form.

(2) As soon as may be after the commencement of these rules, the Chief Electoral Officer shall, for the purpose of the preparation of the electoral rolls to be first prepared under the Act, cause a notice in Form III to be published inviting every person referred to in sub-section (7) of section 20 of the Act who desires to be registered in the electoral roll for any constituency other than the constituency in which he was resident on the twenty-fifth day of July, 1949, to submit to the Electoral Registration Officer of the constituency in the State in which he desires to be registered within the time to be specified in that behalf in the notice a statement in Form IV specifying the constituency in the State in which he so desires to be registered.

(3) Every notice issued under sub-rule (1) or sub-rule (2) shall be published in such manner and at such place as the Election Commission may direct, and the time to be specified in the notice within which the statement is to be submitted shall not be less than twenty-one days from the publication of the notice.

6. **Form and language of electoral roll.**—The electoral roll for each constituency shall be prepared in such form and in such language or languages as the Election Commission may direct.

7. **Division of constituency into electoral areas.**—The Electoral Registration Officer may divide a constituency into electoral areas for the purpose of facilitating the preparation of the electoral roll for the constituency, and so much of the roll as relates to an electoral area may be separately prepared.

8. **Information from, and access to, birth and death registers for the purpose of registration of electors and decision of claims and objections.**—For the purpose of the preparation of any electoral roll, or for the determination of any claim or objection to any electoral roll, an Electoral Registration Officer, a person employed by him under sub-section (2) of section 22 of the Act, and any Revising Authority shall have access to any register of births and deaths maintained under any law for the time being in force, and it shall be the duty of every person in charge of any such register to give to the said officer, person or authority such information and such extracts from the said register as he may require.

9. **Publication of draft electoral rolls.**—The electoral roll for every constituency shall be published by the Electoral Registration Officer at such place and in such manner as the Election Commission may direct.

10. **Notice inviting claims and objections.**—(1) Simultaneously with the publication of the electoral roll under rule 9, a notice shall be published in like manner in Form V, calling upon persons entered in the roll to lodge in the manner herein prescribed any objection they may have to make to the roll as published and calling upon persons claiming to be entered on the roll to lodge their claim in the manner herein prescribed. Such notice shall specify for each constituency or electoral area the Revising Authority to whom and the place at which and the time referred to in sub-rule (2) within which any such claim or objection may be preferred.

(2) Every such claim or objection shall be made in Form VI, Form VII or Form VIII, whichever may be appropriate, within a period of 21 days from the date of the publication of the electoral roll under rule 9:

Provided that the Election Commission may, in the case of persons to whom the provisions of sub-section (7) of section 20 of the Act apply, by notification in the Official Gazette, extend in respect of any constituency or part of a constituency the said period of 21 days by such period as it may deem fit.

(3) A claim or objection shall be addressed to the Revising Authority and shall either be presented to the Revising Authority specified in the notice referred to in sub-rule (1), or to the Electoral Registration Officer or to such other officer as may be designated in that behalf by the Election Commission within the period specified in or under sub-rule (2) or be sent by post to the Revising Authority so as to reach him within the said period.

(4) A claim or objection which is not lodged within the period specified in or under sub-rule (2), or is lodged otherwise than in the manner herein prescribed or by a person not entitled to lodge the same shall be rejected.

11. **Particulars regarding claims and objections.**—(1) A claim shall be signed either by the person desiring his name to be included in an electoral roll or by an agent authorised in writing by such person and, unless it is sent by post, shall be presented either by such person personally or by such agent.

(2) When objection is made to the inclusion in the electoral roll of any person whose name appears therein, or to any particular in any entry in the roll, such objection shall contain in respect of such person or entry, as the case may be, all the particulars entered in the roll.

(3) No person shall prefer an objection to the inclusion of any name in the electoral roll for a constituency unless his name is already included in the electoral roll for that constituency.

(4) No application for the transfer of a name from the electoral roll of one constituency to that of another constituency shall be entertained. If any person desires such a transfer, he shall prefer an objection to the inclusion of his name in the former roll, and a second and a separate claim for the registration of his name in the latter roll.

(5) When a claim is preferred by a member of the Armed Forces of the Union or by any person holding any office in India declared by the President to be an office to which the provisions of sub-section (4) of section 20 of the Act apply or by any person who is employed under the Government of India in a post outside India, for the registration of his name or that of his wife in the electoral roll for a constituency in which but for his service in the Armed Forces or but for his holding of any such office or employment, as the case may be, he would have been ordinarily resident during the qualifying period or on the qualifying date, it shall be accompanied by a statement in Form II signed and verified by the claimant himself.

(6) When a claim is preferred by any such person as is referred to in sub-section (7) of section 20 of the Act desiring to be registered in the electoral roll for any constituency other than the constituency in which he was resident on the twenty-fifth day of July, 1949, it shall be accompanied by a statement in Form IV signed by himself.

12. **Claims by Electoral Registration Officer.**—(1) The Electoral Registration Officer may, within the period specified in or under sub-rule (2) of rule 10, make an application to the Revising Authority specified in the notice referred to in sub-rule (1) of that rule for the inclusion in or the exclusion from the electoral roll of the names of any persons to whom the provisions of sub-section (3), sub-section (4), sub-section (6) or sub-section (7) of section 20 of the Act apply.

(2) The Electoral Registration Officer shall, within the period specified in or under sub-rule (2) of rule 10, make an application to the Revising Authority specified in the notice referred to in sub-rule (1) of that rule for the making of any corrections in the electoral roll—such as, the removal of duplicate entries or the expunging of the names of persons who are dead or subject to any legal incapacity—which he considers necessary for the preparation of a complete and accurate roll.

(3) The Revising Authority shall serve on each of the persons affected by the application made under sub-rule (1) or sub-rule (2), a notice specifying in the case of an application under sub-rule (1) the grounds on which the inclusion or exclusion of the name has been desired, and specifying in the case of an application under sub-rule (2) the correction which it is proposed to make in the roll, and every such notice shall also specify the place where, and the time when, objections to the application so made will be heard:

Provided that no such notice shall be served where the Revising Authority is *prima facie* satisfied that the application should be granted, or where the application is one for the correction of a clerical or a printing error.

13. **Register of claims and objections.**—A register of claims and objections shall be maintained by the Revising Authorities, the Electoral Registration Officers and other officers authorised to receive claims and objections under sub-rule (3) of rule 10.

14. **Notice of claims or objections.**—(1) Except in the case where the Revising Authority is *prima facie* satisfied as to the validity of a claim, every person whose claim or objection is received in time shall be served with a notice in Form IX by the Revising Authority, specifying the place where, and the time when, his claim or objection will be heard, and directing him or his agent to be present with such evidence as he may wish to adduce.

(2) When objection is made by any person to the inclusion of the name of any other person in an electoral roll, the Revising Authority shall, except in the case where such authority is *prima facie* satisfied as to the validity of the objection, serve on such other person a notice in Form X giving the grounds on which the inclusion of his name has been objected to, and requiring such person or the agent of such person to attend at the place and the time fixed for the hearing of the objection.

15. **Transfer of claims and objections.**—Subject to such instructions as may from time to time be issued in this behalf by the Election Commission, a Revising Authority to whom any claim or objection has been preferred or before whom any claim or objection is pending for disposal, may transfer such claim or objection for disposal to any other Revising Authority competent to perform such duties and having jurisdiction in the electoral

area to which the electoral roll in respect of which such claim or objection has been preferred relates, and the Revising Authority to whom any claim or objection has been so transferred shall proceed in accordance with the provisions of these rules and dispose of such claim or objection.

16. **Service of notice.**—Every notice issued by the Revising Authority shall, if possible, be served personally, and in default of personal service, shall be served by registered post or by affixing a copy thereof at the residence or the last known residence within the constituency of the person concerned. A certificate of service, either personal or otherwise, shall be deemed to be conclusive proof of the fact of such service.

17. **Inquiry into claims and objections by the Revising Authority.**—The Revising Authority shall hold a summary inquiry into the claim or objection preferred and shall record his decision. He shall also, after considering any verbal or written objections that may be preferred, decide on any application made by the Electoral Registration Officer under sub-rule (1) or sub-rule (2) of rule 12 for the inclusion or exclusion of any name in or from the electoral roll or for corrections to the roll. For the purpose of the inquiry the roll as published under rule 9 shall be presumed to be correct.

18. **Decision of the Revising Authority regarding claims and objections.**—(1) The decisions of the Revising Authority shall be final. Every such decision shall be communicated to the Electoral Registration Officer who shall cause the electoral roll to be amended in accordance therewith.

(2) The Revising Authority shall also direct the Electoral Registration Officer to correct any clerical or printing errors which the Revising Authority may himself discover in the roll. The Electoral Registration Officer or any person employed by him under sub-section (2) of section 22 of the Act may also correct any misspellings which he may discover in the electoral roll after the decision of the Revising Authority has been communicated to the Electoral Registration Officer.

19. **Final publication of electoral rolls.**—The electoral roll so amended shall be republished in the manner specified in rule 9 and, where it is an electoral roll first prepared under the Act, shall come into force immediately upon such republication, and, where it is an electoral roll subsequently prepared under the Act, shall come into force on the 1st day of October immediately succeeding such republication:

Provided that if for any reason an electoral roll for any constituency or part of a constituency is in any year not republished before the 1st day of October next after the qualifying date by reference to which that roll is prepared, the electoral roll shall come into force immediately upon its republication.

20. **Revision of electoral rolls after final publication in special cases.**—(1) When the Election Commission directs the revision of the electoral roll of any constituency under clause (a) of section 25 of the Act, the roll shall be revised by the preparation of a list containing additions to, omissions from, or alterations in, such roll, and all the provisions of these rules shall apply in the case of every such list in like manner as they apply in the case of electoral rolls:

Provided that the Election Commission may direct such modification in any of the prescribed Forms as it may consider necessary for the purpose of such revision.

(2) Any person whose name is not included in the electoral roll of a constituency for the time being in force and who is entitled to be registered therein may, at any time after the roll is finally published and before the

constituency is called upon to elect, apply to the Election Commission for an amendment of the roll by the inclusion of his name therein, and if the Election Commission is satisfied, after such notice and such inquiry as it thinks fit, that the applicant is entitled to be registered therein, the Election Commission may direct the amendment of the electoral roll by inclusion therein of an entry relating to the applicant:

Provided that an application under this sub-rule shall not be entertained if it is not accompanied by a fee of rupees fifty, which shall in no case be retunded.

(3) When any list is republished under sub-rule (1) or a direction is issued under sub-rule (2), the electoral roll to which such list or direction relates shall be deemed to have been revised accordingly.

21. **Striking off of names of persons disqualified for voting and reinstatement of such names after removal of such disqualification.**—(1) If the disqualification for voting incurred by any person whose name has by reason thereof been struck off the electoral roll under sub-section (2) of section 16 of the Act be removed during the period the said electoral roll is in force under section 24 of the Act, the name of such person shall forthwith be reinstated in that electoral roll.

(2) The Electoral Registration Officer shall make the correction referred to in sub-section (2) of section 16 of the Act or the reinstatement referred to in sub-rule (1) in such number of copies of the electoral roll in his custody as may be specified under sub-rule (3) of rule 24, and shall also in every case cause such correction or reinstatement to be made forthwith in all other copies. Every correction or reinstatement so made or caused to be made in an electoral roll shall be initialled and dated by the person who makes the correction or reinstatement, and the electoral roll in which such correction or reinstatement is made shall thereupon be deemed to have been amended accordingly.

22. **Annual preparation of electoral rolls.**—(1) After the electoral rolls first prepared under the Act have been republished under rule 19, the Election Commission may, for the purpose of any subsequent annual preparation of the electoral roll for any constituency under section 23 of the Act, direct the preparation of a list of amendments to the electoral roll for such constituency for the time being in force for its publication under rule 9, and the provisions of rules 3 to 8 (both inclusive) shall so far as they are applicable apply in the case of such preparation of the list in like manner as they apply in the case of the preparation of electoral rolls.

(2) When any such list of amendments to an electoral roll for a constituency has been so prepared, the electoral roll for such constituency for the time being in force together with the list of amendments thereto so prepared shall be published under rule 9 and shall be deemed to be the electoral roll prepared for that constituency, and the provisions of rules 10 to 19 (both inclusive) shall so far they are applicable apply in the case of every such roll (including the list of amendments) in like manner as they apply in the case of electoral rolls first prepared under the Act.

(3) When a list of amendments is prepared for any constituency under the foregoing provisions of this rule, it shall not be necessary to reprint the entire roll but the list of amendments only need be printed:

Provided that the Election Commission may, if it deems it expedient so to do, direct that the entire roll along with the list of amendments shall be printed as a single roll.

23. **Simultaneous preparation of electoral rolls for Parliamentary and Assembly constituencies.**—(1) It shall be lawful to combine the preparation and publication of electoral rolls for the Parliamentary constituencies and the Assembly constituencies in the same State.

(2) Where any addition, omission, alteration or other amendment is made under the Act or these Rules in the electoral roll of an Assembly constituency or a Parliamentary constituency, a similar amendment shall be made in the corresponding electoral roll of a Parliamentary constituency or an Assembly constituency, as the case may be.

PART III.

CUSTODY AND PRESERVATION OF ELECTORAL ROLLS AND OTHER ELECTION PAPERS CONNECTED THEREWITH.

24. **Custody and preservation of electoral rolls, etc.**—(1) Three complete copies of the preliminary electoral roll for each constituency and all statements submitted to the Electoral Registration Officer under rule 5 shall be kept in the office of the Electoral Registration Officer of the constituency or at such other place as the State Government may by order specify for a period of one year unless their retention for a longer period is ordered by the State Government.

(2) All claims and objections to any preliminary electoral roll and the decisions of the Revising Authority thereon shall be kept in the office of the Electoral Registration Officer of the constituency to which such roll relates or at such other place as the State Government may by order specify until the completion of the next annual preparation of the electoral roll for such constituency.

(3) Such number of copies of the final electoral roll for each constituency as may be specified by the State Government shall be kept in the office of the Electoral Registration Officer of the constituency to which such roll relates or at such other place as the said Government may by order specify until the final publication of the next electoral roll for such constituency.

(4) One complete copy of the final electoral roll for each constituency shall be kept for permanent deposit in such place as the State Government may by order specify.

(5) All copies of the final electoral roll for each constituency deposited under sub-rule (3) or the copy of the final electoral roll for each constituency deposited under sub-rule (4) shall before deposit be duly authenticated by the Electoral Registration Officer of such constituency.

(6) Printed copies of the final electoral roll for any constituency in excess of the number required for preservation under sub-rules (3) and (4) shall be deposited in such place as the State Government may direct. Spare copies of the electoral roll so deposited shall be available for sale to the public until the final publication of the next electoral roll for the constituency to which it relates and thereafter such rolls may be disposed of in such manner as the authority with whom they are deposited may direct.

(7) Every person shall have a right to inspect the election papers referred to in sub-rules (1), (2) and (3) and to get attested copies thereof on payment of such fees as may be fixed by the State Government:

Articles 6 and 7 of the Constitution.

6. *Rights of citizenship of certain persons who have migrated to India from Pakistan.*—Notwithstanding anything in article 5, a person who has migrated to the territory of India from the territory now included in Pakistan shall be deemed to be a citizen of India at the commencement of this Constitution if—

(a) he or either of his parents or any of his grand-parents was born in India as defined in the Government of India Act, 1935 (as originally enacted); and

(b) (i) in the case where such person has so migrated before the nineteenth day of July, 1948, he has been ordinarily resident in the territory of India since the date of his migration, or

(ii) in the case where such person has so migrated on or after the nineteenth day of July, 1948, he has been registered as a citizen of India by an officer appointed in that behalf by the Government of the Dominion of India on an application made by him therefor to such officer before the commencement of this Constitution in the form and manner prescribed by that Government:

Provided that no person shall be so registered unless he has been resident in the territory of India for at least six months immediately preceding the date of his application.

7. *Rights of citizenship of certain migrants to Pakistan.*—Notwithstanding anything in articles 5 and 6, a person who has after the first day of March, 1947, migrated from the territory of India to the territory now included in Pakistan shall not be deemed to be a citizen of India:

Provided that nothing in this article shall apply to a person who, after having so migrated to the territory now included in Pakistan, has returned to the territory of India under a permit for resettlement or permanent return issued by or under the authority of any law and every such person shall for the purposes of clause (b) of article 6 be deemed to have migrated to the territory of India after the nineteenth day of July, 1948.

UNION PUBLIC SERVICE COMMISSION.

Advertisement No. 35.

APPLICATIONS accompanied by a treasury receipt or a crossed Indian postal order for Rs. 7-8 (Rs. 1-14 for Scheduled Castes, tribal and aboriginal communities candidates), invited for the undermentioned posts from citizens of India. Persons who have migrated from Pakistan with the intention of permanently settling in India or subjects of Nepal or of Sikkim or of a Portuguese or French possession in India are also eligible, but in their case a certificate of eligibility from the Government of India will be necessary for appointment. Such candidates should apply to the Government of India in the Ministry of Home Affairs, for the necessary certificate and furnish satisfactory proof of having so applied. **Separate application with separate fee required for each post.** The crossed postal order should be marked payable to Secretary, Union Public Service Commission, at New Delhi Post Office to whom also the application should be addressed. Cheques or money orders not accepted. Candidates applying from outside India should deposit their fees with the High Commissioner for India or the Indian Ambassador or the Government of India's Agent as the case may be and attach the receipts to their applications. The Commission may at their discretion remit the application fee where they are satisfied that the applicant is a bona fide displaced person and is not in a position to pay the prescribed fee. No candidate will be considered for appointment unless he appears for a personal interview if called upon to do so. Upper age limit relaxable by three years for Scheduled Castes, tribal and aboriginal communities candidates and displaced persons. In the case of Indian employees of the Government of Burma discharged owing to constitutional changes in that country, the conditions regarding upper age limit may not be enforced in respect of temporary appointments while they may be relaxed up to 45 years where necessary in respect of permanent and quasi-permanent appointments. GOVERNMENT OF INDIA.

Ministry of Law.

The following Act of the Parliament of India received the assent of the President on the 16th August, 1950, and is hereby published for general information :—

ACT NO. LII OF 1950.

THE ESSENTIAL SUPPLIES (TEMPORARY POWERS) AMENDMENT ACT, 1950.

An Act further to amend the Essential Supplies (Temporary Powers) Act, 1946.

BE it enacted by Parliament as follows :—

1. Short title.—This Act may be called the Essential Supplies (Temporary Powers) Amendment Act, 1950.

2. Omission of preamble, Act XXIV of 1946.—The preamble to the Essential Supplies (Temporary Powers) Act, 1946 (hereinafter referred to as the said Act), shall be omitted.

3. Amendment of section 1, Act XXIV of 1946.—In section 1 of the said Act,—

(*a*) for sub-section (*2*), the following sub-section shall be substituted, namely :—

"(*2*) It extends to the whole of India except the States of Jammu and Kashmir, but shall come into force in a Part B State to which this Act extends only on such date as the Central Government may, by notification in the Official Gazette, appoint in this behalf, and different dates may be appointed for different Part B States";

(*b*) in sub-section (*3*), for the words and figures "first day of April, 1951", the words and figures "thirty-first day of December, 1952" shall be substituted.

4. Amendment of section 2, Act XXIV of 1946.—In section 2 of the said Act,—

(*a*) after item (*i*) of clause (*a*), the following item shall be inserted, namely :—

"(*ia*) cattle fodder";

(*b*) after clause (*c*), the following clause shall be inserted, namely :—

"(*cc*) 'cattle fodder' includes oil-cakes and other concentrates;".

5. Insertion of new section 2A in Act XXIV of 1946.—After section 2 of the said Act, the following section shall be inserted, namely:—

"2A. *Rule of construction respecting enactments not extending to Part B States.*—Any reference to the Indian Penal Code (Act XLV of 1860), the Code of Criminal Procedure, 1898 (Act V of 1898), or the Indian Evidence Act, 1872 (I of 1872), shall, in relation to any Part B State to which this Act applies, be construed as a reference to the corresponding enactment in force in that State."

6. Amendment of section 3, Act XXIV of 1946.—For sub-section (*3*) of section 3 of the said Act, the following sub-section shall be substituted, namely:—

"(*3*) An order made under sub-section (*1*) may confer powers and impose duties upon the Central Government or the State Government or officers and authorities of the Central or State Government and may contain directions to any State Government or to officers and authorities thereof as to the exercise of any such powers or the discharge of any such duties."

7. Substitution of new section for section 7, Act XXIV of 1946.—For section 7 of the said Act, the following section shall be substituted, namely:—

"7. *Penalties.*—(*1*) If any person contravenes any order under section 3 relating to cotton textiles, he shall be punishable with imprisonment for a term which may extend to three years and shall also be liable to fine; and any property in respect of which the order has been contravened or such part thereof as to the Court may seem fit shall be forfeited to the Government.

(*2*) If any person contravenes any order under section 3 relating to foodstuffs,—

(*a*) he shall be punishable with imprisonment for a term which may extend to three years and shall also be liable to fine, unless for reasons to be recorded the court is of opinion that a sentence of fine only will meet the ends of justice; and

(*b*) any property in respect of which the order has been contravened or such part thereof as to the court may seem fit shall be forfeited to the Government, unless for reasons to be recorded the court is of opinion that it is not necessary to direct forfeiture in respect of the whole or, as the case may be, any part of the property:

Provided that where the contravention is of an order prescribing the maximum quantity of any foodgrain that may lawfully be possessed by any person or class of persons, and the person contravening the order is found to have been in possession of foodgrain exceeding twice the maximum quantity so prescribed, the court shall—

(*a*) sentence him to imprisonment for a term which may extend to seven years and to a fine not less than twenty times the value of the foodgrain found in his possession, and

(*b*) direct that the whole of such foodgrain in excess of the prescribed maximum quantity shall be forfeited to the Government.

Explanation.—A person in possession of foodgrain which does not exceed by more than five maunds the maximum quantity so prescribed shall not be deemed to be guilty of an offence punishable under the proviso to this sub-section.

(*3*) If any person contravenes any order under section 3 relating to any essential commodity other than cotton textiles and foodstuffs, he shall be punishable with imprisonment for a term which may extend to three years, or with fine or with both, and if the order so provides, any property in respect of which the court is satisfied that the order has been contravened may be forfeited to the Government.

(*4*) If any person to whom a direction is given under sub-section (*4*) of section 3 fails to comply with the direction, he shall be punishable with imprisonment for a term which may extend to three years, or with fine, or with both."

8. Amendment of section 7A, Act XXIV of 1946.—In section 7A of the said Act, the words, brackets and figure "sub-section (*1*) of" shall be omitted and for the words "said sub-section", the words "said section" shall be substituted.

9. Insertion of new sections 13A and 13B in Act XXIV of 1946.—After section 13 of the said Act, the following sections shall be inserted, namely:—

"13A. *Special provisions regarding bail.*—Notwithstanding anything contained in the Code of Criminal Procedure, 1898 (Act V of 1898), no person accused or convicted of a contravention of any order under section 3 relating to foodgrains which is punishable under the proviso to sub-section (*2*) of section 7 shall, if in custody, be released on bail or on his own bond unless—

(*a*) the prosecution has been given an opportunity to oppose the application for such release, and

(*b*) where the prosecution opposes the application, it appears to the court that there are reasonable grounds for believing that he is not guilty of such contravention.

13B. *Cases to be disposed of expeditiously.*—Where any offence is not being tried in a summary way under section 12 of this Act,—

(*a*) with reference to sub-section (*1*) of section 256 of the Code of Criminal Procedure, 1898 (Act V of 1898), the next hearing of the case shall be fixed on the day following the one on which the charge is framed, unless the Magistrate, for reasons to be recorded in writing, adjourns the case to any other day, but not later than four days, and

(*b*) the hearing of the case shall be continued from day to day unless the court finds the adjournment of the hearing beyond the following day to be necessary for reasons to be recorded."

10. Amendment of section 17, Act XXIV of 1946.—After sub-section (*3*) of section 17 of the said Act, the following sub-section shall be inserted, namely:—

"(*4*) If immediately before the day on which this Act comes into force in a Part B State, there is in force in that State any law which corresponds to this Act, such corresponding law shall on that day stand repealed in so far as it relates to any of the essential commodities governed by this Act:

Provided that any order made and in force immediately before that day in the said State shall continue in force and be deemed to be an order made under this Act, and all appointments made, licences or permits granted, and directions issued, under any such order and in force immediately before that day shall likewise continue in force and be deemed to be made, granted or issued in pursuance of this Act."

DIRECTORATE OF AGRICULTURE WEST BENGAL

Calcutta, the 5th August 1950.

First Forecast of Sugarcane Crop of West Bengal for 1950-51.

Season.—There has been unfavourable weather condition in all the districts except Bankura. Drought has affected the growth of the crop adversely almost everywhere; heavy rains have caused some damages at places.

Area planted.—The total area planted this year is estimated at 53,000 acres, as against 57,800 acres and 57,300 acres shown in the corresponding and the final forecasts respectively of last year. In most of the districts the decrease in acreage is due to drought and unfavourable weather condition. Shortage of crushers accounts for the decrease in acreage in Jalpaiguri and West Dinajpur while that in Birbhum is explained by acute want of sugarcane cuttings.

D. BASU,
for Director of Agriculture, West Bengal.

APPENDIX.

RESOLUTION No. 5395P.

Calcutta, the 1st September 1950.

The Government of West Bengal have learnt with deep regret of the death of Janab Ubaidur Rahim, Public Prosecutor of Bankura, on the 28th August 1950, at the hands of an assassin.

2. Janab Rahim was appointed Public Prosecutor on 18th December 1946, and continued to hold that office until his death. He earned a high reputation for efficiency and fairness in the discharge of his official duties. As a citizen he was loved and respected by all those who knew him. In the last few months he had rendered valuable help to the district authorities at Bankura in the task of rehabilitating Muslims displaced from their homes during the communal disturbances in the early part of this year. His untimely death will be a great loss to the district.

3. Government desire to tender their sincerest sympathies to the members of his family and his relatives in their grievous loss.

By order of the Governor,

S. N. RAY,

Chief Secy. to the Govt. of West Bengal.

NOTIFICATIONS.

No. 3746F./F/1R/18(18)/50.—30th August 1950.—In exercise of the powers conferred by article 309 read with article 313 of the Constitution of India, the Governor is pleased to direct that the following further amendments shall be made in the West Bengal Service Rules, Part I, corrected up to 1st November 1948, namely:—

Amendments.

1. *For* rule 171 of the said rules, *substitute* the following:—

"171. Notwithstanding anything in clauses (*a*) and (*b*) of rule 170—

(*a*) the earned leave admissible to—

(*i*) the Judges and Registrar of the Small Cause Court, Calcutta;

(*ii*) members of the West Bengal Civil Service (Judicial); and

(*iii*) members of the clerical establishment in the Small Cause Court, Calcutta, or in the Civil Courts,

shall, in respect of duty performed in any year in which the Government servant avails himself of the full vacation, be 1/22nd of the period spent on duty;

(*b*) the earned leave admissible to such a Government servant in respect of any year in which he is prevented from availing himself of the full vacation shall be such proportion of fifteen days' earned leave as the number of days of vacation not taken bears to the full vacation."

2. *For* rule 188 of the said rules, *substitute* the following:—

"188. Vacation counts as duty; but the periods of total leave in rule 179 and clauses (*a*) and (*b*) of rule 184 shall ordinarily be reduced—

(*a*) in the case of—

(*i*) the Judges and Registrar of the Small Cause Court, Calcutta;

(*ii*) members of the West Bengal Civil Service (Judicial); and

(*iii*) members of the clerical establishment in the Small Cause Court, Calcutta, or in the Civil Courts, by fifteen days; and

(*b*) in other cases by one month; for each year of duty in which the Government servant has availed himself of the vacation. If a part only of the vacation has been taken in any year, the period to be deducted will be a fraction of fifteen days in case (*a*) or of a month in case (*b*) equal to the proportion which the part of the vacation taken bears to the full period of vacation, provided that in the case of members of the West Bengal Civil Service (Judicial) leave may not be both affixed and prefixed to a vacation."

3. *For* rule 190 of the said rules, *substitute* the following:—

"190. In cases of urgent necessity when a Government servant requires leave and no leave is due to him the periods in rule 179 and clause (*a*) of rule 184 as reduced by rule 188 may be

increased by one month for every two years of duty in a vacation department:

Provided that in the case of—

(*i*) members of the West Bengal Civil Service (Judicial);

(*ii*) the Judges and Registrar, Small Cause Court, Calcutta; and

(*iii*) members of the clerical establishment in the Small Cause Court, Calcutta, or in the Civil Courts,

the amount of leave to be added should be reduced by fifteen days."

4. These amendments should be deemed to have had effect as if those were issued on 1st July 1946.

No. 3770F./F/3L-2(24)/50.—1st September 1950.—Sri Subodh Kumar Ghosh, Financial Adviser, Departments of Food and Supplies, and *Ex-officio* Finance Secretary to the Government of West Bengal, is allowed leave preparatory to retirement on average pay under Article 184(*b*) (*ii*), West Bengal Service Rules, Part I, for twelve days with effect from 3rd October to 14th October 1950, both days inclusive, with permission to prefix Sunday, the 1st October 1950, and Monday, the 2nd October 1950, which is a holiday on account of Mahatma Gandhi's birthday and affix the Durga and Lakshmi Puja holidays from the 15th to 26th October 1950.

In other cases, major operations—Rs. 10. Minor operations—Rs. 5.

(*e*) *Charges for anti-rabic treatment of dogs*—Cost of vaccine *plus* in-patient or out-patient charges mentioned above.

Other animals.

Rates will be decided by the Principal or Vice-Principal on admission.

Note.—Classification of operations—major or minor—shall be decided by the Principal. His decision shall be final.

3. The fees mentioned in rule 2 include feeding, nursing and general treatment. In calculating the number of days for which the charge is to be levied the day of admission is charged for as a whole day if the animal is admitted before midday; otherwise no charge shall be made. Similarly the day when an animal is discharged is charged for as a whole day if the animal is discharged after midday; otherwise no charge shall be made. The hours of admission and discharge should be noted in the admission and discharge registers.

This rule is subject to the minimum charge prescribed in rule 2.

4. The charges for animals admitted under the Bengal Cruelty to Animals Act, 1920 (Bengal Act I of 1920), shall be the same as the charges prescribed in rule 2.

5. If an animal detained in the Bengal Veterinary College infirmary under sub-section (*1*) of section 24 of the Bengal Cruelty to Animals Act, 1920 (Bengal Act I of 1920), cannot be sold under sub-section (*3*) of the said section and if the officer in charge of the infirmary does not direct the immediate destruction of the animal under sub-section (*2*) of section 25, or is not empowered to direct such destruction by reason of the operation of the proviso to sub-section (*2*) of section 25, the officer in charge shall either cause the animal to be sent to the Pinjrapole at Sodepur at the expense of the infirmary or retain it in the infirmary.

6. Animals if not taken away after three notices have been sent, the first being issued for a period of seven days, the second on the eighth day for five days, and the third and final notice per registered post, on the thirteenth day for three days, to the owner to the effect that the patient is to be removed, shall be sold on the seventeenth day to recover hospital charges or disposal of in any other way, thought fit by the Principal, Bengal Veterinary College. The deficit, if any, may be recovered by civil suit at the discretion of the Principal.

7. Horses in class I and class II shall, in each case, be accompanied by a syce, who shall remain with the horse and work under the direction of the House Surgeon. Horses in the other classes shall be similarly attended to if the Principal or Vice-Principal considers it necessary.

8. With regard to feeding, nursing and treatment, all patients shall be looked after with equal care, irrespective of their classification.

9. All accounts must be settled and charges paid before any animal is removed.

10. Owners of animals may visit hospital to see their animals between 10 a.m. and 11 a.m. in the morning and 3 p.m. to 5 p.m. in the afternoon in the day but shall not be allowed to interfere in any way with the treatment of patients.

11. All important operations shall be conducted on patients with the aid of chloroform or other anaesthetic.

12. All animals sent to the hospital for treatment shall receive every care and attention, but no person employed to perform the duties of the hospital or any other person connected with the hospital shall be responsible for any unavoidable accident or death.

13. (*a*) A motor ambulance for the conveyance of disabled animals to the hospital from within the Glanders area in Calcutta and suburbs under the control of the Principal, Bengal Veterinary College, is available on prepayment of a fee of Rs. 10.

(*b*) The fee for the use of the motor ambulance attached to the Bengal Veterinary College Hospital in cases other than when the animal is conveyed to the hospital is at the flat rate of Rs. 15 per call for conveyance of animals within the Glanders area in Calcutta and suburbs plus an additional fee of Re. 1 per every hour or part of an hour the ambulance is detained over two hours on the actual work for which it is called, that is to say, not including the journey to and the journey back from, the place the ambulance is required to proceed to. The fee of Rs. 15 is payable in advance. The additional fee for detention will either be realized by the ambulance driver on the spot from the owner of the animal who shall be given a printed receipt in return for the proper fee for which the driver shall be supplied with a book of vouchers; or the same will be realized later.

(*c*) Exceptions to advance payments under clauses (*a*) and (*b*) shall be made in cases of Government departments or corporate bodies, such as the Royal Calcutta Turf Club and Calcutta Corporation and other such bodies who generally pay on receipt of bills only, and also in exceptionally emergent cases under the authority of the Principal only.

(*d*) The Principal is also empowered—

(*i*) to send the ambulance on hire in emergent circumstances and without detriment to the normal duties of the College, beyond the Glander's area on receipt of reasonable fees in proportion to the fees prescribed by the Governor of the State for transport of animals;

(*ii*) to utilise the ambulance for purposes other than bringing animals provided it is free at the time and it economises expenditure of the State Government; and

(*iii*) to exercise his discretion to remit the fees in cases of owner-less animals picked up from the street or of poor people.

(*e*) The ambulance fees mentioned in clauses (*a*) and (*b*) may be realised by the ambulance driver on furnishing a printed receipt to the owner of the animal. Such fees shall be deposited with the cashier on the next available opportunity after attending calls.

14. Advance of money to cover the fees chargeable under rule 2, for such period as may be fixed by the Principal or Vice-Principal shall be made by the owners at the time of admission of animals for treatment; and further advance shall be made as soon as the former advance is exhausted or about to be exhausted. The Principal or Vice-Principal shall have power to waive advance payment in emergent or exceptional cases. The Principal is authorised to sanction the refund of amounts paid in excess of actual dues.

15. Owners of patients shall be required to supply any special or expensive medicine or drug, or other article, for the use and benefit of their animals, when such supply is necessary in the opinion of the hospital authorities.

16. Cows belonging to the public may be served by the breeding bulls of the Bengal Veterinary College on payment of a fee of Rs. 5 for each natural service.

(*Note.*—Provision is being made for artificial insemination free of cost.)

17. Horses, ponies, bullocks and buffaloes may be shod at the forge attached to the college hospital at the following rates:—

Horses and ponies.

Class I—Rs. 5 per set per animal.

Class II—Rs. 3 per set per animal.

Class III—Rs. 2 per set per animal.

Bullocks and Buffaloes—Re. 1 per set per animal. The rates for removal of shoes for any class or type of animal shall be half the above rates.

18. For facility of treatment and diagnosis of diseases, X-Ray examination of animals is undertaken at the Bengal Veterinary College Hospital on payment of fees at the following rates:—

Horses.

	Rs.
Horse (in-patient)	8
Horse (out-patient)	8

Cattle.

	Rs.
Cattle (in-patient)	5
Cattle (out-patient)	5

Dogs and cats.

	Rs.
Dogs and cats (in-patient)	5
Dogs and cats (out-patient)	5

Other animals.

Rates to be fixed by the Principal.

Note 1.—For instructional purposes X-Ray photos of animals may be made, free of charge, at the discretion of the Principal, for purposes of special diagnosis during currency of treatment.

Note 2.—X-Ray plant shall not be removed out of the hospital for X-Ray examination.

Note 3.—X-Ray examination of horses sent through the Royal Calcutta Turf Club will be done free of charge so long as their X-Ray plant will be used in this College Hospital provided that the Club agrees to bear the cost of films, etc., required for taking the plate.

19. The Principal may make X-Ray examination, free of charge, of cattle and dog patients when this is found necessary for purposes of treatment and when the owners of such patients are too poor to pay the fees fixed for examination.

20. The fee shall be paid strictly in advance by the parties concerned at whose instance or with whose consent, previously taken, X-Ray examination is made.

21. The following fee is prescribed for the Ultra-violet rays and Infra-red treatment of animals at the Bengal Veterinary College Hospital:—

In and out-patients.

No fee shall be charged for examining cattle and dogs if such animals belong to poor persons.

In other cases—Rs. 5 per course of five exposures or less. The fee will be payable in advance by the parties concerned. Every case of exemption of poor owners of cattle and dogs from payment of the fee shall be attested by the Principal.

22. At the written request of the owner, the animals shall be put to sleep by humane method on payment of Rs. 10 per head for all kinds of animals.

Note 1.—The charges shall always be payable in advance.

Explanation.—The expression "Poor persons" in these rules, means persons whose income is belived to be less than Rs. 50 a month.

Subject: Noting of "L.C." (abbreviation of Life Certificate) and "B.K." (Bank) on the pension payment orders.

No. T.M./185.—1st September 1950.—All Treasury Officers and Sub-Treasury Officers in West Bengal are hereby informed that at the instance of this office it has been decided by the Government of West Bengal that the letters "L.C." (abbreviation of Life Certificate) should be written in the monthly cage of the pension payment orders in all cases where pension is drawn by an authorised agent of the pensioner on furnishing a life certificate. Similarly, the letters "B.K." (Bank) should be written when payment is received through a bank. This note will enable the disbursing officer to ascertain at a glance the period of non-attendance in person of the pensioner and to send out a call notice for his appearance when necessary. It is directed that the procedure indicated above should be strictly followed.

COMMERCE AND INDUSTRIES DEPARTMENT

Mines and Power

NOTIFICATION.

No. 1947M.P.—18th August 1950.—In pursuance of sub-rule (*4*) of rule 15 of the Indian Electricity Rules, 1937, framed under section 37 of the Indian Electricity Act, 1910 (IX of 1910), the following advertisement by the Hijli Co-operative Transport Society, Limited, published in the *Hindusthan Standard* of the 6th, 7th and 8th August 1950, is published for general information.

NOTICE.

It is hereby notified for public information that the Hijli Co-operative Transport Society Ltd., Contai, have applied under Rule 11 of the Indian Electricity Rules, 1937, to the Secretary to the Government of West Bengal, Commerce and Industries Department, Calcutta, for the grant of license under the Indian Electricity Act, 1910, for supply of electricity in the town of Contai A copy of the Draft License containing the terms and conditions is appended below:—

Draft License—The Contai Electric License, 1950 (District Midnapore).

License for the supply of electrical energy granted by the Government of West Bengal, hereinafter referred to as "the Government" under the Indian Electricity Act, 1910.

Subject to the provisions of the Indian Electricity Act IX of 1910 and the Electricity (Supply) Act, LIV of 1948, license is hereby granted to Messrs. Hijli Co-operative Transport Society Ltd., Contai, Midnapore, to supply electrical energy in the area with the powers and upon the terms and conditions specified below:—

Short title.

1. This license may be cited as "The Contai Electric License, 1950".

Interpretations.

2. The several words, terms and expressions to which by the Indian Electricity Act, 1910, the rules thereunder, and by the Electricity (Supply) Act, 1948, meanings are assigned shall have in this license the same respective meanings provided that in this license:—

(*i*) (*a*) The "Act" shall mean the Indian Electricity Act, 1910, and any statutory modifications thereof.

(*b*) The "Government" shall mean the Government of West Bengal.

(*ii*) The expression "the licensee" shall mean and include the said Messrs. Hijli Co-operative Transport Society, Ltd., permitted assigns.

(*iii*) The expression "deposited map" shall mean the plan of the area of supply hereinafter specified, which has been deposited with the Government in pursuance of the rules under the Act, which plan is signed for the purpose of identification, by the Secretary to the Government in the Department of Commerce and Industries and by the applicant.

(*iv*) The term "unit" shall mean the quantity of electrical energy equivalent to a current of one thousand amperes flowing under an electromotive force of one volt during one hour.

(*v*) The expression "First Annexure", "Second Annexure", "Third Annexure" and "Fourth Annexure", shall mean the first, second, third and fourth annexures to this license, respectively.

(*vi*) The expression "the commencement of this license" shall mean the date of the notification by the Government in the *Calcutta Gazette* by which this license is granted.

(*vii*) Unless otherwise stated, where roads or streets are mentioned as forming the boundary or part of the boundary of any area in this license, the premises, properties or structures abutting upon either side of such roads or streets are deemed to be within the area of supply.

Security.

3. (*i*) The period within which the licensee shall show under sub-clause (*a*) of clause I of the Schedule to the Act that he is in a position to discharge fully and efficiently the duties and obligations imposed upon him by the license throughout the area of supply shall, unless otherwise ordered by the Government under sub-clause (*b*) of sub-section (3) of section 4 of the Act, be six months from the commencement of this license.

(*ii*) Unless otherwise ordered by the Government under clause (*d*) of sub-section (*3*) of section 4 of the Act, the sum which the licensee shall deposit or secure to the satisfaction of the Government under sub-clause (*b*) of clause I of the Schedule to the Act, shall be Rs. 10,000 and such sum shall be so deposited or secured within thirty days from the commencement of this license.

Provided that if the work proceeds in a manner satisfactory to the Government, this amount shall be repaid by the Government to the licensee in four equal instalments and a final instalment of payment of interest, if any.

The whole of the amount repaid by Government shall be used by the licensee for carrying into effect the works for which the license is granted.

Area of supply.

4. The area above referred to within which the supply of energy is authorised by the licensee (the area of supply under the Act) is the whole of the area, the boundaries of which are described in the First Annexure and delineated in red colour on the deposited map.

Situation of the generating station.

5. The licensee shall erect the generating or the mains receiving stations within the area covered by the license.

Licensee's works.

6. (*A*) *Compulsory works.*—(*i*) The licensee shall within a period of two years from the date of grant of this license, provide and instal suitable and sufficient feeders and distributing mains and also execute works to the satisfaction of the Government for the purpose of supply of electrical energy throughout the streets, or parts of streets named in the Second Annexure and shown in blue colour on the deposited map, shall erect the generating station or the main receiving station mentioned in clause 5 with all machinery and apparatus necessary for the purpose of giving a continuous and efficient supply and shall do all other works necessary for the commencement of the supply of energy to the consumers.

The works aforesaid shall be in accordance with the scheme sanctioned and mentioned in the Third Annexure and with such modification as may be approved hereafter in writing by the Government.

(*ii*) At the expiration of each successive period of six months from the date of the grant of this license and until the completion of the compulsory works, the licensee shall submit to the Secretary to the Government of West Bengal in the Department of Commerce and Industries reports, stating all steps taken and the progress made in carrying into effect thise license.

(*B*) *Provision of adequate plant and extension of distributing mains.*—Further within twelve months of the receipt of applications and subject to the first proviso of clause VI (*i*) of the Schedule to the Act, the licensee shall lay down suitable and sufficient additional transmission lines and feeders and distribution mains as may be required to give and supply adequate energy to every consumer within the area, and shall provide and maintain adequate plant, which, in the opinion of the Government, may be considered necessary for regular, constant and sufficient supply of energy to consumers.

Supply of energy.

7. (*i*) Subject to the provisions of this license, the Act, and the rules, also the Electricity Supply Act (1948), the licensee shall be entitled during the continuance of his license to supply energy within the area of supply for all purposes.

(*ii*) The supply of energy shall not be commenced until an Electric Inspector to the Government shall have inspected the licensee's works and certified in writing that the supply of energy may commence.

(*iii*) As soon as may be after the grant of this license and in any case within six months from the grant of this license the licensee shall submit to the Government for approval under sub-section (*2*) of section 21 of the Act draft "Conditions of Supply" to regulate his relations with persons who are or intend to become consumers. —

(*iv*) After such conditions have been approved by the Government with or without modification the licensee shall not supply energy unless—

(*a*) the person to whom such supply is to be given shall have tendered to the licensee a requisition duly signed in the form for the time being approved by the Government, and

(*b*) such person and the licensee shall have executed an agreement in a form approved by the Government.

(*v*) The amount of all miscellaneous charges, incidental to, and in connection with the supply of energy which the licensee proposes to make against consumers shall be subject to the previous approval of the Government.

(*vi*) Provided that where all the works have not been completed by the licensee and the licensee nevertheless desires to commence to give supply of energy in a portion or portions of the area of supply, the licensee shall do so only with the express permission of the Government.

Extensions to generating plant, transmission and distributing mains.

8. After the supply of energy has commenced in accordance with clause 7 (*ii*) of this license, no major additions to the generating station, machinery and apparatus, transmission and distribution mains or other works shall be made or orders placed for the same without the previous approval in writing of the Government.

Accounts.

9. (*i*) Separate and distinct accounts shall be kept, prepared and rendered by the licensee complying in full detail the requirements required by the Act, rules thereunder and the Electricity Supply Act (1948), the working of the undertaking for which this license is granted.

All books of accounts shall at all times be open to the inspection of the Government or of any person authorised by the Government in that behalf.

(*ii*) The licensee shall submit to the Government annually before the 1st October, in every year, the accounts of the undertaking made up to 31st March of the same year.

Statistics.

10. The licensee shall when called upon to do so submit to the Government or an officer duly appointed in that behalf such statement and data as may be considered necessary for the purpose of compiling comprehensive statistics of electric supply undertakings in the Province.

Hours of supply.

11. The licensee shall not be bound to maintain a supply from 6-30 a.m. to 5 p.m., local time, during the months of November, December, January and February, until after three years have elapsed from the date of notification of the grant of this license. During this period and these months the supply may be discontinued daily for ten and half hours, viz., between 6-30 a.m. and 5 p.m., local time. On the expiration of these three years a continuous day and night supply shall be maintained throughout the year.

Method of construction.

12. The feeders, distributing mains and service connection may be overhead or underground in whole or in part and (subject to the provisions of section 18 of the Act) shall be erected, constructed and maintained in strict conformity with the Act and the rules thereunder and the following provisions:—

(*i*) The licensee shall not erect overhead mains for use at any pressure higher than medium pressure without the sanction in writing of the Government in each case and subject to such conditions and/or limitations as the Government may impose.

(*ii*) Aerial lines in the vicinity of a building or structure shall be erected to comply with the Indian Electricity Rules concerned and in no case shall an aerial line be at a less distance than 4 feet horizontally and/or 8 feet vertically from any building or structure whether permanent or temporary.

(*iii*) In narrow lanes, passages or streets where it would not be possible to maintain a horizontal clearance of 4 feet between aerial lines and buildings, underground cables shall be provided unless any special method of construction of aerial lines shall have been expressly sanctioned in writing by the Government for any such lane, passage or street and such sanction shall be obtained by the licensee before beginning construction of any such special aerial line.

(*iv*) Where any electric supply lines cross or run along the routes of a taboot, temple car or similar other religious processions, the supply lines shall be laid underground or placed at such height as will allow of the free and safe passage of those processions. In case of dispute, such routes and heights shall be determined by the District Magistrate to whom the licensee shall refer before running any such lines.

(*v*) The licensee shall remove or replace at his own expense any aerial line which runs along or across any street if in the opinion of the Government it is considered necessary to do so.

(*vi*) For the purpose of rule 68(*2*) of the rules, the maximum wind pressure shall be taken as 15 pounds per square foot.

Nature of supply.

13. The system and pressure of supply which shall be adopted for the supply of electrical energy under this license are as follows:—

(*i*) Three-phase alternating current, three or four-wire supply at pressures of 400 volts between phases and 230 volts. between each phase and neutral at a frequency of fifty complete cycles per second.

(*ii*) Single phase alternating current, two-wire supply at a pressure of 230 volts, between the phase and the neutral conductor at a frequency of fifty complete cycles per second,

(*iii*) A high pressure alternating current three phase supply at a pressure of 3,000 volts, between phases at a frequency of fifty cycles per second for feeders and for supply to any large consumers for power purposes.

The pressure stated above shall be as measured at consumer's terminals and shall not vary therefrom beyond the limits prescribed by the Indian Electricity Rules, 1937, throughout the area of supply.

Provided that the licensee may from time to time with the previous consent in writing of the Government and subject to such limitations and conditions as shall be made in writing by the Government, adopt any other pressures or systems of supply or both for the purpose of this license.

Limits of rates to be charged in respect of supply of energy.

14. (*i*) The rates to be charged by the licensee for energy supplied by him shall not exceed those stated in that behalf in the Fourth Annexure, or in the case of a method of charge approved by the Government in accordance with clause (*c*) of sub-section (*3*) of section 23 of the Act, such maxima as the Government may fix on approving the method.

(*ii*) The rates for sale of electrical energy shall be subject to the provisions of section 57 and the Sixth and Seventh Schedule to the Electricity (Supply) Act, 1948.

Purchase of undertaking.

15. (*A*) *Purchase by local authority or Provincial Government (where the Provincial Electricity Board is not formed).*—(*i*) The option of purchase given by section 7 of the Act shall be first exercisable on the expiration of twenty years from the commencement of this license and thereafter on the expiration of every subsequent period of ten years.

(*ii*) The purchase price payable on the exercise of the said option shall be—

(*a*) The net expenditure on the capital account of the licensee in respect of lands, buildings, works, machinery, mains, apparatus, appliances, fixtures, furniture, vehicles and other like property (including servicable standby plant) owned and used by the licensee for the purposes of the undertaking less the total depreciation thereon calculated [according to the scale or depreciation provided in the table appended to the Seventh Schedule of the Electricity (Supply) Act of 1948].

(*b*) The percentage of the value of the lands, buildings, works, materials and plant of the licensee referred to in sub-section (*1*) of section 7 of the Act which shall be added to such value under the second proviso to that section on account of compulsory purchase shall be ten per centum.

(*c*) The value of the stores, spare parts and loose tools in use or available and suitable for use (for the purposes of the undertaking) at the date of the purposes at such price as may be agreed or failing agreement, as may be determined by arbitration.

(*iii*) In accordance with clause (*d*) (*ii*) of sub-section (*3*) of the Act, it is hereby declared that the power station used or to be used in connection with the undertaking shall form part of the undertaking for the purpose of purchase under section 5 or section 7, provided that the power station shall not have been abandoned by reason of the operation of clause 16 of this license.

(*iv*) Not less than two years' notice in writing of any election to purchase the undertaking shall be served upon the licensee by the Government and after such notice shall have been given all extensions and outlays of money debitable to the capital account of the undertaking during the period of such notice shall be subject to the previous approval of the Government.

(*B*) *Purchase by the Electricity Board.*—In the event of the purchase of the undertaking being made by the Provincial Electricity Board constituted, under the provisions of section 5 of the Electricity (Supply) Act, 1948, the same shall be governed by the respective Schedule of the Electricity (Supply) Act, 1948.

Bulk supply.

16. (*i*) Should a supply of electrical energy in bulk become available at any future date from any source at a rate not more than the rate at which the licensee is generating at the time and if the Government think it in the interests of development of electricity in that area, so to direct, the licensee shall obtain his supply from such source.

The decision of the Government operation of this clause shall be final.

(*ii*) The licensee will take from the Provincial Electricity Board, if set up by the Government or from any Government generating station such energy as required for this distribution at any time such Board or the Government is prepared to supply at a rate not more than the rate at which, in the opinion of Electrical Commissioner with the Government of India or the Government, or the Provincial Electricity Board, the licensee is generating at the time of the offer.

If energy is taken as provided above, the licensee shall, if so required, sell to the Electricity Board or to the Government its its generating plant at its depreciated book value, or if such Board or Government does not wish to purchase, the licensee will have full discretion to dispose of such plant.

Management expenses and interest on loan.

17. (*i*) If the license is granted to a limited company, the Government shall have the right from time to time to nominate one *ex-officio* Director on the Board of Directors of such company and the Director so nominated shall be entitled to such remuneration payable by the said company as fixed in the memorandum and Articles of Association of such company in respect of other Directors. The Director so nominated by Government shall not be required to hold any qualification shares, nor shall he be liable to removal or retirement. The Government shall, however, have a right to remove the person so nominated and appoint another person in his place. The Articles of Association of the company shall make suitable provisions on the lines of this clause.

(*ii*) The licensee shall not enter into any agreement with the Managing Agents, if any, or make any modifications to such agreement already entered into unless with the previous consent in writing of the Government. The Government shall also have the right to examine any agreement between the licensee and the Managing Agents, if any, and to require suitable modifications therein as a condition precedent to Government granting any consent as required by section 9(*2*) of the Act.

(*iii*) The rates of remuneration to be paid to the Managing Agents and the expenses of the office of the Managing Agents shall be regulated in accordance with the provisions contained in clause XIII of the Sixth Schedule of the Electricity (Supply) Act of 1948. The rates of remuneration to be paid to the Directors and persons other than the staff employed by the licensee for the actual running of the undertaking and also the rates of interest on loan, whether secured or not, etc., and any changes in such rates shall be subject to the prior approval of Government in each case.

Variations from the Schedule to the Act.

18. In pursuance of clause (*f*) of sub-section (*2*) of section 3 of the Act, it is hereby expressly declared that—

(*i*) Sub-clause (*1*) of clause VI and sub-clause (*1*) of clause VIII of the Schedule to the Act shall for the purpose of incorporation in this license be varied by the addition of "except for the months of November, December, January and February when the supply may be discontinued daily for ten and half hours, namely, between 6-30 a.m. and 5 p.m. for a period of three years from the date of notification of the grant of this license" after the expression "continue to supply energy" occurring in sub-clause (*1*) of clause VI and in sub-clause (*1*) of clause VIII of the Schedule to the Act.

(*ii*) Clause IV of the Schedule to the Act shall, for the purpose of incorporation in this license, be varied by the substitution of two years for the period of three years specified in clause IV of the Schedule to the Act.

(*iii*) The following sentence shall be added between the words "licensee" and "and" at the end of clause (*a*) of the first proviso to sub-clause (*1*) of clause VI of the Schedule to the Act:—

"and to comply with the conditions of supply made from time to time with the previous sanction of the Government under section 21(*2*)".

(*iv*) Sub-clause (*a*) of the first proviso to sub-clause (*1*) of clause VI of the Schedule to the Act shall for the purpose of incorporation in this license be further varied to the following extent, namely, that the licensee shall not be bound to supply energy to any person for any period unless the person requisitioning such supply shall enter into an agreement as required by clause 7 (*iv*) of this license.

(*v*) The following sub-clause shall be substituted for clause VI, sub-clause (*5*), namely:—

"Every requisition under this clause shall be in a form approved by the Government; and copies of the form shall be kept in the office of the licensee and supplied free of charge to any applicant".

(*vi*) The first proviso to clause XI of the Schedule to the Act shall, for the purpose of incorporation in this license, be varied by the substitution of five years for the period of seven years specified in that proviso.

(*vii*) The following sub-clause shall be substituted for sub-clause (*2*) of clause X, namely:—

"(2) Before commencing to supply energy through any distributing main the licensee shall give notice, by public advertisement in such manner as shall be previously approved by the Government, of the method by which he proposes to charge for energy so supplied and the rates at which such energy will be supplied, and, where the licensee has given such notice, he shall not be entitled to change the method of charging or the rates at which energy will be supplied without giving notice thereof by public advertisement in the manner aforesaid and giving in writing one month's notice or such shorter notice as the Government may deem proper of such change to the Government, to the local authority, if any, concerned, and to every consumer or energy who is supplied by him from such distributing main".

Securing continuity of supply.

19. It shall be the duty of the licensee (which expression shall for the purpose of this clause and clause 20 following be taken to mean and include the licensee, his employees, servants and agents and his permitted assigns) to give the nearest Magistrate immediate and full information of any circumstances in which interruption of the supply may be apprehended as a result of civil comotion or disturbance of the public peace, or any strike or lock-out of the nature specified in section 22 of the Industrial Disputes Act, 1947.

Transfer of Management.

The licensee shall not employ or engage any other party to work his undertaking or to carry out the work of supplying energy under this license except with the previous written consent of the Government wholly or to such extent as the Government may think fit.

Revocation.

20. (*i*) If the licensee shall in the opinion of tre Government have failed to give such immediate and full information as is required by clause 19 hereof or if at any time any interruption of the supply shall occur which in the opinion of the Government is attributable to any wilful or preventable default or neglect on the part of the licensee or which in the opinion of the Government could by the exercise of reasonable care have been prevented by the licensee or if the licensee shall in the opinion of the Government, fail to comply with any of the provisions of this license or shall in the opinion of the Government fail to show satisfactory progress during any portion of the perid of two years, specified in clause 6 of this license, or if the general direction and control of the licensee shall cease to be in the hands of the subject of the Indian Union, the license shall be liable to be revoked.

(*ii*) In the event of the Government revoking the license for any of the causes specified in sub-clause (*1*), the security deposit of Rs. 10,000 made in accordance with clause 3 may in whole or in part be forfeited as the Government may decide and the decision of the Government as to both revocation and forfeiture shall be final and binding on the licensee.

LABOUR DEPARTMENT

ORDER.

No. 4850Lab.—30th August 1950.—Whereas under the Government of West Bengal, Labour Department, order No. 3672Lab., dated the 6th July 1950, the industrial dispute between (1) Messrs. B. K. Paul & Co., Ltd., (2) Messrs. B. K. Paul & Co. (Agency), Ltd., and (3) Messrs. B. K. Paul & Co. (Edwards Tonic), Ltd., of 1 and 3, Bonefield Lane, Calcutta, and their workmen represented by B. K. Paul & Co., Ltd. Employees' Union, 102B, Netaji Subhas Road, Calcutta, was referred for adjudication to Sri S. C. Chakravarti, District Judge;

And whereas the said Sri S. C. Chakravarti, District Judge, has submitted to the State Government his award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of industrial dispute between (1) Messrs. B. K. Paul & Co., Ltd., (2) B. K. Paul & Co. (Agency), Ltd., (3) B. K. Paul & Co. (Edwards Tonic), Ltd., and (4) B. K. Paul & Co. (Research Laboratory), Ltd., of 1 and 3, Bonefield Lane, Calcutta, and their workmen represented by (1) B. K. Paul & Co., Ltd. Employees' Union, 102B, Netaji Subhas Road, Calcutta, and (2) B. K. Paul & Co. (Research Laboratory), Ltd. P. A. & D. Co. Factory Employees' Union, 20, Bhutnath Paul Road, post office Chugudanga, Calcutta.

PRESENT:

SRI SAILES CHANDRA CHAKRAVARTI, *Chairman of the Tribunal.*

For the Companies: Sri S. C. Sen, Advocate.

For the B. K. Paul & Co., Ltd. Employees' Union, 102B, Netaji Subhas Road, Calcutta: Sri P. K. Sanyal, Advocate.

Acting under the provisions of sections 7 and 10 of the Industrial Disputes Act, 1947, Government of West Bengal, in the Department of Labour, by their order No. 3672Lab., dated the 6th July 1950, have referred to me for adjudication the industrial dispute between Messrs. (1) B. K. Paul & Co., Ltd., (2) B. K. Paul & Co. (Agency), Ltd., (3) B. K. Paul & Co. (Edwards Tonic), Ltd., and (4) B. K. Paul & Co. (Research Laboratory), Ltd., of 1 and 3, Bonefield Lane, Calcutta, and their workmen represented by (1) B. K. Paul & Co., Ltd. Employees' Union, 102B, Netaji Subhas Road, Calcutta, and (2) B. K. Paul & Co. (Research Laboratory), Ltd. P. A. & D. Co., Factory Employees' Union, 20, Bhutnath Paul Road, post office Chugudanga, Calcutta.

The following points have been referred to me for adjudication:—

(1) Security of service.

(2) Grades and scales of pay.

(3) Dearness allowance.

(4) Designation of the employees.

(5) Leave and holidays.
(6) Payment for overtime.
(7) Promotion.
(8) Bonus.
(9) Provident Fund.
(10) Pension.
(11) Gratuity.
(12) Transfer of Sri Hem Ch. Mukherjee.
(13) Reinstatement of (*a*) Sri Sudhir Ch. Shyam, (*b*) Sri Dhananjoy Bose, (*c*) Sri Shibsankar Chatterjee and (*d*) Sri Balai Chandra Bose.

AWARD.

This is a type of reference where references in respect of numerous concerns have been combined into one. Here separate awards should be made and can be made at different times as we did in the various awards of what is commonly known as the awards of the Mercantile Tribunal.

Of the four firms the following Companies, viz., Messrs. B. K. Paul & Co., Ltd., Messrs. B. K. Paul & Co. (Agency), Ltd., and Messrs. B. K. Paul & Co. (Edwards Tonic), Ltd., have compounded their differences with the employees and a memorandum of agreement has been put in.

There has been no settlement with Messrs. B. K. Paul & Co. (Research Laboratory), Ltd.

There is no difficulty in making awards in respect of the Companies where the differences have been compounded.

So in respect of the three Companies—Messrs. B. K. Paul & Co., Ltd., Messrs. B. K. Paul & Co. (Agency), Ltd., and Messrs. B. K. Paul & Co. (Edwards Tonic), Ltd.—and their employees, I make an award in terms of the agreement a copy of which is made Annexure 1.

S. C. CHAKRAVARTI,
Chairman of the Tribunal.

The 17th August 1950.

ANNEXURE 1.

Terms of Agreements between Messrs. Butto Kristo Paul & Co., Ltd., Butto Kristo Paul & Co. (Agency), Ltd., Butto Kristo Paul & Co. (Edwards Tonic), Ltd., and their workers.

1. The Company agrees not to make any retrenchment of the staff for one year.

2. In view of the present economic crisis through which the Company is passing the consideration as to the increase of dearness allowance will remain in abeyance.

3. Two more dates to be added to the list of present holidays, and they are "Kojagar Lakshmi Puja" and "Janmastami".

4. Increments and promotions as may be due to the employees in terms of the last Awards made in 1947 and 1948 shall be given immediate effect and the employees shall get from the month of Sraban 1357 B.S. all their salaries and wages as may become due to them in terms of the said Awards from the said month of Sraban 1357 B.S. and all the salary and wages that became due to them from the dates of the enforcement of the said Awards up to Asar 1357 B.S. shall be paid in the following manner, viz., in the 1st instalment all employees earning not more than Rs. 50 as basic wages shall be paid in the month of Bhadra 1357 B.S. In the 2nd instalment all employees earning more than Rs. 50 but less than Rs. 75 as basic wages shall be paid in the month of Aswin 1357 B.S. In the 3rd instalment all employees earning more than Rs. 75 as basic wages shall be paid in Agrahayan 1357 B.S.

5. Provident Fund to be completed within nine months in compliance with law on the subject.

6. No consideration of items 2, 4 and 10.

7. Payment of overtime as per previous Award.

8. Half month's salary and wages as bonus during the Pujas this year.

9. Hem Babu to be replaced in his original post.

10. Sri Sachin Dutta is to be provided with some work.

11. All the four employees discharged, viz., Sudhir Chandra Shyam, Dhananjoy Bose, Shibsankar Chatterjee and Balai Chandra Bose will be given one month's salary in addition to their respective dues and one month's pay in lieu of notice.

B. K. Paul & Co., Ltd., B. K. Paul & Co. (Agency), Ltd., B. K. Paul & Co. (Edwards Tonic), Ltd.

The 7th August 1950.

(Sd.) P. K. SANYAL, Advocate for B. K. Paul & Co., Ltd. Employees' Union.

The 7th August 1950.

By order of the Governor,
D. S. P. MUKHERJEE, Jt. Secy.

ORDER.

No. 4852Lab.—30th August 1950.—Whereas under the Government of West Bengal, Labour Department, order No. 3239Lab., dated the 15th June 1950, the industrial dispute between the United Iron and Steel Corporation, Ltd., 119, Grand Trunk Road, Belur, post office Howrah, and 78 workers of the Foundry Section and Machine-shop Section of the firm represented by the Iron Factory Workers' Union, 3/1, Kali Banerjee Lane, Howrah, was referred for adjudication to Sri S. C. Chakravarti, District Judge;

And whereas the said Sri S. C. Chakravarti, District Judge, has submitted to the State Government his award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of industrial dispute between the United Iron and Steel Corporation, Ltd., 119, Grand Trunk Road, Belur, post office Howrah, and 78 workers of the Foundry Section and Machine-shop Section of the firm represented by the Iron Factory Workers' Union, 3/1, Kali Banerjee Lane, Howrah.

PRESENT:

SRI SAILES CHANDRA CHAKRAVARTI, *Chairman of the Tribunal.*

For the Company: Sri Rabindra Nath Roy, Manager of the Factory.

For the Union: Sri Hari Pada Majumdar, Secretary.

Acting under sections 7 and 10 of the Industrial Disputes Act, 1947, the Government of West Bengal, Department of Labour, by their order No. 3239-Lab., dated the 15th June 1950, referred to me for adjudication the industrial dispute between the United Iron and Steel Corporation, Ltd., 119, Grand Trunk Road, Belur, post office Howrah, and 78 workers of the Foundry Section and Machine-shop Section of the firm represented by the Iron Factory Workers' Union, 3/1, Kali Banerjee Lane, Howrah.

The points for adjudication were as follows:—

(1) Is the Company justified in issuing of notice, dated the 4th February 1950, proposing employment of 30 workers and forcing unemployment on the rest of the workers of the Foundry Section?

(2) If so, to what relief are the workers entitled?

(3) Are the workers of the Foundry and Machine-shop Department (mentioned in the schedule attached to the Reference), rendered unemployment as a result of closure of the Foundry Section, entitled to any relief?

AWARD.

This factory had been mainly an iron foundry. For the running of the factory it had to obtain quota of coal and pig iron from the Government. In the month of December 1949 the stock of pig iron became exhausted and there was no prospect of supply in near future. The Management then laid off all the workers. The Company, after this, obtained supply of some pig iron and considered that it could, after abridgment of staff, continue for some time. The Company, therefore, recalled thirty of the persons laid off. The Union, however, opposed this. Their contention had been that there should be no discrimination but the whole lot might be called and if that involved a fresh involuntary unemployment, they were prepared for this. The Company had not been agreeable to this. Obviously they thought that that course would be more expensive inasmuch as the supervisory staff would not be discharged or laid off. The matter at this stage came to be handled by the staff of the Labour Commissioner and ultimately came to me for adjudication under the reference quoted above.

Since the thirty men recalled to duty did not join, the Company made arrangements for utilising the quotas through other agencies and had not tried to obtain further quotas. Even if the thirty men now go to join, the Company will not be able to give them work now and it cannot be said, if ever afterwards they will be able to find work for them. It is understandable that when once full quotas are not realised, a further attempt at obtaining quotas becomes difficult. In view of the situation, both parties have agreed to me that all the workers laid off on 19th December 1949 and 16th January 1950 be discharged with effect from those dates and they will get the following benefits. To understand the nature of the benefits agreed upon, I should note that in the year 1948 a Contributory Provident Fund was unofficially started and the rules were not registered and no trust deed was executed.

The following benefits will be available. Each will get gratuity at the rate of 15 days' pay for each year of continuous service till the date of lay off. In addition to this each worker will get his own contribution to the Provident Fund.

S. C. CHAKRAVARTI,
Chairman of the Tribunal.

The 16th August 1950.

By order of the Governor,
D. S. P. MUKHERJEE, Jt. Secy.

ORDER.

No. 4859Lab.—30th August 1950.—Whereas under the Government of West Bengal, Labour Department, order No. 2306Lab., dated the 8th May 1950, the industrial dispute between Messrs. Janata Radios, Ltd., Head Office "India House", 6, Madan Street, Calcutta, Factory at 7, Cornfield Road, Ballygunge, Calcutta, and their workmen C/o. Sri J. K. Bhattacharyya, Institute of Radio Technology, 188/2, Bowbazar Street, Calcutta-12, was referred for adjudication to Sri G. Palit, District Judge;

And whereas the said Sri G. Palit, District Judge, has submitted to the State Government his award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of an industrial dispute between Messrs. Janata Radios, Ltd., Head Office: "India House", 6, Madan Street, Calcutta, Factory at 7, Cornfield Road, Ballygunge, Calcutta, and their workmen represented by Sri J. K. Bhattacharyya, Institute of Radio Technology, 188/2, Bowbazar Street, Calcutta.

PRESENT:

SRI G. PALIT, *District Judge, Industrial Tribunal.*

For the Union: Sri J. K. Bhattacharyya.

For the Company: Sri N. M. Das Gupta, Pleader.

1. By an order No. 2306Lab., dated the 8th May 1950, the Government of West Bengal had constituted a Tribunal of one Judge under sections 7 and 10 of the Industrial Disputes Act (Act XIV of 1947), and referred the said dispute to me for adjudication.

2. The reference was received here on 10th May 1950. The Union filed written statement on 20th May 1950. The Company filed written objections on 12th June 1950. The issues were framed on 23rd June 1950. The case was taken up for hearing on 19th July 1950 and was concluded on 20th July 1950.

3. The issues as framed by this Tribunal stand as follows:—

(1) Whether there would be any direction for re-opening the factory which was closed on the 4th February 1950.

(2) Whether the workmen discharged by notice should be reinstated and paid for the period of unemployment.

(3) Minimum basic pay.

(4) Rates of dearness allowance.

(5) Pay for the holidays, e.g., Mahalaya 1949 and also for 26th December 1949, 2nd January 1950 and 27th January 1950.

(6) Service amenities regarding free medical aid, overtime pay, etc.

AWARD.

Issue No. 1.

Before I deal with these issues specifically I think it worthwhile to place a brief history of the dispute. The Janata Radios, Ltd., is the Company under the managing agency of Messrs. Chhedilal Harinivas dealing in radios, radio parts and accessories. This Company was started on 1st August 1949 roughly with a dozen of workers. They were appointed on probation for a month with a promise of confirmation after expiry of this period. The Union contends that the Management was not as good as their word. They were confirmed in November 1949 after the workers had started agitation for the same. There was also a difference about working hours, about the day of payment and about holidays and leave. The difference came to a head in January 1950. On the 4th February 1950 which was a pay-day, there was an altercation between the Management and some of the workers in respect of their grievances. Thereafter a lock-out was declared by the Management with effect from 6th February 1950. The workers waited on the Manager on 7th February 1950 with no result. Thereafter, the Management discharged 9 of the workers with effect from 8th February 1950. These discharged workers approached the Labour Directorate with a list of their demands including the prayer for a reference of the dispute to a Tribunal. Attempts at conciliation through the intervention of the Labour Directorate did not meet with success. Thereafter the matter was referred to this Tribunal for adjudication.

According to the Company, there were 13 workmen when the factory was closed down on 4th February 1950. The workers were appointed at first, on probation for a month, but as they did not prove quite as efficient as they were expected, they could not be confirmed before 1st November 1949. The Company contends that Sri J. K. Bhattacharyya fomented agitation among the workers. There were parleys between the workers and the Management in respect of holidays, leave and other matters. These workers refused to comply even with the working hours as laid down in the Factories Act They wanted to proceed in their own way ignoring the Manager. The Management brought the matter to the notice of the Labour Commissioner on 21st January 1950. The Management also reported the matter to the

Deputy Commissioner of Police on 30th January 1950. No effective help came from them. On 4th February 1950 the Works Manager was assaulted. In the meantime alarming reports were received by the Management that the factory might be burnt down. Thereafter the Management, upon enquiry, dismissed these 9 workers by a notice, dated 8th February 1950. The factory was burnt down by some miscreants on 21st March 1950. So the Company stands by the step of discharge and lock-out as unavoidable in the circumstances.

I am satisfied from evidence before me that the factory has been burnt down on 21st March 1950. I refer to the police report, Ext. M1, and also the letter marked Ext. N in this connection. That being the position, the question of re-opening the factory with these workers does not arise. Though the loss of 1 lakh of rupees on this head might have been exaggerated, yet I have reasons to think that the radio parts and accessories which were the stock-in-trade of the business had been gutted. So I reject the claim under this issue.

Issue No. 2.

The 9 workmen who now press for their reinstatement before me were discharged by notice given on the 8th February 1950, as per Annexure I. Now the point is whether this discharge was justified. Following the trend of events I am satisfied that the Management had no choice in the matter. In the atmosphere of indiscipline and rowdyism which the workers had set up in the factory, work was almost impossible to carry on. The workers were aggrieved when their confirmation was withheld. Prospect of confirmation was held out to take place some time in September 1949, but it was deferred till the beginning of November 1949. The Company contends that these workers were not confirmed before November as they did not prove quite up to the mark. After all, the deferment of confirmation is not such a serious matter as could justify so much agitation over it. The workers were getting pay all the same during this period.

When the matter of confirmation was thus solved, agitation was started in respect of holidays and leave. The Company signified its willingness to observe holidays and leave as provided for under the Factories Act. In the letter of the General Manager, dated 23rd December 1949, as per Annexure B, it is definitely given out that the holidays would be granted as provided under the Factories Act and the payment of wages should also be made under the said Act. So it is idle for the employees to contend that the Company left them in doubt and uncertainty about holidays and leave all through. The Management in answer to the claim of holidays on the 24th and 26th December 1949, granted two days' holidays but that on the 24th and 25th December. The Management expressed its inability to grant a holiday on the 26th December 1949 because there was a chance of visit by Dr. Shyamaprasad Mukherji, Member, Industry Department, Government of India, to the factory on that day. The letter as per Annexure B clarifies this position beyond any room for misunderstanding. But what the workers did on the 26th December? They entered their attendance in the Attendance Register of the factory but stayed away ignoring the letter as per Annexure B. A deputation of selected representatives waited on the General Manager on that day. Their conduct proved vexatious to the General Manager (*vide* Annexure C). However, the matter was tided over by the workers giving an assurance of observation of discipline and obedience in future (*vide* Annexure D). The discharge order of Sri J. K. Bhattacharyya which was passed was also rescinded. I can never take that this letter as per Annexure

D, was obtained under duress or dictation by the General Manager. If it shows anything, it shows that the workers were genuinely repentant and were prepared to make amends for their past conduct. The workers can hardly be justified for their staying away from the factory on the 26th December in direct defiance of the order of the General Manager.

If the workers really regretted their past conduct, one would naturally expect that they would now be more disciplined than before. But as the subsequent trend of events reveals, they became only more unruly and rowdy than ever before. On 16th January 1950 the Works Manager, Sri J. N. Sen Gupta, wanted to impress upon the workers that they should be punctual in their attendance. What he wanted to enforce was merely the observance of the working hours under the Factories Act. But Sri Sen Gupta was threatened with violence on 17th January 1950 when he came to the factory just to see how the working hours were being observed. He had to lodge complaint with the Bhowanipore police-station as he apprehended actual violence. On 18th January 1950 the General Manager visited the factory. He could not dare come to the factory without some police help. He was greeted with abuses by the workers. The Management finding itself in a desperate plight wrote to the Labour Commissioner on 21st January 1950 as per Annexure E. The people of the Head Office were not permitted to enter into the factory. The workers behaved as they liked. As the situation daily went from bad to worse, the Management reported to the Deputy Commissioner of Police on 30th January 1950. But no help came to this frantic cry. The Works Manager was actually assaulted on the 4th February 1950 when he came to the factory. If after this, the Management closes down the factory on 4th February 1950, can anybody blame it? I find that the Management had no other course open than to declare a lock-out in the circumstances. In this context, the discharge notice was served on the 8th February as per Annexure I. If individual notice had not been served in any particular case, that does not very much matter. It will appear that the apprehension of the Management on the score of safety of the factory was not imaginary. The factory was actually burnt down on 21st March 1950. I do not understand why the police did withhold help in such circumstances when valuable properties were in imminent peril. But that is another matter. Considering the circumstances which led to the discharge of these 9 employees, I am clearly of opinion that the discharge was perfectly justified. So the question of their reinstatement can never arise.

But it will appear from the Annexure I, dated 8th February 1950, that these 9 workers were discharged retrospectively with effect from 4th February 1950. I cannot uphold this portion of the order. The workers are entitled to their wages from 4th February 1950 to 8th February 1950 during which period they must be supposed to have been in employ. As these workers have not been given any written charge and as they have not been given any opportunity to explain their conduct, I do not think I should be justified in denying them wages for the notice period, i.e., for one month from the 8th February 1950. I would never have given this compensation if these workers were discharged after their explanation was taken and separately scrutinised by the Management. This payment must be made to these 9 workers whose names are mentioned in the Appendix, within one month of the award coming into operation. So while I reject the prayer for reinstatement, I allow partial relief in the shape of wages for the period from 4th February 1950 to 8th February 1950 and one month's wages thereafter as compensation, payable within one month of the date of operation of this Award.

Issues Nos. 3, 4, 5 and 6.

These issues are taken up together for the sake of convenience. As these workers have been discharged and as their prayer for reinstatement has been negatived the question of fixation of minimum basic pay and rates of dearness allowance does not, strictly speaking, arise. The question of determining their service amenities regarding free medical aid, overtime pay, etc., does not, for the same reason, arise for consideration. I give no direction on this head. Regarding the pay for the holidays, viz., Mahalaya of 1949 and also for 26th December 1949, 2nd January 1950 and 27th January 1950 I find that the claim is liable to be turned down. The Company has granted holidays to the extent provided for under the Factories Act. If on a particular day they do not choose to declare a holiday, the workers cannot make any grievance on that score. Regarding the claim for overtime wages and wages on holidays, the claim is of the nature of civil liability. No direction is called for on such a head. On referring to the Payment of Wage Register I find that the payment was only delayed but not withheld. So I grant no relief under this head.

ORDER.

No. 4915Lab.—1st September 1950.—Whereas under the Government of West Bengal, Labour Department, order No. 1126Lab., dated the 8th March 1950, read with its corrigenda Nos. 1905Lab., 2482Lab. and 2945Lab., dated the 21st April 1950, 16th May 1950 and 3rd June 1950, respectively, the industrial disputes which had existed or were apprehended between the engineering firms specified in column 1 of the schedule to the said order, dated the 8th March 1950, and their workmen represented by the Engineering Workers' Federation, Bengal, 115E, Dhurramtolla Street, Calcutta, the Iron Factory Workers' Union, 3/1, Kali Banerji Lane, Howrah, and the trade unions mentioned against some firms in column 2 of the said schedule and any other registered trade unions as might have been permitted by the Industrial Tribunal hereinafter mentioned to represent workmen of any firm separately for legitimate reasons over the questions relating to (1) dearness allowance and (2) holidays and leave, were referred for adjudication to an Industrial Tribunal consisting of Sri S. N. Modak, I.C.S. (Retd.), as Chairman and Sri A. Das Gupta, District Judge, as member;

And whereas during the pendency of the proceedings before the said Tribunal, the Secretary of the Engineering Works of India Employees' Union, of 1, Gouri Bari Lane, Calcutta, on behalf of the workmen of the Engineering Works of India, of 20, Ultadanga Road, Calcutta, being item No. 39 of the said schedule, made a complaint in writing before the said Tribunal alleging that the said Company had altered, to the prejudice of the workmen, the conditions of service applicable to them immediately before the commencement of the said proceedings;

And whereas in exercise of the powers conferred by section 33A of the Industrial Disputes Act, 1947 (XIV of 1947), the said Tribunal has adjudicated upon the said complaint and submitted its award to the State Government;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of a complaint under section 33A of the Industrial Disputes Act as amended by the Industrial Disputes (Appellate Tribunal) Act, 1950, made by the Engineering Works of India Employees' Union against the Engineering Works of India, Ltd.

BEFORE THE INDUSTRIAL TRIBUNAL, WEST BENGAL.

PRESENT:

SRI S. N. MODAK, I.C.S. (Retd.), *Chairman.*

SRI A. DAS GUPTA, *District Judge, Member.*

For the Union: Sri B. N. Majumdar, Member of the Executive Committee.

For the Company: Sri S. K. Asthana, Labour Officer, Sri G. K. Gidwani, Managing Director.

AWARD.

By Government of West Bengal, Department of Labour, order No. 1126-Lab., dated the 8th March 1950, certain industrial disputes between 64 specified engineering firms including the Engineering Works of India, 20, Ultadanga Road, Calcutta (serial No. 39) and their workmen were referred for adjudication to an Industrial Tribunal consisting of ourselves as Chairman and member respectively. The proceedings in connection with that adjudication are still pending before us. During the pendency of these proceedings the Secretary of the Engineering Works of India Employees' Union filed a petition of complaint before us on 19th July 1950 alleging that the authorities of the Engineering Works of India had verbally informed the employees of the concern that the Company was going to close the works for a period of two months from 25th July 1950. We admitted the petition as a complaint under section 33A of the Industrial Disputes Act as amended by the Industrial Disputes (Appellate Tribunal) Act, 1950, and issued a notice on the Company to appear on 24th July 1950 and submit a reply. Both parties duly appeared on the date fixed and the Managing Director of the Company submitted a statement together with a copy of the relevant notice affirming the fact that the Company had decided to suspend the working of the factory from the 24th July 1950 and the workers and the staff had been informed that they would be paid compensation for a period of involuntary unemployment. We explained the legal position to the representatives of the Company with reference to sections 33 and 33A of the Industrial Disputes Act as amended up to date. The Company's representatives promptly realised that they were not entitled to suspend the working of the factory from 24th July 1950 and thus alter, to the prejudice of the workmen concerned in the dispute under adjudication, the conditions of service applicable to them immediately before the commencement of the adjudication proceedings save with the express permission in writing of this Tribunal. At a later stage the Managing Director submitted an application stating that the Company was withdrawing the notice of suspension of work and was separately applying for permission to close the factory. We are satisfied that the provisions of section 33 of the Act were contravened on 24th July 1950 in so far as the working of the factory was actually suspended on that date in pursuance of the Company's notice. The action taken by the Company appears to have been due to ignorance of the law. As the notice of suspension of work has been withdrawn and the conditions of service have been promptly restored, we find that there is no further ground for complaint. We direct that the conditions of service regarding payment of wages, etc., shall remain unaltered during the pendency of the original adjudication proceedings, unless the permission sought is granted. We make our award accordingly.

S. N. MODAK, *Chairman*,
A. DAS GUPTA, *Member*,

PLEADERS' SURVEY EXAMINATION BOARD.

Shibpur, post office Botanic Garden, the 28th August 1950.

NOTIFICATION.

Pleaders' Survey Training Classes, 1951.

1. Classes for the training of pleaders in surveying will be opened in January 1951, at the Bengal Engineering College for both Class I and Class II candidates, provided sufficient candidates register their names at the centre.

2. The courses will last for ten weeks and will consist of practical work combined with class instruction. The routine and hours of attendance will be settled by the heads of the institutions, who will also decide the exact locality in which the classes will be held and date of the opening.

3. Pleaders must make their own arrangements for attending this course. No tents or other residential accommodation will be provided.

4. Credit for attendance at these classes will not be given unless the pleader has been present for 80 per cent. of the working days and for the full working hours for each day. The attendance must be distributed over the course so that no subject is neglected.

5. Candidates for Class II training must have Additional Mathematics in their Matriculation Examination of the Calcutta University or an equivalent examination and must make an application, for which there is no prescribed form, to the Principal, Bengal Engineering College, for registering their names **not later than the 12th October 1950.** The application of a candidate must be endorsed by the District Judge, and should be accompanied by a remittance receipt from the local treasury certifying that the fee of Rs. 100 (for each of the Class I and Class II candidates) has been paid into the treasury to the credit of the Secretary, Pleaders' Survey Examination Board, under the head "XXVI—Education—(Provincial—West Bengal)—Fees for Pleaders' Survey Training Class".

6. (*1*) The registering officer will inform the candidates as to the locality and the date of opening of the class.

(*2*) Pleaders who have passed the Class II Examination or the Survey Examination held under the rules in force prior to the coming into force of these rules, may be registered for the training in Class I under these rules.

7. The following is the syllabus of instruction:—

CLASS II.

No definite text-books are prescribed.

(*a*) *Practical work.*—Chain surveying prismatic compass, plane tabling and levelling.

(*b*) *Class work.*—Use of mathematical instruments, construction of scales, drawing of plans and section from models, measurements and sketches, mensuration of areas, plotting of field-books, variation of compass, preparation of field-books from maps, elementary principles of levelling, plotting of level section and relaying.

CLASS I.

(*a*) *Practical work.*—Chain and compass surveying, plane tabling, theodolite surveying.

(*b*) *Class work.*—Construction and use of Vernier scales, measurement of areas, heights and distances, determination of inaccessible points, three-point problem solutions, temporary and permanent adjustments of theodolite, determination of the true meridian by three different methods, surveying of sites—Gales traverse system, balancing open and closed traverses, filling in interior details, plotting, inking, relaying.

Candidates who obtain the required percentage of attendances at these courses are qualified to appear at the Pleaders' Survey Examinations to be held in 1951, 1952, 1953 or 1954; but will not be admitted to the examination more than three times in these four years.

Persons who have migrated from Pakistan with the intention of permanently settling in India or subjects of Nepal or of Sikkim or of a Portuguese or French possession in India are also eligible but in their case a certificate of eligibility from the Government of India will be necessary for appointment. Such candidates should apply to the Government of India in the Ministry of Home Affairs, for the necessary certificate and furnish satisfactory proof of having so applied. **Separate application with separate fee required for each post.** The crossed postal order should be marked payable to Secretary, Union Public Service Commission, at New Delhi Post Office, to whom also the application should be addressed. Cheques or money orders not accepted. Candidates applying from outside India should deposit their fees with the High Commissioner for India or the Indian Ambassador or the Government of India's Agent as the case may be and attach the receipts to their applications. The Commission may at their discretion remit the application fee where they are satisfied that the applicant is a bona fide displaced person and is not in a position to pay the prescribed fee. No candidate will be considered for appointment unless he appears for a personal interview if called upon to do so. Upper age limit relaxable by three years for Scheduled Castes, tribal and aboriginal communities candidates and displaced persons. In the case of Indian employees of the Government of Burma discharged owing to constitutional changes in that country, the conditions regarding upper age limit may not be enforced in respect of temporary appointments while they may be relaxed up to 45 years where necessary in respect of permanent and quasi-permanent appointments. For others age limits will be strictly adhered to save in exceptional circumstances and in no case beyond a limit of three years. Two weeks' extension allowed to candidates residing abroad.

DIRECTORATE OF AGRICULTURE
WEST BENGAL

Calcutta, the 21st December 1949.

Third Forecast of the Cotton Crop of West Bengal and Tripura State for the year 1949-50.

There are two varieties of cotton, early and late. The early crop is chiefly grown in the Tripura State and to a small extent in some districts of West Bengal. The late crop is occasionally grown in small areas in Bankura and Midnapore.

Season.—Since the issue of the Second Forecast in October, the weather conditions have been good.

Area and yield.—The area sown this year with early variety is reported to be 22,635 acres compared to 25,163 acres last year. Only 38 acres of land have been cultivated with late variety this year. There was no cultivation of late variety last year. Estimates of acreages according to trade description are as follows:—

Comilla	...	22,500 acres.
U.P. Deshi	...	173 "

The total yield of early crop is estimated at 5,213 bales this year compared to 3,119 bales last year. The total yield under late variety is only 18 bales this year.

Estimates of yield according to trade description are as follows:—

Comilla	...	5,166 bales.
U.P. Deshi	...	65 "

CORPORATION OF CALCUTTA

Calcutta, the 7th September 1950.

NOTICE.

In supersession of the notice published in the *Calcutta Gazette* and other local newspapers in their issues of the 8th June and 22nd March 1950, respectively, regarding certain amendments in rule 10A of the Provident Fund Rules, the Administrative Officer of the Corporation proposes to make the following amendments in the said rules:—

The following words shall be inserted after the words "or death" occurring in the 9th line of rule 10A:—

> "or if the subscriber proceeds on leave other than privilege leave before the date of his retirement or death, then on the salary last drawn by him prior to his proceeding on such leave. The amendment is to take effect from December 4, 1947."

A copy of the Provident Fund Rules is open to public inspection free of charge in the office of the Keeper of Records, Central Municipal Office, on any working day between the hours of 12 noon and 3 p.m.

Any person having any objection to the proposed amendment should submit the same on or before the 10th October 1950, after which date the proposed amendment will be further proceeded with.

GOVERNMENT OF WEST BENGAL.

Legislative Department.

NOTIFICATION.

No. 1759L.—6th September, 1950.—The Governor having been pleased to order, under rule 48 of the West Bengal Legislative Assembly Procedure Rules, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

THE CALCUTTA MUNICIPAL (SECOND AMENDMENT) BILL, 1950.

A

BILL

further to amend the Calcutta Municipal Act, 1923.

WHEREAS it is expedient further to amend the Calcutta Municipal Act, 1923 for the purposes and in the manner hereinafter appearing; Ben. Act III of 1923.

It is hereby enacted as follows:—

Short title and commencement.

1. (*1*) This Act may be called the Calcutta Municipal (Second Amendment) Act, 1950.

(*2*) It shall come into force immediately on the Calcutta Municipal (Amendment) Ordinance, 1950, ceasing to operate. West Ben. Ord. V of 1950.

Amendment of section 140 of Bengal Act III of 1923.

2. In sub-section (*2*) of section 140 of the Calcutta Municipal Act, 1923 (hereinafter referred to as the said Act), after the words "Deputy Executive Officer" the words "or any officer specially appointed by the Corporation with the approval of the State Government for hearing objections" shall be inserted.

Amendment of section 142.

3. In sub-section (*2*) of section 142 of the said Act, the words "by the Executive Officer or Deputy Executive Officer" shall be omitted.

Savings.

4. Any investigation or proceeding commenced or continued, any notice given, any objection heard or determined, any order passed, any action taken or anything whatsoever done under the said Act, as amended by the Calcutta Municipal (Amendment) Ordinance, 1950, shall, on the said Ordinance ceasing to operate, be deemed to have been commenced, continued, given, heard, determined, passed, taken or done under the said Act as amended by this Act as if this Act had commenced on the 25th day of April, 1950.

STATEMENT OF OBJECTS AND REASONS.

As it is not possible for the Executive Officer and the two Deputy Executive Officers of the Corporation of Calcutta to dispose of the very large number of objections to valuations resulting from simultaneous re-valuation of lands and buildings in all wards of Calcutta taken up by the Executive Officer under orders of Government, for the purpose of assessment of consolidated rate, appointment of Special Officers to dispose of the objections is necessary. The Bill seeks to authorise the Corporation to appoint such Special Officers with the approval of Government.

GOVERNMENT OF WEST BENGAL

WEST BENGAL LEGISLATIVE ASSEMBLY SECRETARIAT.

NOTIFICATION.

No. 11L.A./E.—6th September, 1950.—In pursuance of the provisions contained in sub-rule (*14*) of rule 4 of the Provisional Parliament (Filling of Casual Vacancies and Election Petitions) Rules, 1950, the Hon'ble the Speaker of the West Bengal Legislative Assembly has been pleased to make, with the prior approval of the President, modifications in the existing rules in force in regard to elections held by the Assembly for the purpose of election of candidates to the Provisional Parliament and the rules as so modified are published for general information:—

RULES FOR ELECTION OF MEMBERS TO THE PROVISIONAL PARLIAMENT.

1. **Nomination of, and withdrawal by candidates.**—(*1*) On or before the date fixed for nomination, a candidate, his proposer or seconder shall, between the hours of eleven o'clock in the forenoon and three o'clock in the afternoon, deliver to the Returning Officer a nomination paper completed in the prescribed form and subscribed by the candidate himself as assenting to the nomination and by two other members of the West Bengal Legislative Assembly as proposer and seconder.

(*2*) Any person who is at the time a member of the West Bengal Legislative Assembly shall be qualified to subscribe as proposer and seconder as many candidates as there are vacancies to be filled but no more.

(*3*) Any nomination paper which is not received before three o'clock in the afternoon on the date fixed for the nomination of candidates shall be rejected.

(*4*) Any candidate may withdraw his candidature by notice completed in the prescribed form and subscribed by him and assented to by the proposer and the seconder and delivered to the Returning Officer either by such candidate in person or by his proposer or seconder before three o'clock in the afternoon on or before the date fixed for withdrawal, and a candidate who has withdrawn his candidature shall not be allowed to cancel the withdrawal or to be renominated as a candidate for the same election.

2. **Scrutiny of nominations.**—(*1*) On the date fixed for the scrutiny of nominations, the Returning Officer shall proceed with the scrutiny and shall, after giving all reasonable facilities to the candidates to examine the nomination papers of all the candidates, decide all objections which may be made on each nomination and endorse on each nomination paper his decision accepting or rejecting the same, recording briefly in the case of rejecting any of them his reasons for doing so.

(*2*) The Returning Officer may reject a nomination paper on any of the following grounds, namely:—

(*a*) that the proposer and the seconder or any of them are not members of the West Bengal Legislative Assembly;

(*b*) that the signatures of the candidate, proposer and seconder or any of them are not genuine or have been obtained by fraud; or

(*c*) that the proposer and the seconder or any of them have subscribed to that nomination in excess of the vacancies to be filled by the election:

Provided those papers which have been received first up to the number of vacancies shall be deemed valid.

3. (*1*) On the completion of scrutiny of nominations and after expiry of the period within which candidatures may be withdrawn, the Returning Officer shall prepare a list of valid nominations.

(*2*) The Returning Officer shall cause a copy of the list of valid nominations prepared by him to be exhibited in some conspicuous place in the Assembly Buildings and shall also cause a copy of such list to be published in the *Calcutta Gazette*.

4. The Returning Officer may appoint Polling Officers and such other persons to assist him in conducting the election and in counting the votes as he considers necessary.

5. **Procedure of Election.**—(*1*) The ballot paper shall contain the names of the candidates arranged alphabetically and the instructions regarding the manner of marking the ballot paper shall be printed on the back of the ballot paper.

(*2*) The Returning Officer shall provide writing materials sufficient for the purpose of enabling the electors to mark the ballot papers and as many ballot boxes as may be necessary for the election.

(*3*) The Returning Officer shall keep order at the place fixed for the poll, shall take all necessary action to ensure that the election is fairly conducted, shall regulate the number of electors to be admitted at such place at one time and the manner in which they are to be admitted and shall exclude from such place all other persons excepting the candidates and the persons appointed by the Returning Officer to assist him.

(*4*) The Returning Officer, immediately before the commencement of the poll, shall show each ballot box to be used at the poll to such persons as may be present at the place fixed for the poll so that they may see that it

is empty, and he shall then lock it up and place his seal upon it in such manner as to prevent its being opened without breaking such seal and shall keep it so locked and sealed.

(*5*) Immediately before a ballot paper is delivered to an elector, a mark shall be placed in the list of electors against the name of the elector and the elector shall be asked to give a receipt in writing against his name in the said list that he has received a ballot paper. No other mark or writing shall be put against the names in such list excepting against the names of those electors who have been provided with ballot paper by registered post at their option, and no ballot paper shall be delivered to an elector unless he has given such receipt.

(*6*) An elector who has inadvertently dealt with his ballot paper in such a manner that it cannot conveniently be used as a ballot paper may, on delivering it to the Returning Officer and satisfying him of the inadvertence, obtain another ballot paper in place of the spoilt ballot paper, and the latter shall, together with its counterfoil, be marked as cancelled by the Returning Officer.

(*7*) The Returning Officer shall, whenever he is so requested by an elector, explain to him the instructions contained on the back of the ballot paper for the recording of votes.

6. **Procedure for voting by registered post.**—(*1*) In case where an elector desires to exercise his vote by registered post under the first proviso to sub-rule (*9*) of rule 4 of the Provisional Parliament (Filling of Casual Vacancies and Election Petitions) Rules, 1950, he shall intimate his option therefor in writing in his own hand.

(*2*) Such intimation shall be given so as to reach the Returning Officer on or before the date fixed for the withdrawal of candidature.

(*3*) On the expiry of the date of withdrawal and in case a poll becomes necessary to be taken, the Returning Officer shall send ballot papers by registered post to such electors as are referred to in sub-rule (*1*) of rule 6.

(*4*) On receipt of a ballot paper, an elector shall record his vote thereon in accordance with the instructions printed on the ballot paper; and he shall thereafter return the ballot paper by registered post so as to reach the Returning Officer on or before the date and hour fixed for the closing of the poll.

(*5*) No election shall be invalidated by reason that a voter has not received his ballot paper, provided that a ballot paper has been issued to him in accordance with these rules.

(*6*) A voter, if he is already supplied with a ballot paper by registered post under these rules, may not be supplied again with another or be allowed to participate in voting if he comes in person on the date and at the place fixed for the poll.

7. **Counting of votes.**—(*1*) As soon as may be after the close of the poll, the Returning Officer shall proceed to count the votes and if the Returning Officer is unable to proceed with the counting of votes on the day on which the poll is taken by reason of the polling having been protracted or for any other cause, he shall postpone the counting for some other time and date as soon as may be after the date on which the poll is taken and shall give notice of such date, time and place to all candidates present during the poll.

(*2*) When the counting of votes is not proceeded with on the day on which the poll is closed, the Returning Officer shall, in the presence of such persons as may be present, make up into separate parcels and seal with

his own seal and the seals of such candidates as may desire to affix their seals,—

(*a*) each ballot box in use at the place fixed for the poll unopened but with the key attached and slit sealed up, and in case where a member has given his votes by registered post such registered covers made up into a parcel;

(*b*) the unused ballot papers;

(*c*) the marked copy of the list of members containing receipts of the electors that ballot papers have been obtained by such electors;

(*d*) spoilt ballot papers (if any); and

(*e*) the counterfoils of ballot papers;

and the Returning Officer shall retain them in safe custody until the day of the counting of votes.

(*3*) No person except the Returning Officer, such person or persons as he may appoint to assist him in counting the votes and the candidates shall be allowed to be present at the counting of votes.

(*4*) At the time of counting of votes the Returning Officer shall first of all read the provisions of section 14 of the Indian Election Offences and Inquiries Act, 1920, to such persons as may be present and shall then—

(*a*) after scrutiny, separate, or cause to be separated, the ballot papers which he deems valid from those which he rejects, endorsing on the latter the word "rejected" and the ground of rejection; and

(*b*) count, or cause to be counted, the votes given to each candidate.

(*5*) Any ballot paper which is not duly marked, or on which more than one mark is placed against any candidate's name, or on which votes are given to more candidates than there are members to be elected, or on which a mark is placed in such a manner as to make it doubtful to which candidate it has been given, or any ballot paper which has not been marked according to instructions specified on the ballot paper, shall be invalid.

(*6*) Upon the completion of counting the Returning Officer shall prepare and certify a return setting forth—

(*i*) the names of candidates for whom valid votes have been given;

(*ii*) the number of valid votes given for each candidate;

(*iii*) the number of votes declared invalid and rejected; and

(*iv*) the names of the persons declared elected.

8. If a candidate is unable to be present at the time fixed for either the scrutiny or the poll, or the counting of votes, the Returning Officer may admit one representative of such candidate authorised in writing by such candidate.

9. All decisions of the Returning Officer in scrutinising nominations, in conducting the poll, in counting the votes and in declaring the result of the election under these rules shall, subject to the provisions contained in Part II of the Provisional Parliament (Filling of Casual Vacancies and Election Petitions) Rules, 1950, relating to decision of doubts and disputes as to the validity of an election, be final.

By order of the Hon'ble the Speaker,
A. R. MUKHERJEA,
Returning Officer and Secy. to the West Bengal Legislative Assembly.

LABOUR DEPARTMENT.

ORDER.

No. 5115Lab.—7th September 1950.—Whereas under the Government of West Bengal, Labour Department, order No. 2409Lab , dated the 12th May 1950, the industrial dispute between Messrs. J. & R. Hutchison, Ltd., 10, Clive Row, Calcutta, and their employees in connection with the case of Sri Bimal Kumar Sinha, village Nalkhura, post office Badu, district 24-Parganas, was referred for adjudication to Sri G. Palit, District Judge;

And whereas the said Sri G. Palit, District Judge, has submitted to the State Government his award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of an industrial dispute between Messrs. J. & R. Hutchison, Ltd., 10, Clive Row, Calcutta, and their employees in connection with the case of Sri Bimal Kumar Sinha, village Nalkhura, post office Badu, district 24-Parganas.

PRESENT: SRI G. PALIT, *District Judge, Industrial Tribunal.*

Present for the Union—Sri D. L. Sen Gupta, Advocate.

Present for the Company—Sri N. M. Das Gupta, Pleader.

1. By order No. 2409Lab., dated the 12th May 1950, the Government of West Bengal constituted a Tribunal of one Judge under sections 7 and 10 of the Industrial Disputes Act (Act XIV of 1947), and referred the said dispute to me for adjudication. The reference was received on 15th May 1950. The Union filed its written statement on 5th June 1950. The Company filed written objections on 21st June 1950. The issues were framed on 28th June 1950. The case was taken up for hearing on 22nd July 1950. The hearing was concluded on 24th July 1950.

2. The following issues were framed :—

(1) Is the employee Bimal Kumar Sinha entitled to have any increment and dearness allowance on the lines of the previous award? If so, how much, and if with arrears, what should be his present pay?

(2) Is the said employee liable under condition of his service to be transferred to the Head Office? Is he entitled to any compensatory allowance on that score?

(3) Is he entitled to sick-leave from 15th December 1949 to 15th January 1950? Is he entitled to any medical expenses and taxi-fare in the circumstances? If so, how much?

(4) Is he entitled to have a refund of Rs. 3-8 alleged to have been illegally deducted from his pay?

AWARD.

The Union's case is that the Company was originally under European management till it was taken over by Sri Rameshwar Prosad Bajoria. There were some labour troubles consequent on following the policy of exploitation. The dispute was eventually referred by the Government order No. 956Lab., dated the 8th December 1947, to Sri P. R. Mukherji for adjudication. The award was published in the *Calcutta Gazette*, dated the 10th June 1948. The Tribunal granted a new scale of pay retrospectively with effect from 1st July 1947. But it is the Union's contention that the terms of the award were not implemented and Bimal was given no increment over his initial salary of Rs. 45 without any dearness allowance, though he joined as far back as 1946. On the top of this, he was transferred to the Head Office from the Dum Dum factory in July 1949. He claims compensatory allowance for this transfer. He moved the Labour Directorate for fixation of his pay and dearness allowance among other grievances. As the Company was not responsive to concede any of his claims nor was disposed to enter into any bargaining, the dispute was ultimately referred to this Tribunal for adjudication.

The Company resists the claim on different grounds. It is contended that the present dispute is not maintainable because it aims at implementation of the award which is already defunct. The contention of the employee cannot be pressed against the present Company because he is no longer in its employ. He has joined the Victoria Glass Works with effect from 1st February 1950. It is also contended that it is an individual dispute and as such cannot attract the definition of an industrial dispute. The pay that is given to the employee is said to have included dearness allowance as well. His transfer to the Head Office was to accommodate him, as otherwise he was going to be retrenched. The claim for medical leave, etc., is also resisted.

Issue No. 1.

The employee Bimal Kumar claims increments and dearness allowance on the lines of the award passed by Sri P. R. Mukherji on June 10, 1948, in the reference under Government order No 956Lab., dated the 8th December 1947. It is clear that the award of that Tribunal ceased to exist long before the present reference. So the claim of Bimal Kumar to implement the terms of the said award regarding increment of pay and dearness allowance cannot stand. Thus I reject the said claims. The question of determination of the amount of arrear on this head consequently does not arise.

Regarding the claim for fixation of his present pay, I think it stands on a firmer footing. Of course, I cannot fix him in any scale chalked out by the previous award because that award is no longer in operation. But that is no reason why this Tribunal cannot determine whether the pay of Bimal Kumar of Rs. 45 per month did include or exclude dearness allowance. Bimal Kumar claims Rs. 25 as dearness allowance on the lines of the previous award. Though I do not grant Rs. 25 as dearness allowance on the basis of the previous award which is defunct, I think that Rs. 25 is, perhaps, the minimum dearness allowance that the Tribunals grant in respect of clerks. Bimal is a non-matriculate but an experienced clerk. So his claim of dearness allowance at Rs. 25 per month is very modest. I can never conceive that this amount of dearness allowance is included in his pay of Rs. 45 per month. There is also no reason why he should get no dearness allowance. As a matter of fact the Company says that Bimal gets dearness allowance. It is inconceivable that an experienced clerk of his ilk will get only Rs. 20 as pay and Rs. 25 as dearness allowance as the Company held. I should, however, refer to the Company's objection against this fixation of salary. This is twofold, viz., (1) that the dispute is an individual dispute and as such not an industrial dispute, and (2) that Bimal Kumar is no longer an employee of the present Company. I reject both these contentions as untenable on evidence. Regarding the first contention, it will be enough to point out that the written statement before this Tribunal is filed by one Swadesh Gupta who is the Secretary of J. & R. Hutchison Workers' Union admittedly. So, though the dispute was originally an individual dispute, yet the cause of this employee was espoused by the Union. That certainly answers the requirements of an industrial dispute as defined in the Industrial Disputes Act of 1947. Regarding the second contention, I find that it is equally hollow. Ext. 1, which purports to contain a series of receipts for collections made by Bimal, is endorsed by the Assistant Accountant of J. & R. Hutchison, Ltd., named Sri Phani Mukherji. He deposed before me that he signed those receipts on different dates in July 1950 and those receipts related to collections made by Bimal Kumar in July 1950. The Ext. 1 will further show that those were pretty big amounts collected by Bimal. Thus there is hardly any room for doubt that Bimal is still in the employ of J. & R. Hutchison, Ltd. It is the Company's case that Bimal left the service in the end of January 1950 and received wages for the notice period. The Attendance Register of the Company, exhibited before me, clearly shows that Bimal signed the Attendance Register in February 1950 on all days. Of course, it appears that he did not sign his name in the succeeding months of the Attendance Register. His name appears to have been entered in the Attendance Register of the Victoria Glass Works. But the evidence discloses that those two firms are inter-connected and it may be that Bimal's name was transferred to the Victoria Glass Works though he was employed in J. & R. Hutchison, Ltd. It is, of course, not easy to guess the motive behind this action, but I have no hesitation in finding that I cannot accept this version of the Company that Bimal was discharged with effect from the 1st February 1950 from the service of J. & R. Hutchison, Ltd. The Company cannot be now permitted to shift the position that Bimal was discharged from March 1950. So I find no reason why Bimal Kumar cannot claim to have his salary fixed in the firm of J. & R. Hutchison, Ltd. I award that Bimal is entitled to a monthly salary of Rs. 45 and Rs. 25 further as dearness allowance. This will come into operation when the award becomes operative. It does not, however, have any retrospective effect.

Issue No. 2.

Bimal claims compensatory allowance for his transfer to the Head Office in Calcutta from Dum Dum. The Company resists the claim on the ground that it is not customary to grant compensatory allowance to any employee,

Further if has been contended that when Bimal was facing discharge, at his request he was transferred to the Head Office. I am inclined to accept this version of the Company in preference to that of the employee. I find in evidence that a discharge letter was given to Bimal, but that was, of course, subsequently withdrawn. So I reject the claim on this head. I also find that the transfer was not unjustified because the factory at Dum Dum was wound up.

Issue No. 3.

Bimal Kumar claims leave salary during the period of his absence from 15th December 1949 to 15th January 1950 on the ground of illness. The Company says that he is not so entitled. The evidence is *ex-parte* that he has taken no leave during his service of 4 years or so. The evidence is also *ex-parte* that Bimal produced a medical certificate in support of his leave. So I find that Bimal is entitled to sick leave on half pay without dearness allowance from 15th December 1949 to 15th January 1950, his salary being Rs. 45 per month less any amount, if already drawn, on this score. I award that he is entitled to no medical expenses in the circumstances. He is also entitled to no taxi-fare as he did not report to the authorities about it and as he did not take the permission of the authorities either before or after he used the taxi in his journey to home. The payment of the aforesaid leave salary should be made by the Company within one month of the award coming into operation.

Issue No. 4.

Bimal claims a refund of Rs. 3-8 which is said to have been deducted from his pay because he, in his hurry to go to Shalimar, refused to wait for one Sri Bhaduri to enable him to come in the truck with him to the Head Office. This was an affair entirely of the management to tackle. As the management approved of this deduction in its ruling capacity, I do not think that the Tribunal can interfere with the exercise of such inherent right. So I reject the claim on this head.

GOVERNMENT OF WEST BENGAL.

Legislative Department.

NOTIFICATION.

No. 1807L.—9th September, 1950.—The Governor having been pleased to order, under rule 48 of the West Bengal Legislative Assembly Procedure Rules the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

THE WEST BENGAL PROHIBITION OF SMOKING IN SHOW HOUSES AND PUBLIC HALLS BILL, 1950.

A

BILL

to prohibit smoking in show houses and public halls in West Bengal.

WHEREAS it is expedient to prohibit smoking in show houses and public halls in West Bengal;

It is hereby enacted as follows:—

Short title, extent and commencement.

1. (*1*) This Act may be called the West Bengal Prohibition of Smoking in Show Houses and Public Halls Act, 1950.

(*2*) It extends to the whole of West Bengal.

(*3*) It shall come into force on such date as the State Government may, by notification in the *Official Gazette*, appoint.

Definitions.

2. In this Act,—

(*a*) "show house" means any building, or any roofed and enclosed structure, used ordinarily or occasionally for the demonstration or exhibition to the public, whether on payment or otherwise, of cinematographic films, dramatical, pantomime, or musical performances, dances, physical feats of human beings or animals, conjuring tricks or sleights of hand, boxing, wrestling, skating, billiards or table-tennis competitions, or any other indoor amusement or diversion whatsoever;

(*b*) "public hall" means a chamber or hall used ordinarily or occasionally as a place of public assembly or meeting.

The West Bengal Prohibition of Smoking in Show Houses and Public Halls Bill, 1950.

(Clauses 3-6.)

Penalty for smoking in show houses and public halls.

3. Whoever smokes, during a demonstration, exhibition or meeting, in any part of a show house or public hall reserved for the audience or the spectators shall be punishable with fine which for a first offence may extend to twenty-five rupees and for a second or subsequent offence to one hundred rupees.

Power to arrest without warrant.

4. Any police officer may arrest without warrant any person committing in his presence an offence under section 3.

Management to post notices or exhibit slides.

5. (*1*) Every person responsible for the management of a demonstration or exhibition in a show house and every person who controls the deliberations of a public assembly or meeting in a public hall, shall bring to the notice of the audience or the spectators, by posting notices prominently or by exhibiting slides, that any person smoking during a demonstration, exhibition or meeting, in any part of such show house or public hall reserved for the audience or spectators shall be liable to arrest without warrant and to fine.

(*2*) Whoever contravenes the provisions of sub-section (*1*) shall be punishable with fine which may extend to fifty rupees.

Power to exclude from the operation of the Act.

6. The State Government or any officer of the State Government authorised in this behalf may, by general or special order in writing, direct that the provisions of this Act shall not apply in respect of any show house or public hall or any demonstration, exhibition or public meeting therein.

STATEMENT OF OBJECTS AND REASONS.

Smoking in crowded cinemas and theatre halls particularly the air-conditioned ones which are entirely closed has become a source not only of inconvenience to non-smokers but also of danger to the health of the public resorting there. The Government therefore proposes to bring forward, in the interest of public health, legislation prohibiting smoking in cinemas, theatre halls and other places of public amusement which are covered and also in other halls where the public resort.

It is proposed to make smoking in cinemas, etc., a criminal offence. It is also proposed that licensees of cinema halls, etc., should exhibit slides or post placards in prominent places bringing it to the notice of the audience that smoking in the hall is punishable and the person smoking is liable to be arrested. All police officers should have power to arrest without warrant any person smoking in cinemas, etc., in their presence.

NOTIFICATION.

No. 1833L.—11th September, 1950.—The Governor having been pleased to order, under rule 48 of the West Bengal Legislative Assembly Procedure Rules, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

THE CONTINGENCY FUND OF WEST BENGAL BILL, 1950.

A

BILL

to provide for the establishment and maintenance of a Contingency Fund.

WHEREAS it is expedient to provide for the establishment and maintenance of a Contingency Fund;

It is hereby enacted as follows:—

Short title.

1. This Act may be called the Contingency Fund of West Bengal Act, 1950.

Establishment of the Contingency Fund of West Bengal.

2. There shall be established a Contingency Fund in the nature of an imprest, entitled the Contingency Fund of West Bengal, into which shall be paid from and out of the Consolidated Fund of West Bengal a sum of fifty lakhs of rupees.

Custody of the Contingency Fund and withdrawals therefrom.

3. The Contingency Fund of West Bengal shall be held on behalf of the Governor of West Bengal by a Secretary to the Government of West Bengal in the Finance Department, and no advances shall be made out of such Fund except for the purposes of meeting unforeseen expenditure pending authorisation of such expenditure by the Legislative Assembly of West Bengal under appropriations made by law.

Power to make rules.

4. For the purposes of carrying out the objects of this Act, the State Government may make rules regulating all matters connected with or ancillary to the custody of, the payment of moneys into and the withdrawals of moneys from, the Contingency Fund of West Bengal.

STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to provide for the establishment of the Contingency Fund of West Bengal, and for the custody of, the payment of moneys into and the withdrawal of moneys from, such Fund, under the provisions of Articles 267(2) and 283(2) of the Constitution of India. It is proposed to place a sum of rupees 50 lakhs only in the Fund which will be administered by the Finance Department on behalf of the Governor. The advances will be resumed to the Fund as soon as the necessary supplementary funds have been authorised by the Legislature through supplementary Appropriation Acts or at the end of the financial year.

NOTIFICATION.

No. 1834L.—11th September, 1950—The Governor having been pleased to order, under rule 48 of the West Bengal Legislative Assembly Procedure Rules, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

THE BENGAL ELECTRICITY DUTY (WEST BENGAL AMENDMENT) BILL, 1950.

A

BILL

further to amend the Bengal Electricity Duty Act, 1935.

WHEREAS it is expedient further to amend the Bengal Electricity Duty Act, 1935, for the purposes and in the manner hereinafter appearing; Ben. Act X of 1935.

It is hereby enacted as follows:—

Short title and commencement.

1. (*1*) This Act may be called the Bengal Electricity Duty (West Bengal Amendment) Act, 1950.

(*2*) It shall come into force on such date as the State Government may, by notification in the *Official Gazette*, appoint.

Amendment of section 2 of Bengal Act X of 1935.

2. In section 2 of the Bengal Electricity Duty Act, 1935 (hereinafter referred to as the said Act),—

(*a*) to clause (*1*) the words "or by the State Government" shall be added at the end; and

(*b*) in clause (*3*) after the words and figures "section 28 of that Act" the words, figures and brackets "and also includes the West Bengal Electricity Board to be constituted under section 5 of the Electricity (Supply) Act, 1948" shall be inserted. LIV of 1948.

Amendment of section 4 of Bengal Act X of 1935.

3. In sub-section (*1*) of section 4 of the said Act, for the words "specified in his license" the words "of the licensee" shall be substituted.

Amendment of section 5 of Bengal Act X of 1935.

4. In section 5 of the said Act,—

(*i*) after sub-section (*1*) the following sub-section shall be inserted, namely:—

"(*1A*) In the case of energy supplied by the State Government, the consumer shall pay to the State Government at the prescribed time and in the prescribed manner the electricity duty payable under section 3 on the units of energy supplied by the State Government to the consumer for the purpose of lights and fans.";

(*ii*) in sub-section (*2*),—

(*a*) after the word "licensee" occurring for the first time the words "or the State Government, as the case may be," shall be inserted; and

(*b*) the word "he" shall be omitted;

(*iii*) in sub-section (*4*), after the word "licensee" the words "or the State Government" shall be inserted.

Amendment of section 8 of Bengal Act X of 1935.

5. In section 8 of the said Act,—

(*a*) the word "and" occurring at the end of clause (*a*) shall be omitted; and

(*b*) after clause (*a*), the following clause shall be inserted, namely:—

"(*aa*) in the case of energy supplied by the State Government, from the consumer; and."

STATEMENT OF OBJECTS AND REASONS.

The object of the Bill is to amend the Bengal Electricity Duty Act, 1935, with a view to enable Government to collect duty under the said Act in respect of energy supplied by a Government electricity undertaking or by the Provincial Electricity Board which may be set up in future under the Electricity (Supply) Act, 1948.

Under the existing provisions of the Bengal Electricity Duty Act, 1935, Government when supplying electric energy from a Government electricity undertaking is not a "licensee" within the meaning of the said Act and is not, therefore, competent to realise any duty from the consumers on the energy so supplied by Government. Thus the provision of section 3 of the said Act under which duty is to be charged, levied and paid to Government on the units of energy consumed for lights or fans or both, becomes a dead letter in the case of energy supplied by Government in the absence of any one being legally authorised to collect the duty. The Bill proposes to remove this lacuna.

LABOUR DEPARTMENT.

ORDER.

No. 5167Lab.—11th September 1950.—Whereas under the Government of West Bengal, Labour Department, order No. 1965Lab., dated the 24th April 1950, the industrial dispute between Messrs. Presidency Jute Mills Co., Ltd., Rishra, Hooghly, and their workmen represented by the Presidency Jute Mills Employees' Union, Grand Trunk Road, Rishra, Hooghly, regarding the matters specified in the schedule thereto, was referred for adjudication to Sri S. N. Modak, I.C.S. (Retd.);

And whereas the said Sri S. N. Modak, I.C.S. (Retd.), has submitted to the State Government his award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of an Industrial dispute between Messrs. Presidency Jute Mills Co., Ltd., Rishra, Hooghly, and their workmen represented by the Presidency Jute Mills Employees' Union regarding the retrenchment of 64 specified workers.

BEFORE THE INDUSTRIAL TRIBUNAL, WEST BENGAL.

PRESENT: SRI S. N. MODAK, I.C.S. (Retd.), *Chairman.*

For the Company: Sri S. C. Sen, Advocate, Sri J. K. Ghosh, Pleader, Mr. A. B. Lamont of Messrs. McLeod & Co., Managing Agents, Sri Sen Gupta, of I.J.M.A., Sri K. K. Mukherjee, Labour Officer,

For the Union: Sri D. L. Sen Gupta, Advocate, Sri Phani Ghosh, President, Sri N. Banerjee, Secretary.

AWARD.

By Government of West Bengal, Labour Department, order No. 1965-Lab., dated the 24th April 1950, this industrial dispute between Messrs. Presidency Jute Mills Co., Ltd., Rishra, Hooghly and their workmen represented by the Presidency Jute Mills Employees' Union, Grand Trunk Road, Rishra, Hooghly, regarding the retrenchment of 64 specified workers of the Spinning Department of the jute mill concerned, has been referred to me as an Industrial Tribunal for adjudication. The case put forward by the Union is that during the pendency of the adjudication proceedings in respect of issue No. 9 relating to the subject of "procedure for retrenchment and payment of compensation" before the Jute Textile Industry Tribunal constituted by the Government of West Bengal, Commerce, Industries and Labour Department, order No. 343Lab., dated the 15th August 1947, the Company in question discharged the 64 specified workmen without any justification. The Union's case is that the discharge of these persons amounted to an illegal lock-out apart from the position that there were no justifying grounds, and the workmen should be reinstated and should be paid adequate compensation. The Company, in its written statement, has stated that of the 64 workmen mentioned in the order of reference, 24 retired of their own accord with the usual gratuity, 9 retired on medical grounds with the usual gratuity, 3 died and the usual gratuity was paid to their heirs and 9 were never discharged and are still working in their usual jobs. The Company has admitted that the remaining 19 persons were discharged on the 3rd and the 10th December 1949, the reason being that a policy of rationalisation for the sake of economy was given effect to. It has been further stated by the Company in the original written statement and also in a statement filed during the hearing that the Company offered *budli* jobs to these 19 workmen who were discharged, and while some of them refused *budli* work, others accepted the same and actually did *budli* work from time to time as *budli* jobs became available and at least 2 of the discharged workmen were intended to be made permanent in the near future. The Company's case is that there was no illegal lock-out and the retrenchment effected in pursuance of a policy of rationalisation for the sake of economy was justified. In accordance with the schedule appended to the order of reference, the following issues arise for the Tribunal's decision:—

(1) Is the retrenchment of the 64 workers specified in the list enclosed legal and justified?

(2) If not, what relief are they entitled to?

2. As regards the question of illegal lock-out, I do not think that it is necessary for me to dwell on the subject at great length. The matter has been adequately discussed in paragraph 3 of my award in connection with the industrial dispute between the same parties regarding the retrenchment of 19 workers of the Preparing Department, as published by the Government of West Bengal, Labour Department, order No. 2132Lab., dated the 2nd May 1950 (*Calcutta Gazette*, dated the 11th May 1950), and in paragraphs 2 and 3 of my award in the case of Ganges Jute Manufacturing Co., Ltd., Bansberia, district Hooghly, as per Government order No. 4435Lab., dated the 3rd September 1949. For the reasons given in the two awards mentioned above, I come to the conclusion that the discharge in the present case in respect of the 19 workmen mentioned in the appendix appended to this award amounted to an illegal lock-out. As regards the 9 persons who are still working under the Company and are said not to have been discharged at any time, the allegation of discharge is obviously a mistake. As regards the 3 persons who died, no question of discharge can arise. As regards the

24 workers who retired of their own accord with gratuity and the 9 workers who retired on medical grounds with gratuity, the Union has not shown anything to suggest a state of things contrary to what has been alleged by the Company. I must, therefore, hold that the retirement of the 33 workers took place on justifiable grounds. In the present case the real question is whether the discharge of the 19 workmen mentioned in the appendix was legal and justified and, if not, what relief they would be entitled to.

3. I have already held that the discharge of the 19 workmen amounted to an illegal lock-out. What was illegal cannot be held to be justified. Still it is necessary in this case to consider the question as to whether there were any justifying grounds for the discharge. The Company's case is that the discharge was effected in pursuance of a policy of rationalisation on grounds of economy. In this connection a copy of a report from the Head Office of Messrs. McLeod & Co., Ltd., Managing Agents, dated the 4th July 1949, and a copy of the minutes of a meeting of the Managers of the Titaghur-Jagatdal group of Jute Mills under Messrs. McLeod & Co., Ltd., held on the 15th July 1949 have been placed before me for consideration. It has been strenuously argued on behalf of the Company that the decisions arrived at by the Managers' meeting under the Chairmanship of the Manager of the Managing Agents who wrote the letter, dated the 4th July 1949, should be accepted by this Tribunal as final. The only factor which emerges from the documents relating to the scheme of rationalisation is that the authorities of the different mills concerned including the mill under consideration in the present case decided to reduce the number of coolies, spinners and shifters in the Spinning Department of the mill. Unfortunately it has not been explained how the reduction in the personnel was consistent with a proper scheme of distribution of the work-load. On the other hand, the Union has not suggested that the work-load in respect of the remaining workmen happened to be increased unjustifiably after the reduction was effected. As I said in paragraph 2 of my award in connection with the industrial dispute between the same parties in respect of 19 workers of the Preparing Department, as per Government of West Bengal, Labour Department, order No. 2132Lab., dated the 2nd May 1950, I still feel that while it is open to an employer to effect retrenchment of the personnel on the basis of rationalisation, the employer should be able, in an adjudication proceeding before an Industrial Tribunal, to go deeper into the matter and satisfy the Tribunal that the number actually retrenched was approximately the number which in fact became surplus to the requirements. I am unable to accept the contention raised on behalf of the Company in the present case that once it is conceded that retrenchment by way of rationalisation was justified, the extent of the retrenchment as determined by the Management must be accepted by the Tribunal as final. In this connection I may refer in passing to section 71 of the proposed Labour Relations Bill, 1950, which provides for an application to a Tribunal by an employee whose services have been terminated by the employer for decision as to whether or not such termination is in accordance with section 122 which involves the question of the employee being surplus to the employer's requirements. Under the present law the question of an employee or employees being surplus to the requirements has to be determined in an adjudication proceeding started on a reference in respect of an industrial dispute. In the present case I am satisfied that there was some room for retrenchment by way of rationalisation, but I am not in a position to say, on the materials placed at my disposal, that the number of workmen actually retrenched or a number in the neighbourhood of that number actually became surplus to the employer's requirements. In the result I come to the conclusion that there were probably good grounds for discharging some of the workmen who were retrenched, but I am unable to go to the extent that the discharge

of all of the workmen actually retrenched was necessarily based on justifiable grounds. I thus hold that while no question of illegal or unjustifiable discharge can arise in respect of 45 of the 64 specified workmen, the discharge of the remaining 19 workmen as per appendix below amounted to an illegal lock-out and was therefore unjustified in spite of the existence of some justifying grounds. I make my award under issue No. 1 accordingly.

4. I now pass on to issue No. 2 regarding the question of relief to which these 19 workmen may be entitled. I am not disposed to consider the relief of reinstatement under the particular circumstances. As regards the question of compensation, it is alleged by the Company that they were paid two weeks' wages in lieu of notice. It is contended on behalf of the Company, with reference to clause 13 (Termination of Employment) of the Standing Orders under Appendix VIII, page 160, of the Jute Textile Industry Tribunal's award as per Government of West Bengal order No. 3443Lab., dated the 20th September 1948, that the two weeks' wages paid should be considered as adequate compensation. I am unable to agree to this view, as the concept of compensation in a case like the present one must be different from the provision made in the Standing Orders. One redeeming feature in the present case is that the Company provided *budli* work to those who were willing to accept the same. I do not agree that those who refused *budli* work should be held to have resigned, as all the 19 persons were permanent workmen and they were not bound to accept *budli* work. It is also noticeable that the Company has decided to make at least two of the discharged workmen permanent. It is hoped that many more will be taken on on a permanent basis. I make my award under issue No. 2 by directing that compensation be paid to the 19 workmen as per appendix below in accordance with the scheme set forth below:—

(*a*) Workmen with service of 3 months or less shall be paid one month's total emolument.

(*b*) Workmen with service of more than 3 months but not more than 6 months shall be paid 2 months' total emolument.

(*c*) Workmen with service of more than 6 months but not more than one year shall be paid 2½ months' total emolument.

(*d*) Workmen with service of more than one year but not more than 2 years shall be paid 3 months' total emolument.

(*e*) Workmen with service of more than 2 years but not more than 3 years shall be paid 3½ months' total emolument.

(*f*) Workmen with service of more than 3 years shall be paid 4 months' total emolument.

(*g*) The expression "total emolument" shall mean "basic wages" plus Rs. 32-8. "Basic wages" shall mean the average basic wages not including overtime wages or any allowances, bonuses or other benefits during the last 12 months of service on full wages or during the total period of service on full wages where such total period is less than 12 months.

(*h*) Amounts of compensation under the above scheme shall include any amounts already paid by way of wages in lieu of notice.

(*i*) Amounts of compensation calculated under the above scheme shall be reduced by the amounts of total emolument (inclusive of value of food concession), if any, earned by the workmen concerned during the first four months immediately after the respective dates of discharge. If the latter exceeds the former no compensation other than wages of lieu of notice shall be payable.

(*j*) Amounts of compensation payable under the above scheme shall be halved in the cases of those workmen who have been reinstated as permanent workmen or will be so reinstated within six weeks, from the date of publication of this award.

(*k*) All amounts of compensation shall be paid within six weeks from the date of publication of this award.

RESOLUTION No. 1446A.R./R3C-12/50.

Calcutta, the 2nd September 1950.

Government accept the proposal of the Superintendent of Census Operations, West Bengal, that any particularly good census work done by Government officials should be brought to the notice of their immediate superiors in order that it may be recognised and placed on record in an appropriate manner. Action in this regard should be taken by the immediate superiors of the individuals regarding whose good work a report is made to them by the Superintendent of Census Operations.

Government also hope that local authorities would similarly recognise and place on record any particularly good census work done by their employees whose services may be made available in this connexion and about whose good work a report is made to them by the Superintendent of Census Operations. Government desire that District Officers should request the local authorities accordingly.

As regards non-officials who have done particularly good census work, Government agree with the Superintendent of Census Operations that they may be given certificates in appreciation of their services.

By order of the Governor,
S. N. RAY, Chief Secy.

RESOLUTION No. 2100-IND.

Calcutta, the 31st August 1950.

Read an application, dated the 25th May 1950, from Messrs. India Metal Manufacturing Co., Ltd., of 237Q, Manicktolla Main Road, Calcutta-11, for a loan of Rs. 25,000 only under section 19(*1*) (*a*) of the Bengal State Aid to Industries Act, 1931 (Bengal Act III of 1931), for purchase of machinery for increasing the efficiency and output of their firm.

Read also resolution adopted by the Board of Industries, West Bengal, at the meeting held on the 21st December 1949 incorporated in the report submitted with letter No. 4782B.I., dated the 28th June 1950, from the Director of Industries and Secretary, Board of Industries, West Bengal.

ORDER.

Ordered that a loan of Rs. 24,000 only be sanctioned provided that it does not exceed 50 per cent. of the net value of the assets of the firm in the industry after deducting all encumbrances thereon existing at the time when the application was made. The loan is also subject to the following conditions:—

(1) That the entire amount of loan should be utilised for the purpose of purchasing machinery for increasing the efficiency and output of the firm and at the same time lowering the cost of production;

(2) a mortgage bond should be executed by Sri Kunja Behari Mukherjee in the form to be drawn up by Government for the purpose;

(3) that interest should be charged at the rate of 8 per cent. per annum payable with each instalment on the balance of the unpaid principal;

(4) that if the instalments with interest thereon are paid promptly on the due dates or within seven days thereafter, the interest will be accepted at the reduced rate of 6¼ per cent. per annum; and

(5) that the entire amount of loan with interest thereon should be repaid in ten equal

annual instalments of Rs. 2,400 only each plus interest; the first instalment being repayable on the first anniversary of payment of the loan.

Ordered also that the resolution be published in the *Calcutta Gazette*.

By order of the Governor,
S. K. CHATTERJEE, Secy.

RESOLUTION No. 2113-IND.

Calcutta, the 5th September 1950.

Read an application, dated the 14th November 1949, from Messrs. Guha and Company, Limited. 48, Pathuriaghata Street, Calcutta, for a loan of Rs. 20,000 since reduced to Rs. 7,000 only under section 19(*1*)(*a*) of the Bengal State Aid to Industries Act, 1931 (Bengal Act III of 1931), for development of their Engineering Works.

Read also the resolution adopted by the Board of Industries, West Bengal, at the meeting held on the 17th May 1950, incorporated in the report submitted with letter No. 7328, dated the 16th August 1950, from Director of Industries and Secretary, Board of Industries, West Bengal.

Order.

Ordered that the loan of Rs. 7,000 only be sanctioned provided that it does not exceed 50 per cent. of the net value of the assets of the firm in the industry after deducting all encumbrances thereon existing at the time when the application was made. The loan is also subject to the following conditions:—

(1) That the entire amount of loan should be utilised for the purpose of development of their Engineering Works located at the above address;

(2) That a mortgage bond should be executed by Sri Satyabrata Guha, Managing Director of the Company, in the form to be drawn up by Government for the purpose;

(3) That the loan should be advanced in two instalments of Rs. 4,000 and Rs. 3,000 at an interval of not less than six months —the second instalment of Rs. 3,000 being payable to the applicant giving satisfactory evidence of progress and improvement;

(4) That interest should be charged at 8 per cent. per annum payable with each instalment on the balance of the unpaid principal;

(5) That if the instalments with interest thereon are paid promptly or within seven days thereafter, the interest will be accepted at the reduced rate of 6¼ per cent. per annum; and

(6) That the entire amount of loan with interest thereon should be repaid in ten equal annual instalments of Rs. 700 only each plus interest; the first instalment being repayable on the first anniversary of payment of the first instalment of loan.

Ordered also that the resolution be published in the *Calcutta Gazette*.

LABOUR DEPARTMENT

ORDER.

No. 4857Lab.—30th August 1950.—Whereas the Governor is satisfied that the leave rules applicable to workers in the factory of Berapukur Iron Works, 18, Ramanath Pal Road, Kidderpore, 24-Parganas, provide benefits which in the opinion of the Governor are not less favourable than those for which Chapter VIII of the Factories Act, 1948 (LXIII of 1948), makes provision;

Now, therefore, in exercise of the power conferred by section 84 of the Factories Act, 1948 (LXIII of 1948), and in supersession of the order No. 476Com., dated the 29th January 1947, so far as it is applicable to the said Berapukur Iron Works, the Governor is pleased to exempt the said factory from the provisions of sections 78, 79, 80 and 81 of Chapter VIII of the said Act subject to the following conditions, namely:—

(*a*) The leave rules applicable to the workers of the Berapukur Iron Works, 18, Ramanath Pal Road, Kidderpore, 24-Parganas, shall not be altered without the previous permission of the State Government; and

(*b*) a copy of the said leave rules together with a copy of this order shall be displayed at the main entrance of the said Berapukur Iron Works.

By order of the Governor,
D. S. P. MUKHERJEE, Jt. Secy.

NOTIFICATIONS.

No. 4794Lab.—28th August 1950.—The following draft rule which, in exercise of the power conferred by sub-section (*2*) of section 58 of the Factories Act, 1948 (LXIII of 1948), the Governor proposes to make, is published herewith for general information, as required under section 115 of the said Act.

2. The draft will be taken into consideration on or after 1st December 1950, and any objection or suggestion with respect thereto which may be received by the undersigned before that date will be duly considered:—

Draft rule.

The provisions of sub-section (*1*) of section 58 of the Factories Act, 1948, shall not apply in any factory to workers employed solely on machinery, plant or process which, in the opinion of the Chief Inspector previously recorded in writing, cannot be stopped for technical reasons, until the batch or quality to be produced at one operation is completed.

No. 5153Lab.—8th September 1950.—Whereas there is a public emergency which requires that the West Bengal Government Press should be exempted from certain provisions of Chapter VI of the Factories Act, 1948 (LXIII of 1948);

Now, therefore, in exercise of the power conferred by section 5 of the Factories Act, 1948 (LXIII of 1948), the Governor is pleased hereby to exempt the factory being the West Bengal Government Press, Alipore, Calcutta, from the provisions of sections 51, 54, 56 and 63 of Chapter VI of the said Act for a period up to the 30th September 1950, subject to the following conditions, namely:—

Conditions.

(1) The exemption granted under this notification shall apply only to those workers who may be employed in connection with the work of printing of the Electoral Rolls for election to the Corporation of Calcutta or on any other kind of work whatsoever connected with or incidental to the same.

(2) A copy of this notification shall be kept displayed on the Notice Board at or near the main entrance of the factory throughout the period during which the notification remains in operation.

No. 5163Lab.—9th September 1950.—Whereas the State Government is satisfied that the public interest requires that the industries mentioned in the schedule below should be declared as public utility services;

Now, therefore, in exercise of the power conferred by proviso to sub-clause (*vi*) of clause (*n*) of section 2 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased to declare the industries specified in the schedule below to be public utility services for a further period of six months with effect from the 18th September 1950:—

Schedule.

(1) The Tramway Services in Calcutta and Howrah.

(2) Cotton Textile Industries in West Bengal.

Land Acquisition

NOTIFICATIONS.

24-Parganas.—No. 10072L.A.—5th September 1950.—The following agreement is published under section 42 of the Land Acquisition Act, I of 1894, for general information.

By order of the Governor,
S. BANERJEE,
Member, Board of Revenue, and
(*ex-officio*) Secy. to the Govt. of
West Bengal.

Agreement.

MEMORANDUM OF AGREEMENT made this 2nd day of September, 1950 between the BHARAT GLASS WORKS, LTD., a Company (Registered under the Indian Company's Act, VII of 1913) and having its registered office at Belghurriah, 24-Parganas (hereinafter called the Company) of the one part and the GOVERNOR of the State of West Bengal (hereinafter called the GOVERNOR) of the other part.

WHEREAS for the purpose of the construction of workers' quarters the Company has applied to the Government of West Bengal for the acquisition under the provisions of the Land Acquisition Act, 1894, of the piece or parcel of land containing 4 bighas 5 kathas 14 ch. or thereabout situate in the village of Belgharia, district 24-Parganas of the State of West Bengal and more particularly described in the Schedule hereto and delineated in the plan* hereto annexed.

AND WHEREAS the said Government of West Bengal, being satisfied by an enquiry held under Section 40 of the said Act that the proposed acquisition is needed for the aforesaid purpose and that the said work is likely to prove useful and beneficial to the Workers, has consented to acquire the piece or parcel of land hereinbefore described.

AND WHEREAS the said Government of West Bengal has required the Company under the provisions of Section 41 of the abovementioned Act to enter into the agreement with the Governor hereinafter contained. Now this indenture witnesseth that it is hereby agreed and declared as follows;

1. On demand the Company shall and will pay to the said Government of West Bengal all and every compensation in respect of the said land tendered, paid or awarded or to be tendered, paid or awarded by the Collector under the Land Acquisition Act, 1894, or by Court to which a reference under Part III of the said Act may be made, or by the Courts to which an Appeal from the award of the said Court may be preferred and all costs, charges and expenses of the proceedings in the aforesaid Courts, or otherwise incidental to the proposed acquisition or payable in respect thereof under the provision of the said Act.

2. On demand made by the said Collector the obligations of the Company under the last preceding clause not being thereby limited the Company shall and will deposit with the said Collector such sum or sums of money as in his discretion the said Collector may in anticipation estimate to be necessary for the purpose mentioned in the last preceding clause.

3. On payment by the Company of all demands under the foregoing first clause, or, in the discretion of the said Government of West Bengal (on deposit by the Company of all estimated amounts as provided in the second clause), but not before possession shall have been taken under the provisions of the abovementioned Act, the Governor shall make over possession of the said land to the Company and shall execute and do all such acts and deeds as may be necessary and proper for effectually vesting the same in the Company.

4. The said land shall be held by the Company for the purposes of such works as is hereinbefore mentioned and without the sanction in writing of the said Government of West Bengal first had and obtained for no other purposes whatsoever.

5. The said land shall be covered and levelled for construction of work or works and construction shall be completed within 2 years (and fully equipped in all respects ready for use) within four years from the date on which possession of the said land shall have been given to the Company.

6. Should the said works not be completed (and fully equipped in all respects ready for use) within the period stated in the last preceding clause or within such further period as in its discretion may be prescribed or allowed by the said Government of West Bengal or should the said land at any time thereafter cease for a period of twelve consecutive months, to be held and used or cease to be required for the purpose or purposes provided for in the foregoing fourth clause then and in any such case, the said Government may summarily re-enter upon and take possession of the said land together with all buildings thereon, whether such buildings were erected before or after transfer of the land to the Company, and thereupon the interest of the Company in the said land and buildings shall absolutely cease and determine.

7. On taking such possession the said Government may sell or otherwise deal with the said land and buildings as it may think proper.

(1) Should the said Government sell the land with the buildings the said Government after deducting the expenses incurred in connection with said taking possession and with such sale shall pay the proceeds to the Company.

(2) Should the said Government decide not to sell the land and buildings, the said Government shall retain the said land and buildings thereon in which case the Governor shall repay to the Company the market value as on the day of re-entry of all the buildings erected by the Company and all sums received from the Company in respect of all and every compensation as provided in the foregoing first clause (less the statutory allowance of 15 per cent., and less any amount received on account of trees and buildings which are not in existence at the time of resumption), but will not repay any sums paid and received on account of costs, charges and expenses.

(3) Should the said Government decide to sell the buildings only upon such sale, the Governor shall after deducting the expenses of taking possession and selling, pay the balance of the proceeds of sale to the Company together with the sum received from the company in respect of the compensation for the land (less the statutory allowance of 15 per cent. and less any amount received from the Company on account of trees and buildings which are not in existence at the time of resumption), but will not repay any sum paid and received on account of costs, charges and expenses.

8. The public shall be ultimately benefited by being able to use all kinds of glass articles of daily necessity manufactured locally by the Company's workers living in a healthy sanitary condition thus contributing to the efficient and better production.

*Not printed but may be inspected in the office of the Special Land Acquisition Officer, Alipore.

The Company shall give regular and systematic free training to 2 (two) Bengalee apprentices to be nominated by the Director of Industries, West Bengal, or such other officer as may be selected by Government for the purpose every year. The duration of training for each apprentice shall be one year and during such apprenticeship they shall each receive an allowance of Rs. 35 per month. The first batch of 2 apprentices shall be admitted within 3 months from the date on which the Company is given possession of the land.

9. Should any dispute or difference arise touching or concerning the subject matter of this agreement or any covenant clause or thing herein contained the same shall be referred to the said Government of West Bengal and the opinion and decision of the said Government upon such dispute or defference shall be final and conclusive and binding on the parties hereto.

By order of the Governor,
S. BANERJEE,
Member, Board of Revenue and Secy. to the Govt. of West Bengal (*ex-officio*).

Agreement.

MEMORANDUM OF AGREEMENT made this sixth day of September One thousand nine hundred and fifty BETWEEN THE CALCUTTA ELECTRIC SUPPLY CORPORATION, LIMITED, a Company incorporated under the English Companies Acts and having its registered office at Victoria House, Vernon Place, Bloomsbury Square in London, and having an India Branch Office at Victoria House, Chowringhee Square, in the town of Calcutta (hereinafter called "the Company") of the one part AND THE GOVERNOR OF THE STATE OF WEST BENGAL (hereinafter called "the Governor") of the other part.

WHEREAS for the purpose of construction of a Cableway Bridge over the Serampore Khal for the purpose of carrying cables across the said Khal and for the general supply of electrical energy in the adjoining licensed areas, the Company has applied to the Government of West Bengal for the acquisition under the provisions of the Land Acquisition Act, 1894, of portions of two plots of lands (total area of which is five chittacks and fifteen square feet or decimal zero zero five five acre) bearing cadastral survey plot Nos. 3016 and 2331 in mauza Serampore, jurisdiction list No. 13, within the jurisdiction of thana Serampore, Sub-Registry Serampore, appertaining to tauzi No. 2279 in pargana Boro, in the district of Hooghly, and more particularly described in the Schedule hereto and delineated on the plan* hereunto annexed.

AND WHEREAS the said Government of West Bengal, being satisfied by an enquiry held under section 40 of the said Act that the proposed acquisition is needed for the aforesaid purpose and that the said work is likely to prove useful to the public, has consented to acquire on behalf of the Company the plots of land hereinbefore described.

AND WHEREAS the said Government of West Bengal has required the Company under the provisions of section 41 of the abovementioned Act to enter into the Agreement with the Governor hereinafter contained.

NOW THIS INDENTURE WITNESSETH that it is hereby agreed and declared as follows:—

1. On demand the Company shall and will pay to the said Government of West Bengal all and every compensation in respect of the said lands tendered, paid or awarded or to be tendered, paid or awarded by the Collector under the Land Acquisition Act, 1894, or by the Court to which a reference under Part III of the said Act may be made, or by the Court or Courts to which an appeal from the award of the said Court may be preferred and all costs, charges, and expenses of the proceedings in the aforesaid Courts, or otherwise incidental to the proposed acquisition or payable in respect thereof under the provisions of the said Act.

2. On demand made by the said Collector the obligations of the Company under the last preceding clause not being thereby limited, the Company shall and will deposit with the said Collector such sum or sums of money as in his discretion the said Collector may in anticipation estimate to be necessary for the purpose mentioned in the last preceding clause.

3. On payment by the Company of all demands under the foregoing first clause, or, in the discretion of the said Government of West Bengal (on deposit by the Company of all estimated amounts as provided in the second clause), but not before possession shall have been taken under the provisions of the abovementioned Act, the Governor shall make over possession of the said lands to the Company and shall execute and do all such acts and deeds as may be necessary and proper for effectually vesting the same in the Company.

4. The said lands shall be held by the Company for the purpose of such supply of electrical energy and maintaining a Cableway Bridge over the said Serampore Khal as is hereinbefore mentioned and

*Not printed but may be inspected in the office of the Land Acquisition Collector, Serampore.

purposes incidental thereto and without the sanction in writing of the said Government of West Bengal first had and obtained for no other purpose whatsoever.

5. The said Cableway Bridge shall be completed and fully equipped in all respects ready for use within two years from the date on which possession of the said lands shall have been given to the Company.

6. Should the Cableway Bridge not be completed (and fully equipped in all respects ready for use) within the period stated in the last preceding clause or within such further period as in its discretion may be prescribed or allowed by the said Government of West Bengal or should the said lands at any time thereafter cease for a period of six consecutive months to be held and used or cease to be required for the purpose or purposes provided for in the foregoing fourth clause then and in any such case the said Government may summarily re-enter upon and take possession of the said lands together with all buildings and/or structures thereon, whether such buildings and/or structures were erected before or after transfer of the said lands to the Company, and thereupon the interest of the Company in the said lands and buildings and/or structures shall absolutely cease and determine.

7 On taking such possession the said Government may sell or otherwise deal with the said lands and the buildings and/or structures thereon as it may think proper.

(*i*) Should the said Government sell the lands with the buildings and/or structures the said Government after deducting the expenses incurred in connection with the said taking of possession and with such sale shall pay the proceeds to the Company.

(*ii*) Should the said Government decide not to sell the lands and buildings and/or structures the said Government shall retain the said lands and buildings and/or structures thereon in which case the Governor shall repay to the Company the market value as on the day of re-entry of all the buildings and/or structures erected by the Company and all sums received from the Company in respect of all and every compensation as provided in the foregoing first clause (less the statutory allowance of 15 per cent. and less any amount received on account of trees and buildings which are not in existence at the time of resumption), but will not repay any sums paid and received on account of costs, charges and expenses.

(*iii*) Should the said Government decide to sell the buildings and/or structures only, upon such sale the Governor shall after deducting the expense of taking possession and selling, pay the balance of the proceeds of sale to the Company, together with the sum received from the Company in respect of the compensation for the lands (less the statutory allowance of fifteen per cent. and less any amount received from the Company on account of trees and buildings which are not in existence at the time of resumption), but will not repay any sum paid and received on account of costs, charges and expenses.

8. The public shall be entitled to the use of the said lands on the following terms, that is to say, subject to the provisions of The Indian Electricity Act, 1910, and Rules made thereunder or to the provisions of any other legislative enactment or rule in that behalf for the time being in force, the public in the vicinity of the Distributing Station near the said Cableway Bridge and in the adjoining licensed area shall, when the proposed Cableway Bridge and works are completed, be entitled to be supplied with electrical energy from such Distributing Station near the said Cableway Bridge within the limits of the power available at such station and in pursuance of the terms of the electrical license granted to the Company.

9. Should any dispute or difference arise touching or concerning the subject-matter of this agreement or any covenant clause or thing herein contained the same shall be referred to the said Government of West Bengal and the opinion and decision of the said Government upon such dispute or difference shall be final and conclusive and binding on the parties hereto.

LABOUR DEPARTMENT

ORDER.

No. 5138Lab.—7th September 1950.—Whereas under the Government of West Bengal, Labour Department, order No. 3584Lab., dated the 30th June 1950, the industrial dispute between Messrs. Shree Shew Sakti Oil Mills, Ltd., factory at 153, Upper Circular Road, and office at 14, Netaji Subhas Road, Calcutta, and their employees represented by Shree Shew Sakti Oil Mills Mazdoor Congress, 138/2, Harrison Road, Calcutta, was referred for adjudication to Sri S. C. Chakravarti, District Judge;

And whereas the said Sri S. C. Chakravarti, District Judge, has submitted to the State Government his award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of industrial dispute between Messrs. Shree Shew Sakti Oil Mills, Ltd., factory at 153, Upper Circular Road, and office at 14, Netaji Subhas Road, Calcutta, and their employees represented by Shree Shew Sakti Oil Mills Mazdoor Congress, 138/2, Harrison Road, Calcutta.

PRESENT:
SRI SAILES CHANDRA CHAKRAVARTI,
Chairman of the Tribunal.

Initial Appearance:—

For the Union: Sri Satyendra Lal Shome, Secretary of the Union.

For the Company: Sri S. C. Sen, Advocate, and Sri N. Das Gupta, Pleader.

Acting under sections 7 and 10 of the Industrial Disputes Act, 1947, the Government of West Bengal, Department of Labour, by their order No. 3584Lab., dated the 30th June 1950, referred to me for adjudication the industrial dispute between Messrs. Shree Shew Sakti Oil Mills, Ltd., factory at 153, Upper Circular Road, and office at 14, Netaji Subhas Road, Calcutta, and their employees represented by Shree Shew Sakti Oil Mills Mazdoor Congress, 138/2, Harrison Road, Calcutta.

AWARD.

The reference was received by me on 4th July 1950 and notices were issued to the parties fixing 14th July 1950 for submission of statements. Both parties entered appearance on 14th July 1950 and the Secretary of the Union took time till 21st July 1950 for filing statement. On 21st July 1950 the Secretary of the Union again applied for time. He was directed to file statement on 28th July 1950. On 28th July 1950 the Secretary of the Union again applied for, and was granted, time till 11th August 1950 for filing statement. The Union did not appear on 11th August 1950.

I have waited till this day with the idea that the party should not suffer for default due to any accident. I have allowed sufficient margin. Since there has been no statement by the Union, I award that no dispute exists.

S. C. CHAKRAVARTI,
Chairman of the Tribunal.

The 23rd August 1950.

By order of the Governor,
D. S. P. MUKHERJEE, Jt. Secy.

ORDER.

No. 4908Lab.—1st September 1950.—Whereas under the Government of West Bengal, Labour Department, order No. 2458Lab., dated the 15th May 1950, the industrial dispute between Messrs. Alexandra Jute Mills, Limited, Jagatdal, 24-Parganas, and their workmen represented by the General Secretary, Barrackpore Subdivision Chatkal Mazdoor Union, Jagatdal, 24-Parganas, in connection with the termination of services of Dr. J. N. Mukherjee, was referred for adjudication to Sri A. Das Gupta, District Judge;

And whereas the said Sri A. Das Gupta, District Judge, has submitted to the State Government his award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of reference No. 2458Lab., dated the 15th May 1950, of the Government of West Bengal, Labour Department, and in the matter of an industrial dispute between Messrs. Alexandra Jute Mills, Limited, Jagatdal, 24-Parganas, and their workmen represented by the General Secretary, Barrackpore Subdivision Chatkal Mazdoor Union, Jagatdal, 24-Parganas, in connection with the termination of services of Dr. J. N. Mukherjee.

PRESENT: SRI A. DAS GUPTA, *District Judge.*

For the Company: Sri S. C. Sen, Advocate, with Sri J. K. Ghosh, Pleader of Messrs. Orr, Dignam & Co., Solicitors.

For the Union: Sri P. K. Sanyal and Sri K. B. Mukherjee, Advocates, instructed by Sri Nikhil Ranjan Roy, Vice-President of the Union.

AWARD.

It is admitted that in January 1943, Dr. J. N. Mukherjee was appointed by Messrs. Begg Dunlop & Co., Ltd., a medical officer of the Craig Jute Mills on probation, from where he was transferred to the Waverly Jute Mills and then to the Alliance Jute Mills and was ultimately made a permanent doctor of the Alexandra Jute Mills on and from 1st November 1946. All these jute mills were under the management of Messrs. Begg Dunlop & Co., Ltd., and in October 1947 the management of the mills under Messrs. Begg Dunlop & Co., Ltd., was transferred to Messrs. McLeod & Co., Ltd. On the 12th May 1949 three specific charges were brought against Dr. Mukherjee and he was called upon to show cause within 24 hours of the receipt of the charge-sheet why he should not be dismissed, discharged or otherwise punished for the offences of which he might be found guilty. Annexure A to the Company's written statement is the charge-sheet. Pending enquiry he was immediately placed under suspension. In the charge-sheet reference was made to warnings alleged to have been given to the doctor on previous occasions. The doctor answered the charges in writing on 15th May 1949. The answers are Annexure B to the Company's written statement. The matter was taken up to the Labour Commissioner for conciliation. There

was an amicable settlement in the presence of the Labour Commissioner and the Subdivisional Magistrate, Barrackpore, and it was agreed that the charges against Dr. Mukherjee would be withdrawn by the Manager and Dr. Mukherjee would be reinstated in his post without loss of pay or service, *i.e.*, he would get full pay for the period of suspension. He was to apply for six months' leave with full average pay and allowances. In pursuance to the terms of settlement Dr. Mukherjee applied on the 16th May 1949 for six months' leave with full average pay and allowances. The leave was granted with effect from the 18th May 1949. The leave was to expire on the 18th November 1949. Before the expiry of leave, the management terminated his services by a letter, dated 10th November 1949. By this letter the management proposed to give the doctor leave with pay till the end of November and thereafter one month's pay in lieu of notice of termination of his services with the Company. Annexure F to the Company's written statement is the letter of discharge. The following points arise for adjudication:—

(1) Has this Tribunal jurisdiction to direct reinstatement of Dr. Mukherjee who has been discharged and not dismissed?

(2) Is Dr. Mukherjee entitled to be reinstated? If so, on what terms?

I take up both the points together. For a clear understanding of the facts as presented before me, I quote below the charges brought against Dr. Mukherjee on the 12th May 1949 and Dr. Mukherjee's reply thereto.

"Charge Sheet.

You are to show cause within 24 hours why you should not be dismissed, discharged or otherwise punished for any of the following offences of which you may be found guilty:—

(*i*) Wilful disobedience of a reasonable order of the Manager, in that on 10th May 1949 at 4-30 p.m. you received a message from the Mill Manager through a durwan asking you to call and see the Mill Manager at his office. On receipt of the message you told the durwan that you were not going to see the Manager and went away in the direction of the coolie lines.

(*ii*) Conduct subversive of discipline, in that on 10th May 1949 the Manager found you in the Alexandra Mill Labour Office advising the bobbin cleaners not to obey the orders of the Mill Manager which were to take half day off in the middle of the week and to work on Saturday afternoons in order to clean up the department. You advised the bobbin cleaners not to obey the order of the Manager.

(*iii*) Habitual late attendance. On 10th September 1948 Mr. C. B. Miller, the senior Manager, spoke to you about your unpunctuality and instructed you to observe strictly the hours of work laid down by the Company. In spite of this the Manager's diary shows that you were not present at the mill on a large number of occasions when you should have been.

The above three instances of misconduct followed on a warning which you received on the 11th February 1940 for taking an active part in a demonstration within the mill and a letter, dated 6th May 1949, from the Chairman of the Directors of McLeod & Co., Ltd., in which instances of your unsatisfactory behaviours were mentioned and in which the Chairman of the Directors stated that unless you obeyed the instructions of the Mill Manager, disciplinary action would have to be taken against you.

Manager,
Alexandra Jute Mills, Limited."

"Reply to the charge-sheet.

A surprisingly malicious charge-sheet. This is carrying the strangely fictitious charges against me inasmuch as all the three charges levelled against me are in every way without any foundation whatsoever. The following statement of authentic facts will be more than sufficient to prove the falsity of all the charges:—

Charge No. 1—The message came to me when I was running to attend a severely wounded worker in the coolie lines whose condition was very grave. As a Medical Officer I had to go to save the dying patient first as 5 minutes' delay would mean her death and this is well known to the Manager himself.

Charge No. 2 is a concocted one as the Barrackpore Subdivision Chatkal Mazdoor Union itself deals with the case and only it is competent enough to answer this charge which has been forcibly thrust upon me.

Charge No. 3 is a false story concocted by the Manager to conceal his own fault which he has been committing now and committed in the past by making a wholly false report against me to Mr. C. B. Miller. I was and am always very particular about my duties and can verily assert that nothing on earth can I be blamed for.

It is wholly unjust and illegal to defame a respectable old man like me by charging me with such charges which can in no way be materialised and so I strongly object to this and record a strong note of protest.

I rightly demand the withdrawal of this false charge-sheet immediately and wait to see it so done."

The terms of the amicable settlement were put into writing by the Labour Adviser of the Company Mr. C. Weale in his notes sent to Mr. Walker, Managing Director. The relevant extracts are quoted below:—

"I attended a meeting in the office of the Labour Commissioner this morning to discuss the case of Dr. J. N. Mukherjee of the Alexandra Jute Mills. Present were Mr. S. K. Haldar, Labour Commissioner, Mr. Banerjee, Subdivisional Officer, Barrackpore, Mr. A. K. Mukherjee, Labour Officer, Jagatdal, Sri Romesh Sarkar of the Barrackpore Subdivisional Chatkal Mazdoor Union, Dr. J. N. Mukherjee and myself.

It was decided that the charges against Dr. Mukherjee would be withdrawn by the Manager and that Dr. Mukherjee would be reinstated in his post without loss of pay or service, i.e., he will get full pay for the period of suspension. Dr. Mukherjee has now sent in an application for six months' leave on full pay and allowances. I have assured him that this leave will be given."

The charges brought against Dr. Mukherjee were thus dropped and were no longer alive. In the letter of discharge which is Annexure F to the Company's written statement no reasons were assigned as to why he was being discharged. He was discharged as the Company could no longer offer him any employment and as the Company had no further use for his services. In paragraph 4 of the Company's written statement the Company mentioned some of the broad points of misconduct of which Dr. Mukherjee is said to have been found guilty from time to time. It has been alleged that as warnings verbally and in writing on different occasions were of no effect, the Company drew up a charge-sheet against him on 12th May 1949. The broad items of misconduct which obviously related to the period prior to the charge-sheet were that the doctor had been found (1) neglecting his duties and unpunctual in attendance; (2) flouting the lawful orders of the management; (3) acting

in a way which was subversive of discipline in the whole mill; (4) using his dispensary as a meeting place either of the Works Committee or of the Union members; and (5) giving such activities precedence over serious mill accidents. Besides a number of complaints accusing Dr. Mukherjee of malpractices are alleged to have been received by the management. In paragraph 6 of the written statement of the Company it was suggested that the charges brought against Dr. Mukherjee were not dropped for all times to come; but that the charges could be revived at any subsequent time. I quote below the relevant extract from the written statement:—

"The Labour Commissioner impressed upon the Company that owing to the political tension in the country it was desirable to consider the matter in a calm atmosphere and at a suitable time. He therefore suggested that Dr. J. N. Mukherjee should be on leave for six months and on expiry of six months the matter may be considered in a calm atmosphere by the Company. Accordingly, the Company agreed to this proposal and withdrew the charge-sheet."

I may mention in this connection that I have gone through the record of the Labour Commissioner very minutely and I do not find that under the terms of settlement, the Company reserved their right to revive the charges for consideration in a calm atmosphere at any subsequent time. This was not even suggested in the notes of Mr. C. Weale to the Managing Director Mr. Walker. It was specifically mentioned in the notes of Mr. C. Weale that Dr. Mukherjee would be reinstated in his post without loss of pay or services. At the amicable settlement the Labour Commissioner, the Subdivisional Magistrate of Barrackpore, Mr. A. K. Mukherjee, Labour Adviser, Jagatdal, Mr. C. Weale, Labour Adviser of the Company, Sri Ramesh Sarkar of the Barrackpore Subdivisional Chatkal Mazdoor Union and Dr. Mukherjee were present. Dr. Mukherjee and Ramesh Sarkar have been examined in this case. It was suggested to these witnesses that under the terms of settlement Dr. Mukherjee was to be discharged on expiry of his leave. They denied this suggestion. No suggestion was thrown out to either of these two witnesses that the Company was allowed to reserve their right to revive the charges and to reconsider them in a calm atmosphere at any subsequent time. The Company took no steps to examine either the Labour Commissioner or the Subdivisional Magistrate, Barrackpore. Most of the Company's representatives who were present during the amicable settlement are said to have gone to England. In any case there is no evidence on the side of the Company to corroborate the written statement that under the terms of the amicable settlement the Company reserved their right to revive the charges against Dr. Mukherjee and to consider them at any subsequent time. When there is a contemporaneous record of the terms of settlement, the parties thereto are by law debarred from adding to the contemporaneous record. Apart from the legal bar under the Indian Evidence Act, in the absence of any evidence to the contrary, my definite finding shall be that the Company's suggestion on this point is only an afterthought.

I may in this connection reproduce paragraph 10 of the Company's written statement:—

"The change in atmosphere consequent upon the removal of Dr. Mukherjee from the mill was most prominent. The relations between the workers and the management improved a great deal as also the attendance of the workers at the Mill dispensary signifying a return of confidence in the Company's Medical Officer. This further convinced the Company the reasons upon which they based their former decision to dispense with the services of Dr. Mukherjee still hold good. Reports were received about the unsatisfactory movements and conduct of Dr. J. N. Mukherjee. The Com-

pany was therefore convinced that in the interest of maintenance of discipline in the factory, maintenance of good relatins between the workers and the management and also in the interest of the welfare of the workers it will not be possible for the Company to retain Dr. J. N. Mukherjee in their service. Consequently on the expiry of six months' leave period his services were dispensed with."

As regards the allegations about the improvement of the relations between the workers and the management and the attendance of the workers at the mill dispensary, and unsatisfactory movement and conduct of Dr. Mukherjee after expiry of his leave, there is no evidence worth the name. There is no definite evidence about the state of things during Dr. Mukherjee's time and during the period Dr. Mukherjee was on leave. The Company have examined two witnesses Mr. Stewart Cargill and Mr. Ralph Morrison. Neither of these two witnesses was present at the settlement. The real reasons for discharge of Dr. Mukherjee as stated by Mr. Ralph Morrison were that Dr. Mukherjee would commence the same labour trouble as previously; that the Company believed that there would be no change in Dr. Mukherjee's attitude and that if Dr. Mukherjee was allowed to join, the position of the Manager would become untenable; and that the relation between labour and management had improved considerably during the employ of the temporary doctor appointed during the absence of Dr. Mukherjee. Mr. Morrison adds that the management felt that it was improper for a man of position which Dr. Mukherjee held in the Company to hold an executive position in the Union. Both Mr. Stewart Cargill and Mr. Ralph Morrison talked about some instances of misconduct prior to the charge-sheet.

In the sworn statement of Dr. Mukherjee the charges have been explained. The explanations stand unrebutted. In any case when the charges had been withdrawn and Dr. Mukherjee had been reinstated, the charges cannot be revived. Some specific instances of malpractices and disobedience to the Manager's order were suggested to Dr. Mukherjee in his cross-examination. About holding meetings in the dispensary Dr. Mukherjee admits that meetings of the Works Committee were held in the dispensary for some time and that under the direction of the Chairman, namely, the Manager of the mill, and his sworn testimony is that no other meeting was held in the dispensary, and that no meeting can be held within the mill compound without the permission of the Manager. These statements also stand unrebutted. Exhibit E series may be referred to in this connection. Dr. Mukherjee took fees from three workers, Somai, Shamlal and Makhan. They appear to have reported this to the Manager. The complaints were shown to Dr. Mukherjee, and Dr. Mukherjee's sworn testimony is that he realised Rs. 5 from Makhan for attending him at his residences where he was given an injection for cholera. Dr. Mukherjee offered to refund the money to the Manager but the Manager said that it was alright. He was apparently satisfied with the explanation of Dr. Mukherjee. The sworn testimony of Dr. Mukherjee is that the Company do not supply injections for venereal diseases and he took fees from Shamlal and Somai for giving injection for venereal diseases. Apparently the Manager must have been satisfied with this explanation. The instances of misconduct on which evidence has been led before me were all prior to the charges. Most of them are covered by the charge-sheet and the charges having been withdrawn the instances of misconduct cannot be made grounds for further punishment. Of those which are not covered by the charge-sheet, some appear to have been accounted for to the satisfaction of the Manager. If there was any instance for which no explanation had been offered must be deemed to have been condoned because no steps were taken against Dr. Mukherjee for such

instances of misconduct. Dr. Mukherjee is said to have taken a leading and active part in a demonstration of the workers on the 3rd February 1949. Referring to this incident the management wrote to Dr. Mukherjee on the 11th February 1949 warning him that a repetition of this conduct on the part of the doctor would compel the Company to take disciplinary action against him. Exhibit A is the letter. Exhibit B is the copy of the letter written by Dr. Mukherjee in reply. The matter was not proceeded with further. Obviously if Dr. Mukherjee had been at fault, his fault was condoned. Police was requisitioned. If there had been anything wrong on the part of workers, the police would have reported so. Police report has not been placed before me. In the letter of 11th February, the workers were accused of confining the Manager, senior Labour Officer, mill clerks and office clerks and causing a partial stoppage of the mill during the morning period and complete closure of the mill during the afternoon period of work. Dr. Mukherjee in his reply denied that any officer had been confined as alleged and specifically stated that the stoppage of work was due to the Manager's refusing to supply steam. The reply of Dr. Mukherjee does not appear to have been refuted. In the charge-sheet a letter, dated 6th May 1949, was referred to in which the Chairman of the Directors of the McLeod & Co., Ltd., warned Dr. Mukherjee that disciplinary action would be taken against him if he would not obey the instruction of the Manager. The letter is Exhibit C. Exhibit D is the copy of the reply of Dr. Mukherjee to this letter. The matter appears to have been dropped there. Either the reply of Dr. Mukherjee was considered satisfactory or the lapses of Dr. Mukherjee, if any, were condoned.

I have discussed all the relevant facts placed before me. All the instances of misconduct on which evidence was led before me were prior to the charge-sheet. They were either explained away by Dr. Mukherjee to the satisfaction of the management or were condoned. The charges brought against him were withdrawn and he was reinstated and was granted leave for six months. There could not be nor was there any fresh instance of misconduct in between the period of withdrawal of the charges and expiry of leave of Dr. Mukherjee. Having discussed the facts of the case at length I shall now discuss the law.

Industrial Tribunals have been clothed by the Industrial Disputes Act, 1947, with unlimited powers to direct reinstatement. The question was fought up to the Hon'ble Federal Court and the matter has been set at rest by the recent decision by the Hon'ble Federal Court. Although there is nothing in the Act to limit the jurisdiction of Industrial Tribunals in any way, the majority of the Judges of the Tribunals interfered with the employers' decision and action and directed reinstatement when an employee was found to have been wrongfully discharged by way of victimisation or as an unfair labour practice. Most of the Judges refused to interfere where the dismissals were found to have been on grounds other than victimisation and unfair labour practice either on the ground of expediency or on account of restricted view about the jurisdiction of the Industrial Tribunals. I do not propose to discuss whether an Industrial Tribunal is justified to interfere with all cases of wrongful dismissals not connected with victimisation or unfair labour practice. It has become almost a convention with the Industrial Tribunals to intervene and to direct reinstatement whenever dismissal of a workman is found to have been prompted, though not openly, by victimisation or unfair labour practice. The terms "victimisation" and "unfair labour practice" have not been defined anywhere in the Industrial Disputes Act. The amended Trade Unions Act enumerates some instances of unfair labour practice. Those are in connection with trade unions. Cases enumerated in the amended Trade

Unions Act cannot be an exhaustive list of "unfair labour practices". "Victimisation" has been defined in an award given by Jonab Niwaj Muhammad in the case of Mazdoor Hargaon *vs.* Arjun Sugar Mill as whatever injuries or illegality affects an employee. In the case of Coimbatore Cement Work, the adjudicator Sri C. R. Krishnaram has defined the term as the taking of some action prejudicial to the workers on some pretexts other than the real reason. In my opinion any order made in bad faith with an ulterior motive, arbitrarily or with harshness, is an instance of unfair labour practice. Some of the adjudicators appear to have taken a restricted view of the term "unfair labour practice". I need not enumerate instances of unfair labour practice. It is now settled that Industrial Tribunals have jurisdiction to direct reinstatement of any dismissed employees if such dismissal is prompted by unfair labour practice or a spirit of victimisation.

Two preliminary objections have been raised in this case on behalf of the employees. The first objection is that Dr. Mukherjee is not a workman within the meaning of the Industrial Disputes Act, 1947, and that the Union cannot be permitted to canvass on his behalf before the Industrial Tribunal. In support of this contention reference has been made to the award for the joint Steamer Companies published in the *Calcutta Gazette*, dated the 22nd September 1949. I may mention that the award was given by me. The principle which I laid down in the said award is not applicable here, because the facts of the case were quite different from the facts of the present case. An industrial dispute has been defined to mean any dispute or difference between employers and employers, or between employers and workmen, or between workmen and workmen which is connected with the employment or non-employment or the terms of employment or with the conditions of labour, of any person. "Workman" has been defined to mean any person employed (including an apprentice) in any industry to do any skilled or unskilled, manual or clerical work for hire or reward and includes for the purposes of any proceedings under the Industrial Disputes Act in relation to an industrial dispute, a workman discharged during that dispute. Assuming that doctors are not workmen within the meaning of the term as defined in the Industrial Disputes Act, "any person" in the definition of "industrial dispute" seems to be sufficiently elastic to include a doctor. Even assuming that Dr. Mukherjee was not a workman he was not an officer for he was not clothed with any of the management functions, as was found in the case of Mr. Platts, an officer of the Joint Steamer Companies. In the interests of the industry I observed in the award for the Joint Steamer Companies that a member of the supervisory staff who is clothed with some of the management functions should not be permitted to join a union of workmen and such union should not be permitted to canvass for the officer. That is one of the grounds on which I dismissed the case of Mr. Platts. The other ground was that the grievance of Mr. Platts was not identified with the workmen. The demand was not for the benefit of the workmen and non-compliance with the demand could not be made the grievance of the workmen. I may be permitted to quote below the principle on this point which I laid down in the award for the Joint Steamer Companies:—

"It is clear from the definition that there cannot be any industrial dispute between an employer and an employee who is not an workman, or in other words, who is an officer. The workmen or their Union may demand employment or unemployment of an officer as a dispute between the employers and the workmen, or in other words, the workmen or their Union can make such a demand for an officer only when it is a dispute of the workmen. The demand must be identified with the workmen before they

are entitled to canvass it. The demand must be for the benefit of the workmen and the workmen must have made non-compliance with the demand on their own grievance. Unless this condition is fulfilled, the workmen or their Union has no right to canvass a demand which concerns an officer. In the present case, the reinstatement of Mr. Platts cannot be in the interests of the workmen. The workmen did not make the discharge of Mr. Platts a grievance of their own. It is only because Mr. Platts became a member of the Union and requested the Union to canvass the demand of his own on his behalf and in his interests, the Union took up the cause. Discharge of officers by employers is not always a grievance of the workmen and hence not a dispute or difference between employers and workmen. It may be so under certain circumstances, but those circumstances are not present here. The whole object of the Industrial Disputes Act is to settle disputes between employers and employers, employers and workmen and workmen and workmen. The Act does not provide for settlement of any dispute between employers and employees other than workmen. All disputes raised by workmen cannot be industrial disputes. To entertain a dispute raised by workmen as an industrial dispute, the real test is whether it is a genuine dispute of the workmen and whether it affects the workmen."

It is thus clear that the grounds on which I rejected the case of Mr. Platts are not present here. Dr. Mukherjee was not entrusted with any of the management functions as Mr. Platts was. Mr. Platts became a member of the Union only to have his case canvassed by the Union. But Dr. Mukherjee is an active member of the Union from almost its inception. The workers were interested in him so much so that they would not allow Dr. Mukherjee to go on leave according to the terms of the settlement following the charges formulated against him. He was a representative of the workmen in the Works Committee and was a staunch fighter for the interests of the workmen. I accordingly hold that the demand for reinstatement of Dr. Mukherjee is in the interests of the workmen. The workmen have identified themselves with the grievance of Dr. Mukherjee Thus there is no legal bar for the Union of the workmen canvassing reinstatement of Dr. Mukherjee. The principles which are applicable in a case of reinstatement of a workman shall also be applicable here. Dr. Mukherjee is entitled to be reinstated, provided his dismissal appears to have been prompted by unfair labour practice or a spirit of victimisation.

It has already been found that whatever misconduct Dr. Mukherjee was guilty of was prior to the charge-sheet framed against him. The instances of misconduct were either covered by the charges brought against him or had been explained away to the satisfaction of the Manager. There was no fresh instance of misconduct. Offence once condoned cannot be made a ground for dismissal, but when an employee commits a new offence, his past offences which have been condoned may be taken into account in assessing the punishment. But Dr. Mukherjee has not been charged with any new offence. Necessarily a question arises why Dr. Mukherjee was dismissed. No satisfactory explanation could be offered by the employer except that Dr. Mukherjee had been connected with the labour taking an active part in their activities. It may be mentioned in this connection that Dr. Mukherjee's candidature for membership of the Works Committee was turned down by the management. The Government had to be moved on this point and the Government direction was that Dr. Mukherjee would be one of the workers' representatives in the Works Committee. It has been contended on behalf of the employers that their objection was 'that Dr. Mukherjee was not a workman. He might not have been a workman but he was not an officer having any interest that might clash with that of the workers.

Another objection was placed before me that it was a case of discharge and not a case of dismissal, and that as such the present case is outside the jurisdiction of the Tribunal. The word "non-employment" in the definition of the "industrial dispute" is sufficiently elastic to include all cases of termination of service. If any employee is discharged on a charge of misconduct or even arbitrarily it is a case of dismissal, although management may be reluctant to call it so. Change of name cannot alter the real nature and character of the action. In such cases of termination of service, whether it be called a discharge or a dismissal, the Industrial Tribunal can assume jurisdiction under the Industrial Disputes Act, 1949, to investigate into the case and to direct reinstatement if a case of victimisation or unfair labour practice is made out. The mere fact that the management calls it a discharge and offers to pay the aggrieved employee one month's wage in lieu of notice and his provident fund money and other dues available to him under the prevalent terms and conditions of service under the management, the jurisdiction of the Tribunal is not ousted. Sometimes such a course is adopted by the management with the ulterior motive to take out the case out of the jurisdiction of the Industrial Tribunal. This itself is an instance of unfair labour practice. I may hardly repeat that the Industrial Tribunal has jurisdiction to investigate into all cases of termination of service by way of discharge or dismissal or reinstatement and to direct reinstatement whenever the termination of service appears to have been improperly made. But as a matter of convention and practice, Industrial Tribunals have consistently refused to intervene unless there is victimisation and unfair labour practice on the part of the management.

In deciding what the immediate cause of Dr. Mukherjee's discharge was and whether such a discharge was prompted by a spirit of victimisation and unfair labour practice, the following facts must be taken into account:—

(1) All instances of misconduct were prior to the charge-sheet which had already been withdrawn; and most of these were either covered by the charges brought against Dr. Mukherjee and the other appear to have been explained away to the satisfaction of the management.

(2) There was no fresh instance of misconduct on the part of Dr. Mukherjee.

(3) Even if there had been any instances of misconduct which were neither explained away nor were covered by the charges, no fresh charge-sheet was drawn up against Dr. Mukherjee, and no opportunity was given him to defend himself against any charge based on such misconduct.

This point is based on the principle of natural justice. The principle of natural justice is an equitable principle and equity demands this principle to be followed even in domestic tribunals.

(4) Dr. Mukherjee was an active member of the Union fighting for the workmen. It is clear from paragraph 10 of the Company's statement to which I have already made a reference and from the evidence of Mr. Ralph Morrison that Dr. Mukherjee was discharged on account of his association with the workers and their union. But nothing has been suggested if the workers had been violent at any time, if Dr. Mukherjee had instigated the workers to be violent or has Dr. Mukherjee ever acted unconstitutionally, and exceeded the legal provisions.

On a careful consideration of the facts and circumstances of the case I direct that Dr. Mukherjee be reinstated without any loss of pay and allowances and service. He shall be paid full salary and all allowances that were available to him at the time when his services were terminated less any

amount that has already been paid for the period beginning from the date on which his services were terminated till the date on which he is reinstated. He shall also be entitled to any increments of salary, if any has been due under the existing terms and conditions of service during this period. This period shall be considered as leave on full pay and shall not be deducted from the leave which is either due to him or may accrue in future. In the interests of Dr. Mukherjee and the management I recommend that Dr. Mukherjee may be transferred to any other mills under the management of Messrs. McLeod & Co., Ltd., without any pecuniary loss to him. If he is transferred to any other mill, his total service up to the date of his reinstatement shall be taken into account in assessing the benefits available to him under the terms and conditions of service and his new appointment on transfer shall be deemed to be in continuity of the service already put in. The arrear dues of Dr. Mukherjee shall be paid to him within a month from the date on which the award comes into force.

A. DAS GUPTA, *Judge.*

The 22nd August 1950.

By order of the Governor,
D. S. P. MUKHERJEE, Jt. Secy.

ORDER.

No. 4926Lab.—2nd September 1950.—Whereas under the Government of West Bengal, Labour Department, order No. 32Lab., dated the 5th January 1950, the industrial dispute between Victoria Glass Works of Ghusury, Howrah, and their workmen represented by the Howrah District Glass Factory Workers' Union, 1, Bazar Lane, Bally Bazar, Howrah, was referred for adjudication to Sri A. Das Gupta, District Judge;

And whereas the said Sri A. Das Gupta, District Judge, has submitted to the State Government his award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of reference No. 32Lab., dated the 5th January 1950, of the Government of West Bengal, Labour Department, and in the matter of an industrial dispute between Victoria Glass Works of Ghusury, Howrah, and their workmen represented by the Howrah District Glass Factory Workers' Union, 1, Bazar Lane, Bally Bazar, Howrah.

PRESENT: SRI A. DAS GUPTA, *District Judge.*

For the Company: Sri S. C. Sen, Advocate and Sri N. M. Das Gupta, Pleader, assisted by the officials of the Company.

For the Union: Sri P. K. Sanyal, Advocate, assisted by Sri Tarak Banerji, Secretary of the Union.

AWARD.

The following points were raised:—

(1) Basic Pay—Grades and scales.

(2) Dearness allowance.

(3) Bonus.

(4) Retiring benefit.
(5) Leave.
(6) Maternity benefit.
(7) Cheap canteen.
(8) Arrangements of drinking water, latrine and washing.
(9) Medical facilities.
(10) Free quarters.
(11) Service conditions—
  (*a*) Appointment.
  (*b*) Permanency.
  (*c*) Involuntary unemployment.
  (*d*) Retrenchment and dismissal.
(12) Reinstatement of 18 workers mentioned in paragraph 5 of the Union's written statement or compensation.
(13) Legality of the reference.

Point No. 13.—Legality of the reference.

I take up the last point first. This point was decided as a preliminary objection on 20th February 1950. Order No. 8 of the order-sheet may be referred to in this connection. I do not propose to reproduce the order over again. My decision was that the reference is good in law. The contention of the Company is overruled.

Point No. 12.—Reinstatement of 18 workers mentioned in paragraph 5 of the Union's written statement or compensation.

After the evidence on this point was closed, the Company informed me through Sri S. C. Sen, Advocate, that the Company would take in each and every discharged workman mentioned in the Union's written statement who would apply directly to the Company (neither through the Tribunal nor through the Labour Commissioner nor through the Union) praying for reinstatement by 5th June 1950. The Union agreed to these terms and these terms were immediately recorded in the order-sheet (*vide* order No. 13, dated 29th May 1950).

Points Nos. 1 and 2.—Basic Pay—Grades and scales and dearness allowance.
